Sec. 2. (a) The commission may license persons holding valid permanent (not temporary) licenses issued by ARCI member racing jurisdictions in North America. Prior to being licensed, the person must:

- (1) be in good standing;
- (2) have cleared a Federal Bureau of Investigation (FBI) or Royal Canadian Mounted Police (RCMP) fingerprint check within the previous five (5) years;
- (3) file an application or affidavit as may be required by the commission; and
- (4) pay the required applicable fees.

(b) The commission may recognize the issuance of racing licenses from ARCI member jurisdictions in North America or the National Racing Compact for purposes of issuance of licenses in this jurisdiction.

(c) Only permanent licenses in good standing shall be considered. Temporary or probationary licenses shall not be considered.

(d) Applicants must be in good standing in each jurisdiction where they hold or have held a racing license.

(e) Provided the above requirements have been met, the commission may issue either a license or a validation sticker. The validation sticker shall be affixed to either a license issued by this jurisdiction or a valid license issued by another ARCI member jurisdiction. The validation sticker shall measure a maximum of one-half (½) inch vertically, be one and one-half (1½) inches horizontally, and shall contain:

- (2) the year of validation; and
- (3) the audit trail code or serial number (where applicable).

The validation sticker shall be constructed of an approved tamper-resistant material. The affixing of the validation sticker shall constitute licensing. The commission shall determine the period of time that such license shall be valid in this jurisdiction.

(f) In the event the licensee is absent from this jurisdiction, and upon payment of the applicable fees, a receipt shall be mailed to the licensee's permanent address. The receipt may then be presented at the commission office so that a commission representative may affix the proper validation sticker to the racing license badge.

(g) Notwithstanding a person's purported eligibility for fingerprint reciprocity, the commission or its designee may require the fingerprinting of any applicant or licensee. Rule 2. Owners

71 IAC 5-2-1 Licensing requirements for owners

Authority: IC 4-31-6-2
Affected: IC 4-31

Sec. 1. (a) Each person who has a five percent (5%) or more ownership or beneficial interest in a horse is required to be licensed. An applicant for an owner's license can be of any age.

(b) An applicant for an owner's license shall own or lease a horse which is:

- (1) eligible to race; and
- (2) registered with the racing secretary.

(c) If younger than eighteen (18) years of age, an applicant for an owner's license shall submit a notarized affidavit from his or her parent or legal guardian stating that the parent or legal guardian assumes responsibility for the applicant's financial, contractual, and other obligations relating to the applicant's participation in racing. In addition, the parents or legal guardians of an applicant for an owner's license under the age of eighteen (18) must be licensed as an owner.

(d) If the commission or its designee has reason to doubt the financial responsibility of an applicant for an owner's license, the applicant may be required to complete a verified financial statement.

(e) Each licensed owner and trainer is responsible for disclosure to the commission or its designee of the true and entire ownership of each of his or her horses registered with the racing secretary. Any change in ownership of a horse registered with the racing secretary shall be approved by the judges. Each owner shall comply with all licensing requirements.

(f) Each licensed owner is responsible for disclosure to the commission or its designee of the identity of the true and bona fide trainer of each of his or her horses registered with the racing secretary. Any change in the trainer of a horse registered with the racing secretary shall be approved by the judges. Each trainer shall comply with all licensing requirements.

(g) The commission or its designee may refuse, deny, suspend, or revoke an owner's license for the spouse, member of the immediate family, or household of a person ineligible to be licensed as an owner, unless there is a showing by clear and convincing evidence on the part of the applicant or licensed owner (and the commission determines) that participation in racing will not permit a person to serve as a substitute for an ineligible person. To the extent the commission or its designee obtains information that raises a reasonable suspicion that any other person may be serving as a substitute for a person ineligible to be licensed as an owner, any horse whose ownership is in question may be placed on the judge's list. In such event, any horse whose bona fide ownership

is at issue is ineligible to race until such time that the issue is proven by the entrant of the horse by clear and convincing evidence in accordance with the provisions of 71 IAC 7-1-35. The transfer of a horse to circumvent the intent of a commission rule or ruling is prohibited.

(h) Each person licensed as an owner consents to the release of records or information required by these rules relating to the medication, care, and/or treatment of a horse by a veterinarian. Additionally, each owner waives and releases any claim that he or she might have against any veterinarian resulting from or in any way relating to the release of records or information to the commission pertaining to the medication, care, and/or treatment of a horse. This provision also serves as and provides a corresponding consent and waiver by and on behalf of the trainer of each of the owner's horses. 71 IAC 5-3-1 Eligibility

Authority: IC 4-31-6-2

Affected: IC 4-31

Sec. 1. (a) An applicant for a license as trainer or assistant trainer shall:

(1) Be at least eighteen (18) years of age.

Any change in the trainer of a horse registered with the racing secretary shall be approved by the judges. Each trainer shall comply with all licensing requirements.

(d) The commission may refuse, deny, suspend, or revoke a trainer's license for the spouse, member of the immediate family, or household of a person ineligible to be licensed as a trainer, unless there is a showing, by clear and convincing evidence, on the part of the licensed trainer, applicant, or licensed owner (and the commission determines) that participation in racing will not permit a person to serve as a substitute for an ineligible person. The transfer of a horse to a trainer who would circumvent the intent of a commission rule or ruling is prohibited.

(e) The commission's designee may refuse a trainer's license for the spouse, member of the immediate family, or household of a person ineligible to be licensed as a trainer, unless there is a showing, by clear and convincing evidence, on the part of the licensed trainer, applicant, or licensed owner (and the commission determines) that participation in racing will not permit a person to serve as a substitute for an ineligible person.
