Rule 10. Home Health Licensure

410 IAC 17-10-1 Licensure

Authority: IC 16-27-1-7

Affected: IC 16-20; IC 16-22-8; IC 16-27-1; IC 25-22.5

Sec. 1. (a) No home health agency shall be opened, operated, managed, maintained, or otherwise conduct business without a license issued by the department.

(b) A license is required for any home health agency providing care in Indiana where the parent agency is located in a state other than Indiana. The home health agency must be authorized by the secretary of state to conduct business in Indiana and have a branch office located in Indiana.

(c) Application for a license to operate a home health agency shall be made on a form provided by the department and shall be accompanied by a nonrefundable fee of one hundred dollars (\$100).

(d) Disclosure of ownership and management information must be made to the department at the time of the home health agency’s initial request for licensure, for each survey, and at the time of any change in ownership or management. The disclosure must include the following:

(1) The name and address of all persons having at least five percent (5%) ownership or controlling interest in the home health agency.

(2) The name and address of each person who is an officer, a director, a managing agent, or a managing employee of the home health agency.

(3) The name and address of the corporation, association, or other company that is responsible for the management of the home health agency, and the name and address of the chief executive officer and the chairman or equivalent position of the governing body of that corporation, association, or other legal entity responsible for the management of the home health agency.

(e) After receiving a completed application, the nonrefundable fee required by subsection (c) of this rule, and disclosure of ownership and management information, the department may issue a letter of approval for operating a home health agency for a period of up to ninety (90) days pending an on-site inspection. In determining whether to issue the letter of approval, the department shall consider the following factors:

(1) Whether the department has filed an action against an agency owned or operated by the applicant that resulted in:

(A) the revocation of a license;

(B) the denial or renewal of a license;

(C) the issuance or renewal of a probationary license; or

(D) the payment of a civil penalty.

(2) Whether the department has issued an order against an agency owned or operated by the applicant.

(3) Whether an agency owned or operated by the applicant has surrendered its license to the department.

(4) Whether any injunction has been issued against an agency owned or operated by the applicant; and

(5) Whether an agency owned or operated by the applicant has operated in substantial violation of this rule or any other law governing home health agencies at any time within two (2) years immediately preceding the date that the applicant applied for a license.

(f) The department may extend this ninety (90) day period for a total of one hundred twenty (120) days in fifteen (15) day increments. Such decision to grant an extension shall take into consideration the health, safety, and welfare of the citizens the home

health agency serves and the individual circumstances warranting the need for the extension. The home health agency must provide the service(s) that have been specified on the application prior to the inspection and must have a minimum of three (3) patients for record review. Record review may consist of both open and closed patient files.

(g) In determining whether to issue the initial license to operate a home health agency, the department may consider the factors described under subsection (e) of this rule and the results of the initial survey.

(h) The license shall relate back to and reflect the date of the first day of the ninety (90) day letter issued by the department.

(i) In determining whether to renew a license to operate a home health agency, the department may consider the factors described under subsection (e) of this rule and any actions pending against the home health agency.

(j) In conducting a survey, a surveyor shall receive copies of any and all documents necessary to make a determination of compliance. The surveyor may make copies with permission of the home health agency, or supervise any copying process to ensure that photocopies are true and accurate. At the sole discretion of the department and for good cause shown, the home health agency may be granted up to twenty-four (24) hours to produce documents requested by the surveyor.

(k) A home health agency may apply to provide a service that was not listed in its application or renewal application by notifying the department in writing of the new service, the date the service is intended to be offered and all supporting documentation that shows the home health agency is qualified to provide the additional service. Such documentation includes, but is not limited to, the following:

(1) Personnel qualifications and licensing.

(2) Limited criminal history from the Indiana central repository established by IC 5-2-5 [*IC 5-2-5 was repealed by P.L.2-2003, SECTION 102, effective July 1, 2003.*].

(3) Procedures for the supervision of personnel.

(4) Contracts between the home health agency and any person offering the new service.

(5) Records of physical exams showing that personnel are free of communicable disease. In the event the initial information submitted is not sufficient for the department to determine the home health agency's compliance regarding the new service, the department will inform the home health agency of the additional documents required. A home health agency may not offer additional services until it has received approval from the department to do so.

(1) The following are not required to be licensed as a home health agency:

(1) A physician licensed under IC 25-22.5.

(2) An individual whose permanent residence is in the patient's residence or who is a member of the patient's immediate family.

(3) Incidental services provided by licensed health facilities to their patients.

(4) An employee of a person holding a license under IC 16-27-1 who provides home health services only as an employee of the licensed person.

(5) A local health department established under IC 16-20.

(6) A health care professional who provides one health service through a contract with a person licensed under IC 16-27-1.

(7) A durable medical equipment supply company that furnishes equipment but provides no home health services to persons in their homes.

(8) A drugstore or wholesale medical supply company that furnishes no home health services to persons in their home.

(9) A volunteer who provides home health aide services without compensation.

(10) An individual health care professional who provides professional services to a patient in the temporary or permanent residence of the patient.

(11) An entity does not need a home health license to provide early intervention services (as defined in IC 12-17-15-3 [*IC 12-17-15 was repealed by P.L.93-2006, SECTION 19, effective March 20, 2006.*]) to a child pursuant to a state program funded by the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.).

(m) Except as provided in 410 IAC 17-11-5, each license shall be for a term of one (1) year and shall expire one (1) year from the date of issuance. The licensee shall notify the department in writing thirty (30) days in advance of closing or selling the home health agency.

(n) Each license shall be issued only for the home health agency named in the application and shall not be transferred or assigned. Upon sale, assignment, lease, or other transfer, voluntary or involuntary, including those transfers that qualify as changes of ownership, a new owner or person in interest shall obtain a license from the department prior to maintaining, operating, or conducting a home health agency.

(o) The licensee shall submit an annual activity report to the department on a form provided by the department.

(p) Surveys may be, but are not limited to, the following:

- (1) Unannounced surveys conducted annually for compliance.
- (2) Post survey revisits conducted based on a home health agency's plan of correction and for the purpose of determining compliance.
- (3) Patient care complaints.

(Indiana State Department of Health; 410 IAC 17-10-1; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2481)

- (6) Impose a civil penalty in an amount not to exceed ten thousand dollars (\$10,000).

(Indiana State Department of Health; 410 IAC 17-11-1; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2482)

410 IAC 17-11-2 Grounds for actions by the commissioner

Authority: IC 16-27-1-7

Affected: IC 4-21.5; IC 16-27-1

Sec. 2. The commissioner may take action under section 1 of this rule on any of the following grounds:

- (1) Violation of any of the provisions of IC 16-27 or these rules *[this article]*.
- (2) Permitting, aiding, or abetting the commission of an illegal act in a home health agency.
- (3) Conduct or practice found by the department to be detrimental to the welfare of the patients of the home health agency.

(Indiana State Department of Health; 410 IAC 17-11-2; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2483)

410 IAC 17-11-3 Renewal of home health licensure

Authority: IC 16-27-1-7

Affected: IC 16-27-1

Sec. 3. An application for renewal of license shall be filed with the department at least sixty (60) days prior, but not sooner than ninety (90) days before, the expiration date of the current license. *(Indiana State Department of Health; 410 IAC 17-11-3; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2483)*

410 IAC 17-11-4 Civil penalties

Authority: IC 16-27-1-7

Affected: IC 16-27-1

Sec. 4. (a) The commissioner may commence an action under IC 16-27-1 to levy civil penalties against a person who:

- (1) fails to comply with IC 16-27 or this article; or
 - (2) interferes with or obstructs the department or its designated agent in the performance of duties pursuant to IC 16-27-1.
- (b) A monetary civil penalty may be sought for each documented violation of IC 16-27-1 or this article. Monetary civil penalties issued may not exceed ten thousand dollars (\$10,000) per violation.

(c) In determining the seriousness of the violation and the specific amount of the civil penalty to be sought for each violation,

the commissioner may consider, but is not limited to, the following:

- (1) The potential for harm or imminent threat to the patient's health.
- (2) The extent of deviation from statutory or regulatory requirements.
- (3) The degree of willfulness or negligence.
- (4) The history of noncompliance.

(d) The absence of direct harm will not necessarily result in assessment of a lower penalty for a violation. (*Indiana State Department of Health; 410 IAC 17-11-4; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2483*)

410 IAC 17-11-5 Probationary license

Authority: IC 16-27-1-7

Affected: IC 16-27-1-12

Sec. 5. A probationary license may be issued pursuant to IC 16-27-1-12 for three (3) months. The probationary license may be reissued but not more than three (3) probationary licenses may be issued during a twelve (12) month period. The issuance of a probationary license results in the automatic expiration of any other license held under this article. (*Indiana State Department of Health; 410 IAC 17-11-5; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2483*)

Rule 12. Home Health Administration and Management

410 IAC 17-12-1 Home health agency administration and management

Authority: IC 16-27-1-7

Affected: IC 16-27-1; IC 16-27-2

Sec. 1. (a) Organization, services furnished, administrative control, and lines of authority for the delegation of responsibility down to the patient care level shall be clearly set forth in writing and be readily identifiable. Administrative and supervisory responsibilities shall not be delegated to another agency or organization, and all services not furnished directly, including services provided through a branch office, shall be monitored and controlled by the parent agency.

(b) A governing body, or designated person(s) so functioning, shall assume full legal authority and responsibility for the operation of the home health agency. The governing body shall appoint a qualified administrator, adopt and periodically review written bylaws or an acceptable equivalent, and oversee the management and fiscal affairs of the home health agency.

(c) An individual need not be a home health agency employee or be present full time at the home health agency in order to qualify as its administrator. The administrator, who may also be the supervising physician or registered nurse required by subsection (d) of this rule, shall do the following:

- (1) Organize and direct the home health agency's ongoing functions.
- (2) Maintain ongoing liaison among the governing body and the staff.
- (3) Employ qualified personnel and ensure adequate staff education and evaluations.
- (4) Ensure the accuracy of public information materials and activities.
- (5) Implement a budgeting and accounting system.
- (6) Ensure that the home health agency meets all rules and regulations for licensure.
- (7) Upon request, make available to the commissioner or his designated agent all:
 - (A) reports;
 - (B) records;
 - (C) minutes;
 - (D) documentation;
 - (E) information; and
 - (F) files;

required to determine compliance within seventy-two (72) hours of such request or, in the event such a request is made in conjunction with a survey, by the time the surveyor exits the home health agency, whichever is sooner.

(8) Ensure that a qualified person is authorized in writing to act in the administrator's absence.

(d) A physician or a registered nurse who has two (2) years of nursing experience, with at least one (1) year of supervisory or administrative experience, shall supervise and direct nursing and other therapeutic services. Such person or similarly qualified

alternate shall be on the premises or capable of being reached immediately by phone, pager, or other means. In addition, the person must be able to respond to an emergency, provide guidance to staff, answer questions, and resolve issues within a reasonable amount of time, given the emergency or issue that has been raised.

(e) The administrator shall be responsible for an ongoing quality assurance program designed to objectively and systematically monitor and evaluate the quality and appropriateness of patient care, resolve identified problems, and improve patient care.

(f) Personnel practices for employees shall be supported by written policies. All employees caring for patients in Indiana shall be subject to Indiana licensure, certification, or registration required to perform the respective service. Personnel records of employees who deliver home health services shall be kept current and shall include documentation of orientation to the job, including:

- (1) Receipt of job description.
- (2) Qualifications.
- (3) A copy of limited criminal history pursuant to IC 16-27-2.
- (4) A copy of current license, certification, or registration.
- (5) Annual performance evaluations.

(g) Personnel records of the supervising nurse, appointed pursuant to subsection (d) of this rule, shall be kept current and shall include a copy of the following:

- (1) Limited criminal history pursuant to IC 16-27-2.
- (2) Nursing license.
- (3) Annual performance evaluations.
- (4) Documentation of orientation to the job.

Performance evaluations required by this subsection must be performed every nine (9) to fifteen (15) months of active employment.

(h) Each employee who will have direct patient contact shall have a physical examination by a physician or nurse practitioner no more than one hundred eighty (180) days before the date that the employee has direct patient contact. The physical examination shall be of sufficient scope to ensure that the employee will not spread infectious or communicable diseases to patients.

(i) The home health agency shall require all employees who will have direct patient contact to complete a PPD (mantoux) skin test for tuberculosis no more than thirty (30) days before the date that the employee has direct patient contact and annually thereafter for negative findings. Positive findings shall require appropriate clinical follow-up before the employee has direct patient contact, but no repeat skin test. A physician shall advise and approve policies regarding positive outcomes. The home health agency shall follow the Centers for Disease Control and Prevention guidelines for administering the tuberculin skin test. These guidelines are the "Core Curriculum on Tuberculosis", Chapter IV(B), Fourth Edition (2000).

(j) The information obtained from the physical examinations required by subsection (h) of this rule and PPD (mantoux) skin tests and clinical follow-ups required by subsection (i) of this rule must be maintained in separate medical files and treated as confidential medical records, except as provided in subsection (k) of this rule.

(k) The following records shall be made available, on request, to the department for review:

- (1) Personnel records and policies that document the home health agency's compliance with subsection (f) of this rule.
- (2) Records of physical examinations that document the agency's compliance with subsection (h) of this rule.
- (3) Records of PPD (mantoux) skin tests, the results of the skin tests, appropriate clinical follow-up for positive findings, and any other records that document the home health agency's compliance with subsection (i) of this rule.

(l) The department shall treat the information described in subsection (k) of this rule as confidential medical records and use it only for the purposes for which it was obtained.

(m) Policies and procedures shall be written and implemented for the control of communicable disease in compliance with applicable federal and state laws. (*Indiana State Department of Health; 410 IAC 17-12-1; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2483*)

410 IAC 17-12-2 Quality assessment and performance improvement

Authority: IC 16-27-1-7

Affected: IC 16-27-1

Sec. 2. (a) The home health agency must develop, implement, maintain, and evaluate a quality assessment and performance improvement program. The program must reflect the complexity of the home health organization and services (including those services provided directly or under arrangement). The home health agency must take actions that result in improvements in the home health agencies performance across the spectrum of care. The home health agency's quality assessment and performance improvement program must use objective measures.

(b) The home health agency shall provide at least one (1) of the following services:

- (1) Nursing treatment and procedure.
- (2) Home health aide services.
- (3) Physical therapy.
- (4) Speech-language pathology.
- (5) Occupational therapy.
- (6) Social services.

(c) In all cases involving the provision of home health aide services, the home health agency shall provide case management by a health care professional acting within the scope of his or her practice. Such case management shall include an initial home visit for assessment of a patient's needs to determine the type, appropriateness, and adequacy of requested service, and the development of the patient care plan.

(d) If personnel under contracts are used by the home health agency, there shall be a written contract between those personnel and the home health agency that specifies the following:

- (1) That patients are accepted for care only by the primary home health agency.
- (2) The services to be furnished.
- (3) The necessity to conform to all applicable home health agency policies including personnel qualifications.
- (4) The responsibility for participating in developing plans of care.
- (5) The manner in which services will be controlled, coordinated, and evaluated by the primary home health agency.
- (6) The procedures for submitting clinical notes, scheduling of visits, and conducting periodic patient evaluation.
- (7) The procedures for payment for services furnished under the contract.

(e) Services furnished under arrangements are subject to a written contract conforming with the requirements specified in subsection (d) of this rule.

(f) When contracting temporary services from another licensed home health agency, organization, or independent contractor, the personnel records shall be maintained at the office of the employer and shall be available to the home health agency upon two (2) hours' notice.

(g) All personnel providing services shall maintain effective communications to assure that their efforts appropriately complement one another and support the objectives of the patient's care. The means of communication and the results shall be documented in the clinical record or minutes of case conferences.

(h) The home health agency shall coordinate its services with other health or social service providers serving the patient.

(i) A home health agency must develop and implement a policy requiring a notice of discharge of service to the patient, the patient's legal representative, or other individual responsible for the patient's care at least five (5) calendar days before the services are stopped.

(j) The five (5) day period described in subsection (i) of this rule does not apply in the following circumstances:

- (1) The health, safety, and/or welfare of the home health agency's employees would be at immediate and significant risk if the home health agency continued to provide services to the patient.
- (2) The patient refuses the home health agency's services.
- (3) The patient's services are no longer reimbursable based on applicable reimbursement requirements and the home health agency informs the patient of community resources to assist the patient following discharge; or
- (4) The patient no longer meets applicable regulatory criteria, such as lack of physician's order, and the home health agency informs the patient of community resources to assist the patient following discharge.

(k) A home health agency must continue, in good faith, to attempt to provide services during the five (5) day period described in subsection (i) of this rule. If the home health agency cannot provide such services during that period, its continuing attempts to provide the services must be documented. (*Indiana State Department of Health; 410 IAC 17-12-2; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2485*)

410 IAC 17-12-3 Patient rights

Authority: IC 16-27-1-7

Affected: IC 16-27-1

Sec. 3. (a) The patient or the patient's legal representative has the right to be informed of the patient's rights through effective means of communication. The home health agency must protect and promote the exercise of these rights as follows:

- (1) The home health agency shall provide the patient with a written notice of the patient's right in advance of furnishing care to the patient or during the initial evaluation visit before the initiation of treatment.
- (2) The home health agency shall maintain documentation showing that it has complied with the requirements of this section.
- (b) The patient has the right to exercise his or her rights as a patient of the home health agency as follows:
 - (1) The patient's family or legal representative may exercise the patient's rights as permitted by law.
 - (2) The patient has the right to have his or her property treated with respect.
 - (3) The patient has the right to voice grievances regarding treatment or care that is (or fails to be) furnished, or regarding the lack of respect for property by anyone who is furnishing services on behalf of the home health agency and must not be subjected to discrimination or reprisal for doing so.
 - (4) The patient has the right to place a complaint with the department regarding treatment or care furnished by a home health agency.
 - (5) The patient has the right to be informed about the care to be furnished, and of any changes in the care to be furnished as follows:
 - (A) The home health agency shall advise the patient in advance of the disciplines that will furnish care, and the frequency of visits proposed to be furnished.
 - (B) The patient has the right to participate in the planning of the care. The home health agency shall advise the patient in advance of the right to participate in planning the care or treatment and in planning changes in the care or treatment.
 - (C) The home health agency shall advise the patient of any change in the plan of care, including reasonable discharge notice.
 - (6) The patient has the right to confidentiality of the clinical records maintained by the home health agency. The home health agency shall advise the patient of the agency's policies and procedures regarding disclosure of clinical records.
 - (7) The patient or patient's legal representative have the right under Indiana law to access the patient's clinical records unless certain exceptions apply. The home health agency shall advise the patient or the patient's legal representative of its policies and procedures regarding the accessibility of clinical records.
 - (8) The patient has the right to be free from verbal, physical, and psychological abuse and to be treated with dignity.
 - (c) The home health agency shall investigate complaints made by a patient or the patient's family or legal representative regarding treatment or care that is (or fails to be) furnished, or regarding the lack of respect for the patient's property by anyone furnishing services on behalf of the home health agency, and shall document both the existence of the complaint and the resolution of the complaint.
 - (d) The home health agency shall make available to the patient upon request, a written notice in advance of furnishing care to the patient or during the initial evaluation visit before the initiation of treatment, a listing of all individuals or other legal entities who have an ownership or control interest in the agency as defined in 42 CFR § 420.201, 42 CFR § 420.202, and 42 CFR § 420.206.
 - (e) The home health agency must inform and distribute written information to the patient, in advance, concerning its policies on advance directives, including a description of applicable state law. The home health agency may furnish advanced directives information to a patient at the time of the first home visit, as long as the information is furnished before care is provided. (*Indiana State Department of Health; 410 IAC 17-12-3; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2486*)

Rule 13. Home Health Patient Care

410 IAC 17-13-1 Patient care

Authority: IC 16-27-1-7

Affected: IC 16-27-1; IC 25

Sec. 1. (a) Patients shall be accepted for care on the basis of a reasonable expectation that the patient's health needs can be adequately met by the home health agency in the patient's place of residence. Medical care shall follow a written medical plan of care established and periodically reviewed by the physician, dentist, chiropractor, optometrist, or podiatrist as follows:

- (1) The medical plan of care shall be developed in consultation with the home health agency staff and shall cover all pertinent diagnoses and include the following:
 - (A) Mental status.
 - (B) Types of services and equipment required.
 - (C) Frequency and duration of visits.

- (D) Prognosis.
- (E) Rehabilitation potential.
- (F) Functional limitations.
- (G) Activities permitted.
- (H) Nutritional requirements.
- (I) Medications and treatments.
- (J) Any safety measures to protect against injury.
- (K) Instructions for timely discharge or referral.
- (L) Therapy modalities specifying length of treatment.
- (M) Any other appropriate items.

(2) The total medical plan of care shall be reviewed by the attending physician, dentist, chiropractor, optometrist, or podiatrist, and home health agency personnel as often as the severity of the patient's condition requires, but at least once every two (2) months. The health care professional staff of the home health agency shall promptly alert the person responsible for the medical component of the patient's care to any changes that suggest a need to alter the medical plan of care. A written summary report for each patient shall be sent to the physician, dentist, chiropractor, optometrist, or podiatrist at least every two (2) months.

(b) A home health agency may accept written orders for home health services from a physician, a dentist, a chiropractor, a podiatrist, or an optometrist licensed in Indiana or in any other state. If the home health agency receives an order from a physician, dentist, chiropractor, podiatrist, or optometrist who is licensed in another state, the home health agency shall take reasonable immediate steps to determine that:

- (1) the order complies with the laws of the state where the order originated; and
- (2) the individual who issued the order examined the patient and is licensed to practice in that state.

(c) All orders issued by a physician, a dentist, a chiropractor, a podiatrist, or an optometrist for home health services must meet the same requirements whether the order originates in Indiana or another state. Orders issued from another state may not exceed the authority allowed under orders from the same profession in Indiana under IC 25.

(d) Home health agency personnel shall promptly notify a patient's physician or other appropriate licensed professional staff and legal representative, if any, of any significant physical or mental changes observed or reported by the patient. In the case of a medical emergency, the home health agency must know in advance which emergency system to contact. (*Indiana State Department of Health; 410 IAC 17-13-1; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2486*)

Rule 14. Home Health Care Services

410 IAC 17-14-1 Scope of services

Authority: IC 16-27-1-7

Affected: IC 16-27-1; IC 25-23-1; IC 25-27-1; IC 25-35.6

Sec. 1. (a) The home health agency shall provide nursing services by a registered nurse or a licensed practical nurse in accordance with the medical plan of care as follows:

(1) The registered nurse shall perform nursing duties in accordance with the Indiana nurse practice act (IC 25-23). Except where services are limited to therapy only, for purposes of practice in the home health setting, the registered nurse shall do the following:

- (A) Make the initial evaluation visit.
- (B) Regularly reevaluate the patient's nursing needs.
- (C) Initiate the plan of care and necessary revisions.
- (D) Initiate appropriate preventive and rehabilitative nursing procedures.
- (E) Prepare clinical notes.
- (F) Coordinate services.
- (G) Inform the physician and other appropriate medical personnel of changes in the patient's condition and needs, counsel the patient and family in meeting nursing and related needs, participate in in-service programs, and supervise and teach other nursing personnel.
- (H) Accept and carry out physician, chiropractor, podiatrist, dentist, and optometrist orders (oral and written).
- (I) Assist the physician, chiropractor, podiatrist, dentist, or optometrist in evaluating level of function.

HOME HEALTH AGENCIES

- (J) Direct the activities of the licensed practical nurse.
- (K) Delegate duties and tasks to licensed practical nurses and other individuals as appropriate.
- (2) The licensed practical nurse shall perform duties in accordance with the Indiana nurse practice act (IC 25-23). For purposes of practice in the home health setting, the licensed practical nurse shall do the following:
 - (A) Provide services in accordance with agency policies.
 - (B) Prepare clinical notes.
 - (C) Assist the physician and/or registered nurse in performing specialized procedures.
 - (D) Prepare equipment and materials for treatments observing aseptic technique as required.
 - (E) Assist the patient in learning appropriate self-care techniques.
 - (F) Accept and carry out physician, dentist, chiropractor, podiatrist, or optometrist orders (oral and written).
 - (G) Inform the physician, dentist, chiropractor, podiatrist, or optometrist of changes in the patient's condition and needs after consulting with the supervising registered nurse.
- (b) Any therapy services furnished by the home health agency shall be provided by:
 - (1) a physical therapist or physical therapist assistant supervised by a licensed physical therapist in accordance with IC 25-27-1; or
 - (2) an occupational therapist or occupational therapist assistant supervised by an occupation therapist in accordance with IC 25-23.5.
 - (3) a speech-language pathologist or audiologist in accordance with IC 25-35.6.
- (c) The appropriate therapist listed in subsection (b) of this rule shall:
 - (1) Make an initial evaluation visit to the patient for whom only therapy services are required.
 - (2) Review the plan of care as often as the severity of the patient's condition requires, but at least every two (2) months.
 - (3) Assist the physician, chiropractor, podiatrist, dentist, or optometrist in evaluating level of function.
 - (4) Help develop the plan of care (revising as necessary).
 - (5) Prepare clinical notes.
 - (6) Advise and consult with the family and other home health agency personnel.
 - (7) Participate in in-service programs.
- (d) In carrying out the responsibilities identified in subsection (c) of this rule the therapist may:
 - (1) direct the activities of any therapy assistant; or
 - (2) delegate duties and tasks to other individuals as appropriate.
- (e) Any social services furnished by the home health agency, shall be provided by a social worker, or a social work assistant under the supervision of a social worker, and in accordance with the medical plan of care. The social worker shall do the following:
 - (1) Assist the physician and other team members in understanding the significant social and emotional factors related to the health problems.
 - (2) Participate in the development of the plan of care.
 - (3) Prepare clinical and progress notes.
 - (4) Work with the family.
 - (5) Use appropriate community resources.
 - (6) Participate in discharge planning and in-service programs.
 - (7) Act as a consultant to other home health agency personnel.
 - (8) Accept and carry out physician orders for social work services.
- (f) This rule does not prohibit the provision of:
 - (1) homemaker services, including shopping, laundry, cleaning, and seasonal chores;
 - (2) companion type services, including transportation, letter writing, mail reading, and escort services;
 - (3) assistance with cognitive tasks, including managing finances, planning activities, and making decisions;
 - (4) attendant care services; or
 - (5) any other services for which an individual license, certification, registration, or permit is not required under state law.
- (g) Home health aides shall be supervised by a health care professional to ensure competent provision of care. Supervision of services must be within the scope of practice of the health care professional providing the supervision.
- (h) Home health aides must receive continuing education. Such continuing education shall total at least twelve (12) hours from January 1 through December 31, inclusive, with a minimum of eight (8) hours in any eight (8) of the following subject areas:
 - (1) Communications skills, including the ability to read, write, and make brief and accurate oral presentations to patients,

caregivers, and other home health agency staff.

- (2) Observing, reporting, and documenting patient status and the care or service furnished.
- (3) Reading and recording temperature, pulse, and respiration.
- (4) Basic infection control procedures and universal precautions.
- (5) Basic elements of body functioning and changes in body function that must be reported to an aide's supervisor.
- (6) Maintaining a clean, safe, and healthy environment.
- (7) Recognizing emergencies and knowledge of emergency procedures.
- (8) The physical, emotional, and developmental needs of and ways to work with the populations served by the home health agency, including the need for respect for the patient, the patient's privacy, and the patient's property.
- (9) Appropriate and safe techniques in personal hygiene and grooming that include the following:
 - (A) Bed bath.
 - (B) Bath, sponge, tub, or shower.
 - (C) Shampoo, sink, tub, or bed.
 - (D) Nail and skin care.
 - (E) Oral hygiene.
 - (F) Toileting and elimination.
- (10) Safe transfer techniques and ambulation.
- (11) Normal range of motion and positioning.
- (12) Adequate nutrition and fluid intake.
- (13) Medication assistance.
- (14) Any other task that the home health agency may choose to have the home health aide perform.

(i) During a home health aide's first year on the state's home health aide registry, the number of hours of training for that aide shall be a prorated portion of the usual twelve (12) and eight (8) hours.

(j) A home health aide continuing education program may be offered by any organization except a home health agency that has a probationary home health agency license.

(k) The training of home health aides pursuant to a continuing education program must be performed by or under the general supervision of a registered nurse. The home health agency shall maintain sufficient documentation to demonstrate that the continuing education requirements are met.

(l) The home health agency shall be responsible for ensuring that, prior to patient contact, the individuals who furnish home health aide services on its behalf meet the requirements of this section as follows:

- (1) The home health aide shall:
 - (A) have successfully completed a competency evaluation program that addresses each of the subjects listed in subsection (h) of this rule; and
 - (B) be entered on and be in good standing on the state aide registry.

(2) The home health agency shall maintain documentation, which demonstrates that the requirements of this subsection and subsection (h) of this rule were met.

(3) If the home health agency issuing the proof of the aide's achievement of successful completion of a competency evaluation program is not the employing agency, the employing agency shall keep a copy of the competency evaluation documentation in the home health aide's employment file.

(m) The home health aide shall be assigned to a particular patient by a registered nurse (or therapist in therapy only cases). The home health aide may not be assigned to perform additional tasks not included in the original competency evaluation until he or she has successfully been evaluated as competent in that task. The home health aide must report any changes observed in the patient's conditions and needs to the supervisory nurse or therapist.

(n) A registered nurse, or therapist in therapy only cases, shall make the initial visit to the patient's residence and make a supervisory visit at least every thirty (30) days, either when the home health aide is present or absent, to observe the care, to assess relationships, and to determine whether goals are being met. (*Indiana State Department of Health; 410 IAC 17-14-1; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2487; errata filed Mar 28, 2002, 4:28 p.m.: 25 IR 2522*)

Rule 15. Home Health Clinical Records

410 IAC 17-15-1 Clinical records

Authority: IC 16-27-1-7

Affected: IC 16-27-1; IC 16-39-7-1

Sec. 1. (a) Clinical records containing pertinent past and current findings in accordance with accepted professional standards shall be maintained for every patient as follows:

- (1) The medical plan of care and appropriate identifying information.
- (2) Name of the physician, dentist, chiropractor, podiatrist, or optometrist.
- (3) Drug, dietary, treatment, and activity orders.
- (4) Signed and dated clinical notes contributed to by all assigned personnel. Clinical notes shall be written the day service is rendered and incorporated within fourteen (14) days.
- (5) Copies of summary reports sent to the person responsible for the medical component of the patient's care.
- (6) A discharge summary.
- (7) All entries must be legible, clear, complete, and appropriately authenticated and dated. Authentication must include signatures or a secured computer entry.

(b) Original clinical records shall be retained for the length of time as required by IC 16-39-7 after home health services are terminated by the home health agency. Policies shall provide for retention even if the home health agency discontinues operations.

(c) Clinical record information shall be safeguarded against loss or unauthorized use. Written procedures shall govern use and removal of records and conditions for release of information. Patient's written consent shall be required for release of information not authorized by law. Current service files shall be maintained at the parent or branch office from which the services are provided until the patient is discharged from service. Closed files may be stored away from the parent or branch office provided they can be returned to the office within seventy-two (72) hours. Closed files do not become current service files if the patient is readmitted to service. (*Indiana State Department of Health; 410 IAC 17-15-1; filed Mar 18, 2002, 3:40 p.m.: 25 IR 2489*)

Rule 16. Incorporation by Reference

410 IAC 17-16-1 Incorporation by reference

Authority: IC 16-27-1-7

Affected: IC 16-27-1

Sec. 1. Chapter IV(B) of "Core Curriculum on Tuberculosis, Fourth Edition, (2000)" is hereby incorporated by reference.
