

TITLE 312 NATURAL RESOURCES COMMISSION

CURRENT TEMPORARY RULES

DISCLAIMER:

As an aid to legal research, this document provides a list of currently effective temporary rules adopted by state agencies in the manner set forth in [IC 4-22-2-37.1](#) and [IC 4-22-2-37.2](#).

While every effort has been made to ensure the accuracy of the list, this list may not provide an exhaustive enumeration of currently effective temporary rules. This list is not intended to be a substitute for traditional legal research.

Exclusion of an temporary rule from this list does not affect the validity of the temporary rule. This list does not, itself, establish authority for the adoption of rules.

[20220914-IR-312220273ERA](#) 22-273

Temporarily amends 312 IAC 9 to govern noncommercial hunts at Spring Mill State Park, Summit Lake State Park, Versailles State Park, and Whitewater Memorial State Park. Under [IC 4-22-2-37.1](#), [IC 14-22-2-6](#), [IC 14-10-2-5](#), and [IC 14-22-6-13](#) (applicable to state parks), the director of the Department of Natural Resources (DNR) adopts the emergency rule set forth in this document. This emergency rule is adopted with the awareness that the regulation of wild animals, as well as a responsibility for the welfare of flora and other fauna within Indiana state parks, is the responsibility of DNR. The director finds that the densities of the Canada goose populations at Spring Mill State Park, Summit Lake State Park, Versailles State Park, and Whitewater Memorial State Park have risen to levels that pose threats to the ecology of aquatic and terrestrial communities present, and the personal safety of park patrons. Current conditions that make this emergency rule necessary include eroded shorelines, increased sedimentation, and large amounts of goose waste in areas of high visitation and recreation. Effective November 4, 2022. This document expires at the close of the hunting period on February 12, 2023.
