TITLE 312 NATURAL RESOURCES COMMISSION

LSA Document #03-177(E)

DIGEST

Temporarily amends 312 IAC 9 to govern noncommercial hunts at Brown County State Park, Chain O'Lakes State Park, Charlestown State Park, Clifty Falls State Park, Fort Harrison State Park, Harmonie State Park, Indiana Dunes State Park, Lincoln State Park, McCormick's Creek State Park, Ouabache State Park, Pokagon State Park, Potato Creek State Park, Shades State Park, Shakamak State Park, Spring Mill State Park, Summit Lake State Park, Tippecanoe River State Park, Turkey Run State Park, Versailles State Park, Whitewater Memorial State Park, and Twin Swamps Nature Preserve. Under IC 4-22-2-37.1, IC 14-22-2-6, IC 14-10-2-5, and IC 14-22-6-13 (applicable to state parks), the director of the department of natural resources adopts the emergency rule set forth in this document. The emergency rule is adopted with the awareness the regulation of wild animals in Indiana is the responsibility of the department of natural resources, and with a heightened awareness of that responsibility (as well as a responsibility for the welfare of flora and other fauna), within Indiana state parks and dedicated nature preserves. More particularly, based upon the opinion of professional biologists, the director has determined: (A) white-tailed deer have caused, and will continue to cause, obvious and measurable damage to the ecological balance within these properties; and (B) the ecological balance within these properties will not be maintained unless action is taken to control their populations. Examples of damages caused by excessive deer populations include reduction of rare plant species and sampling data that show, more generally, vegetation species disturbance in areas accessible to deer browsing. Effective July 1, 2003.

SECTION 1. (a) Notwithstanding 312 IAC 9-2-11, 312 IAC 8-2, and any other provision governing hunting a wild animal within a state park, individuals qualified under this SECTION may hunt white-tailed deer at the following sites and within the following schedules:

(e) For each state park other than Clifty Falls State Park and Fort Harrison State Park, the department will determine the participants for the hunt by first selecting individuals who have completed a course of instruction in hunter safety under IC 14-22-35. If more than the maximum number of individuals who have completed this course apply for a license under this SECTION, the department will select the participants for that state park by a drawing from those individuals who have completed the course. If fewer than the maximum number of individuals who have completed this course apply for a license, the department shall supplement the participation list with applicants who have not completed a course of instruction in hunter safety. If supplementing the participation list with applicants who have not completed a course of instruction results in more applications than the maximum number of individuals who may be issued a license, the department will select the

supplemental participants by a drawing from those individuals who have not completed the course.

(f) An application for a license under this SECTION must be completed on a department form as described in this subsection:

(1) The forms are available at all state parks and reservoirs, at the Customer Service Center in the Indiana Government Center-South, 402 West Washington Street, Room W160, Indianapolis, Indiana 46204, and on the Internet through the department's home page.

(g) An individual may file no more than three (3) separate applications for three (3) individual applicants, as long as each application is accompanied by a deer license described in subsection (c)(1). Up to three (3) applications may be submitted as a unit so that all or none of the applicants will be selected to participate in the hunt. The submission by an individual of more than one (1) application per period disqualifies the individual (and any other individual submitting as a unit with the individual) from participating in the drawing. For the purposes of this subsection, one (1) "period" is November 17 through November 18, and the other "period" is December 1 through December 2, 2003.

(h) Any drawing required by this SECTION will be conducted on a random basis. Written notice will be mailed by the department to successful applicants.

(i) Each individual issued a license under this SECTION will be randomly assigned to specific management units with designated parking assignments. Each license holder must comply with the requirements set forth in the assignment.

(j) The form of the license under this SECTION shall be as determined by the department. Each participant in the hunt must possess and display evidence of the license as specified by the department.

(k) Notwithstanding 312 IAC 9-1-15, a participant (except for a participant at Clifty Falls State Park and Fort Harrison State Park) must expose outer garments with hunter orange, which include both of the following:

(1) A hat or cap.

(l) During the hunt, an individual must not take more than:

(1) Three (3) total deer.

(2) Included among the total deer taken, there must not be more than one (1) antlered deer.

(m) A deer taken under this SECTION does not apply to any bag limit for taking deer established by 312 IAC 9.

(n) All deer must be delivered to a designated check station within the state park.

(o) An individual must not enter a state park described in this SECTION during the following periods:

(1) from 8 p.m., EST (7 p.m., CST) on Sunday, November 16 through 8 a.m., EST (7 a.m., CST) on Wednesday, November 19, 2003; or

(2) from 8 p.m., EST (7 p.m., CST) on Sunday, November 30 through 8 a.m., EST (7 a.m., CST) on Wednesday, December 3, 2003;

unless the individual satisfies both subsection (p) and (q).

(p) An individual shall enter a state park only at a site designated by the department.

(q) In order to enter a state park, an individual must be one (1) of the following:

(1) An individual granted a license under this SECTION.

(b) In order to apply for a license under this SECTION, an individual must satisfy both of the following requirements:

(1) Possess at least one (1) valid resident license issued under 312 IAC 9-3-3, 312 IAC 9-3-4, or IC 14-22-12-7 to take deer.

(2) Be at least eighteen (18) years old by September 30, 2003.

(c) No more than thirty (30) individuals may be issued a license to take deer at Twin Swamps Nature Preserve for each day.

(d) The department will determine the participants for the hunt by first selecting individuals who have completed a course of instruction in hunter safety under IC 14-22-35. If more than the maximum number of individuals who have completed this course apply for a license under this SECTION, the department will select the participants for that nature preserve by a drawing from those individuals who have completed the course. If fewer than the maximum number of individuals who have completed this course apply for a license, the department shall supplement the participation list with applicants who have not completed a course of instruction in hunter safety. If supplementing the participation list with applicants who have not completed a course of instruction results in more applications than the maximum number of individuals who may be issued a license, the department will select the supplemental participants by a drawing from those individuals who have not completed the course.

(e) An application for a license under this SECTION must be completed on a department form as described in this subsection:

(1) The forms are available at all state parks and reservoirs, at Hovey Lake Fish and Wildlife Area, at the Customer Service Center in the Indiana Government Center-South, 402 West Washington Street, Room W160, Indianapolis, Indiana 46204, and on the Internet through the department's home page. Up to three (3) applications may be submitted as a unit so all or none of the applicants will be selected to participate in the hunt. The submission by an individual of more than one (1) application per period disqualifies the individual (and any other individual submitting as a unit with the individual) from participating in the drawing. For the purposes of this subsection, one (1) "period" is November 17 through November 18, and the other "period" is December 1 through December 2, 2003.

(g) Any drawing required by this SECTION will be conducted on a random basis. Written notice will be mailed by the department to successful applicants.

(h) The form of the license under this SECTION shall be as determined by the department. Each participant in the hunt must possess and display evidence of the license as specified by the department.
