On behalf of the Family and Social Services Administration, Division of Disability, Aging and Rehabilitative Services, I am submitting this memo to the Administrative Rules Oversight Committee because this filing of the above-captioned rule will not comply with 4-22-2-19(c)(1).

Promulgation of this rule was initially begun as LSA #03-229 within 60 days of the enabling statute, with a Notice of Intent filed with LSA before August 10, 2003 and published on September 1, 2003 (26 IR 3907). However, because of several personnel changes within the section developing the rule and the need for meetings with interested parties to ensure the rule best met the needs of both the State and providers, the rule would not have been completed within one year and the decision was made to begin the process again with a new Notice of Intent to be published June 1, 2004 rather than request a lengthy extension of the original time period.

Please feel free to contact me at 233-2582 if you have any further questions about this rule or this notice.
