SECTION 13. 760 IAC 3-11-1 IS AMENDED TO READ AS FOLLOWS:

760 IAC 3-11-1 Loss ratio standards and refund or credit of premium

Authority: IC 27-8-13-10; IC 27-8-13-12

Affected: IC 27-8-13-1

Sec. 1. (a) Loss ratio standards are as follows:

(1) A Medicare supplement policy form or certificate form shall not be delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to policyholders and certificate holders in the form of aggregate benefits (not including anticipated refunds or credits) provided under the policy form or certificate form **at least either of the following:**

(A) ~~at least~~ Seventy-five percent (75%) of the aggregate amount of premiums earned in the case of group policies. ~~or~~

(B) ~~at least~~ Sixty-five percent (65%) of the aggregate amount of premiums earned in the case of individual policies, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for ~~such~~ the period and in accordance with accepted actuarial principles and practices. **Incurred health care expenses where coverage is provided by a health maintenance organization shall not include the following:**

(i) Home office and overhead costs.

(ii) Advertising costs.

(iii) Commissions and other acquisition costs.

(iv) Taxes.

(v) Capital costs.

(vi) Administrative costs.

(vii) Claims processing costs.

(2) All filings of rates and rating schedules shall demonstrate that expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards.

(3) For policies issued any time ~~prior to~~ before January 1, 1992, expected claims in relation to premiums shall meet the following:

(A) The originally filed anticipated loss ratio when combined with the actual experience since inception.

(B) The appropriate loss ratio ~~requirement~~ requirements from subdivision (1):

(i) when combined with actual experience beginning with April 1, 1996, to date; **and**

~~(C) The appropriate loss ratio requirements from subdivision (1)~~ (ii) over the entire future period for which the rates are computed to provide coverage.

~~(D) (C)~~ In meeting the tests in clauses (A) ~~through (C)~~ and (B) and for purposes of attaining credibility, an issuer may combine experience under policy forms that provide substantially similar coverage. Once a combined form is adopted, the issuer may not separate the experience except with the approval of the commissioner.

(b) Refund or credit calculation is as follows:

(1) An issuer shall collect and file with the commissioner of the department of insurance by May 31 of each year the data contained in the applicable reporting form contained in this section for each type in a standard Medicare supplement benefit plan.

(2) If, on the basis of the experience as reported, the benchmark ratio since inception (ratio 1) exceeds the adjusted experience ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation shall be done on a statewide basis for each type in a standard Medicare supplement benefit plan. For purposes of the refund or credit calculation, experience on policies issued within the reporting year shall be excluded.

(3) For purposes of this section, the issuer of policies or certificates issued ~~prior to~~ before January 1, 1992, shall make the refund or credit calculation separately for all individual policies (including all group policies subject to an individual loss ratio standard when issued) combined and all other group policies combined for experience after April 1, 1996. The first ~~such~~ report shall be due by May 31, 1998.

(4) A refund or credit shall be made only when the benchmark loss ratio exceeds the adjusted experience loss ratio and the amount

to be refunded or credited exceeds a de minimis level. The refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified by the Secretary of Health and Human Services but in no event shall it be less than the average rate of interest for 13-week Treasury notes. A refund or credit against premiums due shall be made by September 30 following the experience year upon which the refund or credit is based.

(c) An issuer of Medicare supplement policies and certificates issued before or after the effective date of this article in this state shall file annually its rates, rating schedule, and supporting documentation, including ratios of incurred losses to earned premiums by policy duration for approval by the commissioner of the department of insurance in accordance with the filing requirements and procedures prescribed by the commissioner of the department of insurance. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. ~~Such~~ **The** demonstration shall exclude active life reserves. An expected third-year loss ratio, which is greater than or equal to the applicable percentage, shall be demonstrated for policies or certificates in force less than three (3) years.

(d) As soon as practicable, but ~~prior to~~ **before** the effective date of enhancements in Medicare benefits, every issuer of Medicare supplement policies or certificates in this state shall file with the commissioner of the department of insurance, in accordance with the applicable filing procedures of this state, the following:

(1) Appropriate premium adjustments necessary to produce loss ratios as anticipated for the current premium for the applicable policies or certificates. ~~Such~~ Supporting documents as necessary to justify the adjustment shall accompany the filing.

(2) An issuer shall make ~~such~~ premium adjustments as are:

(A) necessary to produce an expected loss ratio under ~~such the~~ policy or certificate as will conform with minimum loss ratio standards for Medicare supplement policies; and ~~which are~~

(B) expected to result in a loss ratio at least as great as that originally anticipated in the rates used to produce current premiums by the issuer for ~~such the~~ Medicare supplement policies or certificates.

No premium adjustment, which would modify the loss ratio experience under the policy other than the adjustments described in this subdivision, shall be made with respect to a policy at any time other than upon its renewal date or anniversary date.

(3) If an issuer fails to make premium adjustments acceptable to the commissioner of the department of insurance, the commissioner of the department of insurance may order:

(A) premium adjustments;

(B) refunds; or

(C) premium credits;

deemed necessary to achieve the loss ratio required by this section.

(4) Any appropriate riders, endorsements, or policy forms needed to accomplish the Medicare supplement policy or certificate modifications necessary to eliminate benefit

duplications with Medicare. ~~Such The~~ riders, endorsements, or policy forms shall provide a clear description of the Medicare supplement benefits provided by the policy or certificate.

(e) The commissioner of the department of insurance may conduct a public hearing to gather information concerning a request by an issuer for an increase in a rate for a policy form or certificate form issued before or after the effective date of this article if the experience of the form for the previous reporting period is not in compliance with the applicable loss ratio standard. The determination of compliance is made without consideration of any refund or credit for ~~such the~~ reporting period. Public notice of ~~such the~~ hearing shall be furnished in a manner deemed appropriate by the commissioner of the department of insurance.

(f) The following forms shall be used for the calculations and reporting requirements of this rule:

SECTION 14. 760 IAC 3-12-1 IS AMENDED TO READ AS FOLLOWS:

760 IAC 3-12-1 Filing and approval of policies and certificates and premium rates

Authority: IC 27-8-13-9; IC 27-8-13-10; IC 27-8-13-10.1; IC 27-8-13-12

Affected: IC 27-8-13-1

Sec. 1. (a) An issuer shall not deliver or issue for delivery a policy or certificate to a resident of this state unless the policy form or certificate form has been filed with and approved by the commissioner of the department of insurance in accordance with filing requirements and procedures prescribed by the commissioner of the department of insurance.

(b) An issuer shall file any riders or amendments to policy or certificate forms to delete outpatient prescription drug benefits as required by the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 only with the commissioner in the state in which the policy or certificate was issued.

~~(b)~~ (c) An issuer shall not use or change premium rates for a Medicare supplement policy or certificate unless the rates, rating schedule, and supporting documentation have been filed with and approved by the commissioner of the department of insurance in accordance with the filing requirements and procedures prescribed by the commissioner of the department of insurance.

~~(c)~~ (d) Except as provided in subsection ~~(d)~~, (e), an issuer shall not file for approval more than one (1) form of a policy or certificate of each type for each standard Medicare supplement benefit plan.

~~(d)~~ (e) An issuer may offer, with the approval of the commissioner of the department of insurance, up to four (4) additional policy forms or certificate forms of the same type for the same standard Medicare supplement benefit plan, one (1) for each of the following cases:

- (1) The inclusion of new or innovative benefits.
- (2) The addition of either:
 - (A) direct response or agent marketing methods; **or**
 - ~~(3) The addition of either~~ (B) guaranteed issue or underwritten coverage.
- ~~(4)~~ (3) The offering of coverage to individuals eligible for Medicare by reason of disability.

~~(e)~~ (f) As used in this section, “type” means:

- (1) an individual policy;
- (2) a group policy;
- (3) an individual Medicare select policy; or
- (4) a group Medicare select policy.

~~(f)~~ (g) Except as provided in subdivision (1), an issuer shall continue to make available for purchase any policy form or certificate form issued after the effective date of this article that has been approved by the commissioner of the department of insurance. A policy form or certificate form shall not be considered to be available for purchase unless the issuer has actively offered it for sale in the previous twelve (12) months and as follows:

- (1) An issuer may discontinue the availability of a policy form or certificate form if the issuer provides to the commissioner of the department of insurance in writing its decision at least thirty (30) days ~~prior to~~ **before** discontinuing the availability of the form of the policy or certificate. After receipt of the notice by the commissioner of the department of insurance, the issuer shall no longer offer for sale the policy form or certificate form in this state.
- (2) An issuer that discontinues the availability of a policy form or certificate form under subdivision (1) shall not file for approval a new policy form or certificate form of the same type for the same standard Medicare supplement benefit plan as the discontinued form for a period of five (5) years after the issuer provides notice to the commissioner of the department of insurance of the discontinuance. The period of discontinuance may be reduced if the commissioner of the department of insurance determines that a shorter period is appropriate.

~~(g)~~ (h) For purposes of subsection ~~(f)~~, (g), this subsection, and subsection ~~(h)~~, (i), the sale or other transfer of Medicare supplement business to another issuer shall be considered a discontinuance.

~~(h)~~ (i) A change in the rating structure or methodology shall be considered a discontinuance under subsection ~~(f)~~ (g) unless the issuer: ~~complies with the following requirements:~~

- (1) ~~The issuer~~ provides an actuarial memorandum, in a form and manner prescribed by the commissioner of the department of insurance, describing the manner in which the revised rating methodology and resultant rates differ from the existing rating methodology and existing rates; **and**
- (2) ~~The issuer~~ does not subsequently put into effect a change of rates or rating factors that would cause the percentage differential between the discontinued and subsequent rates as described in the actuarial memorandum to change. The commissioner of the department of insurance may approve a change to the differential ~~which that~~ is in the public interest.

~~(i)~~ (j) Except as provided in subsection ~~(f)~~, (k), the experience of all policy forms or certificate forms of the same type in a standard Medicare supplement benefit plan shall be combined for purposes of the refund or credit calculation prescribed in 760 IAC 3-11.

NOTICE TO APPLICANT REGARDING REPLACEMENT
OF MEDICARE SUPPLEMENT INSURANCE **OR**
MEDICARE ADVANTAGE
[Insurance company's name and address]
SAVE THIS NOTICE! IT MAY BE IMPORTANT
TO YOU IN THE FUTURE.

According to [your application] [information you have furnished], you intend to terminate existing Medicare supplement **or Medicare Advantage** insurance and replace it with a policy to be issued by [Company Name] Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement **or Medicare Advantage** coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, AGENT [BROKER OR OTHER REPRESENTATIVE]:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement coverage **or, if applicable, Medicare Advantage** because you intend to terminate your existing Medicare supplemental coverage **or leave your Medicare Advantage plan**. The replacement policy is being purchased for the following reasons (check one):

____ Additional benefits.

____ No change in benefits, but lower premiums.

____ Fewer benefits and lower premiums.

____ **My plan has outpatient prescription drug coverage and I am enrolling in Part D.**

____ **Disenrollment from a Medicare Advantage plan. Please explain the reason for disenrollment [optional only for Direct Mailers]** _____

____ Other (please specify). _____

(1) State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods,

elimination periods, or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) to the extent such time was spent (depleted) under the original policy.

(2) If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. (If the policy or certificate is guaranteed issue, this paragraph need not appear.)

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
