TITLE 812 INDIANA AUCTIONEER COMMISSION

LSA Document #05-37

December 5, 2005

Representative Michael Murphy, Chair
Administrative Rules Oversight Committee

Attn: Sarah Burkman

Re: LSA #05-37 – Proposed Rule regarding education, standards of competent practice, and continuing education

Dear Representative Murphy:

On behalf of the Indiana Auctioneer Commission (Commission), Indiana Professional Licensing Agency, I am submitting this notice to the Administrative Rules Oversight Committee in compliance with IC 4-22-2-25, because the Commission has determined there is a possibility that the promulgation of the captioned rule may not be completed within one (1) year after publication of the notice of intent to adopt a rule.

The Commission published its notice of intent to adopt a rule for the captioned document on April 1, 2005 (28 IR 2158). The proposed rule amends and updates the Commission's rules to bring the rules in conformity with the statutory changes in SEA 139-2005 (P.L.194-2005). The drafting of the proposed rule has taken longer than anticipated and as of this date, the proposed rule is not completed in a form suitable for publishing in the Indiana Register. In addition, the Commission only meets every other month so the earliest the Commission could hold a hearing is at their March 2006 meeting, which would not allow enough time for this rule to be approved by the governor by April 1, 2006. Therefore, this notice is being forwarded to the Administrative Rules Oversight Committee. The Commission expects that the rule can be approved by the governor by August 1, 2006. The two hundred fiftieth day after publication of the notice of intent to adopt this rule is December 6, 2005.

Your understanding of these circumstances is greatly appreciated. We look forward to receiving your response. If you need additional information, please do not hesitate to contact me at 234-2007. Thank you.

Sincerely,

Medana C. Davis
