##### **Apply for licenses; criminal history checks**

Sec. 4. (a) An applicant must apply for a group home license on  
forms provided by the department.

(b) An applicant must submit the required information as part of  
the application.

(c) An applicant must submit with the application a statement  
attesting the following:

- (1) That the applicant has not been convicted of:
  - (A) a felony; or
  - (B) a misdemeanor relating to the health and safety of  
children.
- (2) That the applicant has not been charged with:
  - (A) a felony; or
  - (B) a misdemeanor relating to the health and safety of  
children;

during the pendency of the application.

(d) The department on behalf of an applicant, or, at the discretion  
of the department, an applicant, shall conduct a criminal history  
check of the following:

- (1) Each individual who is an applicant.
- (2) The director or manager of a facility where children will be  
placed.
- (3) An employee or a volunteer of the applicant who has or will  
have direct contact on a regular and continuing basis with a  
child who is or will be placed in a facility operated by the  
applicant.

(e) If the applicant conducts a criminal history check under

subsection (d), the applicant shall:

(1) maintain records of the information it receives concerning each individual who is the subject of a criminal history check; and

(2) submit to the department a copy of the information the applicant receives concerning each person described in subsection (d)(1) through (d)(3).

(f) If the department conducts a criminal history check on behalf of an applicant under subsection (d), the department shall:

(1) determine whether the subject of a national fingerprint based criminal history check has a record of a:

(A) conviction for a felony;

(B) conviction for a misdemeanor relating to the health and safety of a child; or

(C) juvenile adjudication for an act listed in IC 31-27-4-13(a) that, if committed by an adult, would be a felony;

(2) notify the applicant of the determination under subdivision

(1) without identifying a specific offense or other identifying information concerning a conviction or juvenile adjudication contained in the national criminal history record information;

(3) submit to the applicant a copy of any state limited criminal history report that the department receives on behalf of any person described in subsection (d); and

(4) maintain a record of every report and all information it receives concerning a person described in subsection (d).

(g) Except as provided in subsection (h), a criminal history check described in subsection (d) is required only at the time an application for a new license or the renewal of an existing license is submitted.

(h) A criminal history check of a person described in subsection (d)(2) or (d)(3) must be completed on or before the date on which the subject of the check is employed or assigned as a volunteer. However, a fingerprint based criminal history background check under IC 31-9-2-22.5(1)(B) for a person described in subsection (d) must be completed not later than the conclusion of the first ninety (90) days of employment in or assignment of a volunteer to a position described in subsection (d). If a person described in this subsection has been the subject of a criminal history check (as described in IC 31-9-2-22.5) that was conducted not more than one (1) year before the date the license application is submitted to the department, a new criminal history check of that person is not required.

(i) An applicant or licensee may provisionally employ an individual or assign a volunteer described in subsection (d)(3) for whom a criminal history check is required during the period after the process of requesting fingerprint based criminal history background check information has been initiated by or on behalf of the applicant or licensee but before the determination is obtained by or communicated to the applicant or licensee. If the determination is not received within ninety (90) days after the effective date of hire or

volunteer assignment, the employee or volunteer relationship must be terminated or suspended until a determination is received. An employee or volunteer whose determination has not yet been received may not have direct contact with a child who is or will be placed at a facility operated by the applicant or licensee unless the direct contact occurs only in the presence of a volunteer or employee of the applicant or licensee who has been the subject of a completed and approved criminal history check. In determining whether to provisionally hire or assign as a volunteer an individual described in subsection (d)(3), the applicant or licensee shall consider the following:

- (1) The training time required by an employee or a volunteer.
- (2) The safety and security of the children under the supervision of the applicant or licensee.

(j) The department shall, at the applicant's request, inform the applicant as to whether the department has or does not have a record of the person who is the subject of a criminal history background check and whether the department has identified the person as an alleged perpetrator of abuse or neglect. The department may not provide to the applicant any details or personally identifying information contained in any child protective services investigation report.

(k) A person who is the subject of a criminal history check conducted in accordance with this section may request the state police department to provide the person with a copy of any state or national criminal history report concerning the person.

(c) In determining whether to grant a waiver under subsection (b), the department shall consider the following factors:

- (1) The length of time that has passed since the disqualifying conviction.
- (2) The severity, nature, and circumstances of the offense.
- (3) Evidence of rehabilitation.
- (4) The duties and qualifications required for the proposed employment positions or volunteer assignment.

(d) Notwithstanding subsection (a) or (b), if:

- (1) a license application could be denied due to a criminal conviction of, or a determination of child abuse or neglect by, an employee or a volunteer of the applicant; and
- (2) the department determines that the employee or volunteer has been dismissed by the applicant;

the criminal conviction of, or determination of child abuse or neglect by, the former employee or former volunteer does not constitute a sufficient basis for the denial of a license application.

(e) The department may adopt rules to implement this section.
