PLEASE NOTE THAT SOME OF THE APPOINTMENTS TO THE COMMITTEES LISTED IN THIS BOOKLET HAD NOT BEEN MADE AS OF THE DATE THIS BOOKLET WAS PUBLISHED.
The Committee meets at the direction of its chair, and typically deals with the following matters:
(1) Citizen complaints concerning agency rules or practices.
(2) Violations of the time frames within which agencies must promulgate and adopt rules.
(3) Proposed agency rules that may have an economic fiscal impact of $500,000 or more.

AROC may make recommendations to an agency that a rule be modified, repealed, or adopted. The Committee may also introduce legislation to make the statutory refinements necessary to correct an agency practice or regulation that represents a misapplication of Indiana law.

In Resolution 99-1, the Legislative Council assigned the following additional topic for the Committee to study during the 1999 interim:
A. Study the feasibility of delaying the effective dates and suspending the operation of administrative rules in order to permit the general assembly to have a reasonable opportunity to review each rule or emergency rule.

Child Custody and Support Advisory Committee
IC 33-2.1-10-1 Expires: Permanent

The Committee is responsible for reviewing the child support guidelines adopted by the Indiana Supreme Court. The Committee is required to make recommendations, if appropriate, concerning any amendments to the guidelines. The Committee is also charged with reviewing custody and educational expenses and other items relating to the welfare of a child of a family that is no longer intact. The Committee shall consider the following:

1. The mathematics pertaining to the child support guideline chart.
2. The actual costs of supporting a child.
3. Whether it is appropriate to calculate child support guideline amounts based primarily upon the parents’ financial abilities.
4. Equality of child support awards for the children of the parties.
5. A mechanism that may be employed to modify the amount of support to be paid due to a change in financial circumstances or a change in the number of children being supported by either parent.
6. The age of a child to the extent that the child may require different amounts of support at different ages.
7. Clarification regarding under what circumstances, if any, support may be abated.
8. A mechanism that may be employed to ensure that the guidelines are applied flexibly.
9. The application of the guidelines to a split custody situation.
10. Whether it is appropriate to base child support guidelines upon the premise that the child should enjoy the same standard of living that the child would have enjoyed had the family remained intact.

The Commission was established by statute to study the following issues:

1. How to improve the effectiveness and efficiency of county government by examining the function and duties associated with all elected county officials and departments of county government. The Commission shall focus on how these functions and duties relate to the functions and duties of other elected county officials, departments of county government, and other state and local governmental entities.

2. The functions and duties of elected county officials and departments of county government that should be more clearly defined by statute to avoid disputes over allocation of power in county government.

3. The functions and duties of elected county officials and departments of county government that should be eliminated, altered, or reassigned to other elected county officials, departments of county government, or other state or local governmental entities.

4. The functions and duties of county commissioners in Lake County and St. Joseph County and how their legislative and executive powers compare to county commissioners in other counties.

Environmental Quality Service Council

The Environmental Quality Service Council (EQSC) is required to do the following:
1. Advise the Commissioner of the Indiana Department of Environmental Management (IDEM) on policy issues decided upon by the EQSC.
2. Review the mission and goals of IDEM and evaluate the implementation of the mission.
3. Serve as a council of the General Assembly to evaluate:
   A. resources and structural capabilities of IDEM to meet IDEM priorities; and
   B. program requirements and resource requirements for IDEM.
4. Serve as a forum for citizens, the regulated community, and legislators to discuss broad policy directions.
5. Submit a final report to the Governor, the General Assembly, the Budget Committee, and the Administrative Rules Oversight Committee each year that contains:
   A. an outline of activities of the EQSC;
   B. recommendations for any IDEM action;
   C. recommendations for any legislative action; and
   D. an estimate of funding levels required by IDEM, including an evaluation of permit fees.

In addition the Legislative Council assigned the following topics to the Commission for study in the 1999 interim:
1. Study the feasibility of an air emissions reduction credit (HEA 1561)
2. Study different approaches to the allocation of costs of services supported by certain IDEM funds; review hazmat manifest program (HEA 1578)
3. Study whether IDEM should allow a transition period associated with the Risk Integrated System of Closure guidance document (HEA 1919)
4. Study ground level ozone formation (HR 110, HR 80)
5. Study benefits to air quality associated with the use of alternative fuels and alternative fueled vehicles (HCR 115)
