PLEASE NOTE THAT SOME OF THE APPOINTMENTS TO THE COMMITTEES LISTED IN THIS BOOKLET HAD NOT BEEN MADE AS OF THE DATE THIS BOOKLET WAS PUBLISHED.
The Committee meets at the direction of its chair, and typically deals with the following matters:
(1) Citizen complaints concerning agency rules or practices.
(2) Violations of the time frames within which agencies must promulgate and adopt rules.
(3) Proposed agency rules that may have an economic fiscal impact of $500,000 or more.

AROC may make recommendations to an agency that a rule be modified, repealed, or adopted. The Committee may also introduce legislation to make the statutory refinements necessary to correct an agency practice or regulation that represents a misapplication of Indiana law.

IC 2-5-19 (Permanent)

The Census Data Advisory Committee is required by statute to do the following:
(1) Advise and assist the Bureau of the Census in the preparation and organization of decennial census data for use by the General Assembly in reapportionment.
(2) Work with the Bureau of the Census in defining the boundaries of census blocks in Indiana.
(3) Coordinate efforts to obtain an accurate population count in each decennial census.
(4) Work with other state and federal agencies to assist in the local review program conducted in Indiana.
(5) Work with the Code Revision Commission to prepare legislation in the regular session of the General Assembly that meets during the year of the effective date of the decennial census to propose amendments to Indiana law to reflect the population information obtained as a result of the decennial census.
(6) Study costs and other relevant aspects of acquisition by the state of a geographic information system.
(7) Make recommendations to the General Assembly concerning changes or amendments to election law.

In addition, HEA 1024-2000 provides that before January 1, 2001, the committee shall study and make recommendations to the Legislative Council concerning the following:
(1) The standardization of municipal election calendars to conform to county, state, and federal elections,
including the following possibilities:
(A) The elimination of town conventions under IC 3-8-5.
(B) The implementation of primaries for the nomination of candidates in small town elections.
(2) The elimination of municipal elections in odd-numbered years so that all municipal elections are held in even-numbered years with countywide elections.

Child Custody and Support Advisory Committee
IC 33-2.1-10-1 (Permanent)

The Committee is responsible for reviewing the child support guidelines adopted by the Indiana Supreme Court. The Committee is required to make recommendations, if appropriate, concerning any amendments to the guidelines. The Committee is also charged with reviewing custody and educational expenses and other items relating to the welfare of a child of a family that is no longer intact. The Committee shall consider the following:

1. The mathematics pertaining to the child support guideline chart.
2. The actual costs of supporting a child.
3. Whether it is appropriate to calculate child support guideline amounts based primarily upon the parents' financial abilities.
4. Equality of child support awards for the children of the parties.
5. A mechanism that may be employed to modify the amount of support to be paid due to a change in financial circumstances or a change in the number of children being supported by either parent.
6. The age of a child to the extent that the child may require different amounts of support at different ages.
7. Clarification regarding under what circumstances, if any, support may be abated.
8. A mechanism that may be employed to ensure that the guidelines are applied flexibly.
9. The application of the guidelines to a split custody situation.
10. Whether it is appropriate to base child support guidelines upon the premise that the child should enjoy the same standard of living that the child would have enjoyed had the family remained intact.

The committee was also assigned to study issues concerning child custody, visitation, and age of emancipation (SCR 51)

The Commission was established by statute to study the following issues:
1. How to improve the effectiveness and efficiency of county government by examining the function and duties associated with all elected county officials and departments of county government. The Commission shall focus on how these functions and duties relate to the functions and duties of other elected county officials, departments of county government, and other state and local governmental entities.
2. The functions and duties of elected county officials and departments of county government that should be more clearly defined by statute to avoid disputes over allocation of power in county government.
3. The functions and duties of elected county officials and departments of county government that should be eliminated, altered, or reassigned to other elected county officials, departments of county government, or other state or local governmental entities.
4. The functions and duties of county commissioners in Lake County and St. Joseph County and how their legislative and executive powers compare to county commissioners in other counties.
