Child Custody and Support Advisory Committee
IC 33-2.1-10-1 (Permanent)

The Committee is responsible for reviewing the child support guidelines adopted by the Indiana Supreme Court. The Committee is required to make recommendations, if appropriate, concerning any amendments to the guidelines. The Committee is also charged with reviewing custody and educational expenses and other items relating to the welfare of a child of a family that is no longer intact. The Committee shall consider the following:
(1) The mathematics pertaining to the child support guideline chart.
(2) The actual costs of supporting a child.
(3) Whether it is appropriate to calculate child support guideline amounts based primarily upon the parents financial abilities.
(4) Equality of child support awards for the children of the parties.
(5) A mechanism that may be employed to modify the amount of support to be paid due to a change in financial circumstances or a change in the number of children being supported
by either parent. 
(6) The age of a child to the extent that the child may require different amounts of support at different ages.
(7) Clarification regarding under what circumstances, if any, support may be abated.
(8) A mechanism that may be employed to ensure that the guidelines are applied flexibly.
(9) The application of the guidelines to a split custody situation.
(10) Whether it is appropriate to base child support guidelines upon the premise that the child should enjoy the same standard of living that the child would have enjoyed had the family remained intact.

Environmental Quality Service Council
P.L. 248-1996 (SEA 138) Reestablished by SEA 121-2001 (December 31, 2005)

The Environmental Quality Service Council (EQSC) is required to do the following:
(1) Advise the Commissioner of the Indiana Department of Environmental Management (IDEM) on policy issues decided upon by the EQSC.
(2) Review the mission and goals of IDEM and evaluate the implementation of the mission.
(3) Serve as a council of the General Assembly to evaluate:
   (A) resources and structural capabilities of IDEM to meet IDEM priorities; and
   (B) program requirements and resource requirements for IDEM.
(4) Serve as a forum for citizens, the regulated community, and legislators to discuss broad policy directions.
(5) Submit a final report to the Governor, the General Assembly, the Budget Committee, and the Administrative Rules Oversight Committee each year that contains:
   (A) an outline of activities of the EQSC;
   (B) recommendations for any IDEM action;
   (C) recommendations for any legislative action; and
   (D) an estimate of funding levels required by IDEM, including an evaluation of permit fees.

The environmental quality service council shall do the following as required by SEA 259-2002:
(1) Develop and propose a plan for the creation and funding of an effective hazardous air pollutant monitoring program to help assess potential health risks from hazardous air pollutants posed by urban air and significant sources.
(2) Consider methods for the department of environmental management and state department of health to:
   (A) request and receive hazardous air pollution release information in a timely and effective manner; and
(B) communicate to the public and the reporting sources (as defined in IC 13-11-2-213) the responses received as a result of the requests.

(3) Provide to the executive director of the legislative services agency at the time the environmental quality service council submits its final report in 2002 as directed by the legislative council:
   (A) a report of its activities under subdivisions (1) and (2); and
   (B) an outline of the hazardous air pollutant program plan developed and proposed under subdivision (1).

(b) This SECTION expires January 1, 2003.

The environmental quality service council shall do the following as required by HEA 1306-2002:

(1) To the extent the following are involved in the implementation of a rational wetland management policy, consider:
   (A) Protection of surface and ground water quality.
   (B) Control of location of accumulations of water.
   (C) Water rights.
   (D) Agricultural land use.
   (E) Nonagricultural land use.
   (F) Flood control.
   (G) Natural habitat protection.
   (H) Any other matter the council identifies.

(2) Recommend principles for addressing state or local government management of and, with respect to state management, state agency responsibility for:
   (A) land areas with wetland characteristics; and
   (B) location and quantity of nonwetland surface water; not under the jurisdiction of the federal Clean Water Act (33 U.S.C. 1341).

(3) Recommend a framework for overall state policy on wetlands to implement the 1996 Indiana Wetland Conservation Plan with goals, objectives, and responsibilities, including recommendations on:
   (A) as a long term strategy, the types and functions of wetlands that are valued in particular geographic areas; and
   (B) the means for restoring, maintaining, and protecting wetlands, including identification of agencies to be involved and the incentives to be offered.

(4) Recommend the appropriate role and components of banking programs as part of a mitigation rule to foster private initiatives to restore wetlands in the context of a rational statewide wetland strategy.

(5) Consider the options for statutory definition of "private pond" and explain the implications of each option.

(6) Submit its final report on the matters referred to in subdivisions (1) through (5) before November 1, 2002, to:
   (A) the governor; and
   (B) the executive director of the legislative services agency.

(b) The environmental quality service council shall consult with and otherwise involve in its proceedings for consideration of the matters listed in subsection (a):
(1) the director of the department of natural resources or the director's designee; and
(2) representatives of all federal agencies involved in the regulation of wetlands.

(c) A state agency or board may not:
(1) adopt or amend an administrative rule concerning the definition of "wetlands" or "isolated wetlands"; or
(2) enforce an administrative rule promulgated after January 1, 2002, that concerns the definition of "wetlands" or "isolated wetlands";
until the environmental quality service council has submitted its final report under subsection (a)(6) or May 1, 2003, whichever occurs first.

The council is charged with studying these additional topics:
(A) State policies and rules on wetlands (SB 141).
(B) Vehicle emission testing in Floyd and Clark Counties (Legislative Council).
(C) Vehicle emission testing in Lake and Porter Counties (Legislative Council).

Indiana White River State Park Development Commission
IC 14-13-1-9 (Permanent)

The commission may design and implement a plan for the establishment and development of park, exposition, educational, athletic, and recreational projects to be located within one (1) mile of the banks of the White River in a consolidated city and county. The projects may include any of the following:

1. Parks.
2. Recreational facilities.
3. Exposition facilities.
4. Zoos, aquariums, avaries, or other facilities for animal life.
5. Facilities for entertainment, meetings, industrial and trade shows, athletic events, and other displays and events of cultural, educational, entertainment, and recreational value.
6. Other facilities that the commission considers appropriate to the general public welfare and to the cultural, recreational, educational, or civic well-being of the public.

In designing and implementing this plan, the commission may employ the architects, engineers, surveyors, planners, advisors, and consultants that the commission considers appropriate. The commission may seek and accept the advice and comments of other persons and entities, including political subdivisions and public agencies, that the commission considers appropriate.
