County Government Study Commission

The Commission was established by statute to study the following issues:
1. How to improve the effectiveness and efficiency of county government by examining the function and duties associated with all elected county officials and departments of county government. The Commission shall focus on how these functions and duties relate to the functions and duties of other elected county officials, departments of county government, and other state and local governmental entities.
2. The functions and duties of elected county officials and departments of county government that should be more clearly defined by statute to avoid disputes over allocation of power in county government.
3. The functions and duties of elected county officials and departments of county government that should be eliminated, altered, or reassigned to other elected county officials, departments of county government, or other state or local governmental entities.
The Commission is charged with studying this additional topic:
A. Cemetery law issues (Legislative Council).
