Administrative Rules Oversight Committee  
IC 2-5-18 (Permanent)

The Committee meets at the direction of its chair, and typically deals with the following matters:

- (1) Citizen complaints concerning agency rules or practices.
- (2) Violations of the time frames within which agencies must promulgate and adopt rules.
- (3) Proposed agency rules that may have an economic fiscal impact of \$500,000 or more.

AROC may make recommendations to an agency that a rule be modified, repealed, or adopted. The Committee may also introduce legislation to make the statutory refinements necessary to correct an agency practice or regulation that represents a misapplication of Indiana law.

Board for the Coordination of Child Care Regulations  
IC 12-17.2-3.1 (November 1, 2005)

The Board was established to study the following topics:

- (1) The need for changes in the scope and degree of child care regulation established by statute or rule.
- (2) The need to reorganize governmental units involved in the regulation of child care facilities to promote effective and efficient child care regulation, including the form that a needed reorganization should take.
- (3) A method for the completion of a statewide needs assessment to determine the availability and projected need for safe and affordable child care.
- (4) The need for programs to meet the needs of Indiana residents if the board determines that safe and affordable child care facilities are not available and easily accessible.
- (5) The effect of federal legislation on child care and the need for statutory changes to qualify for federal child care grants and to comply with federal child care requirements.
- (6) The immunization rates at licensed child care centers to determine if children at the centers have received age appropriate immunizations.

Methamphetamine Abuse Task Force  
IC 5-2-14 (established by PL 39-2004) (June 30, 2007)

The methamphetamine abuse task force is established to do the following:

- (1) Obtain, review, and evaluate information concerning the harm caused by the illegal importation, production, and use of methamphetamine in Indiana.
- (2) Determine the extent to which methamphetamine use and methamphetamine laboratories interfere with or make more difficult the duties of:
  - (A) federal, state, and local law enforcement;
  - (B) fire departments;
  - (C) educational institutions; and
  - (D) health and social services agencies.
- (3) Review efforts in other states to stem the use and spread of methamphetamine.
- (4) Hold hearings around Indiana to obtain information regarding:
  - (A) the nature of the methamphetamine problem; and
  - (B) local initiatives to combat methamphetamine.
- (5) Invite experts to testify regarding any issue the task force is studying.
- (6) Collect additional information that will assist the task force in carrying out the duties set forth in subdivisions (1) through (5).
