South Bend, IN 46617
Administrative Rules Oversight Committee
IC 2-5-18 (Permanent)

The Committee meets at the direction of its chair, and typically deals with the following matters:
(1) Citizen complaints concerning agency rules or practices.
(2) Violations of the time frames within which agencies must promulgate and adopt rules.
(3) Proposed agency rules that may have an economic fiscal impact of $500,000 or more.

AROC may make recommendations to an agency that a rule be modified, repealed, or adopted. The Committee may also introduce legislation to make the statutory refinements necessary to correct an agency practice or regulation that represents a misapplication of Indiana law.

The Board was established to study the following topics:
(1) The need for changes in the scope and degree of child care regulation established by statute or rule.
(2) The need to reorganize governmental units involved in the regulation of child care facilities to promote effective and efficient child care regulation, including the form that a needed reorganization should take.
(3) A method for the completion of a statewide needs assessment to determine the availability and projected need for safe and affordable child care.
(4) The need for programs to meet the needs of Indiana residents if the board determines that safe and affordable child care facilities are not available and easily accessible.
(5) The effect of federal legislation on child care and the need for statutory changes to qualify for federal child care grants and to comply with federal child care requirements.
(6) The immunization rates at licensed child care centers to determine if children at the centers have received age appropriate immunizations.

Health Finance Commission
IC 2-5-23 (Amended by P.L. 22-2004) (Permanent)

The Health Finance Commission, was established to study health finance in Indiana. The commission may study any topic:
(1) directed by the chairman of the commission;
(2) assigned by the Legislative Council; or
(3) concerning issues that include:
   A. the delivery, payment, and organization of health care services; and
   B. rules pertaining to health care delivery, payment, and services under the authority of any state board or agency; and
   C. the implementation of long term care services.

The commission is charged with studying these additional topics:
A. Generic drug pricing variances (HR 59).
B. Viability of county hospitals (HR 76).
C. Certificate of need requirements for health facilities (SR 54).

Human Resource Investment Council  
IC 22-4-18.1-5 (Permanent)

The Council acts as the state advisory body under several federal laws, including the Job Training Partnership Act, the Wagner-Peyser Act, the Carl D. Perkins Vocational and Applied Technology Act, and the Adult Education Act. The Council also reviews the services and use of funds under those programs, advises the Governor on methods of coordinating the services and use of funds under the programs and under state and local education and training programs, and makes recommendations to the Governor concerning the human investment needs and the human resource system in Indiana.

The council shall do the following:

(1) Advise and assist the division in the performance of the responsibilities set forth in section 6 of this chapter, particularly the following:
   (A) Identification of the sources of fiscal and other support for services for early intervention programs.
   (B) Use of the existing resources to the full extent in implementing early intervention programs.
   (C) Assignment of financial responsibility to the appropriate agency.
   (D) Promotion of the interagency agreements.
   (E) Development and implementation of utilization review procedures.

(2) Advise and assist the division in the preparation of applications required under 20 U.S.C. 1431 through 1445.

(3) Prepare and submit an annual report to the governor, the general assembly, and the United States Secretary of Education by November 1 of each year concerning the status of early intervention programs for infants and toddlers with disabilities and their families.

(4) Periodically request from the agencies responsible for providing early childhood intervention services for infants and toddlers with disabilities and preschool special education programs written reports concerning the implementation of each respective programs of the agency.

(5) Make recommendations to the various agencies concerning improvements to each delivery of services of the agency.

(6) Otherwise comply with 20 U.S.C. 1441.

Select Joint Commission on Medicaid Oversight  

(1) Determine whether the contractor for the Office of Medicaid Policy and Planning under IC 12-15-30 that has responsibility for processing provider claims for payment under the Medicaid program has properly performed the terms of the contractor contract with the state.
(2) Study and propose legislative and administrative procedures that could help reduce the amount of time needed to process Medicaid claims and eliminate reimbursement backlogs, delays, and errors.
(3) Oversee the implementation of a case mix reimbursement system developed by the office and designed for Indiana Medicaid certified nursing facilities.
(4) Study and investigate any other matter related to Medicaid.
(5) Study and investigate all matters related to the implementation of the childrens health insurance program established by IC 12-17.6.
(6) Receive bi-annual report concerning the informal dispute resolution program through July 1, 2005.

In addition, HEA 1320-2004 directs the commission to submit a report on the effects of the repeal of continuous eligibility for children under Medicaid and CHIPS.

The methamphetamine abuse task force is established to do the following:
(1) Obtain, review, and evaluate information concerning the harm caused by the illegal importation, production, and use of methamphetamine in Indiana.
(2) Determine the extent to which methamphetamine use and methamphetamine laboratories interfere with or make more difficult the duties of:
   (A) federal, state, and local law enforcement;
   (B) fire departments;
   (C) educational institutions; and
   (D) health and social services agencies.
(3) Review efforts in other states to stem the use and spread of methamphetamine.
(4) Hold hearings around Indiana to obtain information regarding:
   (A) the nature of the methamphetamine problem; and
   (B) local initiatives to combat methamphetamine.
(5) Invite experts to testify regarding any issue the task force is studying.
(6) Collect additional information that will assist the task force in carrying out the duties set forth in subdivisions (1) through (5).

The Committee is required to consider the following issues:
(1) The effects of competition on available subsidies used to maintain universal service.
(2) The status of modernization of the public telephone network in Indiana and the incentives required to further enhance this infrastructure.
(3) The effects on economic development and educational opportunities of modernization.
(4) The current method of regulating telephone companies and the effectiveness of the method.
(5) The economic and social effectiveness of current telephone service pricing.

The Committee is also required to study and make recommendations relating to possible deregulation of electric utilities, including the following issues:
(1) The effects of competition or changes in the energy utility industry and the impact of the
competition or changes on the residential rates.
(2) The status of modernization of the energy utility facilities in Indiana and the incentives
required to further enhance this infrastructure.
(3) The effects on economic development of modernization.
(4) The traditional method of regulating energy utilities and the effectiveness of the method.
(5) The economic and social effectiveness of traditional energy utility service pricing.
(6) The effects of legislation enacted by the United States Congress.

The Committee is charged with studying these additional topics:
A. 911 fees addressed in House Bill 1304 introduced during the second regular session of the
113th General Assembly; and
B. the relationship between state wireless and local wireless systems.
