Health Finance Commission  
IC 2-5-23 (Amended by P.L. 22-2004) (Permanent)

The Health Finance Commission was established to study health finance in Indiana. The commission may study any topic:

- (1) directed by the chairman of the commission;
- (2) assigned by the Legislative Council; or
- (3) concerning issues that include:
  - A. the delivery, payment, and organization of health care services;
  - B. rules pertaining to health care delivery, payment, and services under the authority of any state board or agency; and
  - C. the implementation of long term care services.

The Committee is charged with studying these additional topics:

- A. The cost of delivering health care services to diabetics (HR 34)
- B. Adapting health coverage systems used in other jurisdictions to answer the needs of Hoosiers (SCR 42)
- C. Monitor and report on the impact of the privatization of health related services performed or administered by state agencies, including the impact on state employees who have been laid off (SR 51 and SR 56)

Regulatory Flexibility Committee  
IC 8-1-2.5-9 and IC 8-1-2.6-4 (Amended by HEA 1279-2006) (Permanent)

The Committee is required to consider the following issues:

(1) The effects of competition on available subsidies used to maintain universal service.

- (2) The status of modernization of the public telephone network in Indiana and the incentives required to further enhance this infrastructure.
- (3) The effects on economic development and educational opportunities of modernization.
- (4) The current method of regulating telephone companies and the effectiveness of the method.
- (5) The economic and social effectiveness of current telephone service pricing.

The commission shall, by July 1 of each year, prepare for presentation to the regulatory flexibility committee an analysis of a report that includes the following:

- (1) An analysis of the effects of competition and technological change on universal service and on pricing of all telephone telecommunications services under the jurisdiction of the commission offered in Indiana.
- (2) An analysis of the status of competition and technological change in the provision of video service (as defined in IC 8-1-34-14) to Indiana customers, as determined by the commission in carrying out its duties under IC 8-1-34.

The commissions analysis under this subdivision must include a description of:

- (A) the number of multichannel video programming distributors offering video service to Indiana customers;
  - (B) the technologies used to provide video service to Indiana customers; and
  - (C) the effects of competition on the pricing and availability of video service in Indiana.
- (3) Beginning with the report due July 1, 2007, and in each report due in an odd-numbered year after July 1, 2007:
    - (A) an identification of all telecommunications rules and policies that are eliminated by the commission under section 4.1 of this chapter during the two (2) most recent state fiscal years; and
    - (B) an explanation why the telecommunications rules and policies identified under clause (A) are no longer in the public interest or necessary to protect consumers.

The regulatory flexibility committee shall also issue a report and recommendations to the legislative council by November 1 of each year that is based on a review of the following issues:

- (1) The effects of competition and technological change in the telecommunications industry and impact of competition on available subsidies used to maintain universal service.
- (2) The status of modernization of the public telephone network publicly available telecommunications infrastructure in Indiana and the incentives required to further enhance this infrastructure.
- (3) The effects on economic development and educational opportunities of the modernization described in subdivision (2).
- (4) The current method methods of regulating companies providers, at both the federal and state levels, and the method's effectiveness of the methods.
- (5) The economic and social effectiveness of current telecommunications service pricing.
- (6) All other telecommunications issues the committee deems appropriate.
