**Disclaimer**

Please be aware that your search may result in data containing reports with the same information. Your search result will include Reports of Legislative Gift or Purchase statements which are also reflected in more detail on the lobbyist semi-annual activity report (section E). When analyzing this data, be aware that you may be viewing the same gifts reported on two different types of reports. In some cases, second half activity reports may have the same data as first half activity reports.

Be advised that spelling errors are common on lobbyist reports and your search may not capture misspelled legislator names. You should verify all data by examining the hard copies of the reports in the Indiana Lobby Registration Commission office.
