Regulatory Flexibility Committee
IC 8-1-2.5-9 and IC 8-1-2.6-4 (Permanent)

The Committee is required to consider the following issues:
(1) The effects of competition on available subsidies used to maintain universal service.
(2) The status of modernization of the public telephone network in Indiana and the incentives required to further enhance this infrastructure.
(3) The effects on economic development and educational opportunities of modernization.
(4) The current method of regulating telephone companies and the effectiveness of the method.
(5) The economic and social effectiveness of current telephone service pricing.

The commission shall, by July 1 of each year, prepare for presentation to the regulatory flexibility committee an analysis of a report that includes the following:
(1) An analysis of the effects of competition and technological change on universal service and on pricing of all telephone telecommunications services under the jurisdiction of the commission offered in Indiana.
(2) An analysis of the status of competition and technological change in the provision of video service (as defined in IC 8-1-34-14) to Indiana customers, as determined by the commission in carrying out its duties under IC 8-1-34. The commission's analysis under this subdivision must include a description of:
   (A) the number of multichannel video programming distributors offering video service to Indiana customers;
   (B) the technologies used to provide video service to Indiana customers; and
   (C) the effects of competition on the pricing and availability of video service in Indiana.
(3) Beginning with the report due July 1, 2007, and in each report due in an odd-numbered year after July 1, 2007:
   (A) an identification of all telecommunications rules and policies that are eliminated by the commission under section 4.1 of this chapter during the two (2) most recent state fiscal years; and
   (B) an explanation why the telecommunications rules and policies identified under clause (A) are no longer in the public interest or necessary to protect consumers.

The regulatory flexibility committee shall also issue a report and recommendations to the legislative council by November 1 of each year that is based on a review of the following issues:
(1) The effects of competition and technological change in the telecommunications industry and impact of competition on available subsidies used to maintain universal service.
(2) The status of modernization of the public telephone network publicly available telecommunications infrastructure in Indiana and the incentives required to further enhance this infrastructure.
(3) The effects on economic development and educational opportunities of the modernization described in subdivision (2).
(4) The current method of regulating companies providers, at both the federal and state levels, and the methods effectiveness of the methods.
(5) The economic and social effectiveness of current telecommunications service pricing.
(6) All other telecommunications issues the committee deems appropriate.
