# Indiana Library Career Expo

March 6, 2010

The Indiana Library Career Expo introduces attendees to the many career opportunities in the field of library and information science. Attendees will learn about a wide variety of educational opportunities and library career paths available for all education levels.

## Who should attend the Expo?

- **High School Seniors** interested in studying library science or looking for entry-level positions in the library field.
- **Undergraduates** investigating Masters in Library Science programs and professional opportunities and internships in libraries.
- **Library Science Students** wanting to meet potential employers and learn about career opportunities in the library field.
- **Library Employees** seeking educational and professional development opportunities that can enhance your career.
- **Professional Librarians** ready to discover new opportunities in the library field and network with peers and potential employers.

**Please bring business cards and copies of your résumé!**

The Indiana Library Career Expo is presented by:

The Indiana  
State Library

The Indiana University  
School of Library and  
Information Science
