

Chapter 13

Library Capital Projects Fund (LCPF)

On March 19, 2012, Governor Mitch Daniels signed into law House Enrolled Act 1072 (“HEA 1072”). Section 124 of HEA 1072 amends IC 36-12-12-5 so that a library board is no longer required to submit its resolution establishing a capital projects fund (“CPF”) and its CPF plan to the Department of Local Government Finance (“Department”) and the Department can no longer require that a Notice of Submission be provided to taxpayers.

Instead, if the library board passes a resolution establishing a CPF and the appropriate fiscal body or bodies approve the CPF plan, the library board must publish a Notice of Adoption in accordance with IC 5-3-1-2(i).

Ten or more taxpayers who will be affected by the adopted plan may file a petition with the county auditor of a county in which the library district is located not later than ten days after the publication of the Notice of Adoption. The petition must set forth the taxpayers’ objections to the proposed plan and the county auditor must immediately certify the petition to the Department.

This amendment takes effect July 1, 2012.

A. How can the LCPF be used?

- 1) A facility used or to be used by the Library District
 - (a) planned construction, repair, replacement or remodeling
 - (b) site acquisition
 - (c) site development
 - (d) repair, replacement or site acquisition that is necessitated by an emergency
- 2) the purchase, lease or repair of equipment to be used by the Library District
- 3) The purchase, lease, upgrading, maintenance or repair of computer hardware or software including hiring a computer expert to manage the computer operations, purchase and/or subscription to online databases

B. How does one do the bookkeeping of a Library Capital Projects Fund?

The LCPF is set up as a separate ledger account using the same format as a gift fund, 3 columns: received, disbursed, and balance.

If more detail is wanted, a separate hand or computer ledger with columns for each LCPF line item can be set up in the same format as the Library Financial and Appropriation Record.

A sample of the Library Financial and Appropriation Record can be found in the Appendix (A-1) of the Accounting and Uniform Compliance Guidelines Manual for Libraries (reissued 2010).

New legislation in 2012 session eliminates the need to submit the plan to the DLGF with the advertisement requirements. These duties are conducted by the County Auditor.

MEMORANDUM

TO: Library Directors

FROM: Dan Jones, Assistant Director, Budget Division *DJ*

SUBJECT: Library Capital Projects Fund (IC 36-12-12)

DATE: July 14, 2011

INTRODUCTION

The purpose of this Bulletin is to outline the policy and procedures of the Department of Local Government Finance ("Department") regarding the Library Capital Projects Fund ("LCPF"). This Bulletin includes a Glossary of Terms and provides guidance for completing the LCPF Summary Page and supersedes all previous LCPF Bulletins.

The LCPF is a fund for which a Library District may levy property taxes to be used to pay for the following (IC 36-12-12-2):

- 1) A facility used or to be used by the Library District, including:
 - a) Planned construction, repair, replacement or remodeling;
 - b) Site acquisition;
 - c) Site development; and
 - d) Repair, replacement or site acquisition that is necessitated by an emergency;
- 2) The purchase, lease or repair of equipment to be used by the Library Districts; and
- 3) The purchase, lease, upgrading, maintenance or repair of computer hardware or software.

Before a Library Board may collect property taxes for an LCPF in a particular year, the Library Board must, **after January 1 and before May 15** of the immediately preceding year (IC 36-12-12-3):

- 1) Hold a public hearing on a proposed Library Capital Projects Plan ("Plan");
- 2) Pass a resolution to adopt a Plan; and
- 3) Submit the Plan for approval or rejection by the fiscal body.

TIMELINE FOR ESTABLISHING AN LCPF

Steps 1 through 4 must be completed after January 1 and *before* May 15. (IC 36-12-12-3.)

- 1) The Library Board prepares a proposed **LCPF Plan** and **LCPF Plan Summary** in the year **before** the taxes are to be collected. This Plan must specify anticipated expenditures along with revenue estimates, tax rates to be charged and estimated assessed valuation. The Plan must apply to at least the three years immediately following the year the Plan is adopted. The format of the LCPF Plan is included in this memo. The library board may, for each year in which a Plan is adopted, impose a property tax rate that does not exceed **\$.0167** per \$100 of assessed valuation as limited by IC 36-12-12-10. The LCPF levy is within the maximum property tax levy limit beginning with taxes payable in 2009.
- 2) Senate Enrolled Act 1, which was signed December, 2003, added IC 6-1.1-18-12 to define “maximum rate” for taxes first due and payable after 2003. It requires the maximum rate of the LCPF to be adjusted each time an annual adjustment to real property takes place or each time a general reassessment takes place. It establishes a formula for determining a new maximum rate. The Department will compute the rate adjustment.
- 3) Pursuant to IC 36-12-12-3, the Library Board must give at least a ten-day notice of Public Hearing on the proposed LCPF Plan. A sample of the hearing notice form to be used for the advertising is included in this memo. **The notice of the public hearing shall be published one time in two newspapers at least ten days before the date of the hearing.** If two newspapers do not exist in the Library District, the Library Board should refer to IC 5-3-1-4 for the proper publication procedure. The Notice to Taxpayers must specify planned expenditures and allocations for future projects for a minimum of three years, estimates of revenue, proposed tax rates and estimated assessed valuation for the same years.
- 4) According to IC 36-12-12-4, after considering the comments and contentions presented at the Public Hearing, the Library Board may pass a resolution to adopt the proposed Plan. The Secretary of the Library Board shall submit a copy of the Plan to the appropriate fiscal body **within ten days after the Library Board passes the resolution**, along with a certificate that the attached is a complete transcript of the proceedings of the Plan Adoption. The following documents should be maintained in the Library Offices for public inspection:
 - a) A certified copy of the Plan adopted by the Library Board;
 - b) Proper proofs of publication and
 - c) A copy of the Library Board’s resolution adopting the Plan.
- 5) Under IC 36-12-12-4, the fiscal body shall hold a public hearing on the Plan not later than 30 days after receiving a certified copy of the Plan and advertise the public hearing to consider the Plan one time at least ten days prior to the hearing in accordance with IC 5-3-1-2. The advertisement should include the date, time, and location of the meeting and does not need to include the complete Plan summary.

Sample fiscal body notices are included in this memo. The appropriate fiscal body, as specified in IC 36-12-12-4, is:

- a) The Town Council if the Library District is located entirely within the corporation boundaries of a town.
 - b) The City Common Council if the Library District is located entirely within the Corporation boundaries of a city.
 - c) The Township Advisory Board if the Library District is not located entirely within the corporation boundaries of a city or town but is located entirely within the corporation boundaries of a Township.
 - d) The Common Council of each county in which the Library District is located if the Library District is not located entirely within the corporation boundaries of a city, town or single township.
 - e) The City-County Council if the Library District is not located entirely within the corporation boundaries of a city, town or township and is located in a county with a consolidated city.
- 6) The appropriate fiscal body shall advertise and hold a public hearing on the Plan within 30 days after receiving a certified copy of the Plan from the Library Board. The fiscal body will either reject or approve the Plan **before August 1** of the year the Plan is received (IC 36-12-12-4). (See sample FISCAL BODY RESOLUTION form included in this memo). If the Plan is approved by the fiscal body, the Library Board shall submit the following to the Department **on or before September 20 of the year immediately preceding the year in which the Plan is to take effect:**
- a) a certified copy of the Plan including a Plan summary sheet and a description of the allocation of future projects if applicable;
 - b) the Library Board's resolution approving the Plan;
 - c) Certificate of Submission to the Fiscal Body;
 - d) the Library Fiscal Body's resolution approving/rejecting the Plan;
 - e) proofs of publication of the Library Board's notice of public hearing;
 - f) proofs of publication of the Fiscal Body's notice of public hearing; and
 - g) the Procedure Checklist (included at the end of this memo).

Under IC 36-12-12-5, if the Department determines that:

1. the Library Board has properly advertised the Plan;
2. the Plan was timely adopted by the Library Board and timely approved by the appropriate fiscal body;
3. the Plan conforms to the format prescribed by the Department; and
4. the Plan was timely filed with the Department;

the Department will require the Library to publish a Notice of Adoption of Plan to local taxpayers. If the Plan fails to conform to the above requirements the Plan will be returned. Further submissions must conform to the above-stated time requirements.

- 7) After receiving the Plan and other required documentation, the Department will notify the Library Board to advertise a Notice of Submission one time. The Department will prepare the Notice of Submission. (A sample Notice of Submission is included with this memo.) This advertising should be made in accordance with IC 5-3-1-2(b). Ten or more taxpayers who will be affected by the adopted Plan may file a petition with the County Auditor of a county in which the library district is located not later than ten days after publication of the Notice of Submission, setting forth their objections to the proposed Plan. The County Auditor shall immediately certify the petition to the Department(IC 36-12-12-5).
- 8) The Department will, within a reasonable time, fix a date for a local hearing on the petition filed. The hearing will be held in a county in which the Library District is located and the Department will notify:
 - a) the Library Board, and
 - b) the first ten (10) taxpayers whose names appear upon the petition.

This notice will be given at least five days before the date of the hearing. (IC 36-12-12-6.)

- 9) After a hearing on the petition, the Department will certify its approval, disapproval or modification of the Plan to the Library Board and the County Auditor. The action of the Department with respect to the Plan is final. The Library Board or taxpayers who signed a petition of objection may appeal the Department's decision to the Tax Court within 45 days. (IC 36-12-12-7.)
- 10) If no petition objecting to the Plan is filed with the County Auditor, **within ten days following the objection period, the unit must submit proofs of publication of the Notice of Submission and County Auditors Certificate of No Remonstrance to the Department.** Upon receipt, the Department will issue its order approving or denying the Plan. Please note that it is the Library's responsibility to obtain the Auditor's Certificate of No Remonstrance from the County Auditor.

BUDGET APPROVAL

In addition to annually adopting a Plan, the Library District must incorporate the Plan into the ensuing year's Library Budget and advertisement in accordance with IC 6-1.1-17, to receive funding. All budget forms are to be used in preparing the annual budget for the LCPF. Budget Form 4-B is commonly referred to as the 16-line statement. Line 1 of the Form 4-B is the annual budget appropriation for the ensuing year. Items 1 through 6 of the Plan Summary Page are to be included on Line 1 of Form 4-B. The Allocation For Future Projects—Item 7 of the Plan Summary Page—is included on Line 11 of Form 4-B. Line 11 is referred to as the operating balance.

The Library Board will advertise and adopt the appropriations and levy for the LCPF annually

using the regular budget calendar. Even though the rate is not advertised with the annual budget, it must be adopted in the Plan and included on Budget Form 4B.

The Library Board will supply a copy of the Plan and Department approval Order to the Department Hearing Officer for review of the annual budget. The budget order issued by the Department will approve LCPF appropriations, tax rate and levy where they are consistent with an approved Plan.

EMERGENCY AMENDMENT OF PLAN

Indiana Code 36-12-12-9 allows a Library Board to amend its Plan because of an Emergency. Under IC 36-12-12-1, "emergency" means:

- 1) when used with respect to repair or replacement, a fire, flood, windstorm, mechanical failure of any part of a structure, or other unforeseeable circumstance; and
- 2) when used with respect to site acquisition, the unforeseeable availability of real property for purchase.

The Plan may be amended due to an emergency to:

- a) provide money for the purposes of repair, replacement or site acquisition that is necessitated by an emergency; and
- b) to supplement money accumulated in the Emergency Allocation of the Plan.

The following steps must be completed to amend a capital projects Plan:

- 1) When an emergency arises and the need for funds exceeds the amount accumulated in the Emergency Allocation, the Library Board must immediately apply to the Department for a determination that an emergency exists. The Department should be notified by telephone and in writing (preferably by fax or email) of the library's request for amendment of its Plan. The request for a determination should include identification of where in the library system the emergency has occurred, a description of the emergency, the proposed amendment, and the changes and additions to the expenditures and revenue by Plan year necessary to amend the LCPF Plan. The Library Director may contact the Assistant Director of the Budget Division of the Department at (317) 232-0651 regarding the amendment. Amendment requests may be faxed to the Department Budget Division at (317) 232-8779.
- 2) After the Department issues its determination that an emergency exists, the Library Board will amend its Plan at a regular public meeting and forward its resolution to the Department. The amendment is not subject to the deadlines and procedures for adoption of the original Plan. The form of the resolution would be to reduce a designated project(s) and increase the Emergency Allocation. If the amendment requires use of any part of the Allocation for Future Projects, the library will also need to process an additional appropriation.
- 3) The resolution is subject to modification by the Department. An amendment adopted may require the payment of eligible emergency costs from:
 - a) money accumulated in the LCPF for other purposes; or
 - b) money to be borrowed from other funds of the Library Board or from a financial institution.

- 4) The amendment may also provide for an increase in the property tax rate for the ensuing budget year for the LCPF to restore money to the fund or to pay principal and interest on a loan. Before the property tax rate may be increased, the Library Board must submit a Plan containing the increase to the fiscal body and obtain the approval of that fiscal body as provided in IC 36-12-12-4. **The increase in the property tax rate for the LCPF is effective for property taxes payable for the year next certified by the Department. However, the rate is not to exceed the maximum rate established under IC 36-12-12-10 and the levy is considered within the maximum levy controls.**

COMPUTER REPAIR PERSONNEL

A Library may adopt a Plan to pay for the services of full or part-time computer repair personnel. These items should be incorporated into Item 6 on the LCPF SUMMARY (purchase, lease, maintenance, and repair of computer hardware).

ALLOCATION FOR FUTURE PROJECTS

The Allocation for Future Projects allows the library to levy property taxes in a current year for expenditure in a future year, if the specific use is identified in the Plan. A taxpayer or the Department hearing officer should be able to clearly determine the proposed use and cost of the future project. When preparing the ensuing year's LCPF budget, the Allocation for Future Projects should be included in Line 11 of Budget Form 4-B. It should not be appropriated, since its expenditure is planned for a future year, as documented in the Plan.

APPROPRIATION IN A YEAR EARLIER THAN PLANNED

An opportunity also exists to convert the projects planned for second, third or future years of the Plan into a current appropriation during the current budget year of the Plan.

The following conditions apply:

- 1) the Plan must be specific as to the need to be addressed and the manner in which it will be addressed;
- 2) the library must proceed with an additional appropriation. The Notice to Taxpayers of the additional appropriation must state the fund name, a description of the project and the project cost; and
- 3) this course of action results in the appropriation of all or part of the Plan's current year Allocation for Future Projects.

LIBRARY CPF PLAN FORMAT

The Plan **must be prepared annually** using the following format:

- 1) General description of the Library District:
 - a) Library Taxing District;
 - b) name and location of library, including contact person's name, address, phone number and e-mail address;
 - c) composition of the governing body;

- d) number of employees;
 - e) current annual budget in Operating, Library Improvement Reserve (LIRF) and Bond and Interest Redemption (BIRF) funds and Capital Projects Fund; and

B) Includes, by Plan year, location and project or specific purpose, allocation for proposed expenditures beyond the upcoming budget year (Allocation for Future Projects).

Failure to comply with the above format may be cause for rejection of the Plan.

DISCONTINUING THE CAPITAL PROJECT FUND

The General Assembly combined the Library Operating Fund and the Capital Project Fund (CPF) for purposes of performing the maximum levy calculation. As a result, little incentive remains for a library to undergo the annual process of updating and adopting a new Plan. A library may decide to discontinue the planning process and combine the remaining fund balance in the CPF with the Operating Fund balance or the Rainy Day Fund balance, or both.

The procedure for closing the Capital Project Fund is to not prepare a new Plan for the ensuing budget year. The existing fund and the certified budget remain in existence until year-end. Both revenues and expense may be posted to the fund until year-end. In fact, the fund must remain active to receive the final tax distribution which is typically in December. After the final tax settlement, the fiscal body of the library may adopt an ordinance to close the fund and transfer the remaining fund balances to either the Operating Fund or the Rainy Day Fund. The ordinance may direct any remaining balances to both funds.

Next year's operating fund budget may be prepared by combining the CPF fund balances and appropriations into the operating fund in anticipation of closing the CPF. The Notice to Taxpayers advertisement for the following year's budget will show the budget and levy amounts for the operating fund as including the CPF amounts.

NOTE: Libraries that prefer to continue spending from the CPF must continue to update and adopt the Plan annually.

GLOSSARY OF TERMS

The following definitions apply to LCPF.

- 1) **REPAIR** means the restoration of a piece of equipment, a building or land from worn, damaged or deteriorated condition to or near its original condition.
- 2) **EQUIPMENT** means a mobile or fixed unit of furniture or furnishings, an instrument or set of articles meeting the following conditions:
 - a) It retains the original shape.
 - b) It is non-expendable, which means that if the article is damaged or some of its parts are lost or worn out, it is usually more feasible and economical to repair it than replace it with an entirely new unit.
 - c) It represents an investment of money that makes it feasible and advisable to capitalize the item.
 - d) It does not lose its identity through incorporation into a different or more complex unit.
- 3) **EMERGENCY** is defined with respect to the LCPF as follows:
 - a) Repair or replacement of buildings or equipment caused by a fire, flood, windstorm, mechanical failure, or other unforeseen circumstances, and
 - b) The unforeseeable availability of real property for purchase when referring to site acquisition.

COMPLETING THE LIBRARY CAPITAL PROJECTS FUND SUMMARY PAGE:

The purpose of the Summary Page is to summarize the expenditures, allocations, transfers, and revenues for the Plan. The general format is the same as the public notices for the Plan.

CURRENT EXPENDITURES is a summary of the planned expenditures noted in each major classification in your LCPF Plan for each year of the Plan for all locations.

SUBTOTAL CURRENT EXPENDITURES is the amount of expenditures, which require appropriation, that a unit plans to make in a given year.

ALLOCATION FOR FUTURE PROJECTS (AFP) is the amount of funds that will accumulate or continue accumulating for projects to be expended in the second, third, or future year of the Plan. Any AFP(s) should be clearly noted on the appropriate location page(s) in the Plan. If a unit plans to expend the AFP in the second or third years, this will increase the current expenditures and decrease the AFP. If a unit does not intend to spend the AFP in the second or third years, the AFP for those years should show the total expected will be accumulated at the end of the year. The AFP budgeted in the third year should include the amount accumulated in years one and two, plus what will be accumulated during year three. The summary page of the AFP should be cumulative summation of the AFP from each location.

CASH BALANCE AVAILABLE TO FUND THE PLAN: For libraries beginning the first year of their first Plan, the beginning cash balance will be zero (0). For libraries that have a Plan in effect, the January 1 cash balance of the first year will equal the estimated year-end cash balance **plus** the amount of unexpended appropriations. The Plan should explain any unexpended

appropriation from the prior year and note the total dollar amount of unexpended appropriations. For the second and third years of the Plan, assume that funded appropriations carried forward from the previous year have been exhausted. Under normal circumstances, the projected January 1 cash balance for the second and third years of the Plan will be the prior years' allocation of future projects (AFP).

ESTIMATED EXCISE, CVET AND FIT are estimates of revenue prepared in the same manner as the annual budget for other funds.

OTHER REVENUE refers to income to the fund other than property taxes such as interest income.

PROJECTED TAX RATE will be the estimated tax rate necessary to fund the Plan.

Library CPF Frequently Asked Questions

Updated July 18, 2011

PURCHASES FROM THE CPF ("CPF")

What kind of vehicles may be purchased from the CPF?

Any vehicles for library use including bookmobiles, vans, and automobiles may be purchased from the CPF.

May library materials and/or books be purchased from the CPF?

No. The CPF cannot be used to purchase library materials and/or books, with the exception of computer software.

May the CPF Plan include feasibility studies and architect fees?

Yes. The planned expenditures should be included in item one (1) ("Planned construction, repair, replacement, or remodeling") of the CPF plan summary. If the architect fees are to be reimbursed, such as in the formation of a holding corporation, the anticipated reimbursement would be included in the CPF plan summary as other revenue.

May we pay for architect fees to design a building that a holding corporation will purchase at a later date?

Yes. The CPF plan should anticipate the expenditures under item one on the plan summary. If the library anticipates reimbursement from the holding corporation, the reimbursement should be estimated under "other revenue."

What are some examples of "replacements" (Item One under current expenditures of the Plan)?

Replacements may include carpet, shelving, and computer equipment. For specific questions about what is a replacement item, contact the Department ("Department") or the State Board of Accounts ("SBOA").

Should we include a narrative section in the Plan format for site development?

Yes.

Is landscaping considered part of site development?

It depends on what type of landscaping. Please refer specific questions to the Department or SBOA.

APPROPRIATIONS

If we spend less than planned in one portion of the CPF Plan, may we transfer the surplus appropriations to another area where we would like to spend more than planned?

No. A CPF plan cannot be changed once it has been approved by the Department except in the case of an amendment approved for an emergency or an appropriation of an allocation for a future project in a year earlier than planned.

If we do not spend all of the CPF appropriations for a given year or we have encumbrances, would those amounts be included in the ensuing year's January 1 cash balance?

The January 1 cash balance on the capital projects plan summary is the estimated or anticipated cash balance for the ensuing year. If you anticipate unexpended appropriations or encumbrances for the current year's plan, then those amounts would be included in the estimated January 1 cash balance for the ensuing year. The January 1 cash balance may also include allocation for future projects from the previous year(s).

If the CPF Plan is denied and there is a cash balance, can I do an additional appropriation to spend that money?

No. If the plan is denied, you may not appropriate funds in the CPF.

THE LIBRARY'S FISCAL BODY

Must the fiscal body who approves the CPF Plan advertise for the required public hearing?

Yes. The fiscal officer must give notice of the public hearing to consider the plan. The notice must be published one (1) time at least ten (10) days before the date of the hearing in accordance with IC 5-3-1-2(b). The Library may offer to publish this notice for the fiscal body to ensure that the advertisement complies with the necessary requirements.

How do we certify copies of the CPF Plan to the local fiscal body and the Department?

A certificate of submission, signed by the library board secretary attesting to the actions of the library board in adopting the CPF plan is used for certification. A suggested certification form is included with the CPF memo.

Can the library pay for the advertisement of the fiscal body's public hearing?

Yes, the library may submit the notice to taxpayers to the appropriate newspaper and pay for the advertisement.

Is there a prescribed format for the Notice to Taxpayers of the public hearing by the fiscal body?

A suggested format is included with the CPF memo.

Some fiscal bodies (of the libraries) advertise the entire capital projects fund plan with the Notice to Taxpayers. Is this permissible?

Yes, but not required. The fiscal body only needs to advertise the date, time, and location of the hearing. The ad should also note that the fiscal body plans to discuss the library capital projects plan. A suggested format of the notice to taxpayers by the fiscal body is included with the CPF memo.

Is it possible for a fiscal body to approve appropriations for a CPF Plan but not approve a tax rate and levy?

Yes.

Can a fiscal body approve a lower tax rate and/or levy than those adopted by the library board?

Yes, but it is the responsibility of the library board/director to modify the plan to accommodate the lower rate and/or levy.

PLAN AMENDMENTS (EMERGENCIES)

May we amend the CPF Plan for non-emergency reasons?

No. Libraries may only amend the CPF plan for emergency reasons as outlined in IC 36-12-12-9.

If an emergency situation occurs and we need to use CPF moneys, how do we contact the Department?

The Department may be reached by telephone (317-232-0651) and by fax (317-232-8779). A written explanation of the emergency and the proposal for an amendment to the CPF plan must also be submitted.

What if an emergency situation occurs and the library does not have appropriations in the emergency allocation line item to cover the emergency?

The library needs to do an amendment its capital projects plan.

How quickly can an emergency amendment be approved by the Department?

The Department reviews emergency amendments to the capital projects plan as soon as possible. Please contact the Department for assistance in preparing an amendment to your plan.

ESTABLISHING THE FUND AND THE BUDGET PROCESS

If I receive an order approving the library CPF Plan, must I also go through the normal budget process??

Yes. The submission of the plan to the Department is for approval of only the library capital projects plan under IC 36-12-12-3. The budget process is subject to IC 6-1.1-17. The library CPF must be advertised and adopted as would any other fund for the ensuing budget year. Failure to do so will result in the appropriations, levy, and rate being denied.

Is the CPF the same as the Library Improvement Reserve Fund ("LIRF")?

No. Funds for accumulation in the LIRF come from the operating fund budget as a transfer to LIRF and fall within the maximum levy limit set for the operating fund. The library may levy a separate tax rate of not more than one and sixty-seven hundredths cents (\$.0167) annually for accumulation of funds in the CPF.

Does the CPF replace the LIRF?

No. Both funds are permitted under Indiana law (CPF: IC 36-12-12 and LIRF: IC 36-12-3-11).

Must I go through the Plan and Budget Procedure to expend funds even if our library does not want a tax rate?

Yes. Indiana Code 36-12-12-8 states that the Department may approve appropriations from the CPF only if the appropriations conform to a plan that has been advertised and adopted.

I advertised a \$.0133 rate for my CPF in my annual budget. When I received my budget order, the rate was reduced to \$.005. Why didn't I get the full rate?

The library CPF is based upon the need shown in the plan. Need refers to the total current expenditures and allocation for future projects. During the budget process, the rate approved will be lowered if current expenditures and allocation for future projects can be funded at a lower rate. Also, the rate could be lower because of the adjustment made per IC 6-1.1-18-12.

REVENUES , CASH, AND OPERATING BALANCE

Where does the January 1 cash balance come from on the CPF Plan Summary?

A cash balance in the library capital projects plan can only come from allocation for future projects from the previous year(s) or unexpended appropriations from previous year(s).

A narrative within the Plan must indicate the sources of the anticipated January 1 cash balance for the ensuing year. Later year cash balances are reflective of the previous year future allocation amount.

Isn't my operating balance the same as my future allocations?

Yes, the operating balance is the amount of future allocations detailed in your plan. Keep in mind that the Department will not approve a future allocation (line 11) that is higher than what is adopted in the Plan.

ACCOUNTING FOR CPFs

What if I have money left over in my CPF and it is not appropriated for anything?

The money will remain in the fund and will be accounted for in the operating balance.

If we use the CPF to help pay for a project that includes bonds as part of the financing, do we disburse the bond proceeds through the CPF?

No. Bond proceeds for a project are disbursed through a construction fund.

What if my ensuing year's CPF Plan is denied and I have funds left over?

You will have a CPF with a cash balance. This cash balance cannot be transferred to the library operating fund unless the CPF is declared dormant.

Does the interest generated from the cash in the CPF need to be receipted to the CPF?

Yes, refer specific questions about this to the SBOA.

Do we need to set up a separate fund to account for the CPF Plan?

Yes.

Are there any special accounting guidelines associated with the CPF?

Generally this fund is handled like any other fund. Please refer specific questions to the SBOA.

Do we include our local matching funds for a CPF project in the estimates of "Other Revenue" in the CPF Plan Summary for each fiscal year?

No. Local matching funds should be appropriated in the library operating fund, LIRF, or other special fund and should not be included in the CPF plan summary or the CPF budget. A description and explanation of use of the local matching funds should be included as a part of the narrative describing the CPF plan.

OTHER

Can the public hearing be held on the same day as regular library board meeting? Can the public hearing be held one hour before the board meeting?

Yes, if advertised correctly beforehand, the public hearing for the CPF may be held on the same day as the library board meeting and can be held an hour before the board meeting or at any time specified by the advertisement of the meeting. The public hearing must be held on the date and time advertised in the notice to taxpayers.

If I am accumulating money in my future allocations for a new roof (1/3 of the cost each year) and the fiscal body denies my future allocation for the final (third) year, can I still purchase the roof if I have sufficient money in my fund?

No, but it may be possible to purchase the roof through an emergency amendment. Contact the Department.

Will the ad from the paper be sufficient proof of publication?

No, a Proof of Publication from the newspaper is the legal documentation that is required for advertisements associated with the capital projects plan.

Is the annual cost for telephone lines an allowable expense from the CPF?

No, telephone lines are not considered equipment, so the rental charges for this item are not an allowable expense.

Can the cost of internet expenses be used as an allowable expense from the CPF? (This would include educational services provided through the internet.)

The initial cost for the installation of the lines could be an allowable expense. However, the monthly fees for internet service would not qualify.
