# Welcome New Directors

Dear Colleagues:

Indiana libraries are so much more than just a bricks and mortar repository of books. Today, the local library is early literacy center, a catalyst for economic development, a provider of professional development and lifelong education services, a gateway to digital information and online resources, and a cultural and civic center of the community.

As libraries continue to evolve we face challenges, but remember that you are never alone. Chances are someone in Indiana's statewide library community will have overcome the very same obstacles you may one day face. Also, do not hesitate to contact the Indiana State Library for help or reassurance. The State Library staff is dedicated to providing libraries with assistance on wide range of library issues, including programming, professional development, board policies and so much more.

This handbook was developed as a tool you can turn to for answers to common questions. Please call our staff if you need clarification or assistance with anything covered in this handbook. You are also encouraged to join one or more listservs for Indiana librarians to find help from your peers and other library staff.

Congratulations on your recent appointment as an Indiana public library director. I wish you the best of luck in all your future personal and professional endeavors.

Sincerely,

A handwritten signature in black ink that reads "Jacob Speer". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.

## Overview of the Indiana State Library

### Indiana State Library: Open for Exploration

The Indiana State Library was established in 1825 to provide library services to Indiana's state governmental officials and employees. Since that time, its responsibilities have expanded to provide services to all citizens of Indiana, including special populations such as the blind and visually impaired, to collect and preserve all types of information about the state of Indiana, to support the development of the library profession, and to strengthen the services of all libraries within

Indiana.

Today, the Indiana State Library houses the vast collections with over two million volumes and three million manuscripts, as well as thousands of maps, federal documents, microfilm, and more. These innovative technology and resource sharing solutions collectively save Indiana libraries millions of dollars annually. The Professional Development Office (PDO) includes specialists in the areas of programming, children's services, continuing education opportunities, and services available from the Indiana State Library.

**Certification:** The PDO handles all aspects of library certification, including program administration, consultation services and approval of LEU eligibility for course providers.

**Continuing Education:** PDO staff provides educational opportunities via in-house, online and on-site workshops. Indiana librarians are also eligible to enroll in free classes from national providers like Lyris and WebJunction.

**Digitization Services:** The State Library administers LSTA sub-grants to libraries for the purpose of digitizing Indiana's historical records. The primary goal is to develop content for Indiana Memory ([IndianaMemory.org](http://IndianaMemory.org)) a collaboration of historical and cultural organizations enabling free online access to Indiana's unique cultural and historical heritage through a variety of digital formats. The State Library also does extensive user training, loans scanning equipment and performs large-scale digitization projects for Indiana Memory, the National Digital Newspaper Program and Hoosier State Chronicles ([newspapers.library.in.gov](http://newspapers.library.in.gov)) offering online access to thousands of pages of historic Indiana newspapers.

**Evergreen Indiana** is a growing consortium of more than 100 Indiana libraries using the Evergreen open source integrated library system (ILS). Evergreen Indiana collectively saves public libraries millions of dollars in annual licensing, technology and support costs associated with maintain a library catalogue. The shared Evergreen catalogue enables patrons to place holds from home and to receive them at their participating library of choice, or go to any Evergreen library statewide to access approximately 7,000,000 items free of additional charge.

**InfoExpress**, a statewide library delivery service for interlibrary loan (ILL) materials and other resources, is available to all Indiana libraries. Public libraries that are active lenders of resources or on Evergreen Indiana are eligible heavily subsidized one to two-days-a-week service. In 2014, the InfoExpress courier service moved 533,000 parcels.

**[INSPIRE.in.gov](http://INSPIRE.in.gov)**: For nearly two decades, [INSPIRE.in.gov](http://INSPIRE.in.gov) has helped Hoosiers get ahead of the curve at work and in the classroom with the credible information they need instantly. INSPIRE offers free online access to thousands of magazine and journal articles, online research tools, study aids and resources for jobseekers through a virtual portal available to Hoosiers 24/7 from their home, work, school or public library computer. # Duties of the Director and Library Board

Public Library standards (590 IAC 6) define the role of the director and board members (see Chapter 3).

### A. Library Director and Library Board

The library board is responsible for hiring a full-time library director with the education and experience required by the Librarian Certification Rule (590 IAC 5).

The director is the administrative head of the library and is responsible to the library board for the operation and management of the library.

The library board and director shall maintain their functions as follows:

- 1) The board is responsible for **governance and policy**.
- 2) The director is responsible for **administration**, and is responsible to library board for the operation and management of the library.

*IN the Public Trust* is the trustee manual. According to page D-2, **the director has the responsibility to:**

- Implement board policies
- Represent the library in negotiations, public relations and other public events
- Recommend staff for hiring
- Direct, supervise, educate, evaluate and discipline all staff
- Prepare the annual budget for approval by the board
- Manage the finances of the library
- Oversee the assets of the library
- Plan the annual operations of the library to fit into the long-range plan of the board
- Assist the board in the governance of the library by informing the board of the status of the library and recommending policy direction for the board
- Report to the board the results of board actions
- Remain current and knowledgeable about the library and appropriate methods of operation
- Prepare an annual report of the progress of the library and submit that report to the

board and to the Indiana State Library.

The library director is the person ultimately responsible for the library. Even though the board is governing the library, the director is managing it and all of its resources. This includes the facilities, finances, personnel, and inventory.

Depending on the size of the library, you will either be working with a team of professionals which you will oversee in their management of select resources, or you will be the one and only manager juggling the management of everything – or something in between.

The first duty of the new director is to find out which scenario fits your library, and roll with it. Either you will be fixing a stopped-up toilet and scraping ice off of the sidewalks in between budget and programming meetings, or you will be making sure that these tasks get done while you deal with issues only the large libraries encounter, such as investments and foundations.

One thing you need to realize, however, is that you are not alone. That is what this guide is all about – to provide you with the resources and contact information you will need to manage your library. The State Library is here to aid you in your quest to provide Indiana residents with top-notch library service.

Another resource is your peers. Many directors in Indiana have mentored new library directors in the past, and many continue to do so. Get on a listserv [www.in.gov/library/listservs.htm](http://www.in.gov/library/listservs.htm) ask questions, check out statistics on the ISL website [www.in.gov/library/plstats.htm](http://www.in.gov/library/plstats.htm) to find libraries of similar size and call those directors. Librarians in Indiana are a very giving bunch, so don't reinvent the wheel. You will be asked to provide payback someday!

The following is adapted from the Small Library Project Pamphlet #3, "The Trustee of a Small Public Library," published by American Library Association. Also included here are requirements found in section 6-1-4 of **590 IAC 6 Minimum Standards for Public Libraries**. Please see Chapter 2 in this manual for full recommendations.

## B. Working with the Library Board

(Excerpt from the Idaho Librarian Survival Manual)

When you were hired, you became an employee of your library's board of trustees. Most of the time, working with your library board will be easy, because you and the library board have a common interest and a common mission: to provide your community with the best possible library service. Good board members will be your best allies in working for better service. They will bring ideas, encouragement and enthusiasm to the library.

The keys to working with your library board are **respect, communication, and tact**. As a new librarian, recognize that the library and the library board have a history. The board is used to doing things in certain ways. Unless they have had serious problems, board members are not likely to be interested in changing what they see as successful. They are not likely to change things unless you can give them good reasons, and even then, it may take some time for them to develop trust of your judgment.

During your first year, you probably will want to spend more time in trust building rather than in problem solving with your library board. Try to get to know each board member personally, find out what they think about the library and where they want the library to be going.

**It is also vitally important to communicate as much information as possible to your library board members.** If you see a potential difficulty coming up, make sure that the board is aware of it, even if you are afraid it reflects badly on you. No one likes to be surprised by a major problem that everyone else saw coming. At the same time, do not dwell on the negative. Make sure that the board knows about the library's successes too.

While it is true that the library board is charged with setting policy, you will know more about the day-to-day operations of the library. Board members sometimes have ideas that simply are not workable or that will end up hurting the library. As the library director, it is your duty to inform the board of what you expect the practical consequences of their decisions will be. However, once the decision is made, it is your responsibility to carry it out to the best of your ability, even if you don't agree with it.

Another problem that sometimes occurs is when a board member interferes with the administration of the library. The trustee may come in and tell you to make changes, interfere with the work of your staff, or go out into the community and misrepresent the library's position on various issues. In these cases, it is important for you to remember that legally individual board members have no power over the library. It is only when the board acts as a group at an official meeting that library policy is made.

It is all well and good to know that an individual board member doesn't have the authority to interfere with the administration of the library, but s/he still represents one seventh of your boss. If this trustee has been on the board for a long time or is an officer of the board, s/he may even have more power than that with the board. What do you do in a case like this?

1. First, remember to keep your cool. Treat the request with respect and tact.
2. Second, tell the board member that you do not feel comfortable making the change without the full board acting on it. Tell the board member that you will ask the board chair to put the issue on the agenda for the next board meeting or even to call a special meeting if necessary.
3. Third, look for some alternative that you can use without board approval to solve the problem between the time the problem arises and the next board meeting. Make sure that the alternative that you choose conforms to present policy.

**What should you do if the board makes a decision that you do not agree with?** Unless the decision is illegal or unethical, it is your responsibility to carry out the decision as best you can.

Try to make it work and don't express your negative opinion to the public or staff. If the decision creates problems for the library, document these and bring them to the board. Don't forget if the decision turns out to be a good one, however, to compliment the board on it.

### **New Trustee Orientation**

Once new trustees have come on the board, it is very useful if your board members and you can give the new trustee an orientation to the library. You should also make sure that new trustees have received a copy of **IN the Public Trust**, the manual for Indiana public library trustees, as well as copies of important local documents, such as bylaws, policy statements, and minutes from the previous year. Please download a copy of **IN the Public Trust** from the Library Development Office website at <http://www.in.gov/library/InPubTrust.htm>. If you need assistance with this, please contact the office at 1-800-451-6028, or [ldo@library.in.gov](mailto:ldo@library.in.gov). By working with trustees while they are new on the board, you can build the kind of positive relationship that will most benefit your library.

### **Certificate of Appointment for Public Library Board Members**

Once appointed by an appointing authority, according to [IC 36-12-2-19](#), the appointing authority needs to provide the new board member with a completed "Certificate of Appointment". The new board member must take the oath of office within 10 days of receiving the Certificate of Appointment. A copy of the Certificate of Appointment must be provided to the library director for the purpose of filing the certificate with the official papers of the library. The Certificate of Appointment must also be filed with the clerk of the circuit court in your county within 30 days from taking the oath of office or the library board appointment becomes **null and void** (IC 5-4-1).

The certificate is found at this URL:

[http://www.in.gov/library/files/31873\\_Certificate\\_of\\_Appointment\\_Public\\_Library\\_Board\\_Member.pdf](http://www.in.gov/library/files/31873_Certificate_of_Appointment_Public_Library_Board_Member.pdf)

## **Ensuring attendance of board members at meetings**

The simplest way to get better attendance is to ask an attorney to explain board member liability to your board members. Missing a meeting is risky. If those who attend take action that is illegal, even those who were not there to vote are at risk. Being there and voting “no” on the action is much better protection. A vacancy occurs whenever a member is absent from six (6) consecutive regular board meetings for any cause other than illness. The appointing authority shall be notified by the secretary of the board of a vacancy. (IC 36-12-2-20(b))

A few points to consider regarding your board meetings:

1. Are meetings businesslike and productive?
2. Are meetings under two hours?
3. Are the agenda items board level items or are the board dealing with trivial matters?
4. Is everyone encouraged to participate?
5. Does another board member contact the missing board member(s) after the meeting and encourage them to attend next time?

## **Engaging Board members in planning and participating in library projects**

**Be positive.** Get board members to buy into planning. As ideas are mentioned and discussed, ask the board member who seems most interested or who suggested something in particular to chair a committee to develop that plan or policy. Be sure to use people from the community, staff, Friends of the Library, teachers, etc., on the committee with the board member. It is always good to get the ideas of a wide range of the community. Again, be positive. Get the board excited. Brainstorm, but don't run a topic into the ground. Your excitement can be contagious. Serve food!

## **Sample Library Board Bylaws**

These are **suggestions** only. They indicate the points to be covered, but each library board must adapt them to fit local conditions. Bylaws are required by Indiana Public Library Standards, 590 IAC 6, in order for the library to be in compliance with standards and qualify for state and federal funds and must be on file at Indiana State Library. 590 IAC 6-1-4(g) "The library shall have written bylaws that outline its purpose and its operational procedures and address conflicts of interest issues and nepotism. The by-laws shall be reviewed at least every three years. A copy of the bylaws shall be submitted to the Indiana State Library."

### **Article I Membership, Purpose and Authority**

Section 1. The \_\_\_\_\_ Public Library is a municipal corporation and Class [#] library organized under the public library provisions of IC 36-12. The purpose of the library is to meet the educational, information, and recreational interests and needs of the public.

Section 2. In accordance with the provisions of IC 36-12, the library board of \_\_\_\_\_ Public Library shall consist of members chosen for their fitness for public library trusteeship.

Section 3. The library board shall govern the library under according to the purposes and authority set forth in IC 36-12, as amended, and such other Indiana and federal laws as affect the operation of the Library.

### **Article II Officers**

Section 1. Officers of the board shall be a President, Vice President, Secretary and Treasurer.

Section 2. The officers shall be elected at the January meeting and shall serve a term of one year. Vacancies in office shall be filled at the next regular meeting of the board after the vacancy occurs.

Section 3. The duties of the officers shall be such as by custom and law and the rules of this board usually devolve upon such officers in accordance with their titles. (Or the duties might be defined here.)

### **Article III Meetings**

Section 1. The library board shall meet on the (\_\_\_\_) of each month at (\_\_\_\_) o'clock at the (location). The (name a month) meeting shall be the annual meeting.

Section 2. Special meetings may be called by the President, or upon written request of 2 members, for the transaction of business as stated in the call. Notice stating the time and place of any special meeting and the purpose for which called shall be given each member of the board at least 2 days in advance of such meeting and to the local media 48 hours in advance, as according to law.

Section 3. A quorum for the transaction of business shall consist of a majority-equal to 50% of the number of seats established by law-plus one. This is regardless of any current vacancies on the library's board. Any vote by a board which does not have a quorum present may be legally invalid.

Section 4. Order of business may be:

- Committee reports
- Communications
- Unfinished business
- New business

Section 5. *Robert's Rules of Order*, last revised edition, shall govern the parliamentary procedure of the board.

#### **Article IV Committees**

(Suggestion: Special committees for the study of special problems may be appointed by the chairman, with the approval of the board, to serve until the final report of the work for which they were appointed has been filed at a regular library board meeting. Bylaws might include provision for standing committees appointed by the president at the first meeting following the annual meeting, to serve for one year. A **finance committee**, which might be either a standing committee or a special committee, would assist the library director in preparing the annual budget and represent the library board to justify it before the governing body.

In most matters, the board's most effective operation is as a committee of the whole. Boards of larger libraries may need other committees to advise the librarian and to represent the board in the community on such subjects as buildings and maintenance, personnel, library program, and extension of service.

Special committees may investigate, study, and report all matters on which the board can **act** more expeditiously as a whole.)

#### **Article V Library Director**

The library director shall be considered the executive officer of the board and shall have sole charge of the administration of the library under the direction and review of the board. The

library director shall be held responsible for the care of the building(s) and equipment, for the employment and direction of the staff, for the efficiency of the library's service to the public, and for the operation of the library under the financial conditions set forth in the annual budget. The library director shall attend all library board meetings, except those at which her/his appointment, salary, or performance is to be discussed or decided.

#### **Article VI Ethics for Library Trustees**

Trustees, in the capacity of trust imposed upon them, shall observe ethical standards with absolute truth, integrity and honor.

Trustees must promote a high level of service while observing ethical standards.

Trustees must avoid situations in which personal interests might be served or financial benefits gained at the expense of library users, colleagues or the institution.

Trustees will not use the library for personal advantage or the personal advantage of friends or relatives.

It is incumbent upon any Trustee to disqualify himself/herself immediately whenever the appearance of a conflict of interest exists.

#### **Article VII Nepotism**

Employees shall not hold a position with the organization while they or members of their immediate family (as defined below) serve on the board of directors or any committee of the board.

Employees may not hold a job over which a member of their immediate family exercises supervisory authority. In this section and sections 1 and 2 above, immediate family includes the following: husband, wife, son, son-in-law, daughter, daughter-in-law, father, father-in-law, mother, mother-in-law, brother, brother-in-law, sister, sister-in-law, grandparents, and grandchildren.

#### **Article VIII Amendments**

These bylaws may be amended at any regular meetings of the library board with a quorum present, by majority vote of the members present, providing the amendment was stated in the agenda for the meeting.

## **Sample Nepotism Template to Include in the Bylaws**

### **Part One**

1. Board members and their immediate family members (as defined below) will be excluded from consideration for employment by the organization.
2. Employees shall not hold a position with the organization while they or members of their immediate family (as defined below) serve on the board of directors or any committee of the board.

### **Part Two**

It is well accepted that employment of relatives in the same area of an organization can cause serious conflicts and problems with favoritism and employee morale. In these circumstances, all parties, including supervisors, leave themselves open to charges of inequitable consideration in decisions concerning work assignments, transfer opportunities, performance evaluations, promotions, demotions, disciplinary actions, and discharge. In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.

It is XYZ's policy that relatives of persons currently employed by XYZ may be hired only if they will not be working directly for or supervising a relative. If already employed, they cannot be transferred into such a reporting relationship. If the relative relationship is established after employment, the individuals concerned shall decide who is to be transferred. If that decision is not made within 30 calendar days, management shall decide.

In other cases where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment.

For the purpose of this policy, a relative is defined to include spouses, parents, children, brothers, sisters, brothers-and sisters-in-law, father-and mothers-in-law, stepparents, stepbrothers, stepsisters, and stepchildren. This policy also applies to individuals who are not legally related but who reside with another employee.

### **Part Three**

**EMPLOYMENT OF SPOUSES:** With respect to the employment of relatives, XYZ reserves the right to: Refuse to place one spouse under the direct supervision of the other spouse where such has the potential for creating an adverse effect on supervision,

safety, security, or morale.

- a. Refuse to place both spouses in the same department, division, program or facility where such has the potential for creating an adverse effect on supervision, safety, security, morale, or involves potential conflicts of interest.

EMPLOYMENT OF OTHER RELATIVES: Relatives, up to and including first cousins of any agency employee, board of trustee or any:

- a. Person exercising, hiring, promotion, and termination authority may not be hired into agency service without approval of the chief executive or the executive committee of the board of trustees.

- b. Relatives within the third degree of kinship by blood or marriage of any agency employee, regardless of status, will not be hired in the same department, division, program, or facility where such has the potential for creating an adverse effect on supervision, safety, security, morale or involves potential conflicts of interest without the written prior approval of the chief executive.

- c. If two (2) employees marry or become related, or cohabit and a conflict arises, only one (1) of the employees will be permitted to stay with XYZ unless reasonable accommodations can be made to eliminate the potential problems. The decision as to which relative will remain with XYZ must be made by the two (2) employees within three (3) calendar days or by XYZ on the basis of service value.

## **Board Composition**

The 237 Public Library Districts in Indiana vary in territory composition and classification. These include: City/Town Libraries, County Libraries, City/Town/Township(s) Libraries. Many are Class 1 libraries governed by a seven member appointed board.

A library board appointee needs to reside in the library district at the time of their appointment and needs to have resided there for at least two years immediately preceding the appointment. Typically a seven member board for a Class 1 library consists of:

- 1 county commission appointment
- 1 county council appointment
- 3 school board appointments

And the last two appointments vary based on the territorial composition of the library district (for example, library is only in one city; library is in one township, etc.)

In addition to the library types mentioned above with seven member library boards, there are four county contractual libraries in Indiana that appoint a separate four member board. The four (4) additional members of a county contractual library board required by IC 36-12-6-2 are appointed as follows:

(1) Two (2) members appointed by the executive of the county in which the county contractual library district is located.

(2) Two (2) members appointed by the county superintendent of schools, or if there is no county superintendent of schools, by the county auditor of the county in which the library district is located.

There are a handful of libraries which are an exception to the seven member library boards and the additional 4 member boards that represents contractual library composition. In general, the remaining libraries are endowed libraries that have board appointments that represent their endowment interests.

# Public Library Standards

The **Public Library Standards** were enacted by the Indiana Library and Historical Board to establish the minimum service levels expected of Indiana Public Libraries. Some of the topics covered by Indiana's public library standards include:

- Days and Hours of service
- Library Websites
- Resource Sharing and Courier service
- Public Computers and internet speed
- Materials Expenditures
- Programming
- Services and spaces for different age groups
- Long Range Planning

**Public libraries are required to meet the standards** to be able to receive any state or federal funds disbursed by the Indiana State Library in the form of grants or monetary award. The funds affected include:

- State technology grants
- E-rate funds for Internet connectivity
- Discounts on state-wide services for which the Indiana State Library charges (including INfo Express)
- PLAC distribution
- Other state funds
- LSTA grants

The current Library Standards, in effect through 12/31/2016, can be viewed here:

<http://www.in.gov/legislative/iac/T05900/A00060.PDF?>

A newly revised set of standards will go into effect on 1/1/2017. More information on the new standards can be found on the Indiana State Library's website here:

<http://www.in.gov/library/standards.htm>

## What's new in the 2017 Standards?

- Evening hours begin at 5PM
- A library's Technology Plan can be included the Long Range Plan
- Minimum collection expenditures have been increased to 8% (but can come from any fund).
- All references to "Enhanced" or "Exceptional" designations have been removed.
- Courier service is still required, but days of service will be based on usage, not library class.

*A full list of changes is available on the Rulemaking Docket on the aforementioned website.*

## Where to get help meeting Standards:

- **Long Range Plans and Bylaws** - Templates and advice for writing trustee bylaws, technology and long range plans are available from the Library Development Office. Questions about the standards may be addressed to Karen Ainslie or Jennifer Clifton, Library Development Office.

# Indiana Library Laws and Other Laws Affecting Libraries

*Indiana public libraries must follow all applicable state and federal laws.*

Indiana public libraries are municipal corporations (units of local government) per IC 36- 12-1-5. The **Indiana Code (IC)** has a chapter dedicated to public libraries in Indiana, **IC 36-12** <http://iga.in.gov/legislative/laws/2016/ic/titles/036/articles/012/> . This is commonly referred to as the “**Library Law**”. Indiana public library directors, staff, and trustees need to be very familiar with this section of the **Indiana Code**.

Indiana public libraries must also be familiar with the **Indiana Administrative Code 590 (IAC) 3, 5, and 6**, [www.in.gov/legislative/iac/title590.html](http://www.in.gov/legislative/iac/title590.html), listing the public library administrative rules that libraries must follow, including the Public Library Access Card (PLAC), certification and public library standards.

Other laws that must be followed are listed in the **Indiana Code** and are followed by all political subdivisions in Indiana. These include, but are not limited to:

- public purchasing
- public works
- real property
- building and fire codes
- Indiana Open Door law
- Access to Public Records Act
- bonding
- budgeting

In addition to Indiana law, there are **federal laws** that must be followed, such as:

- Affordable Care Act: [www.hhs.gov/healthcare/rights/index.html](http://www.hhs.gov/healthcare/rights/index.html)
- Family and Medical Leave Act: [www.dol.gov/whd/fmla/index.htm](http://www.dol.gov/whd/fmla/index.htm)
- Americans with Disabilities Act: [www.usdoj.gov/crt/ada/adahom1.htm](http://www.usdoj.gov/crt/ada/adahom1.htm)
- Fair Labor Standards Act: <https://www.dol.gov/whd/flsa/>
- Equal Employment Opportunity Act, [www.eeoc.gov/laws/index.cfm](http://www.eeoc.gov/laws/index.cfm)  
[www.dol.gov/dol/topic/discrimination/index.htm](http://www.dol.gov/dol/topic/discrimination/index.htm)

When there is a legal question concerning laws the library must follow, **your library attorney should be contacted**. State Board of Accounts will accept the opinion of your library attorney, when that opinion is in writing from the attorney and not in direct conflict with the law.

The Indiana State Library has a general counsel to interpret Indiana law as it relates to libraries; however, each library may still want to have and use their own attorney for the final word on legal issues.

### **Indiana Open Door Law (IC 5-14-1.5)**

The Open Door Law (“ODL”), originally passed by the Indiana General Assembly in 1977, was enacted to permit the citizens of Indiana access to meetings held by public agencies. By providing the public with an opportunity to attend and observe meetings, the public may witness government in action and more fully participate in the governmental process.

### **Indiana Access to Public Records Act (IC 5-14-3)**

The Access to Public Records Act (“APRA”), originally passed by the Indiana General Assembly in 1983, was enacted to permit the citizens of Indiana broad and easy access to public records. By providing the public with the opportunity to review and copy public records, the APRA gives individuals the opportunity to obtain information relating to their government and to more fully participate in the governmental process.

The [Handbook on Indiana’s Public Access Laws](#) sets forth the basic elements of the Open Door Law and the Access to Public Records Act and also provides answers to commonly asked questions. In order to find answers to more specific questions, please consult the provisions of the Indiana Code.

The Handbook on Indiana’s Public Access Laws may be found at [http://www.in.gov/pac/files/PAC\\_Handbook\\_update\\_draft\\_7\\_17\\_2013\\_\(changes\\_accepted\).pdf](http://www.in.gov/pac/files/PAC_Handbook_update_draft_7_17_2013_(changes_accepted).pdf)

The State has a **Public Access Counselor** who is available to answer questions about the Open Door Law.

### **Americans with Disabilities Act (ADA) [www.ada.gov](http://www.ada.gov)**

The intent of the law is to provide the person with a disability equal access to library facilities, information, computer technology, programs, services, and other resources.

The Americans with Disabilities Act (ADA) was passed July 26, 1990 as Public Law 101-336 (42 U.S.C. Sec. 12101 et seq). The ADA was enacted to create a balance between the reasonable accommodation of citizens' needs and the capacity of private and public entities to respond. It is not an affirmative action law but is intended to eliminate discrimination and level the playing field for disabled individuals.

The Americans with Disabilities Act extends civil rights protection to people with disabilities. These rights include equal access to employment, public services, public accommodations provided by public and private entities, transportation, and telecommunications resources.

The law is comprised of five titles with Titles I and II being the primary sections that affect libraries.

**Title I** requires employers to provide qualified individuals with disabilities an equal opportunity to benefit from the full range of employment-related opportunities available to others. For example, it prohibits discrimination in recruitment, hiring, promotions, training, pay, social activities, and other privileges of employment. It restricts questions that can be asked about an applicant's disability before a job offer is made, and it requires that employers make reasonable accommodation to the known physical or mental limitations of otherwise qualified individuals with disabilities, unless it results in undue hardship.

**Title II** requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services, and activities.

State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision, or speech disabilities.

Public entities are not required to take actions that would result in undue financial and administrative burdens. They are required to make reasonable modifications to policies, practices, and procedures where necessary to avoid discrimination, unless they can demonstrate that doing so would fundamentally alter the nature of the service, program, or activity being provided.

## **Sales (Library / Friends Group)**

According to **IC 36-12-3-5**, the library board may sell, exchange, or otherwise dispose of real property and personal property no longer needed for library purposes in accordance with IC 36-1-11 and IC 5-22.

The library board may transfer personal property no longer needed for library purposes for no compensation or a nominal fee to an Indiana nonprofit library organization that is (1) tax exempt, and (2) organized and operated for the exclusive benefit of the library disposing of the property, without complying with IC 36-1-11 or IC 5-22. (501c3 Friends group)

The library board may accept gifts of real or personal property and hold, mortgage, lease, or sell the property as directed by the terms of the grant, gift, bequest, or devise, when the action is in the interest of the public library.

In order to be eligible to receive personal property from the library, the Friends of the Library must:

- (a) be registered with the Indiana Secretary of State as a nonprofit corporation;
- (b) obtain Employee Identification Number (EIN) (even if there will be no employees);
- (c) obtain tax-exempt status under Internal Revenue Code Section 501(c);
- (d) obtain state sales tax exemption;

### **Sales of merchandise by a Library**

See Sales Tax Bulletin #4 (link provided below)

Sales by state and local agencies are tax exempt unless the sale involves a "proprietary" (nontraditional) activity. According to IDOR, "an activity is proprietary when it is not necessary in

the performance of a library's governmental function of lending books, providing reference materials, providing access to the internet...etc." and when it is an activity competing with the private sector.

According to IDOR, examples of taxable sales are sales of USB drives, book bags or book marks, sales of books if the books were purchased for resale and not for the library's exempt function of loaning books to patrons, etc.

According to IDOR, examples of non-taxable "sales" are library card fees, debt collection fees, printing and copying fees, penalties and fines, sales of books originally purchased and used by the library for lending to patrons, etc.

### **Sales by the Friends Group – carried on fewer than 31 days in one calendar year**

See Sales Tax Bulletin #10 (link provided below)

"Sales of tangible personal property by qualified nonprofit organizations carried on for a total of not more than thirty (30) days in a calendar year and engaged in as a fund raising activity to raise funds to further the qualified nonprofit purposes of the organization are exempt from sales tax"

If a Friends group sells books or other items less than thirty-one days in a calendar year, it is exempt from charging sales tax. Assume that a Friends group is selling tangible personal property inside the library and the estimated length of sales days is less than 31 in the calendar year. If the group was to leave the premises for a lunch break and left a sign instructing a patron to take the merchandise to the library's check-out desk to make the purchase, the library would not collect sales tax. According to the IDOR, the library would be assisting the nonprofit in the sales of the nonprofit's merchandise and thus, would not need to collect sales tax.

### **Sales by the Friends Group - carried on more than 30 days in a calendar year**

See Sales Tax Bulletin #10 (link provided below)

"If an organization conducts sales or fund raising activities during thirty-one (31) or more days in a They also must register as nonprofit organizations." A single application (Form BT-1) is used to register with the Indiana Department of Revenue for sales tax, innkeepers' tax, and food and beverage tax. A separate application is required for each business location. The nonrefundable application fee for a Retail Merchant's Certificate is \$25. Form BT-1 can be completed online at <https://secure.in.gov/apps/dor/bt1/> Similarly, if the library was assisting the Friends group with its sales, the library also would collect the tax.

A Friends group will need to report to IDOR annually, quarterly or monthly depending on how much sales tax the group estimates on the BT-1 that it will collect. Generally, a 12-month/year business operation will report and pay sales tax monthly.

# Hoosier State Chronicles

*Indiana's Digital Historic Newspaper Program*

[newspapers.library.in.gov](http://newspapers.library.in.gov)

The Hoosier State Chronicles, Indiana's Digital Historic Newspaper Program (HSC) is one of the collections included in Indiana Memory. It is operated by the Indiana State Library with funding by the U. S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act. The purpose of the Hoosier State Chronicles is to provide free, online access to high quality digital images of Indiana's historic newspapers by digitizing our collection, providing links to online resources and assisting other organizations in their collections available. Currently this collection contains nearly 1,000,000 pages dating from 1804 through 2010.

The Indiana State Library Newspaper Division has the largest collection of Indiana newspapers available in the world. Papers may be available in print, microfilm or increasingly, in digital format.

The Hoosier State Chronicles originated with grant funding from the National Endowment for the Humanities that enabled us, in partnership with the Indiana Historical Society, to digitize Indiana newspapers for the National Digital Newspaper Program. Those titles are also available at the Library of Congress Chronicling America (<http://chroniclingamerica.loc.gov>) website. Search Hoosier State Chronicles for additional Indiana newspaper titles.

Follow our blog at <http://blog.newspapers.library.in.gov> to learn more about this project, newspaper histories, and interesting historic events.

# Indiana Memory

[indianamemory.org](http://indianamemory.org)

[Indiana Memory](http://indianamemory.org) is a web portal, providing access to Indiana's history and culture as found in digitized books, manuscripts, photographs, newspapers, maps, audio, video and other resources. It is part of a statewide collaborative effort to provide access to the wealth of primary sources found in Indiana libraries, archives, museums, and other cultural institutions. Guidelines for digital imaging projects based on national standards have been created and are available to organizations digitizing collection items on the Indiana Memory website.

Indiana Memory is also a service hub for the Digital Public Library of America (dp.la). Any collection included in Indiana Memory has the option of being in DPLA.

The Indiana Memory web interface provides multiple access points to the digital collections. The user has the ability to search across all collections, just one collection, or select the collections that are of interest. A selection of pre-determined subject searches is also available on the home page. Because the initial searches are done from the indexed metadata, results are quickly available.

A public library may participate in Indiana Memory in a number of ways.

The easiest way is for the library to use CONTENTdm, PastPerfect Online or any other OAI compliant software for their digital collections. After obtaining permission from the host library, the Indiana State Library will harvest the metadata and the thumbnail images.

If a public library receives a LSTA digitization grant from the Indiana State Library, the resulting digital collection will automatically be included in Indiana Memory. ISL provides free access to the ISL server and its statewide CONTENTdm license for these projects.

Public libraries can apply to use ISL CONTENTdm license for their digital project by completing the project application available on the website ([www.in.gov/library/indianamemory.htm](http://www.in.gov/library/indianamemory.htm) )

If the library is using a different collection management software program to provide online access to its digital images, it can supply the Indiana Memory program with display images and a tab-delimited text file containing metadata.

The Indiana State Library will also make its statewide license available to those libraries requesting to use our Mobile Scanning Units. The Mobile Scanning Unit, which includes a laptop computer, scanner and appropriate software, is available for an eight-week loan to local organizations. The State Library will also supply training in scanning and metadata creation along with the equipment at no cost.

In all of the above cases, the digital collection must meet the provisions of the Indiana Memory collection development policy and the standards set by the Scanning and Metadata Guidelines. Libraries are strongly encouraged to discuss their digitization projects with the State Library before they begin the actual scanning.

Indiana Memory is constantly evolving and adding new collections. The program is part of a statewide digitization program funded by a Library Service and Technology Act (LSTA) grant.

VINE, the Indiana Legacy website is a statewide collaborative database which brings together Indiana-related local history and vital records from Indiana's public libraries, historical societies, genealogy societies, and related agencies. The goal of the project is to allow genealogy and local history researchers to quickly and efficiently locate vital records and local history information from one centralized online location.

The web-based VINE: Indiana Legacy enables libraries and related organizations to search records from any computer with Internet access. The database is searchable by county, event, or general surname. These records are available to the public at no charge and include a host of records such as: anniversary, birth, biography, cemetery, census, church, death, marriage, military, mortality, naturalization, obituary, and school records.

If you would like to join the VINE, go to <https://www.statelib.lib.in.us/vine/>, click on the "Library Login" button in the upper right hand corner of the page. On the next page, click on the "Join VINE" button in the upper right hand corner, complete the online registration form, and click the "Add Organization" button.

A username and password will be sent to the primary contact's email address. If you have records in an electronic format and would like to have them added to the VINE, save your data in Access, or Excel 97, burn to a CD ROM, and send to the project coordinator. If you are unable to save your information in either of these formats we will work with you on an individual basis.

The website offers online video presentations at <https://www.statelib.lib.in.us/vine/>. The videos provide a project overview, helpful information and tutorials. The Library's IT staff is also available and can handle all issues concerning the Indiana Legacy except the data entry of new records.

## PART ONE

### *Introduction to Indiana Library & Historical Board Certification Rule*

Indiana law has required librarian certification for decades. IC 36-12-11-5 requires the Indiana Library and Historical Board (ILHB) to determine and define grades of public library service and prescribe the qualifications that individuals must possess who are employed in each of the grades of public library service. The law requires the ILHB to prescribe and define the qualifications of a library directors, branch and department heads, and professional assistants of a public library. The law also requires the ILHB to make available the requirements for certification of all grades and issue certificates to qualified candidates who apply. The law further requires the ILHB to adopt rules the board determines are necessary to fulfill these requirements. The rules are codified in the Indiana Administrative Code. The State Library administers the certification program for the ILHB.

The certification rules underwent two significant review and revision processes, the first in 2007/2008 and then most recently in 2015/2016. In both cases, a team comprised of library staff, directors, and trustees from various sized libraries located throughout Indiana reviewed the certification rules and made recommendations for changes. The ILHB voted to adopt and implement many of the recommended changes. However, because the most recent revisions from the 2015/2016 review don't take effect until January 1, 2017, and because the State Library is still waiting on approval from the Indiana Attorney General and the Governor, the most recent changes are not yet reflected in this manual. The current existing rules are codified in 590 IAC 5 and can be found online at [http://www.in.gov/legislative/iac/iac\\_title?iact=590](http://www.in.gov/legislative/iac/iac_title?iact=590).

## PART TWO

### *Certification Application Process for New Staff and Certificate Upgrades & Transfers*

Librarians who are statutorily obligated to be certified and were not grandfathered in 2008 (i.e. new Directors, Branch Heads, Department Heads and Professional Assistants) must complete an application and remit the certification fee to the Indiana State Library.

#### **NEWLY HIRED STAFF**

New hires whose professional positions require certification have six (6) months to apply for their 1-year temporary or 5-year certificates. Individuals unable to meet the certification requirements for a position may apply for a 1-year temporary certificate. Temporary certificates may be renewed twice for a total possible three (3) temporary certificates per person. While holding temporary certificates, new hires must complete their Library Science coursework AND/OR accumulate the number of years of experience required for their certificates.

The **APPLICATION FOR CERTIFICATION OF PUBLIC LIBRARIANS** is available on the ISL Continuing Education Toolkit for Library Professionals website (<http://continuinged.isl.in.gov/certification/>). Individuals can also request an application by phone (317-234-6217) or via email ([StatewideServices@library.IN.gov](mailto:StatewideServices@library.IN.gov)).

#### **CERTIFICATION FEES**

No initial fee (\$0) for grandfathered certificates issued between July 1 and September 30, 2008.

After September 30, 2008: \$50 fee per 5-year certificate for application and each renewal.

\$10 fee per 1-year temporary certificate for application and each of two possible renewals.

ISL accepts personal checks and money orders made payable to Indiana State Library

Per Indiana State Board of Accounts, libraries may not draw from their operating funds to pay for staff certification. There are three options by which a library may pay for staff certifications:

1. *Draw the money from a gift fund*
2. *Increase the applicant's salary in order to cover the cost of the required certificate (amounting to no more than \$0.20 per week)*
3. *Library Friends groups may subsidize a portion or the full amount of staff's certification fees*

#### **College Transcripts**

All staff applying for certificate levels that require college education must submit official (sealed, unopened) college transcripts. The transcripts may be mailed directly from the school to the Certification Program Director's attention, sent electronically from the school to [StatewideServices@library.IN.gov](mailto:StatewideServices@library.IN.gov), or included (sealed, unopened) in the envelope with the certificate application and fee.

#### **Indiana Professional Licensing Agency**

Staff's names, certificate numbers, types, statuses, and cities are public information on the State of Indiana Professional Licensing Agency website (<https://mylicense.in.gov/EVerification/Search.aspx>). Personal contact information, academic background, and employment history are not published.

#### **NON-GRANDFATHERED STAFF: CERTIFICATE LEVEL UPGRADES**

Staff who applied for their certifications after September 30, 2008, or who have superseded their certifications since they were grandfathered in 2008 are considered "non-grandfathered staff."

Non-grandfathered staff completing additional Library Science college-level education and/or accumulating sufficient years of service may be eligible to upgrade their certificate levels. In order to upgrade a certificate level (i.e. from LC6 to LC5, etc.), individuals must complete the Application for Certification of Public Librarians (found at <http://continuinged.isl.in.gov/certification/>) and remit payment of \$50 for a new certificate.

#### **NON-GRANDFATHERED STAFF: CERTIFICATE TRANSFERS**

Non-grandfathered staff may transfer their current certificates and Library Education Units to their next position or employer. Individuals who are promoted in job classification (i.e. from Professional Assistant to Branch or Department Head or to Director) are required to obtain, prior to their certificate expiration, the number of LEUs required of the job classification they held the majority of their 5-year certificates.

Library staff members who are promoted into positions requiring higher certificate levels may need to apply for temporary certification while completing their required courses or years of service. These individuals should mail to ISL the Application for Certification of Public Librarians (found at <http://continuinged.isl.in.gov/certification/>).

#### **GRANDFATHERED STAFF: CERTIFICATE LEVEL UPGRADES AND TRANSFERS**

Individuals upgrading from the level at which they were grandfathered must follow the same procedures as above (excluding relevant school transcripts, if already on file).

Any certificate level upgrade voids the previous certificate LEUs and expiration date. Upgraded certificates restart individuals' five-year certificate cycles. Please keep in mind that library education units will not transfer to another certificate level. For example, a person grandfathered at a librarian certificate 2 (LC2) who, in three (3) years is eligible for the librarian certificate 1 (LC1), may not carry the LEUs earned on the grandfathered certificate to the new certificate. The certificate cycle resets with the new certificate and individuals have five (5) years to complete the number of LEUs required for their job classifications.

#### **PLEASE KEEP ALL CONTACT INFORMATION AND EMPLOYMENT STATUS CURRENT WITH ISL.**

Connect with the Certification Program Coordinator to change your name, address, or employment information at [StatewideServices@library.IN.gov](mailto:StatewideServices@library.IN.gov) or call (866) 683-0008 toll-free in Indiana (Out of state callers, please call [317] 234-6217).

#### **Mail certificate applications, payments, and official (sealed, unopened) college or MLS transcripts to:**

Indiana State Library  
ATTN: Certification Program Coordinator  
140 North Senate Avenue  
Indianapolis, IN 46204

## PART THREE

### Certification Renewal Process

Librarian certificates are issued and expire on a quarterly schedule. Five-year LEU cycles for certificates begin on the first day of the quarter in which they are processed and expire five (5) years from the last day of that quarter.

**Quarter 1:** Applications and payments received between January 1 and March 31 have an effective date of January 1 and expire five (5) years from March 31.

**Quarter 3:** Applications and payments received between July 1 and September 30 have an effective date of July 1 and expire five (5) years from September 30.

**Quarter 4:** Applications and payments received between October 1 and December 31 have an effective date of October 1 and expire five (5) years from December 31.

#### GRANDFATHERED CERTIFICATE RENEWALS

On July 1, 2008, staff employed by a library in a position that required certification were grandfathered at their library district and at their current level. These certificates expired on September 30, 2013. Individuals who retained their grandfathered status in 2013 will be due to renew again by September 30, 2018.

#### RENEWAL REMINDER LETTERS

The Indiana State Library will send out a renewal reminder to the address we have on file sixty (60) days prior to the renewal deadline. A certificate holder will have the option of renewing using an automated system through an online process utilizing the Indiana Professional Licensing Agency, renewing through mail, or in person at the Indiana State Library.

[Certificate holders will receive a letter with the following information:](#)

**The deadline for renewal of your librarian certification is Month/Day/Year.** Please take a moment to review the Indiana State Library certification renewal requirements outlined below. We also encourage you to subscribe to INpublib, the listserv for public library professionals. We post regular updates there, as well as in the Wednesday Word. ISL's listservs are described at <http://www.in.gov/library/listservs.htm>. Please watch for notices and important certification and professional development information.

#### LIBRARY EDUCATION UNIT REQUIREMENTS

Ongoing professional development is your responsibility for renewal of public librarian certification.

**Professional Assistants** must complete fifty (50) LEUs in five (5) years.

**Branch/Department Heads** must complete seventy-five (75) LEUs in five (5) years.

**Directors** must complete one hundred (100) LEUs in five (5) years.

For all staff, ten (10) or more LEUs must be technology-related TLEUs.

All classes for LEU credits must be completed between the date your certificate was issued and when it expires. All workshops and courses must have received approval of LEU-eligibility prior to completion in order to be included in your total.

*Please do not send your LEU certificates with your application for recertification at this time.* The Professional Development Office will conduct random audits to verify individuals' participation. **If your file is selected for random audit, we will contact you within 30 days after the date your certificate expires.** If you receive a notice of random audit from PDO, you will then have 60 days to show proof of your original LEUs. If you do

not receive a notice of random audit from PDO within 90 days after the date your certificate expires, you may discard your LEUs from the previous 5-year cycle.

The cost to renew your 5-year certificate is \$50. Through the mail, we accept personal checks and money orders made payable to Indiana State Library. Certification fees must be paid from the applicant's personal funds. A library district may choose to increase staff salaries in order to cover the cost of the required certificate (amounting to no more than \$0.20 per week). Your library's Friends group may also contribute to this cost, if they have the funds and choose to do so.

We will notify the INpublib listserv and Wednesday Word when online renewals with credit card payment are available. There is a \$4.57 fee for online renewals. **You may renew online ONLY if the following categories apply to you:**

You have not changed your library employer or your job classification,  
You are not upgrading your certificate (i.e., from LC3 to LC2 or LC2 to LC1), or  
You are not applying for a temporary certificate.

Please note you will need your certificate # for your username and password on the Indiana Professional Licensing Agency website. If you do not know your certificate number, you can search for it at <http://www.in.gov/pla/3119.htm>.

To upgrade your certificate or report changes in your library employer or job classification, you must renew through the mail. There is no additional fee outside the \$50 for renewal by paper application.

The **Application for Librarian Certification** is on the ISL Continuing Education website: <http://continuinged.isl.in.gov/certification/>. On the site, you can also confirm current certification criteria for your job classification and library district size here.

Please contact the **Certification Program Coordinator** with your specific questions at (317) 234-6217 or [StatewideServices@library.IN.gov](mailto:StatewideServices@library.IN.gov).

## LEU AUDITS

The Indiana State Library strongly advises that each certified librarian create a file in order to keep track of the classes taken and the number of hours received. ISL audits a percentage of each renewal cycle at random to ensure that LEUs have been completed. The individuals who are audited will receive a letter in the mail, notifying them that they are being audited. The applicant has an additional 60 days to mail or email their original LEUs to the Indiana State Library. Spreadsheets or other unverifiable lists of workshops completed are NOT acceptable.

There are no "roll-over" LEUs. If an applicant completes more hours than required, the additional hours will not count toward the next renewal cycle. Please keep all LEU certificates for ninety days (90) after receipt of your new certificate.

If you are notified that your file has been selected for random audit, you may email your original LEU certificates to: [StatewideServices@library.IN.gov](mailto:StatewideServices@library.IN.gov) OR mail to: Indiana State Library, ATTN: Certification Program Coordinator, 140 North Senate Avenue, Indianapolis, IN 46204.

*IF YOU SEND YOUR ORIGINAL LEU CERTIFICATES THROUGH THE MAIL TO ISL, PLEASE ALSO MAKE PHOTOCOPIES FOR YOUR RECORDS.*

## PART FOUR

### Library Education Units (LEUs)

In addition to the workshops, conferences, and courses offered by the Indiana State Library, the Indiana State Library recognizes other library training course providers as appropriate providers to offer opportunities to earn Library Education Units. Providers with a blanket approval include but are not limited to ALA and ALA divisions, Association of Rural and Small Libraries (ARSL) Federation of Genealogical Societies, Indiana Library Federation (ILF), Innovative Users Group, LYRASIS, OCLC, OverDrive Digipalooza, Polaris, SirsiDynix, TechSoup, The Library Corporation, and Urban Libraries Council, U.S. Census, and WebJunction. College-level Library Science courses, such as those from Indiana University, IVY Tech are approved for LEUs also. Note that only individuals holding a 5-year certificate are eligible to count LEUs from conferences, workshops, webinars, and college courses.

Individuals are solely responsible for recording and retaining their LEUs. ISL does not keep this information and will only request it from individuals whose files have been selected for random audit at certificate renewal. **Note that only individuals holding a 5-year certificate are eligible to count LEUs from conferences, workshops, webinars, and college courses.**

#### FINDING APPROVED CONTINUING EDUCATION OPPORTUNITIES

Regular posts to the INpublib listserv (subscribe at <http://www.in.gov/library/listservs.htm>)

LEUs for College-Level Library Science Courses

*Non-Library Science college courses MUST be approved for LEUs prior to completion of the course.* Semester-length Library Science courses, such as those from Indiana University and IVY Tech, are eligible for 15 LEU's per credit hour. Official transcripts from the school serve as proof of LEUs; no specific LEU certificate is needed.

#### REQUESTING LEU APPROVAL FOR A WORKSHOP

The Indiana State Library reviews applications for LEU providers. If approved, the provider and trainer will be eligible to offer LEU opportunities to Indiana library staff. The course, as submitted, is approved for a period of two (2) years as long as the agenda, objectives, content, and instructors remain the same. *A change to even one of those aspects requires re-submission for approval.* LEUs are awarded on an hour-for-hour basis and rounded up to after 90 minutes (i.e., 90-minute workshops are eligible for 2 LEUs, 150-minute workshops are eligible for 3 LEUs, and so forth).

Complete the Application for Library Education Unit Provider at <http://continuinged.isl.in.gov/certification/> and submit to [StatewideServices@library.IN.gov](mailto:StatewideServices@library.IN.gov) (or FAX to 317-232-0002).

Applications for Library Education Unit Providers must include the following information:

1. Provider organization and signature of "Authorized Individual" (this is the person who will sign the LEU certificates)
2. Trainer(s) names and resumes showing their relevant experience
3. Detailed agendas of library-related courses or workshops
4. Approximate time (in hours) to complete the course or workshop

#### LEU APPROVAL IS BASED ON THE FOLLOWING CRITERIA:

1. Must provide participants with knowledge of professional library practices, services, collections, or of technical library processes
2. Must provide participants with the ability to deal with people and organizations in a professional capacity, as distinguished from clerical
3. Can include, but is not limited to, topics such as reference, cataloging, digitization, management, finance, computer software and hardware, and web development

**All staff holding 5-year certificates must complete a minimum of 10 Technology LEUs (TLEUs).** TLEU-eligible workshop topics include, *but are not limited to*, the following:

- Microsoft Office products or other software
- Database training (INSPIRE, Gale Cengage, EBSCO, and any other database)
- Social media platforms (e.g., Facebook, Twitter, Pinterest, Instagram, LinkedIn, etc.)
- eReaders, tablets, and mobile devices
- Web development courses
- Integrated Library Systems (e.g., Evergreen, Polaris, SirsiDynix, and any other ILS)
- Any other technology libraries or patrons use

Skills such as the following may be valuable in assisting individuals with functioning in particular organizations, however, they do not advance professional librarianship and are not LEU-eligible. **Ineligible workshop topics include:**

- Internal library policies or employee benefits (e.g., filling out library forms, using a library's intranet, time management software, open enrollment, etc.)
- First Aid and safety procedures
- Fitness and wellness classes
- Foreign language acquisition

#### **LEUS FOR OUT-OF-STATE AND NATIONAL CONFERENCES:**

ISL policy on receiving LEUs for out-of-state and national conferences is posted at <http://continuinged.isl.in.gov/certification/policies-on-leus/>.

After attending an in-person conference, fill out the Conference Form on <http://continuinged.isl.in.gov/certification/>. Write your session synopses and retain all conference programs and documentation you could refer to in the event of an audit. Please also retain your confirmation of conference registration. Based on the sessions you attended, count up the LEUs you earned. LEUs are awarded hour-for-hour and round up at the half hour (i.e., 90 minute workshops are eligible for 2 LEUs).

**File these documents with your other LEUs. DO NOT send them in to ISL.** You will only need to turn them in to ISL **if** you are notified your file has been selected for random audit. If you are not notified as such within 90 days of your certificate renewal, please do not send in this paperwork

**Eligible sessions** must have specified learning objectives and make a contribution to the field of professional librarianship. Such sessions include keynote speeches, author talks, and traditional workshops. Sessions eligible for TLEUs will consist of training on software or devices, instruction on social media, and so forth. Sessions pertaining to policies on technology (as opposed to how to use a product) are eligible for general LEUs.

**Ineligible sessions** include business, committee, and council meetings, conference registrations and orientations, unstructured roundtable discussions, poster sessions, time spent at vendor booths, and social events without speakers.

#### **LEUS FOR WEBINARS VIEWED IN-HOUSE:**

ISL policy on receiving LEUs for webinars viewed in-house is posted at <http://continuinged.isl.in.gov/certification/policies-on-leus/>.

Any time a library system has purchased a site license for an online event (Urban Libraries Council or ALA division events, for example) or an individual or a group of individuals is viewing any session that is eligible for LEUs, a designated proctor in an administrative or HR capacity may oversee staff attendance and create and award certificates in-house.

**NOTE:** Some webinar providers will issue certificates; others will not. If you do not receive a certificate, please follow the instructions below for creating them in-house. *Certificates from approved providers that refer not to LEUs but to CEUs, Contact Hours, or CPDUs are acceptable. Only Indiana public libraries use the term LEUs (non-library organizations in Indiana, as well as organizations outside Indiana use other terms. They are all credits awarded hour-for-hour).*

**ALSO:** Many webinar providers will record and archive their sessions. Your in-house webinar proctor may issue you an LEU for viewing these approved sessions. PLEASE CONFIRM ON THE PROVIDER'S WEBSITE IF THE SESSION WILL BE AVAILABLE FOR LATER VIEWING.

**Certificates generated in-house must contain the following information:**

1. Event/Workshop name, date, and number of LEUs/TLEUs
2. Event/Workshop provider's name
3. Participant's name
4. Proctor/Supervisor's signature (in the case of a Library Director, the HR manager or the President of the Board of Trustees should sign the certificate)

A Sample LEU Certificate is available for download at <http://continuinged.isl.in.gov/certification/>.

## PART FIVE

### Frequently Asked Questions

#### DETERMINING CERTIFICATION REQUIREMENTS

*What is “professional” library work?*

Professional library work includes, but is not limited to, cataloging/copy cataloging, reference, collection development, reader’s advisory, children’s and teen services. Professional library staff are required to keep their certificates current and in good standing, regardless of number of hours worked per week.

*Are part-time employees exempt from certification requirements?*

No. Certification requirements apply to all permanent (non-substitute) professional staff, whether they work full-time or part-time. Substitute, seasonal, and temporary staff are not permanent employees and, as such, are exempt from certification requirements.

*Does library experience prior to completion of Library Science coursework count towards the years of service required for Librarian Certificates (LC) 1, 2, 3, and 6?*

Yes, all combined years of professional library work experience in public, school, academic, and special libraries (including volunteer work) count towards the experience requirements of the LC1, LC2, LC3, and LC6.

*I am the only professional staff in my department. Am I a Professional Assistant or a Department Head?*

Job classifications are determined locally by library Directors and their Boards of Trustees as they make sense for their organizations. Whether the Director and Board of Trustees classify a particular job as Professional Assistant or a Department Head, that person must keep the minimum required certificate in good standing.

*Can I be certified at a higher level than what is required for my current job classification?*

Yes. Individual certification is based on education and experience, not on job function. There are many Directors who hold an LC4 and many Professional Assistants who hold an LC1. The rule provides guidance for the lowest certification level required for a particular job function and dictates only the lowest level that must be achieved by an individual.

*How do increases in library district size affect staff certification?*

District size increases (i.e., moving from Class C to Class B or from Class B to Class A), whether by population changes, expanding a district into unserved townships, or merging two or more libraries, will have no effect on the certification requirements of the staff already certified at the time the change occurs. Staff already certified will not be required to meet the requirements for their job classifications in the larger district size. New hires and staff applying for new certificates after the district size has increased must meet the criteria for the new library district size.

*If I don’t currently work for a public library but I want to be certified, how many LEUs do I need?*

Individuals not currently employed in a public library must obtain the number of LEUs required by the job classification for which the person is qualified:

An individual with the qualifications to hold a Librarian Certificate 1 would be eligible to be employed as a director in a Class A library, and would therefore need to complete 100 hours of LEUs over five years to keep the certification current.

A person with a high school diploma and nine semester hours of library science courses or five years of library work experience but not currently working for a library qualifies for the LC6.

#### GRANDFATHERED CERTIFICATES

*What does “grandfathered” mean?*

Staff employed in professional positions that required certification as of July 1, 2008, were grandfathered.

Grandfathered library staff members are exempt from the education and experience requirements for the position they held in their libraries on that date. These staff will retain their grandfathered status, as long as they remain with the same library district and at the same job classification (or lower, if stepping down from a higher position).

Library Directors, employed as such before July 1, 2008, were required to meet the previous certification requirements in order to be considered grandfathered. Libraries employing Directors who failed to meet certification requirements in 2007 and in 2008 were not in compliance with Indiana Library & Historical Board standards. Such libraries remain out of standards at least until the Director meets certification requirements.

In order to keep their certificates in good standing, all grandfathered staff must obtain the number of LEUs required for their job classifications and renew their certificates every five (5) years.

*May I apply as a new applicant even though I was grandfathered in?*

Yes, a librarian who had been grandfathered may submit an application, \$50, and college transcripts and apply for a new certificate. The new certificate would not be considered a "grandfathered" certificate and would not be tied to a particular position in a particular library. The new certificate could, therefore, be transported to different positions and libraries. When an applicant receives a new certificate, a new 5-year cycle re-starts. The applicant would begin to accumulate LEUs from the date of issue of the newest certificate.

## **INTERIM DIRECTORS**

*What are the certification requirements for Interim Directors?*

Interim Directors in place for longer than six (6) months must apply for temporary certification. A library may keep an interim director on a temporary certificate for no longer than three (3) years. If the Interim Director does not intend to pursue the permanent Director position and does not pursue the education required for Directors of that library's class size, the Board of Trustees should be actively seeking a permanent Director who meets certification requirements.

## **NON-COMPLIANCE**

*What are the consequences for not meeting certification requirements?*

The State Library's practice has been to treat failure to comply with certification requirements as a failure to comply with standards. Libraries not meeting standards have generally been ineligible to receive State and federal funding and programs.

## **PAYING FOR CERTIFICATION & CONTINUING EDUCATION**

*Can libraries pay for staff certificates?*

Per the State Board of Accounts, libraries may not draw from their operating funds to pay for staff certification. There are three options by which a library may pay for staff certifications:

1. Draw the money from a gift fund
2. Increase the applicant's salary in order to cover the cost of the required certificate (amounting to no more than \$0.20 per week)
3. Library Friends groups may subsidize a portion or the full amount of staff's certification fees.

*Can libraries pay for staff continuing education?*

Your library board may be able to pay for continuing education, either in full or in part. In accordance with state regulations, college and university class tuition, if library funds are made available, should be reimbursed only after successful completion of the course, not paid by the library in advance. The library's Friends group or library Foundation may pay for all or a portion of continuing education costs.

## **PROMOTIONS & NEW POSITIONS**

*If I am promoted to a higher job classification, what happens to my certificate and my LEUs?*

Please notify the Certification Program Consultant of this change. You must meet the criteria for the job classification into which you've been promoted. If you are not on a grandfathered certificate and you already hold a higher certificate level than what is required for your job classification, you do not need to apply for a new certificate. The Certification Program Consultant can modify your certificate to reflect your new job classification and you will retain your LEUs you've obtained in your current 5-year cycle. By the date your certificate expires, you must obtain the number of LEUs required for the job classification (i.e., Professional Assistant, Branch/Department Head, or Director) you held the majority of your 5-year certificate.

**If you do not hold a grandfathered certificate (i.e., you applied for and met the criteria for your certificate after September 30, 2008), you must also meet the criteria for your job classification with your new library. If you already hold at least the required certificate level for your job classification, you do not need to apply for a new certificate.** The Certification Program Consultant can modify your certificate to reflect your new job classification and you will retain your LEUs you've obtained in your current 5-year cycle. By the date your certificate expires, you must obtain the number of LEUs required for the job classification (i.e., Professional Assistant, Branch/Department Head, or Director) you held the majority of your 5-year certificate.

*If you were grandfathered and/or do not yet meet the criteria for your new job classification, you must apply for a 1-year temporary certificate while you obtain the required education and/or years of experience. Within six (6) months of starting your new position, you must apply for your first of three (3) possible temporary certificates. If a second or third temporary is needed, you must renew your temporary certificate prior to its expiration date. If you have completed the requirements for your new job classification before you have exhausted your three possible temporary certificates, you may apply for the 5-year certificate.*

*If I take a position at another library, what happens to my certificate and my LEUs?*

If you were grandfathered, you must apply for your certificate within six (6) months of starting at your new library. If you do not meet the criteria for your job classification with your new library, you must apply for a 1-year temporary certificate while you obtain the required education and/or years of experience. If a second or third temporary is needed, you must renew your temporary certificate prior to its expiration date. If you have completed the requirements for your new job classification before you have exhausted your three possible temporary certificates, you may apply for the 5-year certificate.

## Chapter 6

### Required Reports and Statistical Sources

There are a number of required reports, most of which are mandated by Indiana State Law, that a Public Library Director is required to complete. These reports include statistical reports, financial reports, and employee reports.

Reports due to the State Board of Accounts or Department of Local Government Finance are now submitted electronically via a web portal called "The Gateway." The Gateway is a tool both agencies use to collect and disseminate local government information.

#### Required Reports:

Please note: Requesting Agency is in *Italics*

- A. The **Annual Report for Indiana Public Libraries (ISL)** must be completed annually and includes the following components:
- Annual Report (questionnaire/survey)
    - Includes:
      - Annual PLAC Statistics Report
      - Statement of Compliance with Standards
      - Statement of Intent to Comply with Standards
      - Supplemental Questions
  - Signature Page

Much of the data collected in this report is submitted for inclusion in the national [Public Libraries Survey](#).

Instructions and login information for completing the Annual Report are emailed to all directors in December. Instructions are mailed to directors without a valid email address or internet access. The report is completed entirely online, with the exception of the signature page, which must be printed, signed, and mailed in.

The Annual Report is currently due **February 1<sup>st</sup>** of each year. Per the new Public Library Standards in 2017, the due date will change to coincide with the State Board of

Accounts' Annual Report. This will go into effect for the 2017 report, due in 2018.

Data collected on the State Library's Annual Report may vary slightly from year to year, but usually includes:

- a. Library name, address, location and contact information, hours of operation
- b. Public library service areas (city/town, township(s), county, or other)
- c. Library district's most recent assessed valuation(s) and tax rate(s)
- d. Census population (most recent decennial census), # of registered borrowers (both resident and nonresident individuals), ILL and circulation
- e. Operating income and expenditures by type
- f. Library holdings/collections
- g. Selected library services, including programs
- h. Type and speed of Internet access and number of computers
- i. Staff job classifications and hours worked
- j. Salary and benefit information

Annual PLAC Statistics Report This report asks for the number of loans your library makes to people from other library districts. The library must keep statistics all year on the patrons who have PLAC cards. You will need to ask them for the name of their home library. If your library is a net lender, it will receive payment for the net loans. Please carefully review the number of loans reported, as this could result in a large check for your library, and an error might cause the loss of a large sum of money.

Statement of Compliance with Standards A public library must meet all standards or receive a waiver for non-certification issues each year in order to receive any state or federal funding. This would include any State Technology Fund money, PLAC Distribution, INfo Express service discount, LSTA funds and payments or grants for Internet lines, and other services.

Statement of Intent to Comply with Standards If any answer in the Statement of Compliance with Standards is "no", it must be explained on the annual report form, along with a statement as to how the library intends to change it to comply with standards. If a library does not adequately explain its intent or does not explain a "no" answer, it may be found out of compliance with standards.

Supplemental Questions This part of the report changes annually and is intended to elicit information for the use of the Indiana State Library and Indiana librarians and other interested parties.

Signature Page Must be returned via regular mail with original signatures.

**B. Fiscal and Narrative Reports for Grants Awarded (LSTA and other) (ISL)**

Libraries receiving LSTA or other grants from the Indiana State Library should refer to their grant manual or guidelines. For LSTA grants, brief quarterly evaluations and a final report are required for each project. For more information, visit [www.in.gov/library/lsta.htm](http://www.in.gov/library/lsta.htm)

**C. PLAC Quarterly Reports (ISL)**

Due the 25th of month after end of quarter (due January 25, April 25, July 25, October 25 each year, sent to Indiana State Library, Administrative Division). This report is to be filed, regardless of whether any PLAC cards are sold. A check for the PLAC cards sold must accompany this form and the check must equal the number of cards sold. PLAC cards are the financial responsibility of the library to which they are issued (they are numbered). The PLAC report form can be downloaded at <http://www.in.gov/library/plac.htm>

**D. Report of Names and Compensation of Officers and Employees (SBoA)**

**(Gateway 100R)** To be filed through Gateway on or before January 31

Report the names and compensation of ALL people paid by the library. If they receive a W2, they should be listed on this report. ## Chapter 7

### Resource Sharing

Evergreen Indiana is a growing consortium of 110 public, school and institutional libraries located throughout Indiana that use the Evergreen ILS. Patrons of member libraries can use their Evergreen Indiana library card to view the catalogs and borrow materials from the other member libraries. The Evergreen Indiana catalog, largest catalog in the state, may be viewed at: <http://evergreen.lib.in.us/>

The Evergreen Indiana project is funded by the Indiana State Library through Library Services and Technology Act (LSTA) grants and state funds. The services provided by the State Library include purchasing and maintaining the central servers, personnel costs in operating the system, training, software development, data conversion, and other related expenses.

The Evergreen Indiana Consortium has seen a steady rise in interest from all types of libraries around the state. The Consortium is currently accepting applications from libraries seeking to migrate to Evergreen. Requests for membership are approved by the Executive Committee. Libraries interested in joining the consortium must have board approval and submit a completed executed [Membership Agreement](#), [Code of Ethics](#) and [Board Resolution](#) which may be found on the website: [www.in.gov/library/evergreen.htm](http://www.in.gov/library/evergreen.htm)

Evergreen Indiana libraries are eligible to join the eIndiana Digital OverDrive Consortium. These libraries have access to thousands of audiobooks, ebooks, video and music through OverDrive.

For more information about Evergreen Indiana contact: Anna Goben, Evergreen Indiana Project Coordinator 317-234-6624, [agoben@library.in.gov](mailto:agoben@library.in.gov)

**InfoExpress** is the statewide library courier service managed by the Indiana State Library. Over 400 public library districts, school districts, academic, institutional and special libraries are connected by the InfoExpress courier system.

Fees are based on the number of deliveries per week. The number of service days are determined by state standards. Participants select the days a week (weekdays only) when pickup and delivery best fits their needs.

In order to offer the lowest possible delivery service cost for all Indiana libraries, the State Library subsidizes \$525 of the cost of one delivery per week per library district for all libraries meeting state standards. Public Library districts, school districts, academic, institutional and special libraries are eligible to participate in InfoExpress. The cost of additional stops per week for 52 week delivery is \$625 per year after the first day.

**Cost of Service:**

<b>Frequency of Delivery</b>	<b>In Standards Rate</b>	<b>Out of Standards Rate</b>
<b>One Day</b>	\$100	\$625
<b>Two Day</b>	\$725	\$1,250
<b>Three Day</b>	\$1,350	\$1,875
<b>Four Day</b>	\$1,975	\$2,500
<b>Five Day</b>	\$2,600	\$3,125

## Indiana SHARE Program

The Indiana SHARE program allows a large variety of libraries from around the state to request interlibrary loan materials through the Indiana State Library using ILLiad software. State Library staff submits the interlibrary loan requests on behalf of the requesting libraries.

Lending libraries that accept the requests will ship the materials to requesting libraries via INfo Express or library rate postage.

Effective 1 July 2017, IN-SHARE will implement some guidelines, volume thresholds and cost recovery co-pays as recommended by the Resource Sharing Committee.

To learn more about the program including how to submit requests and a brief tutorial, and more details about these new guidelines, please visit the Indiana SHARE website:

# Statewide Remote Circulation System

In August 2016 the State Library launches a new, patron-initiated interlibrary loan system, known as SRCS (pronounced “Circs”). SRCS provides authorized users simple, online access to request materials from a combined catalog of over 30 million items held by over 150 public, academic and special libraries in Indiana.

SRCS does not replace your local ILS, and not all of the libraries running a particular ILS have to participate. For example, in phase #1 we have 65 of the 110 Evergreen Indiana libraries participating in SRCS. Participation in SRCS is strictly voluntary, but there are a few rules and requirements. For instance, participating libraries must be willing to lend materials from at least part of their collection, and they must subscribe to our statewide courier service. In return, the Indiana State Library has contracted with Auto-Graphics for their ShareIt software and agrees to pick up the set-up and connection charges for all participating libraries.

Phase 1 of SRCS, with 165 libraries participating launches on August 15, 2016. A 60 day window for additional libraries to join in to Phase 2 of SRCS will be available starting December 1, 2016.

For more information, please visit <http://in.gov/library/SRCS.htm>

All public libraries shall participate in this program and shall permit an individual who holds a valid statewide library card to borrow items available for borrowing as established by rules adopted by the Indiana Library and Historical Board under subsection (c).
Indiana Code 4-23-7.1-5.1(b)(6)(7)

The Public Library Access Card (PLAC) is the name for the statewide library card, enacted in 1993 by [\(Indiana Code 4-23-7.1-5.1\)](#), with rules promulgated in 590 IAC 3, [www.in.gov/legislative/iac/T05900/A00030.PDF](http://www.in.gov/legislative/iac/T05900/A00030.PDF). The PLAC program allows an individual to borrow materials directly from any public library in Indiana. Books and non-book materials that normally circulate are eligible for loan through the PLAC program. Circulation of eBooks and eAudios are restricted and often not available to PLAC borrowers; vendor agreements limit circulation of these items. Any individual who holds a valid Indiana public library card may obtain a PLAC card.

The fee for a PLAC in calendar year **2016** is **\$65.00**.

## PLAC Working Guidelines

### Obtaining a PLAC Card

1. Availability of Cards: The Indiana State Library will provide a supply of numbered Public Library Access Cards at no cost to each public library in the State. Orders for additional Public Library Access Cards (PLAC) may be placed on the PLAC Quarterly Report Form [www.in.gov/library/plac.htm](http://www.in.gov/library/plac.htm).
2. Appearance of Card: The Public Library Access Card (PLAC) contains the following information: name of cardholder, address of cardholder, home public library of cardholder and expiration date of card. This information will be made part of the PLAC record at the issuing library. The card is issued as an individual card to one specific person.

### Definitions:

The **home public library** (590 IAC 3) means the public library where an individual is a resident or real property taxpayer in the taxing district of the library or library from which a nonresident has purchased a card.

The **issuing library** may be any public library in the state, not just the home library. The PLAC card lists the name of the home library, not the issuing library.

Guideline (a): Eligibility for PLAC. An individual who is in "good standing" and eligible to obtain a valid resident or nonresident library card from one of the 237 public libraries in the state of Indiana qualifies to obtain a PLAC. A law passed in 1996 allows an individual to obtain a PLAC at any public library in Indiana.

To receive a Public Library Access Card you must have an Indiana "resident" or a non-resident library card, (I.C. 4-23-7.1-5.1).

Guideline (b): "Good Standing" is defined at the local library level. Do not issue PLAC card to individuals with overdue fines and fees.

Guideline (c): A family PLAC cannot be issued. The card is issued only as an individual card to one specific person. The local library's guidelines regarding use of a library card by a person other than the actual cardholder should be followed if a family member wishes to borrow on a PLAC card.

Guideline (d): A public library may choose to issue its own library card to an individual holding a PLAC to properly code patron record in the circulation system for record keeping. This determination is made at the local library level. Any local card that is issued to a PLAC cardholder should be marked clearly with the PLAC expiration date. Libraries that have computerized registration files should mark the expiration date of the PLAC cardholder's record in the database. PLAC cardholders may be required to

show both the PLAC and the local library card to check out materials according to the lending library's rules.

College/University Student PLAC. Resident students are not required to have a PLAC to use the local public library in the college/university community in that library district.

If a college student wants to borrow materials from a public library other than his/her home library or the library in the college/university community where he/she resides, then the student will need to purchase a PLAC.

Guideline: Local libraries should follow their policies in place for issuance of student cards to local college/university or other post secondary school students.

Refunds. No refunds for paid PLAC fee will be made under any circumstance.

Replacement Cards. When a cardholder's PLAC is lost or stolen, the cardholder will be issued a replacement card at the library where the PLAC was issued; the expiration date remains the original one. The fee for the replacement card will be \$1.00 (subject to annual review by the Indiana Library and Historical Board) and will be remitted to the Indiana State Library. Keep a record of voided card numbers. Names, addresses, and card numbers of individuals who are issued replacement cards must appear on the PLAC Quarterly Report Form.

### **Fee Collection for Card**

Payment for PLAC. An individual may pay either by cash or by check when obtaining a PLAC; credit card payment is available at some public libraries and is acceptable for PLAC card payment. If payment is made by check, the check should be made out to the public library issuing the PLAC. Collection and deposit of fees should be recorded by the issuing library according to the prescribed method of the Indiana State Board of Accounts [http://www.in.gov/sboa/files/lib2014\\_003.pdf](http://www.in.gov/sboa/files/lib2014_003.pdf):

*PLAC CARD FUND [IC 4-23-7.1-5.1]*

*All money received from the sale of PLAC cards should be receipted to a PLAC Card fund.*

*Payments are to be made to the State Library of such receipts on a quarterly basis as required by 590 IAC 3.*

6. Submitting Fees to Indiana State Library. Collected fees on the PLAC should be remitted to the Indiana State Library on a quarterly basis using the PLAC Quarterly Report Form.

### **Types of Materials Eligible for Loan to PLAC Patrons**

1. Books.

Definitions of books: hardbound print books, paperback print books, large print format books and board books. Books that normally circulate must be available for loan to PLAC cardholders.

## 2. Non-book Materials.

Definition of non-book materials: videotapes, audiocassettes, CDs, records, art prints, slides, microfiche, pamphlets, periodicals (single or bound issues), etc. Non-book materials may be loaned to PLAC cardholders at the discretion of the individual library.

EBooks and eAudio books are often ineligible for the PLAC loans because of vendor restrictions.

Annual Determination of Eligible Materials. Each local library determines annually what types of materials are eligible for loan to PLAC cardholders. This information needs to be readily available to borrowers on their library website.

### **Overdue & Lost Materials**

Fees. Library overdue fees are set locally and the local library collects the daily overdue fee for library materials loaned to PLAC cardholders

*Guideline: In the spirit of cooperation, when feasible, libraries should alert other libraries to problem borrowers with PLAC privileges that have accrued sizable overdue fines or have lost an inordinate number of items borrowed through the program.*

Replacement Cost. Reimbursement for lost library material borrowed on a PLAC is the responsibility of the borrower not the borrower's home library. The replacement cost of an item is determined by the lending library.

Materials Returned to the Wrong Library. Often library materials can be re-routed to lending library without an additional cost. In those cases where there is an additional cost, the library can collect cost from the borrower.

*Guideline: PLAC users should be informed that they are expected to return materials borrowed using PLAC to the lending library.*

### **Procedures for Issuing PLAC**

1. Determine if individual holds a **valid** library card at a public library in Indiana.

Here is a link to a map that shows the areas unserved by a library district (as of 2012):

<http://www.stats.indiana.edu/maptools/maps/boundary/library/LibraryDistricts2012.pdf>

Those in unserved areas may obtain a PLAC card if they have purchased a non-resident card. The fee for a non-resident card is a minimum of \$25.00 or the library's operating fund expenditure per capita for the previous year (if greater than \$25.00). The non-resident fee for

the Indiana public libraries is found in table 4 of the latest publication of "Statistics of Indiana Libraries" found here [www.in.gov/library/plstats.htm](http://www.in.gov/library/plstats.htm). This fee is paid *in addition* to the PLAC fee.

2. Determine that the individual is in "good standing." "Good Standing" is defined as an individual who does not have outstanding overdue fines and fees. (This may be determined locally and require a phone call to local library for verification of patron standing).
3. Registration can take place at any of the Indiana public libraries. When registering in the computerized system, the PLAC borrower is coded to their home library not necessarily the library that sold the card.
4. Collect the PLAC fee
  - a) The PLAC borrower pays by cash, check, or credit card where available. Personal checks are payable to the issuing public library.
  - b) In some libraries, the PLAC fee may be paid in part by the home library. Accounting procedures must receipt both payments. The individual may pay by cash, check or credit card where available. Personal checks are made out to the issuing public library.
5. When total fee is properly receipted issue the PLAC card to borrower.
6. Type or write in ink on the face of the PLAC
  - Name
  - Address
  - Expiration date (one year from date of issue of the PLAC)
  - Home library

### **Procedure when an individual brings a PLAC to your library**

The issuing library validates that the individual is in good standing at the home library; also verifies the identity on card matches the individual. Libraries differ in their procedures with PLAC borrowers. Some issue local card to register PLAC borrower in the library's computerized system. The PLAC expiration date matches the expiration date on the local card issued.

Library policy regarding use of a library card by a person other than the actual cardholder is in force for PLAC borrower.

### **Statistics & Recordkeeping**

Each library will be required by the State Library to keep statistics recording the home library of each PLAC cardholder who borrows materials from them as well as the number of items borrowed by a PLAC cardholder.

### **Library Reporting Responsibilities**

Statistics. Each public library is expected to report all required borrowing statistics on the

Public Library Access Card Program as a part of the Annual Report. The Board President shall attest to the accuracy of the report submitted on PLAC.

Eligible Materials for Loan. Each public library is responsible to communicate to PLAC cardholders the eligible list of loan items. Two ways to communicate to the cardholders is on the library website and as a handout detailing what library materials are eligible for loan to PLAC cardholders. For illustration of how to list on a library website visit the Allen County Public Library borrower page at <http://www.acpl.lib.in.us/home/borrowing#plac>

Failure to Report. Failure to submit a complete statistical report to the Indiana State Library by the established deadline will result in the following action taken: Determination that the library is in noncompliance with Minimum Standards for Public Libraries and the withholding of state and federal funds to the library by the Indiana State Library.

### **PLAC Reimbursement to Libraries Based on Net Loans**

Payment of funds for the PLAC program is paid out on the basis of net loans (IC 4-23-7.1-5.2(d)). Money paid into the PLAC program fund to the Indiana State Library plus the interest earned on this fund during a calendar year will be divided by the number of net loans made to PLAC cardholders and the resulting figure will be the per net loan figure paid to libraries. Each eligible public library will receive payment for its net loans, made during the previous calendar year, by August 1 of each year PLAC net loans are defined as the number of loans made by a library to PLAC cardholders from outside its district less the number of loans made by PLAC cardholders from within its district at other libraries.

To receive payment public libraries with net PLAC loans must meet Minimum Standards for Public Libraries in order to be eligible for reimbursement through the Public Library Access Card Program.

### **Procedures for Recordkeeping:**

1. Keep data on file at your library for PLAC card purchases:
  - Name
  - Address
  - Phone (if available)
  - Cash/check#
  - PLAC Number
  - Expiration date (one year from date of issue).
  
2. When a PLAC cardholder uses the PLAC to borrow materials at your library, keep the usual information that you would need to issue one of your local cards. Keep a record of the name, address, PLAC #, and expiration date.

3. For each use by a PLAC borrower, record the home library of the PLAC cardholder and the number of items borrowed. Some libraries keep this as manual record and others automated circulation systems retain the records. (This information is **VERY IMPORTANT** and will be used to figure the reimbursement to libraries in the PLAC Program.)

**Recordkeeping: Before Library Migrates to New Integrated Library System (Circulation)**

- Always retain the circulation records regarding PLAC borrowers and loans for reporting in the Annual Statistics.
- Ask vendor, including Evergreen Indiana, about retention of the PLAC circulation records.
- Generate end of system report of circulation statistics with PLAC data to backup records. Keep hardcopy if possible.

# Reciprocal Borrowing

## Statewide Reciprocal Borrowing

Participating libraries sign a statewide reciprocal borrowing covenant agreement that allows users from any other participating library to borrow books in person at public libraries all over Indiana. The reciprocal borrowing covenant agreement is found online at [www.in.gov/library/ldoresources.htm](http://www.in.gov/library/ldoresources.htm)

Any person who has a current resident library card from their local library can use Reciprocal Borrowing privileges to borrow from other libraries that participate in the statewide agreement.

Cardholders from contracting townships are not eligible for this program.

A current list of participants is included at the end of this chapter.

For those libraries wishing to participate in the state wide reciprocal borrowing program, a covenant has been included in this chapter. It must be filled out and returned to the LDO office in order to participate in the program and be added to the list.

Any questions need to be directed to the Indiana State Library, Library Development Office at 1-800-451-6028.

**DO NOT REQUIRE A PLAC CARD**, if the patron's home library is on the Statewide Reciprocal Borrowing List and they are a taxing resident of that home library. A list of participating libraries can be found at the end of this chapter.

Any 2 or more libraries may sign a local reciprocal borrowing covenant to allow only those libraries to participate in a reciprocal borrowing program that includes their libraries and not participate statewide. This agreement is at the consent of the local library board and not required by state law.

PLAC, on the other hand, is state law and **all public libraries in Indiana are required** to sell a PLAC card to anyone who has a current and valid public library card from any other public library in the state.

## Local Reciprocal Borrowing

A local or regional agreement is defined as an agreement between two or more libraries that allows residents of each library district to borrow items from a public library in the other library district(s), or a resolution by a local library board that the library will allow anyone with a public library card from another library in the state to borrow materials.

All local agreements must be in writing and approved by the participating libraries' boards of trustees. For recordkeeping purposes, copies of local agreements are filed with the Indiana State Library.

Do not issue the PLAC card to residents of your library district who wish only to use libraries

that have local agreements with your library. (However, you would issue the PLAC if one of your residents wants to borrow materials from a library that does not have a local agreement with your library.)

Do not count loans made to individuals whose libraries have local agreements as part of the PLAC Program. The only loans that are reimbursed in the PLAC Program are those made to PLAC cardholders.

### **Non-Resident Fees**

According to Indiana Code (IC 36-12-2-25), a resident of Indiana in an unserved area may purchase library services from one of the 237 library districts. The fee for a nonresident card is at least the sum of \$25.00 or the library's expenditure per capita, if that amount is greater than \$25.00; the PLAC fee is in addition to the nonresident fee. A nonresident fee may be set higher than the library's operating fund expenditure per capita. The amounts of the operating fund expenditure per capita for public libraries are found in latest year of Public Library Statistics Table 4 [www.in.gov/library/4841.htm](http://www.in.gov/library/4841.htm).

\_\_\_\_\_ Public Library

Reciprocal Borrowing Covenant

**WHEREAS**, it is to the advantage of the people of Indiana that intellectual materials be accessible to them; and

**WHEREAS**, public libraries have been developed to promote access to intellectual materials available in organized collections of such materials in locally supported public libraries; and

**WHEREAS**, the parties to this agreement desire to fulfill their obligations and purposes in this regard do

**HEREBY**, covenant between them on behalf of the people in their library district to permit any person holding a valid resident borrower’s card from any library which is a party to the Covenant access to circulating materials, such an arrangement being generally referred to as reciprocal borrowing, subject only to the conditions set forth here following:

- 1. Users of this arrangement are expected to
  - a. Conform to the rules and regulations of the institution from which they borrow
  - b. Present a valid resident borrower’s card issued by their local library as evidence of their eligibility for this service; and
  - c. Pay promptly all delinquency charges which may accrue against them
  
- 1 Participating libraries agree to assist each other, if necessary (on request) in recovering materials.
- 2 Participating libraries may limit this activity to specific eligible materials at their discretion, but are encouraged to provide unlimited access.
- 3 Participating libraries are not required to take reserves or initiate interlibrary loan requests for reciprocal borrowers.

This covenant becomes effective on the latest date shown below and shall remain in force until either party wishes it modified or canceled. A copy of this agreement shall be filed with the Indiana State Library upon signing, whereas to facilitate the compilation of a statewide listing of participating libraries.

## Chapter 9

# Employment Practices, Workers Rights

Resources in this chapter are an aid to draft a handbook or personnel manual. A carefully crafted handbook provides an opportunity to communicate to an employee the philosophy of the library. When crafting a handbook check with your library lawyer to make sure it does not imply a contract and jeopardize Indiana's employment at will doctrine.

For specific guidance in drafting a policy handbook or personnel manual consult *Model Employee Policies for Indiana Employers with Legal Commentary* 4<sup>th</sup> edition published by Indiana Chamber, 2003 available for loan from Indiana State Library. To purchase 6<sup>th</sup> edition go to <http://www.indianachamber.com/index.php/products-conferences/publications/21-products-events/publications/2630-model-employee-policies-sixth-edition>

Contact the Indiana State Library if you want samples of other library's personnel manuals.

### **Federal Minimum Wage Notice -(29 USC 206)**

[www.dol.gov/dol/topic/wages/minimumwage.htm](http://www.dol.gov/dol/topic/wages/minimumwage.htm)

Employers subject to the Fair Labor Standards Act must post a notice regarding the federal minimum wage in “conspicuous places in every establishment” where the affected employers can readily observe it on their way to or from work (29 CFR 516.4). Failure to post the required notice is a federal crime.

### **Minimum Wage and Overtime Pay**

“The Fair Labor Standards Act (FLSA) establishes standards for minimum wages, overtime pay, recordkeeping, and child labor. These standards affect more than 100 million workers, both full-time and part-time, in the private and public sectors.

The Act applies to enterprises with employees who engage in interstate commerce, produce goods for interstate commerce, or handle, sell, or work on goods or materials that have been moved in or produced for interstate commerce. For most firms, a test of not less than \$500,000 in annual dollar volume of business applies (i.e., the Act does not cover enterprises with less than this amount of business).

However, the Act does cover the following regardless of their dollar volume of business: hospitals; institutions primarily engaged in the care of the sick, aged, mentally ill, or disabled who reside on the premises; schools for children who are mentally, or physically disabled or gifted; preschools, elementary, and secondary schools and institutions of higher education; and federal, state, and local government agencies.”

For further information consult [https://www.dol.gov/whd/overtime\\_pay.htm](https://www.dol.gov/whd/overtime_pay.htm)

Each employer shall post and maintain such notice in conspicuous places on its premises where notices to employees are customarily posted” (29 USC S 2003). Any employer who violates Polygraph Protection Act may be assessed a civil penalty of up to \$10,000 (29 USC 2005).

### **Equal Employment Opportunity Commission/Age Discrimination (29 CFR 1601.30)**

[www.eeoc.gov/](http://www.eeoc.gov/)

“Every employer has an obligation to keep posted in conspicuous places upon its premises notices describing the applicable provisions of Title VII and I. The ADA. Section 711(b) of Title VII makes failure to comply with this section punishable by fine...” for each violation (29 CFR 1601.30).

### **Family and Medical Leave Act of 1993 -(U.S. Dept of Labor, Employment Standards Division)**

[www.dol.gov/whd/fmla/index.htm](http://www.dol.gov/whd/fmla/index.htm) This Act pertains to employers having at least 50 employees within 75 miles. “FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to ‘eligible’ employees for certain family and medical reasons.” Please consult the Fact Sheet #28: The Family and Medical Leave Act of 1993 at [www.dol.gov/whd/regs/compliance/whdfs28.htm](http://www.dol.gov/whd/regs/compliance/whdfs28.htm).

## D. Important Employment Laws

1 **Minimum Wage --federal and state** All library workers employed by the library, except for professional services, will fall under the federal minimum wage laws. Make sure that you are paying them at minimum wage or more. A computer professional who is paid an amount that is at least as high as the separate minimum wage for computer professionals is exempt from the overtime provisions of FLSA (see below).

2 **Fair Labor Standards Act (FLSA) --federal** This includes the federal minimum wage, and it also lists requirements for overtime pay and compensatory (comp) time. It also prohibits covered employees from contributing volunteer hours to their place of employment. The Fair Labor Standards Act also includes child labor provisions, which set certain limitations on the use of juveniles as employees. If you use students under 18 years of age as pages, you should be aware of these restrictions. Please see webinar recording at <http://www.in.gov/library/law.htm> under heading **2013 Summer Legal Series** for July 31<sup>st</sup> 2:30-3:30 p.m. "Fair Labor Standards Act."

3 **State and Federal Civil Rights Laws** These laws prohibit employers from discriminating on the basis of race, color, religion, sex, or national origin in hiring, promotion, and other employment policies. The federal Title VII is one of the main civil rights laws.

4 **Age Discrimination Employment Act (ADEA) --federal** ADEA prohibits employers from discriminating on account of age. The protected age group is 40 years old and older.

5 **American with Disabilities Act (ADA) --federal** ADA strengthens prohibitions on discrimination against the disabled and requires employers to make their facilities accessible to the disabled and to make reasonable changes in their accommodations for the employment of disabled people.

6 **The Immigration Reform and Control Act --federal** This law requires that employees complete an I-9 form within three days of starting work, verifying their identity and authorization to work. Employers may condition an offer of employment on the successful applicant's completing the form, but may not specify what documents must be used to complete the form.

7 **The Family and Medical Leave Act (FMLA) --federal** FMLA allows employees to take up to 12 work weeks of paid or unpaid leave for certain medical and family reasons. It requires that employees taking such leave be allowed to return to their original job or an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

8 **Health Insurance Portability and Accountability Act (HIPAA) --federal** HIPAA provides rights and protections for participants and beneficiaries in group health plans. HIPAA includes protections for coverage under group health plans that limit exclusions for preexisting conditions; prohibits discrimination against employees and dependents based on their health status; and allows a special opportunity to enroll in a new plan to individuals in certain circumstances. HIPAA may also give you a right to purchase individual coverage if you have no group health plan coverage available, and have exhausted COBRA or other continuation coverage.

## **E. Indiana's Employment At-Will**

Indiana is an at-will employment state. The general rule, which has been a longstanding principle of employment in America, is that an employment relationship for no specific duration (no contract has been signed for a set period of time) may be terminated at any time at the will of either the employer or the employee for any reason or for no reason at all. Under this rule, the reason for terminating an at-will employment relationship does not matter. Whether the reason was unfair, immoral or just plain unfair is of no consequence.

Employment-related litigation stemming from employee discharges is an ever-increasing phenomenon in American business. To avoid the threat and liabilities associated with wrongful discharge, employers must review all their policies and procedures, as well as employee handbooks and other written personnel documents, to determine that no promises or statements are being made that could be construed as a binding employment contract. It is strongly recommended that all employers have written disclaimers that preserve the employment-at-will-relationships.

Finally, when terminating employees, an employer should always make sure that its action is uniform, consistent and fair and that whenever possible the employee has been given advance warning that particular behavior or conduct could result in termination.

### **Taxable Fringe Benefits**

A good resource for taxable fringe benefits is the **Taxable Fringe Benefit Guide** at <http://www.irs.gov/pub/irs-pdf/p15b.pdf>. This resource answers many of the questions library directors and staff ask.

Some cases require more research such as the following question.

For example, how is the purchase of staff polo shirts handled when the library board requires polo shirt to be worn during work hours? The work shirt is a taxable benefit because it can be worn for general use. The library allocates an employee clothing allowance in their payroll check.

In 2010 the Library Development Office included in the Annual Library Bookkeeping Workshop a presentation by on the topic of benefits and sales in libraries. Please visit the LDO workshop webpage at [www.in.gov/library/ldoworkshops.htm](http://www.in.gov/library/ldoworkshops.htm). ## Chapter 10

# **eRate Services at Indiana State Library, the Public Library Internet Consortium and Technology Plans**

Federal and state funding for Internet services is available to public libraries and schools in Indiana. The federal funding is from the FCC eRate program and state funding is from the Build Indiana Fund allocated during the biennial budget session of the state legislature. The public library consultant supports the statewide service associated with the Public Library Consortium for Internet Connectivity.

To provide eRate services, a federal program, the ISL hires a broadband vendor/consultant and an eRate application consultant. The broadband vendor/consultant and eRate application consultant are selected through state procurement process. The ISL works with the procurement personnel at the Indiana Department of Administration (<http://www.in.gov/idoa/2928.htm>). The public library consultant is part of the team that reviews proposals. In addition, the broadband vendor is also selected with the FCC eRate requirement to post the 470 form. The contracts are for 3 years, and the procurement is every three years. Copies of the contracts are filed in the Administrative Office.

There are three types of technology services eligible for eRate funding: telecommunications, Internet, and internal connections. The ISL Consortium supports only internet connectivity and not filing for the two other services. Internet connectivity is known as Category 1 service. Category 1 service no longer requires a technology plan, though the ISL requires a 3 year technology plan according to 590 Indiana Administrative Code Rule 6.

Each library in the consortium has a Billed Entity Number (BEN). For new members, AdTec will obtain a BEN number. AdTec may need the public library consultant to provide the FSCS number for the Indiana library; please contact Library Development Office if you don't know your FSCS number.

---

## Timeline for the support services

FCC program defines the eRate year as beginning July 1 and ending on June 30. The public library consultant handles three years of the program at any given time: the year ending, the current year, and planning for the next year. Most consultant duties are associated with the planning that begins in June and ends in late February with the application for funding for eRate services.

### I. Planning for the Next Year Begins in Late July

ERate packets are prepared for all public libraries in Indiana in July. There are two versions of the packet: 1) CIPA compliant libraries that filter; 2) CIPA non-compliant libraries who do not filter. A packet is sent to all libraries, members and non-members alike, to notify all public libraries about the opportunity to continue or join Consortium with the notification of forms and timeline for application.

### Packet

The annual packet sent in July includes a formal letter from the Library Development Office Supervisor at the Indiana State Library. The letter declares the end of past eRate year, start of current eRate year, and the planning for the next year. Also included with the letter are the new forms for planning year in order for public libraries to file for eRate; the forms allow the eRate consultant to file for consortium members with reference to the State Master Contract 470. Included in the packet are the following new forms:

**Form 479** to certify that you are in compliance with the Children's Internet Protection Act (CIPA)

**Letter of Agency** to give authority to AdTec to file E-rate forms on behalf of your library for the upcoming year

**Board Resolution** to continue in the consortium

Letter and data sheet from AdTec

Sample of Request for Services Form

Tentative timeline for your E-Rate Year 2015-2016.

Forms and information may also be found on the E-Rate page of the Indiana State Library's website [www.in.gov/library/erate.htm](http://www.in.gov/library/erate.htm)

Please consider needs as outlined in the library's Technology Plan and select service requirements on Request for Services Form. Service requirements may be affected by proposed new Public Library Standards. Please consider the need for additional broadband capacity whether that entails additional T1 lines or a switch to fiber.

Each year a representative from the State Library will attend the State Budget Committee meeting, usually in August. Data on funding the State Technology Grant is released at that time. Public Libraries are required to budget the full non-eRate portion of Internet and Internet related services.

Completion of Forms Consortium libraries have from July until October to meet with their library board and complete the first four documents. Even if library completed forms the year before, new ones are completed and copies filed with Indiana State Library for the new eRate year.

1. new **Form 479** to certify that library is in compliance with the Children's Internet Protection Act (CIPA)
2. new **Letter of Agency** to give authority to AdTec to file E-rate forms on behalf of your library for the upcoming year
3. new **Board Resolution** to continue in the consortium

Original signed documents one through three are returned to eRate consultant in the Library Development Office in mid-September. The libraries retain copies for audit purposes. The AdTec data sheet is completed and faxed in mid-September to AdTec in Centerville, IN.

4. Letter and data sheet from AdTec

In late November, the library assesses broadband capacity for current year and determines if additional service capacity needs to be ordered.

5. Request for Services Form

Document five is completed after meeting with broadband consultant, selected through state procurement process; library fills in the data.

6. Tentative timeline for your E-Rate Year 2016-2017

Document six is informational with deadlines for submitting the documents. The deadlines for eRate documents are also on the LDO Calendar

The tentative dates for planning year 2017-2018 are:

## Timeline for Your E-Rate Year 20

(July 1, 2017-June 30, 2018)

A technology plan is no longer required for Priority 1 services, Internet connectivity. The Indiana State Library now requires a technology component in long range plan in accordance with Indiana Administrative Code 590 Article 6

## II. Current eRate Year

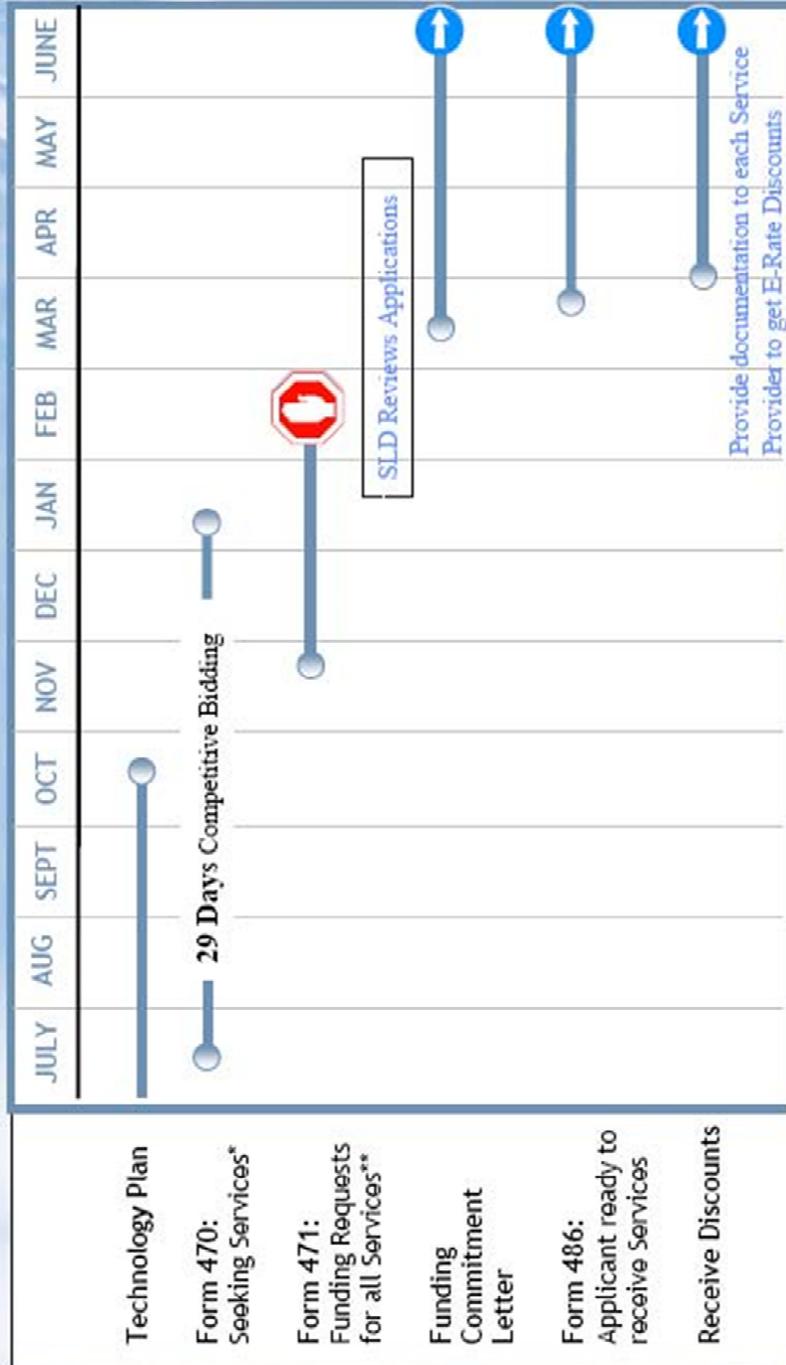

Concurrent with the receipt of completed documents for planning year, the Public Library Consultant calculates the reimbursement from State Technology Grant Fund to be deposited (EFT) into Consortium libraries accounts by end of calendar year. Reimbursement is for the full eRate year of non-eRate portion paid out of pocket by Consortium member(s). The reimbursement is based on a school lunch discount in library district and the balance of money in the State Technology Grant Fund for distribution. The distribution also pays the Adtec eRate consultant fee.

## III. Closing Out the Previous Year

### Retention Schedule for eRate Documents

Schools and libraries shall retain all documents related to the application for, receipt, and delivery of discounted telecommunications and other supported services for at least 10 years after the last day of service delivered in a particular Funding Year. Any other document that demonstrates compliance with the statutory or regulatory requirements for the schools and libraries mechanism shall be retained as well. Schools and libraries shall maintain assets and inventory records of equipment purchased as components of supported internal connections services sufficient to verify the actual location of such equipment for a period of five years after purchase.

# E-RATE Timeline: July 1 - June 30

\*These dates are estimates. In order to derive the Form 470 deadline, applicants must count backwards from the Form 471 deadline.

## Technology Plan

As September 28, 2010 the FCC announced changes in the eRate program. A technology plan is no longer required for Priority 1 Internet Access services. A 3-year Technology Plan is a state requirement as defined in the Indiana Administrative Code Title 590 Article 6. Furthermore, Priority 2 services in the eRate program require an approved technology plan. Definition of eligible services for eRate, including the definition of priority 2 services, can be found on the USAC site for [USAC Eligible Services List](#)

### **Technology Plan Requirements from IAC 590 6-1-4 incorporated into Long Range Plan**

**A long-range plan of service for between three (3) to five (5) years. The plan, updates, and revisions must be filed with the Indiana state library. At a minimum, the plan shall include the following:**

- (A) A statement of community needs and goals.**
- (B) An assessment of facilities, services, technology, and operations.**
- (C) Measurable objectives and service responses to the community's needs and goals.**
- (D) An ongoing evaluation process.**
- (E) Financial resources and sustainability.**
- (F) An equipment replacement schedule.**
- (G) A professional development strategy.**
- (H) Collaboration with other public libraries and community partners.**

Children's Internet Protection Act As of July 1, 2004, public libraries must comply with the Children's Internet Protection Act, or CIPA, to be eligible for the Internet access discount. This is done by filing an annual form 479 with the State Library. CIPA has three requirements:

1. The library must have an Internet safety policy adopted by the board. It must address the following issues:
  - a. Access by minors to inappropriate matter on the Internet and World Wide Web;
  - b. The safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications;
  - c. Unauthorized access, including so-called "hacking," and other unlawful activities by minors online;
  - d. Unauthorized disclosure, use, and dissemination of personal information regarding minors; and
  - e. Measures designed to restrict minors' access to materials harmful to minors.
2. The policy must include a technology protection measure (filter) that protects against Internet access by both adults and minors to visual depictions that are obscene, child pornography, or, with respect to use of the computers by minors, harmful to minors. The filter must be present on ALL library computers, including staff computers, connected to the Internet, but must be disabled on request for adults engaged in bona fide research or for other lawful purposes. This includes staff computers.
3. The library shall hold at least one (1) public hearing or meeting and provide reasonable public notice for that hearing.

# Department of Local Government and Finance (DLGF) and the Budgeting Process

### Department of Local Government Finance

Dan Jones (assistant director – budget division, libraries)

[djones@dlgf.IN.gov](mailto:djones@dlgf.IN.gov)

100 N. Senate Avenue

N1058 Indiana Government Center North

Indianapolis, Indiana 46204

[www.in.gov/dlgf](http://www.in.gov/dlgf)

### The Role of the Department of Local Government Finance

- Certifies budgets, tax rates and levies;
- Administers property tax laws; and
- Ensures property assessments are made in a manner provided by law

### Budgeting Process

- Who is in charge of the establishing the budget?
  - Your library board is legally responsible for establishing the library's budget and for practicing good fiscal management. Often, however, much of this responsibility is delegated to the library director. As a new library director, one of your first jobs should be to find out how much you will be involved with the fiscal management of the library. Here are some questions that you should ask your library board:
- Who approves the budget?
  - The budget is always reviewed by county, or city/town council. If over the growth quotient it is a binding review. Budget may be adopted by County or City/Town council if library exceeds growth quotient. Fiscal body who adopts advertises adoption date.
- What is the library's budget for this year? Get a copy!

- Who receives the bills and verifies that the goods or services charged for have been received?
- Who assigns the bills to budget categories?
- Who prepares the monthly financial statement? If you are responsible for preparing the financial statement, what format should you use?
  - Are there computer programs/forms that are set up for this purpose?
- Who prepares and signs the check?
  - In Indiana the library director is not allowed to sign library checks
- If the fiscal management is handled by someone other than the staff, how is the staff kept informed of the library's financial status?
- Is there a limit set on the size of expenditures that can be made by the staff without board pre-approval?
  - This should be part of the public purchasing policy

You need to find out how the library board does its budget. Does the board ask you to present a draft budget, or does it have a budget committee of its own members? It is vitally important that you as the library director have input into the budget, as you know the day-to-day operation of the library better than any other person.

Once you know what the library board wants to do in the next year, you can begin to develop cost figures. You need to gather cost information from a variety of sources, such as the present year's expenditures, catalogs, information on utility rates and the cost of living rate that appears in newspapers and other sources, and information you gather from service vendors.

Remember that in budgeting you are making a series of educated guesses. The more information you have, the better your guesses are.

### **Budget Process**

Beginning with the preparation of the 2012 budget the Department of Local Government Finance premiered the Gateway, online input of governmental units' budgets. The DLGF offers training on the system; please check with your local DLGF representative.

The "Budget Workshop" is offered in June by the Indiana State Library with presentations from the Department of Local Government Finance, and State Board of Accounts. The State Board of Accounts updates libraries on any changes in recent legislative session that impacts the budget.

The Department of Local Government Finance also covers legislation as well as the Gateway budget forms. The deadline to submit an approved budget remains November 1.

For up to date information, see 2016/2017 Budget Calendar of the Department of Local Government Finance website [http://www.in.gov/dlgf/files/pdf/160504 - Jones Memo - 2016 - 2017 Budget Calendar Revised.pdf](http://www.in.gov/dlgf/files/pdf/160504_-_Jones_Memo_-_2016_-_2017_Budget_Calendar_Revised.pdf). All libraries are encouraged to attend the budget workshop, usually held in June. In past years the budget calendar followed the general timeframe that follows on the next page:

## **Things to Remember About Gateway**

### ***Input Budget***

Prepare all the prescribed forms

Forms and screens will have formulas built in to perform math calculations

Prepare the budget advertisement

### ***Budget Advertisement Form 3 on the Gateway***

An ad is by fund and includes: the budget, max levy, proposed levy, current levy, and amount of excess levy appeals.

An ad may include more funds than those reviewed by the DLGF.

Always include language that says taxpayers may object to budget or levies within seven days after the public hearing.

The goal is for units to have a copy of the ad at the end of budget workshop session at July or August meeting with DLGF representative.

Submit the adopted budget to the DLGF electronically

Make sure that all forms needing signatures have been signed at the appropriate time.

Make sure that you follow the proper number of days between each step.

If a petition is filed by taxpayers objecting to the budget, the library board **shall** adopt with its budget a finding concerning the objections in the petition and any testimony presented at the adoption hearing. All of this must be in writing.

### ***Review Numbers in Published Budget by County***

When the county auditor publishes the rates, you should compare the published rates with the amount you turned in to the auditor. If there is an error or if the County Board of Tax Adjustment has changed your rate, you only have 10 days to appeal. See levy appeal memo and forms at <http://www.in.gov/dlgf/files/130716> -

[Vincent Memo Review of Excess Levy Appeals ATTACHMENT 2013 pay 2014 Excessive Levy Appeal For ms.pdf](#). The library board must file the appeal petition with the Department of Local Government Finance, Indiana Government Center North, Rm. N1058, 100 North Senate Avenue, Indianapolis, IN 46204.

## **Online Advertisement**

On March 26, 15 Governor Pence signed in law HEA 1266. HEA 1266 includes provisions that transition the process of advertising political subdivision budgets, rates, and levies from a newspaper system to an online system through the DLGF's Gateway website. Starting in 2015 for the 2016 budget year, political subdivisions must advertise their budgets and levies through Gateway only. Online advertisement of the Notice to Taxpayers is to be submitted at least 10 days before the public hearing but no later than September 14, 2015. Online advertisement will be completed by submitting the Form 3 from the Budget Form Menu in Gateway. Once submitted, notices will be available online at [www.budgetnotices.in.gov](http://www.budgetnotices.in.gov) or by calling (888)739-9826.

## **BUDGET NOTICE TO TAXPAYERS**

The library board is required by law pursuant to IC 6-1.1-17-3 to formulate the estimated budget and proposed tax rate using forms prescribed by the Department of Local Government Finance and approved by the State Board of Accounts. The library must give notice to taxpayers of the estimated budget, the estimated maximum permissible levy, the current and proposed tax levies of each fund; and the amounts of excess levy appeals to be requested. In the notice, the library board must state the time and place at which a public hearing will be held on these items. The notice is posted online at least 10 days before the public hearing or no later than September 14, whichever is earlier

<p>The account numbers have been suggested by a library that has used this list for years. Library Development has updated the list. If you use account numbers different from this list that is o.k. The list was done to give libraries a suggested place to post entries. State Board of Accounts suggests making sure you are consistent in the way you post. They realize that some items can be posted in different areas and your interpretation of where to post could be different than someone else. Just be consistent.</p>

Accounting forms prescribed for libraries are discussed at these workshops as well as bookkeeping and financial statement preparation. In addition, libraries are given guidance on various recurring issues and audit positions.

## Chapter 13

# Additional Appropriation and Transfer Procedures

### IMPORTANT NOTICE

There is an official state form (SF 55819, available at <https://forms.in.gov/Download.aspx?id=12270>) that must be used to file an additional appropriation with the Department of Local Government Finance (“Department”).

### Additional Appropriations

The additional appropriation process is used to appropriate money in excess of the Department’s certified appropriations for a unit for the current budget year. Although the fiscal body of a unit must act on all additional appropriations, approval by the Department is only required for funds that receive revenue from property taxes levied under IC 6-1.1 or the Motor Vehicle Highway (“MVH”) Fund (IC 8-14-1-1), Local Road and Street (“LRS”) Fund (IC 8-14-2-4), Rainy Day Fund (IC 36-1-8-5.1), or the Library Improvement Reserve Fund (“LIRF”) (IC 36-12-3).

Other additional appropriations must only be reported (“reporting-only funds”) to the Department. Since the Department must acknowledge reporting-only funds, submission of the unit’s financial information is necessary to ensure that adequate funds are available to support the additional appropriation request. Therefore, the Department will require a Certified Copy of Additional Appropriation (Form 55819) to be completed for all reporting-only funds. Additional appropriations from the proceeds of bonds and loans are reporting-only funds and do not require Department approval unless the proceeds are deposited in a fund receiving property tax or state distributions. Additional appropriations meeting the requirements of IC 8-16-3-3(c) (Cumulative Bridge Fund) also are reporting-only funds and do not require Department approval. The Department will acknowledge the receipt of information for reporting-only funds. The Department relies heavily on individual fiscal officers to provide accurate information. The Department will approve additional appropriation requests only after tax rates have been certified for the county for the current year.

SBOA recommends appropriating all grants. If grant monies are receipted into a previously established fund requiring appropriation, the unit must follow the additional appropriation procedures for that fund as outlined herein. If the grant monies are provided by the state or federal government as a reimbursement of an expense made by the unit (IC 6-1.1-18-7.5), the grant monies do not need to be appropriated or reported to the Department by the taxing unit in order to make expenditures. Grant monies must be expended in accordance with the grant budget.

### **Transfer of Funds to and From the Rainy Day Fund**

Money is never transferred out of the Rainy Day Fund. To spend money from the Rainy Day Fund requires a submitted and approved budget or an additional appropriation.

To establish the Rainy Day Fund requires a resolution. Here is a copy of the resolution found on the LDO website at [www.in.gov/library/3289.htm](http://www.in.gov/library/3289.htm) Please see the following page for a template which can be adapted to your library purposes.

A taxing unit can transfer unused and unencumbered funds from its General Fund or other property tax levy funds (excluding debt service funds) to the Rainy Day Fund. In addition, other unobligated cash balances from any fiscal year (excluding debt service funds) may also be transferred to the Rainy Day Fund pursuant to an ordinance or resolution that authorizes and identifies the amount, which cannot exceed 10% of the taxing unit's total annual budget for that fiscal year.

The Rainy Day Fund is subject to the same appropriation process as other funds that receive tax money. Before making an appropriation from the Rainy Day Fund, the fiscal body shall make a finding that the proposed use of the Rainy Day Fund is consistent with the expressed intent of the fund.

The Department may not reduce the actual or maximum permissible levy of a unit as a result of a balance in the Rainy Day Fund of the unit.

Transfers to or from the Rainy Day Fund must be reported to the Department. Units must submit to the Department the resolution/ordinance from the fiscal body approving the transfers. The resolution/ordinance must include the name of each fund and the amount being transferred out of each fund to the Rainy Day Fund. Resolutions/ordinances establishing the Rainy Day Fund must also be submitted to the Department.

Further procedures for Rainy Day Fund are outlined in Chapter 3 starting on page 3 of the State Board of Accounts Manual of Accounting for Public Libraries found online at [www.in.gov/sboa/2802.htm](http://www.in.gov/sboa/2802.htm).

## Resolution to Establish a Rainy Day Fund

**WHEREAS**, the Board of Trustees of the \_\_\_\_\_ Public Library (hereafter "Board") finds that the purposes of the \_\_\_\_\_ Fund has been fulfilled [or list specific multiple funds if applicable]; and,

**WHEREAS**, there remains in the fund unused and unencumbered funds, and

**WHEREAS**, I.C. 36-1-8-5 and I.C. 36-1-8-5.1 authorizes the board to transfer such funds, at any time during the fiscal year, to a Rainy Day Fund so long as the amount of funds transferred is not more than 10% of the library's total annual budget for the fiscal year.

**NOW THEREFORE BE IT RESOLVED**, that the Board does hereby establish a Rainy Day Fund for the following purpose: \_\_\_\_\_; and

**BE IT FURTHER RESOLVED**, that sources of funding for the Rainy Day Fund may include unused and unencumbered funds under I.C. 36-1-8-5; funds received under I.C. 6-3.5-1.1-21.1 (CAGIT); I.C. 63.5-6-17.3 (COIT); I.C. 6-3.5-7-17.3. (CEDIT), or any other funding source specified in any future resolution adopted under I.C. 36-1-8-5.1 which is not otherwise prohibited by law; and [modify this clause, or delete, as appropriate for your library]

**BE IT FURTHER RESOLVED**, that the Board acknowledges that this fund is subject to the same appropriation process as other funds that receive tax money; and

**BE IT FURTHER RESOLVED**, that the Board hereby transfers the balance of the \_\_\_\_\_ Fund [or list specific multiple funds if applicable] to the Rainy Day Fund, such transfer being in the amount of \$\_\_\_\_\_; and

**BE IT FURTHER RESOLVED**, that the Board will report this transfer to the Department of Local Government Finance.

**DULY ADOPTED** by the Board of Trustees of the \_\_\_\_\_ Public Library at its regular meeting held on the \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, at which meeting a quorum was present.

### **Transfer of Funds to Library Improvement Reserve Fund (LIRF)**

For procedures on transferring funds to Library Improvement Reserve Fund (LIRF) see Chapter 3 starting on page 3 of the State Board of Accounts Manual of Accounting for Public Libraries found online at [www.in.gov/sboa/2802.htm](http://www.in.gov/sboa/2802.htm)

The LIRF fund is established by Resolution. The money is not to be set up in a separate bank account. The transfer is authorized by a warrant from the operating fund. The actual transfer may occur at any time but needs to be completed before the appropriation expires at the end of the year.

### **Procedure for Additional Appropriation**

The following steps must be followed to obtain an additional appropriation that was not included in the certified annual budget and certified appropriations of the unit as reflected on Line 1 of the final version of the unit's Fund Report. These procedures are followed for reporting only funds such as Rainy Day Fund and Library Improvement Reserve Fund (LIRF). For categorized budgets with the Library's operating fund see the procedure to follow for transfers of appropriations when an equal amount of appropriations are reduced in one major category and reappropriated in another major category within the same fund.

Library board gives notice of proposed additional appropriation. The notice shall state the time and place at which a public hearing will be held on the proposal. The notice shall include fund name and number, a categorical breakdown of the proposed additional appropriation for each fund, and the total of the proposed additional appropriation for each fund. The notice shall be published one time in two newspapers, if available, not less than ten (10) days before the public hearing on the proposal, in accordance with IC 5-3-1-2(b).

The library board shall hold the public hearing on the proposal as advertised. At the public hearing, action shall be taken to approve, modify, or disapprove the proposed additional appropriations as advertised. If the board tables the request until the following meeting, the additional appropriation does not have to be re-advertised provided the tabling of the request is stated publicly and included in the minutes of the correct advertised meeting to follow. The board shall not adopt appropriations exceeding the amount advertised.

If the library board proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c).

After the public hearing, the proper officers complete and file with the Department of Local Government Finance a Certified Copy of Additional Appropriation (“Certified Copy”) and any other relevant information, including the unit’s financial information. The requested amount of additional appropriation shown on the Certified Copy must not exceed the fiscal body’s final approved amount or the advertised amount. (A sample of the Certified Copy is appended to this memorandum.) Units must use the format of the appended Certified Copy sample.

If the miscellaneous revenue amount entered on Line 4 of the Certified Copy exceeds what was determined on Line 8B of the Fund Report, a revised Form 2 (Estimate of Miscellaneous Revenue) must be attached to the Certified Copy supporting the documented increase. When a unit is reporting a tax distribution received in the current year that is for taxes due in the previous year, this amount should be added to the miscellaneous revenue amount on the Certified Copy. The unit must submit a revised Budget Form 2 along with the Certified Copy showing the revenue as the previous year’s taxes received in the current year. Entries should be made in whole dollars and cents should not be included. The revised Form 2 must show the new total amount of Miscellaneous Revenues in Column B—the amount previously reported—plus any additional amount available to be appropriated. If no revised Form 2 is received, the unit’s request will be processed using the miscellaneous revenue amount on Line 8B of the current year’s Fund Report. If revenue is available from carry-over cash that is not encumbered from the previous year or the current budget, supporting evidence is not necessary.

The unit must, if the information is available, document on the Certified Copy the amount of revenue it will lose due to circuit breakers. The Department will take this figure into consideration so as not to approve appropriations for which the unit will not have adequate funding.

When a unit is requesting an additional appropriation for a Bus Replacement Fund, debt fund, or Capital Projects Fund (“CPF”), a brief explanation of the purpose of the request and the accounts affected will facilitate the processing of the request. In some cases, amendments or emergency amendments to CPF plans and bus replacement plans may be required. Units should consult the appropriate memoranda and statutes for more information.

Incomplete documentation may result in the denial of the request or the Department may return the Certified Copy to the unit.

When the Department receives a Certified Copy for a proposed additional appropriation that requires its approval, the Department will determine whether sufficient funds are available during the calendar year for the proposal and whether the proper procedures have been followed before issuing a written determination within 15 days of receipt of the proposal. All requests for additional appropriations must be submitted to the Department on or before December 15. The Department will limit the amount of the additional appropriation to the amount of funds available or to be made available and that have not been previously appropriated.

A unit may request reconsideration of the Department's denial or modification of a proposal by filing a written request with the Department within 15 days of receipt of the determination. The Department must act upon a request for reconsideration within 15 days of receipt. A request for reconsideration must state with reasonable specificity the reason for the request for reconsideration.

**SUBMITTAL**

Submit the Certified Copy, financial information, revised Form 2s, if applicable, and any other relevant information to:

## Chapter 14 **Public Library Records Retention**

### **Public Libraries Retention Schedule and County/Local General Retention Financial Schedule**

The Public Libraries Retention Schedule and the County/Local General Retention Financial Schedule were adopted in 2010 and updated in 2015. All public libraries in Indiana must follow the same general retention financial schedule.

Any records not on the approved list cannot be destroyed without the permission of the County Commission on Public Records and the Indiana Commission on Public Records.

Included in this chapter are a printout of the section of Chapter 6 of the State Board of Accounts Library Manual (pages 5 through 9) explaining the preservation and destruction of public records, the Public Libraries Retention Schedule and the County/Local General Retention Financial Schedule.

### **Records Retention FAQs**

Q1) How long should we keep past insurance policies/coverage that have been replaced with new policies/coverage?

A1) Insurance paperwork would be considered a contract; keep for 10 years after the end of the insured year.

Q2) How long should we keep past in-house staff directories?

A2) If they simply provide personnel information in a different format, destroy.

Q3) How long should we keep Statements of Concern regarding library materials completed by patrons?

A3) Regard as correspondence and destroy after 3 years.

Q4) How long should we keep incident reports (injuries, accidents, behavior)?

A4) 10 years, as for public library annual reports

Q5) How long should we keep emails?

A5) Treat emails as you would print correspondence regarding a particular issue. They are public records.

### Fees

The governing board shall establish a fee schedule for the certification or copying of documents. The fee for certification of documents may not exceed five dollars (\$5) per document. The fee for copying documents may not exceed the greater of:

1. ten cents (\$0.10) per page for copies that are not color copies or twenty-five cents (\$0.25) per page for color copies; or
2. the actual cost to the agency of copying the document.

"Actual cost" means the cost of paper and the per-page cost for use of copying or facsimile equipment and does not include labor costs or overhead costs. A fee established must be uniform throughout the public agency and uniform to all purchasers. [IC 5-14-3-8(d)]

### PRESERVATION AND DESTRUCTION OF PUBLIC RECORDS

#### Policy

The governing board is charged with the duty to preserve, keep, maintain, or file all the official records of the political subdivision pursuant to IC 5-15-1-1. The final decision as to the destruction or disposition of such records rests with the local public records commission. A local public records commission is established in each county pursuant to IC 5-15-6-1.

IC 5-15-6-3(f) concerning destruction of public records, states in part: "Original records may be disposed of only with the approval of the commission according to guidelines established by the commission."

#### Definition of Public Record

A public record is defined as all documentation of the informational, communicative or decision-making processes of the political subdivision in connection with the transaction of public business or governmental functions, which documentation is created, received, retained, maintained, or filed by the political subdivision as evidence of its activities or because of the informational value of the data in the documentation, and which is generated on paper or paper substitutes; photographic or chemically based media; magnetic or machine readable media; or any other materials, regardless of form or characteristics. [IC 5-15-5.1-1]

For purposes of IC 5-15-6, the terms "public record" or "record" refer to local government documentation. [IC 5-15-6-1.5]

#### County Public Records Commission

IC 5-15-6-1 creates in each county a commission known as the "County Commission of Public Records of \_\_\_\_\_ County." IC 5-15-6-2 sets out the duties and responsibilities of the commission. It is the duty of the commission to determine the following:

1. Which public records, if any, are no longer of official or historical value.
2. Which public records are of current official value and should be retained in the office where they are required to be filed.
3. Which public records are of official value but are consulted and used so infrequently that they are no longer of appreciable value to the officer with whom they are required to be filed.
4. Which public records are of no apparent official value, but which do have historical value.

5. Adopt and implement retention schedules for use by local governmental officials as part of a records management program for local government public records at the first meeting of the county commission after the commission receives a retention schedule for the local government approved by the oversight committee on public records as established by IC 5-15-5.1-18.

The following officers make up the commission:

1. Judge of the Circuit Court (Ex Officio);
2. President of the Board of County Commissioners;
3. County Auditor;
4. Clerk of the Circuit Court;
5. County Recorder;
6. Superintendent of Schools of the school district in which county seat city is located.
7. City Controller or Clerk-Treasurer of the county seat city or town.

The Clerk of the Circuit Court or the County Recorder can be the Secretary of the commission.

#### Suggested Procedures

As a starting point for disposing of old records, an inventory of the office and the storerooms should be taken. The inventory should list the type of record and the year such record was made.

After the inventory is completed and a decision is made as to the records to be destroyed, a request and approval for destruction of records should be submitted to the County Commission of Public Records of the county in which the public agency is located.

### Removal of Records - Time Restriction

IC 5-15-6-3 concerning the removal and destruction of records states:

- a. As used in this section, "original records" includes the optical image of a check or deposit document when:
  1. the check or deposit document is recorded, copied, or reproduced by an optical imaging process described in subsection (e); and
  2. the drawer of the check receives an optical image of the check after the check is processed for payment or the depositor receives an optical image of the deposit document after the document has been processed for the deposit.
- b. All public records which, in the judgment of the commission, have no official or historical value, and which occupy space to no purpose in the offices and storerooms of the local government of a county, shall be destroyed or otherwise disposed of. Except as provided in this section, such records shall not be destroyed until a period of at least three (3) years shall have elapsed from the time when the records were originally filed, and no public records shall be destroyed within a period of three (3) years if the law provides that they shall be kept for a longer period of time, or if the law prohibits their destruction.
- c. Subject to this section, records may be destroyed before three (3) years elapse after the date when the records were originally filed if the destruction is according to an approved retention schedule.
- d. No financial records or records relating thereto shall be destroyed until the earlier of the following actions:
  1. The audit of the records by the State Board of Accounts has been completed, report filed, and any exceptions set out in the report satisfied.
  2. The financial record or records have been copied or reproduced as described in subsection (e).
- e. As used in this section, "public records" or "records" includes records that have been recorded, copied, or reproduced by a photographic, photostatic, miniature photographic, or optical imaging process that correctly, accurately, and permanently copies, reproduces, or forms a medium for copying or reproducing the original record on a film or other durable material. Original records may be disposed of in accordance with subsection (f), if the record has been copied or reproduced as described in this subsection. The copy must be treated as an original. Copies, recreations, or reproductions made from an optical image of a public record described in this subsection shall be received as evidence in any court in which the original record could have been introduced, if the recreations, copies, or reproductions are properly certified as to authenticity and accuracy by an official custodian of the records.
- f. Original records may be disposed of only with the approval of the commission according to guidelines established by the commission. However, the guidelines established by the commission concerning the disposal of financial records must be approved by the State Board of Accounts before the guidelines become effective.

The decision as to the disposition or destruction of any record rests entirely upon the commission; however, there are certain records which appear to be sufficient value to require that they be retained permanently, and there are other records which should not be disposed of for a period of longer than three (3) years, due to limitations imposed under other statutes. Among these records are:

Retained Permanently

All minutes due to their historical value and their value in determining titles of property, appointments, etc.

Ledgers of Receipts and Disbursements as permanent financial records.

Bond Records, as evidence of indebtedness and payment.

Retained for Longer Periods Than Three (3) Years

All contracts, claims and paid warrants for minimum of six (6) years due to statute of limitations in civil actions. [IC 34-1-2-1 and IC 34-1-2-2]

Public Records Retention - Audit

IC 5-15-6-3(f) concerning destruction of public records, states in part: "Original records may be disposed of only with the approval of the commission according to guidelines established by the commission."

Supporting documentation such as receipts, canceled checks, tickets, invoices, bills, contracts, and other public records must be available for audit to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee.

Order to Destroy Public Records

A copy of any order to destroy public records shall be delivered to the State Archivist, Indiana State Library, any active genealogical society of the county and any active historical society of the county not later than sixty days before the destruction date accompanied by a written statement that they may procure such records at their own expense subject to the provisions enumerated in the law. [IC 5-15-6-7]

Penalty

A public official or other person who recklessly, knowingly, or intentionally destroys or damages any public record commits a Class D felony unless:

1. the commission shall have given its approval in writing that public records may be destroyed;
2. the commission shall have entered its approval for destruction of the public records on its own minutes; or
3. authority for destruction of the records is granted by an approved retention schedule. [IC 5-15-6-8]

### Public Records Go With the Office

Sometimes it is reported that when an official is replaced by reason of death, resignation, appointment, or election, the records are being withheld from the successor until they are audited.

When an official assumes custody of an office many of the forms and records are continuous. Each official's acts are a matter of record. An official is not responsible for the acts of his successor and a successor is not responsible for the acts of his predecessor.

Regardless of the capacity served by an official, upon completion of his service, all records and forms are to be surrendered to his successor.

Supporting documentation such as receipts, canceled checks, tickets invoices, bills, contracts, and other public records must be available for audit to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee.

### Transaction Recording

All financial transactions pertaining to the governmental unit should be recorded in the records of the governmental unit.

### Timely Recordkeeping

All documents and entries to records should be done in a timely manner to ensure that accurate financial information is available to allow the governmental unit to make informed management decisions and to help ensure compliance with IC 5-15-1-1 et seq., commonly referred to as the Public Records Law.

## RETENTION SCHEDULES

The State's Oversight Committee on Public Records has approved retention schedules for Library financial records. The schedules list prescribed forms and the length of time each form is required to be kept. The schedules can be obtained at [www.in.gov/icpr](http://www.in.gov/icpr).

IC 5-15-6-2.5 requires each local County Commission on Public Records to adopt such retention schedules not more than thirty (30) days after adoption by the State Oversight Committee.

Once the retention schedules are adopted, records may be destroyed in accordance with the schedules and without permission of the local County Commission. However, libraries must submit documentation of such destruction to the County Commission and the State Archives and should notify any active genealogical societies and any active historical located in the county before destruction.

## Chapter 15 Grant Sources

There are numerous sources of grants for libraries. The following list is a sampling of available sources and includes both public and private sources for funding.

Please notify us of any new grant opportunities that may be of interest to Indiana Libraries by contacting Jennifer Clifton at [jclifton@library.in.gov](mailto:jclifton@library.in.gov) or (317) 234-6550.

### **LSTA Grants**

[in.gov/library/lsta.htm](http://in.gov/library/lsta.htm)

The first source you consider as a library in Indiana should be LSTA sub-grants. LSTA funding is made possible by the Institute of Museum and Library Services (IMLS) who distributes federal funds to states annually under the provision of the Library Services and Technology Act (LSTA). The Indiana State Library reserves a portion of these funds for competitive sub-grant opportunities. Grant programs vary, but generally include technology and digitization initiatives. Please check our website for current grant opportunities.

## LOCAL

### Public Service/Social Organizations

Clubs such as Kiwanis, Lions Club, Rotary, etc. have sponsored library projects in the past.

### Community Foundations

<https://www.tgci.com/funding-sources/IN/community>

Many counties in Indiana have a community foundation that collects and invests money for local agencies and returns the interest earned to the local agencies. The Grantsmanship Center offers a directory of community foundations in the state on its web site.

## STATE

### Heritage Support Grants

<http://www.indianahistory.org/grants>

The Indiana Historical Society, with funding from Lilly Endowment Inc., offers grants to fund a wide variety of projects to help Indiana's local organizations meet high-priority needs in areas of capacity building, collections stewardship, innovation and collaboration. In addition to the grant awards, IHS also offers [fundraising education workshops](#), ongoing coaching for grant applicants and opportunities to serve on [grant award selection committees](#).

### Indiana Humanities

<http://www.indianahumanities.org/resources/grants/>

Humanities Initiative Grants may be used for any public or school humanities program planned and implemented with the expertise of a humanities scholar. Eligible projects include town hall meetings, panels, workshops, lectures, reading and discussion programs, film discussion programs, festivals, and production of humanities resources.

### Community Development Block Grants

[www.IN.gov/ocra/2375.htm](http://www.IN.gov/ocra/2375.htm)

These grants come from the Indiana Office of Community and Rural Affairs. Unlike LSTA grants, construction is an allowable cost. Libraries are invited to apply for Public Facilities Program grants to enhance the lives of community members. Libraries should contact their local Community Liaison to discuss grant opportunities. The map of liaisons can be found on their website at: <http://www.in.gov/ocra/2330.htm>

### Indiana Historic Preservation Fund Grants

<http://www.in.gov/dnr/historic/3671.htm>

Each year, the Indiana DNR-DHPA receives funding to promote historic preservation and archaeology in Indiana by providing assistance to projects that will aid the State in meeting its goals for cultural resource management. Grants can be used for preservation and rehabilitation of historic library buildings, or to present educational programs about preservation.

### **Indiana State Historic Records Advisory Board (SHRAB) Grants**

<http://www.in.gov/iara/3088.htm>

The Indiana State Historic Records Advisory Board (SHRAB) occasionally offers grant opportunities for organizations that preserve and maintain historic collections of Indiana records.

### **Grant Writing Tips**

1. Ask for advice. Start on the application well before the deadline. Solicit help from the granting organization program officer. Ask colleagues to review the application and offer suggestions.
2. Identify projects that would be of benefit to your organization before looking for grants. Ways to do this include conducting a meeting of stakeholders and brainstorming, creating a file of ideas submitted by staff and patrons, and soliciting ideas from the public. Determine what ideas would be most suitable for grant funding. Be ready when funding opportunities arise instead of reacting to announcements of available grants.
3. Locate grant-making organizations with goals that match your project. Using various tools listed above, identify grantors who fund projects similar to your proposed project.
4. Research the grant opportunity. Read the guidelines to determine if the project fits with the mission of the granting organization and if there are any restrictions that may prohibit you from accepting the funds. Learn about previous grants awarded by the organization. Determine the funding limits and whether the amount of money being offered will realistically cover the costs for your project.
5. Follow the instructions provided by the grantmaker. Check deadlines. Answer all the questions and include all the necessary parts of the proposal or application when submitting it. If any part of the application is confusing, contact the grant program officer for help.
6. Don't give up if an application isn't funded. If possible, ask for feedback as to why your grant application was denied. Ask about any opportunities for resubmitting the grant. Consider other funding sources.
7. New applicants make two common mistakes. One is including too little detail about the proposed project and giving insufficient justification for the significance of the need. Another is proposing more work than can be reasonably done during the grant period.
8. Think like a reviewer. One of the best ways to learn how to write a grant is to participate on a grant review committee. Organizations that offer publicly-funded grants are always looking for individuals willing to assist in grant review.

## Chapter 16

# **Funding a Library Building Project**

A library building project does not have to be a painful experience. There will be anxious moments in every project, such as the minutes before construction bids are opened. There will also be times when it appears that the legal process takes forever to complete. But with proper planning, good and open communication and the assistance of qualified, experienced professionals, the process and the end result can be very rewarding.

There are two types of bonds that libraries can use to fund a building project:

- a. General obligation bonds, and
- b. Lease financing (a.k.a. Building Corporation or Holding Corporation bonds)

**House Enrolled Act 1001 requires that before any debt (whether general obligation bonds or leases) can be issued by a non-elected library board, the library must obtain the approval of a specific elected entity. (IC 6-1.1-17-20.5)**

**This approving body will either be the county council or the city/town council depending on the library district. If the library district is coterminous with a city or town or was originally created by a city or town, then the approving entity will be the city or town council. However, if the library district expands beyond the city or town or the library was originally created by a township or the county, then the approving entity will be the county council.**

**This approval must be obtained prior to issuing the bonds; however the timing of this approval is otherwise up to the library. It is political decision whether the Board requests this approval before or after the petition remonstrance process or referendum. Discuss this issue with your library counsel and bond counsel.**

### ***General obligation bonds***

General Obligation Bonds are limited in principal amount to one third (1/3) of two percent (2%) of the assessed valuation of the library taxing district – State Constitutional debt limitation

The material in this chapter is intended for general information purposes only and does not constitute legal advice. The library board should consult financial counsel, bond counsel, or local legal counsel to determine how laws apply to specific situations.

## **Lease financing**

With a lease financing, a separate not-for-profit corporation is formed using patrons in your community. This building or holding corporation issues the bonds which finance the construction of the library building and leases the facility back to the library for a predetermined number of years, usually 20 years. Once the bonds are paid off, the Building Corporation transfers title to the building back to the library.

Many libraries in Indiana, due to the cost of the building, use the lease method of financing. Lease financing allows for a library building project to exceed the maximum constitutional debt limitation placed on the general obligation bond. In library districts where the assessed valuation does not raise enough money for a project, the library would need to use the lease financing method of obtaining bonds.

### **A. Outline of Procedures for the Preliminary Determination Process for financing a Controlled Project**

#### **1. Controlled Project (IC 6-1.1-20-1.1):**

A controlled project is defined as a construction project for which the total project cost is at least \$1,000,000 and exceeds the lesser of: i) 1% of the total gross assessed valuation of the library district or ii) \$2,000,000. The controlled project definition applies to a project if some portion of the project is financed, whether by general obligation bonds or a lease financing.

If the project is non-controlled because it does not meet the above test, no other process is required which permits taxpayers or voters to stop the project through petition/remonstrance or referendum. The library will still need to follow the lease or general obligation bond process, as applicable.

#### **2. Petition/Remonstrance Process (IC 6-1.1-20-3.1):**

If the library's Controlled Project is equal to or less than the lesser of (a) 1% of the total gross assessed valuation of the library district or \$12,000,000 per building, the library will need to follow the process which will permit the taxpayers or voters to request of petition/remonstrance process.

The following steps should be followed if the petition/remonstrance process applies to the Controlled Project:

a. Publish and mail notice of hearing on a preliminary determination to issue bonds. IC 61.1-20-3.1 (*10 day notice*)

b. Meeting of Board of Trustees to hold hearing and adopt resolution making a preliminary determination to issue bonds or enter into a lease, as applicable. (*Note that this resolution establishes the maximum financing terms*)

c. Publish and mail notice of preliminary determination to issue bonds. IC 6-1.1-20-3.1 and IC 5-3-1 (*begins 30 day application period in which 100 voters and taxpayers may request that the petition/remonstrance process apply to the project*)

d. If a petition requesting petition/remonstrance process is filed, proceed with next step; if not, skip to steps for general obligation bonds or leases, as applicable.

e. Certification by the Voter Registration Office/County Auditor of the number of signers requesting application of petition/remonstrance process who are owners of real property or voters within the library district. IC 6-1.1-20-3.1 (*the lesser of 100 people or 5% of the property tax owners or voters filing a petition can force a petition/remonstrance race*)

f. Publish and mail notice of the applicability of the petition/ remonstrance process. IC 61.1-20-3.2 (*publication date determines timing of race*)

g. Race period occurs beginning from the 30<sup>th</sup> day ending on the 60<sup>th</sup> day (*a thirty day period*) after notice of application is published, during which taxpayers and voters circulate petitions in favor of bonds and remonstrances against bonds (*simultaneously*) (*whichever side gets the most valid signatures of taxpayers and voters, wins*).

h. Certification by the Voter Registration Office/County Auditor of the number of signers of each who are owners of real property or voters within the library district. If the Library wins it moves on to general obligation bond or lease steps, as applicable. If the Library loses, it may not hold a new preliminary determination hearing for one year on a substantially similar project.

### **3. Referendum Process (IC 6-1.1-20-3.5):**

If the library's Controlled Project exceeds the lesser of (a) 1% of the total gross assessed valuation of the library district or \$12,000,000 per building, the library will need to follow the process which will permit the taxpayers or voters to request the referendum process.

The following steps should be followed if the referendum process applies to the Controlled Project:

- a. Publish and mail notice of hearing on a preliminary determination to issue bonds. IC 61.1-20-3.5 (*10 day notice*)
- b. Meeting of Board of Trustees to hold hearing and adopt resolution making a preliminary determination to issue bonds or enter into a lease, as applicable. (*Note that this resolution establishes the maximum financing terms*).
- c. Publish and mail notice of preliminary determination to issue bonds. IC 6-1.1-20-3.5 and IC 5-3-1 (*begins 30 days application period in which 100 voters and taxpayers may request that the referendum apply to the project*).
- d. If a petition requesting referendum process is filed, proceed with next step; if not, skip to steps for general obligation bonds or leases, as applicable.
- e. Certification by the Voter Registration Office/County Auditor of the number of signers requesting application of referendum who are owners of real property or voters within the library district. IC 6-1.1-20-3.5 (*the lesser of 100 people or 5% of the property tax owners or voters filing a petition can force a referendum*)
- f. Library files with the County Auditor and the Voter Registration Office certification and request for the referendum
- g. County Auditor certifies the question to the County Election Board which either puts the question on the ballot of a general, municipal or primary election or schedules a special election as requested by the Library and dictated by the timing of the next scheduled election.
- h. If there is a scheduled election within six months of the certification of the question by the Auditor, the project is placed on the ballot of the scheduled election. Otherwise the question will be placed on the ballot of a special election. The special election must be held not sooner than 90 days nor later than 120 days after the question is certified by the County Auditor.
- i. Certification of the election results. If the Library wins, it moves on to general obligation bond or lease steps, as applicable. If the Library loses, it may not hold a new preliminary determination hearing for one year on a substantially similar project.

## **B. Outline of Procedures for the Issuance of Library General Obligation Bonds**

If the Library's project is a Controlled Project it should have completed the petition/remonstrance or referendum process as outlined above before proceeding with the general obligation bond steps.

**Remember that a Library must obtain the approval of the County Council or City/Town Council prior to issuing bonds (IC 6-1.1-17-20.5). This step needs to be inserted in the outline and timetables at the point most strategically advantageous for the library.**

- 1 Meeting of Board of Trustees to adopt the bond resolution. IC 6-1.1-20-9.
- 2 Publish notice of hearing on appropriation of bond proceeds. (*publish twice, on week apart; first publication at least 10 days prior to hearing*)
- 3 Meeting of Board of Trustees to hold hearing on appropriation of bond proceeds and adopt appropriation resolution. IC 6-1.1-18-5
- 4 A copy of the additional appropriation proceedings is certified by the secretary to the Department of Government Finance.
- 5 Publication of the bond sale notice in accordance with IC 5-1-11 and 5-3-1. In order to obtain the best bids, it is recommended that the bond sale notice also be published in The Court & Commercial Record, 431 N. Pennsylvania, Indianapolis, Indiana 46204. If the bonds are to be rated, the rating should be applied for by this time.
- 6 If the bond issue is over \$1,000,000, an official statement should be prepared by this time to distribute to the potential purchasers. It is appropriate to arrange for the printing of the bonds at this time.
- 7 Meeting of Board of Trustees to receive and award the bids for the bonds. The dealers who bid on bonds recommend that the bond sale be scheduled near the middle of the day on a Tuesday, Wednesday or Thursday which is not a day before or after a holiday.
- 8 Bond counsel prepares final transcript certificates and bonds. Submit transcript to bond counsel for approval. Check with registrar and paying agent, bond counsel and purchaser to determine when bonds will be ready for delivery. Schedule delivery of bonds with purchaser, bond counsel and registrar and paying agent.
- 9 Delivery of and payment for bonds --the closing.

#### **G. Library Lease Financings Under IC 36-1-10 for Controlled Project**

##### **Basics**

A library is limited to borrowing directly one-third of its net assessed valuation times two percent. Previously, the formula was 2% of its net assessed valuation. However, after the tripling effect of the change to a market value system the General Assembly requires a governmental entity to divide by three before applying the 2% to arrive at the debt limitation. If the cost of the building project and financing will put the library over its debt limitation, a lease financing is used to fund the project.

The library deeds the real estate on which the building is to be built, or in the case of a renovation project, the building to be improved, to the building corporation;

the building corporation issues its first mortgage bonds to finance the cost of construction;  
the building corporation leases the building to the library; and  
the library pays lease rental to the building corporation in an amount which matches the debt service payments on the building corporation's bonds

## **Procedures**

257

An architect should be hired and begin to prepare plans and specifications  
The taxpayers have two different mechanisms to oppose projects: the petition/remonstrance process and the referendum process. Which process applies is determined by the size of the project and library's assessed valuation. See discussion above. One or the other applies but not both.

### **Petition/remonstrance process**

The board of trustees holds hearing following notice and after meeting publishes notice of determination to enter into lease

100 owners of real property or voters may within 30 days petition for application of petition/remonstrance process to project

If valid petition is filed, notice that the petition/ remonstrance process has been requested is published and mailed

Petitions in favor of project and remonstrances against project are circulated concurrently between 30 and 60 days after publication of notice that petition/remonstrance process has been requested

If more taxpayers or voters oppose project than support project, it may not be pursued for one year

### **Referendum process**

The board of trustees holds hearing following notice and after meeting publishes notice of determination to enter into lease

100 owners of real property or voters may within 30 days petition for application of the referendum

Election is held; If more voters oppose project than support project, it may not be pursued for one year

The library which desires to lease a building must receive a petition signed by 50 or more taxpayers of the library district requesting such lease arrangement

The board of trustees should meet to accept the petition and determine, after an investigation, that the library project is needed

- A not-for-profit corporation should be formed as the building corporation  
Board of trustees members and employees may not serve on the building corporation  
Building corporations must abide by the open meeting law  
Building corporation members are often people in the community who are supportive of the library and would like to volunteer their time to assist in the financing of the project

- The working group, which may include the library director, local attorney, financial advisor, bond counsel and architect (and construction manager, if applicable), will meet to develop a proposed budget for the financing.

This budget will be used to determine the term, rental payment dates and payment amount for the lease

It is important that all members of the working group are comfortable with the budget because this information will be used by the financial advisor to determine the maximum lease rental amount and term

Board of trustees and building corporation approve form of lease and publish notice of hearing on lease

Town/City Council or County Council must approve borrowing

Board of trustees holds public hearing on lease to receive comments on whether the lease terms are fair and reasonable

Preliminary plans and specifications and the proposed lease must be available for inspection prior to the hearing

The board of trustees and building corporation execute the lease

Publish notice of execution of lease

Two professional appraisers prepare a joint appraisal of real estate to be sold to building corporation

If real estate was acquired by the library within the last three years, the amount the building corporation pays the library for the real estate may not be less than the original purchase price

Publish notice of receipt of construction bids

Receive and award construction bids to lowest responsible and responsive bidder

Publish bond sale notice (if a competitive sale is used)

Besides local papers, also publish in the Indianapolis in The Court & Commercial Record

Bond Sale (this may be negotiated with an underwriter if the library chooses)

Delivery of bonds and money --the closing

Bond counsel delivers opinion that lease is a valid obligation and that interest on bonds is tax-exempt

## **K. The Role of the Building Corporation**

Under the Indiana Constitution a municipal corporation, such as a library, has a debt limitation of two percent of the net assessed valuation of property within the district. A building corporation is formed during a lease financing to assist the library in constructing and financing a project which it could not do alone because of this limitation. In this way the building corporation acts as a conduit. It is important to stress to the members of the building corporation that their role is to assist the library with its building project.

From the building corporation's perspective, there are three major phases to a building project. During the first phase, the members of the building corporation will meet and organize, approve the form of the lease and approve the plans and specifications for the building developed by the architect selected by the library. The library will also approve the plans and specifications and the form of the lease and after a notice period, hold a hearing on the lease.

The second phase is the financing part of the project. The building corporation will meet and approve the issuance of bonds to finance the project, the trust indenture and the official statement. The official statement is a document describing the building corporation, the library and the project and is used by the underwriter to market the bonds. During this phase, the bonds are sold and a closing occurs. At the closing, a transcript of the proceedings of the library and the building corporation with closing certificates is assembled. The bonds are delivered to the underwriter in exchange for payment.

The third phase of the project is the construction of the project. During this phase, the architect and construction manager, if applicable, will typically present contractor invoices for payment to the Board of Library Trustees, who will approve such payment. The invoices are then submitted to the building corporation for approval. The invoices will be attached to an affidavit for payment signed by two officers of the building corporation for approval. The invoices will be attached to an affidavit for payment signed by two officers of the building corporation or its designated representative and submitted to and paid by the trustee out of bond proceeds.

The building corporation will also need to approve any change orders required during construction after such change orders have been recommended by the architect and construction manager, if applicable, and approved by the Board of Library Trustees. The building corporation will need to hold annual meetings and make all necessary filings to continue its existence. Typically, the building corporation will continue to exist until the bonds are paid off, but it will not be active unless market conditions make a refunding economically feasible.

As with any other type of corporation, the members do not have individual liability for debts or obligations of the corporation. IC 23-17-13-1(d) further states that "(a) director is not liable

for an action taken as a director, or failure to take such action, unless: . . . the breach or failure to perform constitutes willful misconduct or recklessness.”

During phase two, as described above, there is a possibility of liability under certain Security and Exchange Commission rules designed to prevent fraud in the sale of securities. The financial advisor, local counsel and bond counsel will assist the building corporation in avoiding such liability. The Board of Library Trustees and building corporation members can also assist in avoiding liability by reviewing the Official Statement for accuracy and completeness.

The members of the building corporation are an important part of any lease financing, and a library should appreciate the members’ dedication to helping build a better library for the community. It is, however, important to emphasize to members of the building corporation that this building project is the library’s project before, during and after the involvement of the building corporation. If that point is understood and accepted by members of the building corporation, there should be no opportunity for tension between the library and the building corporation.

### **Bond Sale: Negotiated Versus Competitive**

Bonds issued by a building corporation, in connection with a library lease financing pursuant to Indiana Code 36-1-10, may be issued using a competitive sale or by negotiating with an investment banker. Various factors should be considered in determining which type of sale is appropriate for a particular library’s transaction. The financial advisor, based on his or her experience, will be able to make a recommendation; however, the ultimate decision is with the library.

With a competitive sale, a bond sale notice is published establishing a date or range of dates on which the building corporation will receive bids on its bonds. Generally, the financial advisor will supply the potential underwriters with maturity dates and amounts, either with the notice or just prior to the sale. The financial advisor will generate this schedule of maturity dates and amounts based upon estimated interest rates. The underwriter’s bid will contain the interest rates for those maturity dates and amounts and the underwriter’s discount. At the time of the sale, the building corporation will receive bids and, after the financial advisor reviews the bids, award the bonds to the underwriter offering the lowest interest cost. Many financial advisors believe that the building corporation will receive the best interest rates on its bonds at a competitive sale on the date of the sale because the competition will require the underwriters to offer the best interest rates possible on that day to win the bonds. Some libraries like competitive sales because it avoids the political problem of having to choose an underwriter.

With a negotiated sale, the library chooses an investment banker to underwrite the bonds. The library may use a financial advisor and an underwriter, if it desires, or it may use the investment banker as both financial advisor and underwriter. The underwriter will watch the bond market and choose a day to sell the bonds which it believes will generate the best interest rates. After the underwriter markets the bonds, the building corporation and the underwriter

will execute a bond purchase contract, which locks in the interest rates.

Financial advisors may recommend to a library or a library may decide on its own, that a negotiated sale would have certain advantages in a particular transaction. The decision to use a negotiated sale is sometimes merely based on the personal preferences and prior experiences of the board of trustees involved. There are certain factors, however, that tend to suggest that a negotiated sale may be of some advantage.

If a bond issue is very large or if the interest rate markets are very volatile, it may be appropriate to negotiate the issue. With a large issue it becomes difficult for an individual underwriter to submit a bid and therefore the underwriter joins a syndicate of underwriters to submit one joint bid. If this happens, competition may be limited or eliminated because of the small number of bids received. Financial advisors seem to vary on what size of issue is too large to sell competitively.

There are times when a library is trying to control its debt service and tax rate and therefore a very deliberate amortization schedule is desired. For example, a library may have a new industry in its district that currently is receiving property tax abatement, but in ten years will embody a large portion of the library's tax base. The financing can be structured in a way using capital appreciation bonds that will allow the debt service to be minimized for the first ten years of the issue until the industry comes on line. Capital appreciation bonds can only be accomplished with a negotiated sale. It is also possible, where a library is paying off other obligations (such as general obligation bonds or leases) over time, to structure the financing to achieve a relatively flat tax rate. Certain tax rate structuring will be more efficient with a negotiated sale.

Another scenario in which negotiated sales become very attractive is when the library has a story to tell. For example, a few years ago a major industry in a particular school corporation announced its closure the day before the school corporation had advertised to receive competitive bids on its bonds. The school corporation talked with an investment banker and explained the community's plans for dealing with the closure. The investment banker, on a negotiated basis, was able to sell the bonds by explaining the events to its potential customer.

Sometimes it is important for a library to sell the bonds as quickly as possible. For example, construction bids may be on the verge of expiring and the library wants to give notice to proceed as soon as possible. Often, negotiated sales can be accomplished more quickly because there is not the fifteen day advertisement requirement, as there is with a competitive sale.

The decision between a competitive bond sale and a negotiated bond sale is ultimately the library's decision. The financial advisor can provide the library with the various advantages and disadvantages for a particular transaction to assist in the decision.

## **M. New Circuit Breaker Law**

In the simplest terms, the circuit breaker tax credit enacted in the Indiana General Assembly puts a percentage cap on property taxes for certain taxpayers beginning with taxes payable in 2008. The percentage amount of the cap is based on the type of property. The percentages will decrease each year (in other words the amount of the cap will decrease) which will increase the potential loss to the governmental entities who receive tax dollars from that taxpayer until 2010 at which time the following will apply:

-Residential Homesteads – 1% of gross assessed valuation of the property  
-Rental property and Agriculture – 2% of gross assessed valuation of the property  
-Business – 3% of gross assessed valuation of the property

Even though the circuit breaker tax caps effect will not be fully felt until 2010, it is already having an effect on governmental units and school districts. The impact of the circuit breaker credit could be minimal for some libraries, but for others in connection with borrowing it could result in downgrades of credit ratings and may prevent them from being able to sell bonds.

Each taxing unit's ability to generate income will be linked to others in the taxing district. Since circuit breaker losses are shared by all taxing entities in the district, if one entity issues bonds or increases its tax rates, it impacts the ability of other entities in the district to do the same.

## **N. In Conclusion**

A library project (and related financing) does not have to be a painful experience. There will be anxious moments in every project, such as the minutes before construction bids are opened. There will also be times when it appears that the legal process takes forever to complete. But with proper planning, good and open communication and the assistance of qualified, experienced professionals, the process and the end result can be very rewarding.

## Chapter 19

# Friends and Foundations

### Friends of the Library

- Every library needs friends.
- In 2014, two-thirds of Indiana's public libraries had an active Friends group.
- The Friends of the Library organization is the right arm of the library.
- The Friends can have fund raising campaigns, book sales, etc. to help with the needs of the library beyond what the library can do, either financially or legally.
- Friends groups can buy incentives for summer reading programs, food as a drawing card for teen programs, or recognition programs for volunteers and staff. The list goes on and on. It is only limited by the imaginations of the Friends members and the funding they have to develop and carry out the dreams of the library.
- Friends also help the library as volunteers, advocates and lobbyists.

### Working with your Friends

#### 1. How to Organize a Friends Group

- Determine the purpose of and need for the group. This should be done with the director and a small core of concerned citizens.
- Select a steering committee to reflect your community and the needs of the group. It is important to have access to an attorney, public relations and advertising talent, and high profile leaders.
- Optional- Join the Friends of Indiana Libraries (FOIL):
  - <http://www.ilfonline.org/general/custom.asp?page=foildivision>
- Work on obtaining Federal tax-exempt status [501(c)(3)]. Here is some general information about the 501c designation.
  - [en.wikipedia.org/wiki/501\(c\)](en.wikipedia.org/wiki/501(c))
  - [www.501c3.org/what-is-a-501c3/](http://www.501c3.org/what-is-a-501c3/)
- The following IRS URLs will provide helpful information.

- [www.irs.gov/publications/p557/index.html](http://www.irs.gov/publications/p557/index.html)
- State tax-exempt status at
  - [www.in.gov/sos/business/2426.htm](http://www.in.gov/sos/business/2426.htm)
- Many organizations use a lawyer's services. The 501(c)(3) designation is required so that
  1. The Friends group can legally sell items donated to your organization by the library [IC 36-12-3-5(c)]; and
  2. When the Friends group collects dues or donations, they will be tax-deductible. A tax advisor can furnish more guidance.
- At the same time, work on a constitution and by-laws.
- Define your dues structure and membership categories.
- Decide on membership brochure, artwork, and how you will reproduce and distribute the brochure.
- Begin the publicity campaign in your community. Be sure to involve elected officials, trustees, and other interested parties.
- Determine a tentative schedule for the first year, in order to involve new members on committees as soon as they join.
- If fund raising is important, have a campaign in place and set goals. People like to know where their money is going.
- Set the opening meeting. Plan the program carefully. Have a brief agenda for the first annual meeting.
- Develop a long-range plan for Friends. Re-evaluate after the first year.

## **2. How to Revitalize Your Friends Group**

- Define problem areas for group (or board of directors). Confidential phone calls to directors or member dropouts will help.
- Give a party for members and past members only. It should be fun, with refreshments and music. Use any reason for the party: holiday, author, recognition, social evening. A private home will make it special.
- Be sure to include the dropouts and get a little help from many people to ensure attendance. Have various people be responsible for bringing food and necessary articles.
- Send out pre-event and post-event publicity with names and photos. Make the Friends look like a fun and meaningful group.
- Reevaluate your goals and objectives with the information you should now have.
  - Did you have too broad a mission?
  - Were you stressing fund-raising to the neglect of other activities?
- Reorganize the board of directors, adding positions and breaking down responsibilities so that individuals do not have too great a burden. Enlarge committees.
- Review benefits of membership, making sure they are in line with what your community expects.
- Review communications to members; are they being kept informed? Are you taking advantage of the materials United For Libraries provides?

- Consider enrolling of new members as a year-round effort, not limited to a certain period. Be sure brochures are available at every event and at the library desk.
- Be sure to appreciate and recognize efforts of every magnitude. Recognition is of primary importance to volunteers.

## Public Library Foundations

Providing revenues to the library to enhance services is the most direct and observable activity of a library foundation, but a foundation has other advantages. As of 2014, only about one in nine public libraries in Indiana had a foundation.

### **1. Benefits of a Library Foundation**

- A foundation can give the library alternatives it usually does not have in its budget structure. Sometimes during a tightly budgeted fiscal year an unplanned opportunity or necessary expense presents itself. A budget has little flexibility, but the foundation may have resources to meet the unforeseen need.
- Many public libraries are limited in the amount of reserve or building funds they can accumulate. A foundation can be used for this purpose without interfering with annual budget proposals or negotiations.
- Another more subtle benefit is that people seem to have confidence in foundations. The word itself provides feelings of safety and security. So does the word “library.” When the two words are used together, and a list of prominent citizens who serve as board members and manage the foundation is added, potential contributors are convinced and willing to give support.

### **2. Forming a Foundation**

Before taking the legal steps to actually organize or establish a foundation for a public library, it is wise to take time to do some planning, decision making and educating.

- The success of a foundation hinges on the performance of the library in the community,

the support of the staff and board of trustees for a foundation, and the careful choice of persons to serve as the board of the foundation.

- In addition to acceptance of the concept, the library should identify its roles and develop a mission statement and strategic plan.
- A long-range plan can help identify library needs and provide a sense of purpose to the foundation.
- Many libraries choose to start an account in a community foundation.

### **3. Choosing a Board**

- It is essential that foundation board members be influential residents of the community, able to garner financial support from their contacts and from business and industry, able to personally give financial support, and able to command respect for the library.
- The board should represent a good cross-section of the community.
- Another group to consider is the local Friends of the Library. If an active group exists in the community, consider whether the foundation should be created by the Friends with strong Friends membership on the foundation board, or whether the foundation would function better as an independent association. At least consider appointment of a Friends member to the Foundation Board, along with other civic groups with strong ties to the library.

### **4. Organizational Meeting**

- Once a list of potential foundation board members is selected, it is time to invite them to an organizational meeting. This is a vital moment in the life and success of a foundation.
- First impressions last.
- Outline the needs of the library, as well as the role a foundation and its board can play in fulfilling those needs.
- Be prepared for questions about the library and the perceived need for and value of the foundation.
- Point out how valuable this coalition would be to the community.
- Before they leave, try to gain a commitment from each individual to serve on the foundation board.

### **5. Articles of Incorporation**

Articles of Incorporation should be brief and contain only the most essential facts about the organization. These would include:

- Name of corporation
- Duration of the corporation
- Purpose of the corporation
- Address of the corporation
- Management of the corporation
- Name of the registered agent

- Names and addresses of the initial board
- Hold harmless clause (for protection for board members)
- Provision of distribution of assets upon dissolution

## **6. Bylaws**

Bylaws are the guidelines and procedures under which the foundation will operate. They include:

- Location of corporation
- Members
- Meetings
- Board of directors
- Officers
- Executive director
- Committees
- Fiscal year
- Dues
- Books and records
- Contracts, loans, check and deposits
- Dissolution
- Amendments
- Rules of order
- Waiver of notice
- Indemnification

## **7. Applying for Tax Exempt Status**

- Once the organization has incorporated with the state, received an employer identification number, and adopted bylaws, it is ready to file for recognition of exemption from federal income tax.
- The magic number at this point is 501(c)(3). Contact the local IRS center for the appropriate forms to complete.
- The forms can be completed while waiting for certification from the state and should be done by or reviewed by an attorney.
- The form asks the following:
  - Signature of authorized person
  - Employer identification number
  - Previous tax returns
  - Balance sheet of receipts and expenditures for current and preceding three years or a proposed two year budget
  - Description of anticipated activities
  - Articles of incorporation
  - Bylaws

## 8. Announcing the Foundation to the Public

Any time after adopting the bylaws, the new foundation may declare its existence and begin receiving contributions.

- The announcement to the public should be planned carefully. All persons involved in the foundation must be committed to the protection of the library's tax support.
- When a necessary and visible item is purchased for the library, the publicity surrounding its arrival can be used as a vehicle to acquaint people with the foundation.
- Each new public library foundation needs to find its own appropriate way of "going public."

## 9. Funding a Foundation

A new library foundation needs money. There are various methods of encouraging contributions:

- Deferred giving
- Endowment fund drives
- Direct mail
- Special events
- Raffles
- ...Any other creative fund-raising idea that is legal!
