Re: Reminder to Keep Vacancy Information Updated

This notice is a reminder to all property management agents of IHCDCA funded rental housing to confirm that their property information is updated in the [Indiana Housing Now](#) website and through the [IHCDCA Online Management System](#) tenant event reporting.

IHCDA is preparing to help provide housing options to displaced persons who have lost their residence as a result of Hurricane Harvey and may be looking to relocate to Indiana. As part of this effort, it is critical to have updated information on vacant units.

For additional information on IHCDCA's efforts to assist with emergency housing for persons displaced by Hurricane Harvey, please see [RED Notice 17-47](#).
