

ENROLL TODAY

SAVE ENERGY AND MONEY TOMORROW

INDIANAPOLIS, IN
BEGINS JULY 20, 2017

Building Operator Certification is a nationally recognized, award-winning training program that offers facilities personnel the knowledge and skills to succeed in their careers.

With a combination of hands-on and classroom training, BOC delivers immediate results and long-term savings that benefit operators, owners and occupants.

- **Enhance your job skills and competitiveness**—over 50% of BOC graduates report increases both in job responsibilities and compensation.
- **Improve the comfort and safety of your building occupants** through increased communication and implementation of practical no-cost and low-cost solutions.

The Indiana Office of Energy Development is excited to support this BOC training in Indiana. This important program will improve workforce skills, energy efficiency and cost savings throughout our State.
