Consumer News... For You!

February

WINTER GOES ON

On this Groundhog Day, Punxsutawney Phil saw his shadow. If the legend holds true, that means we are in for six more weeks of winter weather. If you need tips for keeping the heating bill in check, please visit our website. And remember, budget billing can help ensure consistent charges from month to month.

HEATING ASSISTANCE

If you need help with paying your winter heating bills, funds are available. By calling 2-1-1 or 1-866-211-9966, you can be connected now with local financial assistance resources. 2-1-1 is available in all 92 Indiana counties and can help with utility assistance, food, clothing, mental health and addition resources, and much more.

VECTREN GAS RATE CASES

The OUCC continues to invite written consumer comments in the Vectren (CenterPoint) natural gas rate cases. Comments are invited through Feb. 12 in the Vectren <u>South</u> case, affecting customers in the 9-county southwestern Indiana region formerly served by Southern Indiana Gas & Electric Co. (SIGECO). In the Vectren <u>North</u> case, affecting the former Indiana Gas Co. territory in central, north central, and southeastern Indiana, comments are due by Mar. 24. The OUCC invites <u>consumer comments</u> by mail, email, and through our website.

ADDITIONAL CASE UPDATES

- The IURC has approved settlement agreements in the <u>Richmond Power & Light</u> and <u>Cedar Lake water</u> rate cases.
- The OUCC has reached settlement agreements in the <u>Columbus City Utilities</u> water and <u>Crawfordsville Electric Light & Power</u> rate cases.
- Closing briefs are being filed on <u>Community Utilities of Indiana's</u> request (Lake & Porter Counties) for pre-approval of capital projects.
- OUCC testimony on <u>American Suburban Utilities</u>' sewer rates (Tippecanoe County) is due Feb.
 17.
- Ohio Valley Gas is proposing to buy Grandview's municipal natural gas utility (Spencer County).
 OUCC testimony is due Mar. 10.

OUR MISSION

To represent all Indiana consumers to ensure quality, reliable utility services at the most reasonable prices possible through dedicated advocacy, consumer education, and creative problem solving.
