(b) A licensee who renews a license as a social worker, clinical social worker, marriage and family therapist, marriage and family therapist associate, mental health counselor, mental health counselor associate, addiction counselor, or clinical addiction counselor shall complete not less than twenty (20) CEUs per year, in compliance with section 1(b) of this rule, for a total of forty (40) CEUs for the two (2) year renewal period.

(c) A minimum of one (1) CEU of the required ten (10) Category I CEUs per year shall have a content area focusing on ethics and professional conduct, including boundary issues, from a Category I provider.

(d) If a licensee holds more than one (1):
   (1) social worker;
   (2) clinical social worker;
   (3) marriage and family therapist;
   (4) marriage and family therapist associate;
   (5) mental health counselor;
   (6) mental health counselor associate;
   (7) addiction counselor; or
   (8) clinical addiction counselor;

license issued under IC 25-23.6, then CEUs obtained to meet the CEUs required for renewal of one (1) license may be applied towards the CEUs required for renewal of each license held.

(e) CEUs shall:
   (1) be obtained within the biennial renewal period in which the licensee is applying; and
   (2) not be carried over from one (1) biennial renewal period to another.

(f) A holder of a license issued under IC 25-23.6 must retain a record of the continuing education required by section 2(a) of this rule for four (4) years following the end of the biennial renewal period in which it was obtained.

(g) Continuing education used to satisfy the continuing education requirements of another state, in which the licensee also holds a license to practice as a mental health professional, may be applied towards the CEUs required for renewal of a license issued under IC 25-23.6.

(h) A holder of a license issued under IC 25-23.6 who has been licensed for less than two (2) full years before the first renewal date for that license shall meet the following continuing education requirements for the licensee's first renewal period:
(1) A licensee who has been licensed for at least twelve (12) months, but less than twenty-four (24) months, shall complete at least one-half (1/2) of the CEUs required for renewal of that license. At least fifty percent (50%) of these CEUs shall be obtained from Category I, and not more than fifty percent (50%) shall be obtained from Category II.

(2) A licensee who has been licensed for less than twelve (12) months shall be exempt from the CEUs required for renewal of that initial license.

839 IAC 1-6-4 Continuing education audit
Authority: IC 25-23.6-2-8
Affected: IC 25-23.6
Sec. 4. The board may require additional evidence demonstrating the license holder's compliance with the continuing education requirements of this rule. This additional evidence shall be required in the context of a random audit. It is the responsibility of the license holder to verify that the CEUs obtained to meet the continuing education required for the renewal of their license have been approved by the board. It is the responsibility of the license holder to retain or otherwise produce evidence of compliance.

839 IAC 1-6-5 Request for a waiver of the continuing education requirement
Authority: IC 25-23.6-2-8
Affected: IC 25-23.6
Sec. 5. (a) A holder of a license issued under IC 25-23.6, seeking renewal of that license without having completed the CEUs required for renewal under this rule, must submit:
(1) a statement explaining the reasons for noncompliance;
(2) a request for a waiver of the CEUs required for renewal; and
(3) the renewal application and all required fees;
at least forty-five (45) days prior to the license expiration date.
(b) The license holder must submit evidence that an extreme hardship exists, to the satisfaction of the board, to be granted a waiver.
(c) If the request is granted, the waiver will be effective for the length of the current renewal period only.
(d) If the request is denied, the license holder is responsible for completing the full amount of continuing education required for license renewal.
(e) Waivers may be granted if an extreme hardship exists. The board will determine whether an extreme hardship exists that would have prevented the licensee from obtaining his or her CEUs, including, but not limited to, the following:
(1) For at least one (1) year during the current renewal period, the licensee was absent from Indiana due to full-time service in the Armed Services of the United States.
(2) During the licensee's current renewal period, the licensee or an immediate family member, where the licensee has primary responsibility for the care of that family member, was suffering from or suffered a disability. A disability is a physical or mental impairment that substantially limits one (1) or more of the major life activities of an individual. The existence of the disability must be verified by a licensed physician or psychologist, with special expertise in the area of the disability. Verification of the disability must include the following:
(A) The nature and extent of the disability.
(B) An explanation of how the disability would hinder the licensee from completing the continuing education requirement.
