If the licensing agency delays reinstating a license, certificate, or registration, the licensing agency shall notify the applicant that the applicant is being investigated. Except as provided in subsection (c), the board shall do one (1) of the following before the expiration of the one hundred twenty (120) day period:

(d) If the board makes a request under subsection (b)(4), the office of the attorney general shall conduct an investigation. Upon completion of the investigation, the office of the attorney general may file a petition alleging that the applicant has engaged in activity described in IC 25-1-9-4 or IC 25-1-11-5. If the office of the attorney general files a petition, the board shall set the matter for a public hearing. If, after a public hearing, the board finds that the applicant violated IC 25-1-9-4 or IC 25-1-11-5, the board may impose sanctions under IC 25-1-9-9 or IC 25-1-11-12. The board may delay reinstating a license, certificate, or registration beyond one hundred twenty (120) days after the date the applicant files an application for reinstatement of a license, certificate, or registration until a final determination is made by the board.

(e) The license, certificate, or registration of the applicant for license reinstatement remains invalid during the one hundred twenty (120) day period unless:

- (1) the license, certificate, or registration is reinstated following a personal appearance by the applicant before the board before the end of the one hundred twenty (120) day period;
