Dear Ms. Vaught:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 12-164 and proposed by the Indiana Optometry Board ("IOB"). The proposed rule makes various changes to 852 IAC in order to streamline the code and eliminate duplication. The portions being repealed are being added elsewhere, unless doing so would result in duplication.

The economic impact statement prepared by the IOB indicates that no costs will be imposed on small businesses as a result of the proposed rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.
