7. Click the blue attachment that says: **Patient Rx History Report**. This will bring up the report in a new window. You must scroll down past the disclaimer to view the actual report. ** **If your report is a Microsoft Excel spreadsheet, the report is present on Sheet 2.**

If you received an error message (request exceeded threshold) and did not receive the report right away, it has been sent to the INSPECT office for manual processing. Your report will be returned and available for viewing within 24 business hours.

The default report format is Adobe .PDF. If you switch the report format to "Excel" on the Request page, your report can be exported to Microsoft Excel, where you can create a table to sort records if needed.
