

Indiana Department of Environmental Management

We Protect Hoosiers and Our Environment.

Solid Waste Management District and household hazardous waste programs

This list contains contact information for local solid waste management districts and household hazardous waste service providers. In Indiana, both Solid Waste Management Districts and communities provide HHW services. If you are unsure about who to contact in your community with questions, SWMDs provide information about HHW services for the county or counties they serve. Updated December, 2011.
