Dear Mr. Sembroski,

Pursuant to IC 4-22, the Indiana Office of Small Business and Entrepreneurship (OSBE) has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 16-54 proposed by the Indiana Department of Child Services (DCS). The proposed rule makes numerous changes to 465 IAC 1-1 to delete obsolete references, to define the "department" as the "Indiana department of child services", and to replace "division of family and children" with the "department" or "central collection unit" as appropriate throughout the rule. Amends 465 IAC 1-1-1 to include parent locator services as a part of child support services, to include a definition of the term "fees", to clarify "nonpublic assistance recipient", and to make other technical changes. Amends 465 IAC 1-1-2 regarding child support services fees paid by persons who have not received federal public assistance. Amends 465 IAC 1-1-11 regarding recoupment of overpayments of child support. Repeals 465 IAC 1-1-4, 465 IAC 1-1-7, 465 IAC 1-1-9, and 465 IAC 1-1-10. Effective 30 days after filing with the Publisher.

The economic impact statement prepared by DCS states the purposed rule will not impose an economic impact on small businesses under IC 4-22-2.1-5. OSBE does not object to the economic impact to small business associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 317.232.5679 or ombudsman@osbe.in.gov.
