INDEPENDENT ACCOUNTANT'S REPORT

TO: THE OFFICIALS OF THE JOHNSON COUNTY SOIL AND WATER
CONSERVATION DISTRICT, JOHNSON COUNTY, INDIANA

We have examined the schedules of receipts, disbursements, and cash and investment balances of the Johnson County Soil and Water Conservation District (District), for the period of January 1, 2004 to December 31, 2005. The District's management is responsible for the schedules. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the schedule of receipts, disbursements, and cash and investment balances and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the schedules referred to above present fairly, in all material respects, the cash transactions of the District for the years ended December 31, 2004 and 2005, based on the criteria set forth in the uniform compliance guidelines established by the Indiana State Board of Accounts.

State statute (IC 5-13-9) authorizes the District to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 4. Long-Term Debt

The District has entered into a loan for a heating and air conditioning system and a loan for a copier. The outstanding principal at December 31, 2005, was \$15,076 and \$9,642, respectively.
