INDEPENDENT ACCOUNTANT'S REPORT

TO: THE OFFICIALS OF THE GRIFFIN-BETHEL TOWNSHIP FIRE  
PROTECTION DISTRICT, POSEY COUNTY, INDIANA

We have examined the schedules of receipts, disbursements, and cash and investment balances of the Griffin-Bethel Township Fire Protection District (District), for the period of January 1, 2004 to December 31, 2005. The District's management is responsible for the schedules. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the schedule of receipts, disbursements, and cash and investment balances and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the schedules referred to above present fairly, in all material respects, the cash transactions of the District for the years ended December 31, 2004 and 2005, based on the criteria set forth in the uniform compliance guidelines established by the Indiana State Board of Accounts.

GRIFFIN-BETHEL TOWNSHIP FIRE PROTECTION DISTRICT  
NOTES TO SCHEDULES

Note 1. Introduction

The District was established under the laws of the State of Indiana. The District provides the following services: public safety and general administrative services.

Note 2. Fund Accounting

The District uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the District in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the District on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the District to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

EXAMINATION RESULTS AND COMMENTS

LIST OF EMPLOYEES NOT FILED WITH COUNTY TREASURER

Officials or employees of the Fire District had money due from the Fire District, but a list of such employees was not certified to the County Treasurer in 2005.

Indiana Code 6-1.1-22-14(a) states in part: "On or before June 1 and December 1 of each year . . . the disbursing officer of each political subdivision . . . shall certify the names and addresses of each person who has money due from the political subdivision to the treasurer of each county in which the political subdivision is located."

OPTICAL IMAGES OF CHECKS

The financial institution did not return the actual cancelled checks with the monthly bank statements, but instead returned an optical image of only the front side of the checks for the year 2005.

Indiana Code 5-15-6-3(a) concerning optical imaging of checks states, in part:

". . . 'original records' includes the optical image of a check or deposit document when:

- (1) the check or deposit document is recorded, copied, or reproduced by an optical imaging process . . . ; and
- (2) the drawer of the check receives an optical image of the check after the check is processed for payment . . ."

Furthermore, Indiana Code 26-2-8-111 states, in part:

(a) "If a law requires that certain records be retained, that requirement is met by retaining an electronic record of the information in the record that:

- (1) accurately reflects the information set forth in the record after it was first generated in its final form as an electronic record or otherwise; and
- (2) remains accessible for later reference."

(e) "If a law requires retention of a check, that requirement is satisfied by retention of an electronic record of the information on the front and back of the check in accordance with subsection (a)."

OFFICIAL BOND

The official bond for the Fire District Treasurer was not filed in the Office of the County Recorder.

Indiana Code 5-4-1-5.1(b) states in part: "Every elected or appointed officer, official, deputy, or employee of a political subdivision . . . shall file the bond in the office of the county recorder . . ."
