INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS  
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

TO: THE OFFICIALS OF THE TRITON SCHOOL CORPORATION, MARSHALL COUNTY, INDIANA

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Triton School Corporation (School Corporation), as of and for the years ended June 30, 2005 and 2006, which collectively comprise the School Corporation's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School Corporation's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note I, the School Corporation prepares its financial statements on the prescribed basis of accounting that demonstrates compliance with the cash and investment basis and budget laws of the State of Indiana, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash and investment balances of the governmental activities, each major fund, and the aggregate remaining fund information of the School Corporation as of June 30, 2005 and 2006, and the respective cash receipts and cash disbursements during the years then ended on the basis of accounting described in Note I.

In accordance with Government Auditing Standards, we have also issued a report dated December 11, 2006, on our consideration of the School Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. Our report on compliance and on internal control over financial reporting should be read along with this report.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of the School Corporation taken as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS  
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
(Continued)

The Schedule of Funding Progress, as listed in the table of contents, is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management, regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The School Corporation has not presented Management's Discussion and Analysis or Budgetary Comparison Schedules that accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the School Corporation's basic financial statements. The Schedule of Capital Assets, and Schedule of Long-Term Debt are presented for additional analysis and are not a required part of the basic financial statements. The Schedule of Capital Assets and Schedule of Long-Term Debt have not been subjected to the auditing procedures applied by us in the audit of the basic financial statements and, accordingly, we express no opinion on them.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

TO: THE OFFICIALS OF THE TRITON SCHOOL CORPORATION, MARSHALL COUNTY, INDIANA

We have audited the financial statements of the Triton School Corporation (School Corporation), as of and for the years ended June 30, 2005 and 2006, and have issued our report thereon dated December 11, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the School Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the School Corporation's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the School Corporation's management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

TRITON SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENTS

I. Summary of Significant Accounting Policies

A. Reporting Entity

School Corporation, as used herein, shall include, but is not limited to, school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The School Corporation's financial reporting entity is composed of the following:

Primary Government: Triton School Corporation

In determining the financial reporting entity, the School Corporation complies with the provisions of GASB Statement No. 14, *The Financial Reporting Entity*.

Joint Venture

The School Corporation is a participant with nine other School Corporations in a joint venture to operate North Central Area Vocational Cooperative (Cooperative) which was created to provide programs and services for vocational education. The Cooperative's continued existence depends on continued funding by the School Corporation. Complete financial statements for the Cooperative can be obtained from the administrative office at 222 N. Ohio Street, Culver, IN 46511.

The School Corporation is a participant with nine other School Corporations in a joint venture to operate Joint Educational Services in Special Education (JESSE) which was created to provide programs and services for the handicapped. The School Corporation funds its proportional share based upon the average daily membership of all members of JESSE. JESSE's continued existence depends on continued funding by the School Corporation. Complete financial statements for JESSE can be obtained from the administrative office at 324 N. Kingston Road, Plymouth, IN 46563.

The School Corporation is a participant with approximately forty other school corporations in a joint venture to operate Northern Indiana Educational Services Center (NIESC) which was created to provide educational services for the school corporations. The School Corporation is obligated by contract to remit a fee based upon a formula per ADM annually to supplement NIESC. NIESC's continued existence depends on continued funding by the School Corporation. Complete financial statements for NIESC can be obtained from the administrative office at 56535 Magnetic Drive, Mishawaka, IN 46545.

TRITON SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

B. Government-Wide and Fund Financial Statements

Government-Wide Financial Statements

The Statement of Activities and Net Assets – Cash and Investment Basis displays information about the reporting government as a whole. It includes all funds of the reporting entity except for fiduciary funds. The statement distinguishes between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services. The School Corporation has no business-type activities.

Fund Financial Statements

Fund financial statements of the reporting entity are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitutes its assets, liabilities, fund equity, receipts, and disbursements. Separate financial statements are provided for governmental funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. However, at this time, the School Corporation has not established any enterprise funds.

The School Corporation reports the following major governmental funds:

The general fund is the primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The transportation operating fund accounts for financial resources for the transportation of school children to and from school.

The debt service fund accounts for debt from funds borrowed or advanced for the purchase or lease of school buildings, school buses, judgments against the corporation, equipment or capital construction, and interest on emergency and temporary loans.

The capital projects fund accounts for planned construction, repair, replacement or remodeling; and the purchase, lease, upgrade, maintenance, or repair of computer equipment.

The school bus replacement fund is used to account for receipts and disbursements concerning the acquisition and disposal of school buses.

Additionally, the School Corporation reports the following fund types:

The pension trust funds account for receipts and disbursements concerning retirements/severance benefits as authorized by statute.

Agency funds account for assets held by the School Corporation as an agent for employees and serve as control of accounts for certain cash transactions during the time they are a liability to the school corporation.

TRITON SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

C. Measurement Focus and Basis of Accounting

The government-wide, governmental fund, and fiduciary fund financial statements are reported using the basis of accounting that demonstrates compliance with the cash and investment basis and budget laws of the State of Indiana, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The cash and investment basis of accounting differs from accounting principles generally accepted in the United States of America in that receipts are recognized when received in cash rather than when earned and disbursements are recognized when paid rather than when a liability is incurred. Investment transactions are not presented on the financial statements.

If the School Corporation utilized the basis of accounting recognized as generally accepted, the fund financial statements for governmental funds would use the modified accrual basis of accounting, while the fund financial statements for proprietary fund types would use the accrual basis of accounting. All government-wide financials would be presented on the accrual basis of accounting.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, the School Corporation's policy is to use restricted resources first, then unrestricted resources as they are needed.

D. Assets and Cash and Investment Balances

1. Cash and Investments

Investments are stated at cost. Any changes in fair value of the investments are reported as interest receipts in the year of the sale of the investment.

2. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the School Corporation in June and in December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the School Corporation on or prior to June 30 of the year collected.

3. Compensated Absences

a. Sick Leave

Employees earn sick leave at the rate of 3 to 12 days per year based on employee classification and the months of service. Unused sick leave may be accumulated to a maximum of 75 to 178 days. Accumulated sick leave is not paid to employees.

TRITON SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

b. Vacation Leave

Nonteaching or administrative and noncertified School Corporation employees earn vacation leave at rates from 1 day to 20 days per year based upon the number of years of service and employee classification. Vacation leave does not accumulate from year to year, except for the Superintendent. A maximum of 10 unused vacation days may be carried over for the Superintendent. A maximum of 5 unused vacation days are paid to the Superintendent each year through cash payments.

c. Personal Leave

School Corporation employees earn personal leave at the rate of 1 to 2 days per year, depending upon the employee classification. Unused personal leave may be accumulated to a maximum of 2 to 3 days, depending on classification. Unused personal days exceeding the maximum are transferred to sick leave. Accumulated personal leave is not paid to employees.

4. Capital Assets

Capital assets arising from cash transactions acquired for use in governmental fund operations are accounted for as capital outlay disbursements of the fund upon acquisition.

5. Long-Term Debt

Long-term debt arising from cash basis transactions of governmental and proprietary funds is not reported as liabilities in the basic financial statements. The debt proceeds are reported as other financing sources and payment of principal and interest reported as disbursements.

6. Equity Classification

Government-Wide Statements

Equity is classified as net assets and displayed in two components:

- a. Restricted net assets – Consists of net assets with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or (2) law through constitutional provisions or enabling legislation.
- b. Unrestricted net assets – All other net assets that do not meet the definition of "restricted."

It is the School Corporation's policy to first use restricted net assets prior to the use of unrestricted net assets when a disbursement is incurred for purposes for which both restricted and unrestricted net assets are available.

Fund Financial Statements

Governmental fund equity is classified as fund balance.

TRITON SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

E. Receipts and Disbursements

Program Receipts

Amounts reported as program receipts include (1) charges to customers or applicants for goods, services, or privileges provided, and (2) operating grants and contributions. Internally dedicated resources are reported as general receipts rather than as program receipts. Likewise, general receipts include all taxes.

F. Internal and Interfund Balances and Activities

In the process of aggregating the financial information for the government-wide Statement of Activities and Net Assets – Cash and Investment Basis, some amounts reported as interfund activity and balances in the fund financial statements have been eliminated or reclassified.

Fund Financial Statements

1. Interfund services – Sales or purchases of goods and services between funds are reported as receipts and disbursements.
2. Interfund reimbursements – Repayments from funds responsible for certain disbursements to the funds that initially paid for them are reported as reimbursements but as adjustments to disbursements in the respective funds.
3. Interfund transfers – Flow of assets from one fund to another where repayment is not expected is reported as transfers in and out.

Government-Wide Financial Statements

Interfund activity and balances, if any, are eliminated or reclassified in the government-wide financial statements as follows:

Internal activities – Amounts reported as interfund transfers in the fund financial statements are eliminated in the government-wide Statement of Activities and Net Assets – Cash and Investment Basis. The effects of interfund services between funds, if any, are not eliminated in the Statement of Activities and Net Assets – Cash and Investment Basis.

II. Stewardship, Compliance and Accountability

A. Budgetary Information

Annual budgets are adopted on the cash basis, which is not consistent with accounting principles generally accepted in the United States of America. All annual appropriations lapse at calendar year end.

Prior to the first required publication, the fiscal officer of the School Corporation submits to the governing board a proposed operating budget for the year commencing the following July 1. Prior to adoption, the budget is advertised and public hearings are conducted by the governing board to obtain taxpayer comments. In September of each year, the governing board, through the passage of a resolution/ordinance, approves the budget for the next year. Copies of the budget resolution/ordinance and the advertisement for funds for which property taxes are levied or highway use taxes

TRITON SCHOOL CORPORATION  
 NOTES TO FINANCIAL STATEMENTS  
 (Continued)

are received are sent to the Indiana Department of Local Government Finance. The budget becomes legally enacted after the fiscal officer of the School Corporation receives approval of the Indiana Department of Local Government Finance.

The School Corporation's management cannot transfer budgeted appropriations between object classifications of a budget without approval of the governing board. The Indiana Department of Local Government Finance must approve any revisions to the appropriations for any fund or any department of the General Fund. The legal level of budgetary control is by object and department within the fund for the General Fund and by object within the fund for all other budgeted funds.

B. Cash and Investment Balance Deficits

At June 30, 2006, the following fund reported deficits in cash and investments, which are violations of the Uniform Compliance guidelines as referenced in state statute.

Fund	2006
School Bus Replacement Fund	\$ <u>15,706</u>

The cash and investment deficit arose primarily from disbursements exceeding receipts due to the underestimate of current requirements; this deficit will be repaid from future receipts.

III. Detailed Notes on All Funds

A. Deposits

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. Indiana Code 5-13-8-1 allows a political subdivision of the State of Indiana to deposit public funds in a financial institution only if the financial institution is a depository eligible to receive state funds and has a principal office or branch that qualifies to receive public funds of the political subdivision. The bank balances were insured by the Federal Deposit Insurance Corporation or the Public Deposit Insurance Fund, which covers all public funds held in approved depositories.

B. Interfund Transfers

Interfund transfers for the years ended June 30, 2005 and 2006, were as follows:

Transfer From	Transfer To	2005	2006
Capital projects	Other governmental	\$ -	\$ 100,000
Other governmental	General fund	466	-
Other governmental	Other governmental	<u>29,324</u>	<u>-</u>
Totals		<u>\$ 29,790</u>	<u>\$ 100,000</u>

TRITON SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

IV. Other Information

A. Risk Management

The School Corporation is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents and natural disasters.

The risks of torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees and natural disasters are covered by commercial insurance from independent third parties. Settled claims from these risks have not exceeded commercial insurance coverage for the past three years. There were no significant reductions in insurance by major category of risk.

Medical Benefits to Employees, Retirees, and Dependents

During 1991, the School Corporation joined the Midwest Area School Employees Insurance Trust, a public entity risk pool currently operating as a common risk management and insurance program for 15 member governmental entities. The purpose of the risk pool is to provide a medium for the funding and administration of group health insurance for member employees, retirees and dependents. The risk pool is considered a self-sustaining risk pool that will provide coverage for its members for up to \$2,000,000 maximum lifetime benefit per covered person. The risk pool obtains independent coverage for insured events in excess of the \$150,000 limit.

B. Related Party Transactions

During the period for which financial statements are presented, the School Corporation had material transactions with Larry Lemler, board member, in relation to Lemler Oil Company. Transactions for both fiscal year ending June 30, 2005, and June 30, 2006, totaled \$43,407 and \$58,644 respectively.

C. Holding Corporation

The School Corporation has entered into a capital lease with the Triton Elementary School Building Corporation (the lessor). The lessor was organized as a not-for-profit corporation pursuant to state statute for the purpose of financing and constructing or reconstructing facilities for lease to the government. Lease payments for both fiscal year ending June 30, 2005, and June 30, 2006, totaled \$335,000 and \$350,000 respectively.

D. Postemployment Benefits

In addition to the pension benefits described in Note IV E, the School Corporation provides post-employment health insurance benefits, as authorized by IC 5-10-8, to all employees who retire from the School Corporation on or after attaining age 50 with at least 10 years of service. Currently, 2 retirees meet these eligibility requirements. The School Corporation provides the same portion of the monthly premium cost as it does for employees. During the year ended June 30, 2006, disbursements of \$7,400 were recognized for postemployment benefits.

TRITON SCHOOL CORPORATION  
 NOTES TO FINANCIAL STATEMENTS  
 (Continued)

E. Pension Plan

1. Agent Multiple-Employer and Single-Employer Defined Benefit Pension Plan

Public Employees Retirement Fund

Plan Description

The School Corporation contributes to the Indiana Public Employees' Retirement Fund (PERF), a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in the defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the PERF Board, most requirements of the system and give the School Corporation authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of member's contributions, set by state statute at 3% of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

PERF administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. The report may be obtained by contacting:

Public Employees' Retirement Fund  
 Harrison Building, Room 800  
 143 West Market Street  
 Indianapolis, IN 46204  
 Ph. (317) 233-4162

Funding Policy and Annual Pension Cost

The contribution requirements of plan members for PERF are established by the Board of Trustees of PERF. The School Corporation's annual pension cost and related information, as provided by the actuary, is presented in this note.

2. Cost-Sharing Multiple-Employer Defined Benefit Pension Plan

Teachers' Retirement Fund

Plan Description

The School Corporation contributes to the Indiana Teachers' Retirement Fund (TRF), a defined benefit pension plan. TRF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the TRF Board, most requirements of the system and gives the School Corporation authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions plus an

TRITON SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

annuity provided by the member's annuity savings account. The annuity savings account consists of member's contributions, set by state statute at 3% of compensation, plus the interest credited to the member's account. The School Corporation may elect to make the contributions on behalf of the member.

TRF issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Teachers' Retirement Fund  
150 West Market Street  
Indianapolis, IN 46204  
Ph. (317) 232-3860

Funding Policy and Annual Pension Costs

The School Corporation contributes the employer's share to TRF for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995, is considered to be an obligation of, and is paid by, the State of Indiana.

Plan members are required to contribute 3% of their salary which is paid by the School Corporation and the School Corporation is to contribute at an actuarially determined rate. The current rate has been actuarially determined under the entry age normal cost method to be 6.82% of covered wages. The School Corporation's required contributions to the plan for the fiscal years ended June 30, 2006, 2005, and 2004, were \$104,940, \$102,299, and \$89,137, respectively. The School Corporation actually contributed 100% for each of the fiscal years.

TRITON SCHOOL CORPORATION  
AUDIT RESULTS AND COMMENTS

PUBLIC WORKS PROJECT

Triton School Corporation, in February 2005, contracted with Leslie Coating, Inc for repaving the tennis courts for \$74,595 and July 2006, contracted with Phend and Brown for the repaving the parking lots for \$174,300. The bid process was not implemented, the School Corporation only sought quotes for both projects.

Indiana Code 36-1-12-4(a) states in part: "This section applies whenever the cost of a public work project will be: (1) at least seventy-five thousand dollars (\$75,000) in: (A) a consolidated city or second class city; or (B) a county containing a consolidated city or second class city; (2) at least fifty thousand dollars (\$50,000) in a political subdivision or an agency not described in subdivision (1).

Indiana Code 36-1-12-4(b) states in part: "The board must comply with the following procedure: (1) The board shall prepare general plans and specifications describing the kind of public work required, but shall avoid specifications which might unduly limit competition. . . . (2) The board shall file the plans and specifications in a place reasonably accessible to the public, which shall be specified in the notice required by subdivision (3). (3) Upon the filing of the plans and specifications, the board shall publish notice in accordance with IC 5-3-1 calling for sealed proposals for the public work needed . . ."

TEXTBOOK RENTAL RECEIPTS

Textbook rental receipts in some instances did not indicate the type of funds received. As a result we could not determine if funds were deposited in the same form as received.

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual For Indiana Public School Corporations, Chapter 9)

Indiana Code 5-13-6-1(c) states in part: "Public funds deposited . . . shall be deposited in the same form in which they were received."

FUND SOURCES AND USES(Applies to Triton High School)

Funds were disbursed from the Student Activity Fund for a principal luncheon, flowers from the staff for a teacher's aid, computer software, support, and warranty, and an address stamp.

Sources and uses of funds should be limited to those authorized by the enabling statute, ordinance, resolution, or grant agreement. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

Extra-curricular activities are defined as athletic, social, or other school functions, the cost of which is not paid from public funds. These activities do not include functions conducted solely by any organization of parents and/or teachers (IC 20-41-1-7). Note that this statutory definition does not include any curricular or educational functions. All educational functions are the specific responsibility of the governing body (board of school trustees, etc.) of the school corporation acting on its behalf (IC 20-26-5-4), including providing the facilities and equipment therefore. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 6)

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

TO: THE OFFICIALS OF THE TRITON SCHOOL CORPORATION, MARSHALL COUNTY, INDIANA

Compliance

We have audited the compliance of the Triton School Corporation (School Corporation) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the years ended June 30, 2005 and 2006. The School Corporation's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on the School Corporation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the School Corporation's compliance with those requirements.

In our opinion, the School Corporation complied in all material respects with the requirements referred to above that are applicable to each of its major federal programs for the years ended June 30, 2005 and 2006.

Internal Control Over Compliance

The management of the School Corporation is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the School Corporation's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the School Corporation's management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

TRITON SCHOOL CORPORATION  
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

I. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Triton School Corporation (School Corporation) and is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Accordingly, the amount of federal awards expended is based on when the activity related to the award occurs. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

Circular A-133 requires an annual audit of nonfederal entities expending a total amount of federal awards equal to or in excess of \$500,000 in any fiscal year unless by constitution or statute a less frequent audit is required. In accordance with the Indiana Code (IC 5-11-1 et seq.), audits of School Corporations shall be conducted biennially. Such audits shall include both years within the biennial period.

II. Noncash Assistance

The School Corporation expended the following amount of noncash assistance for the years ending June 30, 2005 and 2006. This noncash assistance is also included in the federal expenditures presented in the schedule.

Program Title	Federal CFDA Number	2005	2006
National School Lunch Program	10.555	\$ 22,159	\$ 20,910
