Note 5. Pension Plan

Public Employees' Retirement Fund

Plan Description

The Solid Waste Management District contributes to the Indiana Public Employees' Retirement Fund (PERF), a defined benefit pension plan. The District's participation in PERF is through St. Joseph County's plan with PERF. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the PERF Board, most requirements of the system, and give the District authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3% of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

PERF administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:
