JOHNSON TOWNSHIP, RIPLEY COUNTY
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Township was established under the laws of the State of Indiana. The Township provides the following services: public safety, health and social services, and general administrative services.

Note 2. Fund Accounting

The Township uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Township in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Township to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

EXAMINATION RESULTS AND COMMENTS

OPTICAL IMAGES OF CHECKS

The financial institution did not return the actual cancelled checks with the monthly bank statements, but instead returned an optical image of only the front side of the checks.

Indiana Code 5-15-6-3(a) concerning optical imaging of checks, states in part:

". . . 'original records' includes the optical image of a check or deposit document when:

- (1) the check or deposit document is recorded, copied, or reproduced by an optical imaging process . . . ; and
- (2) the drawer of the check receives an optical image of the check after the check is processed for payment . . ."

Furthermore, Indiana Code 26-2-8-111 states in part:

"(a) If a law requires that certain records be retained, that requirement is met by retaining an electronic record of the information in the record that:

- (1) accurately reflects the information set forth in the record after it was first generated in its final form as an electronic record or otherwise; and
- (2) remains accessible for later reference."

"(e) If a law requires retention of a check, that requirement is satisfied by retention of an electronic record of the information on the front and back of the check in accordance with subsection (a)."

Joyce A. Samples was appointed Trustee on January 1, 2005. Mrs. Samples did not obtain an official bond when she began her term as Trustee. Currently, Mrs. Samples still has not obtained or filed an official bond in the Office of the County Recorder.

Indiana Code 5-4-1-5.1(b) states in part: "Every elected or appointed officer, official, deputy, or employee of a political subdivision . . . shall file the bond in the office of the county recorder . . ."

A similar comment was reported in prior Report B27444.

OVERDRAWN APPROPRIATIONS

Records presented for examination indicated the following expenditures in excess of budgeted appropriations:

<u>Fund</u>	<u>Year</u>	<u>Excess Amount Expended</u>
Fire Fighting	2006	\$ 2,623
Township Assistance	2006	3,627

Indiana Code 6-1.1-18-4 states in part: ". . . the proper officers of a political subdivision shall appropriate funds in such a manner that the expenditures for a year do not exceed its budget for that year as finally determined under this article."
