JACKSON TOWNSHIP, WELLS COUNTY  
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Township was established under the laws of the State of Indiana. The Township provides the following services: public safety, health and social services, and general administrative services.

Note 2. Fund Accounting

The Township uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Township in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceeding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Township on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Township to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

JACKSON TOWNSHIP, WELLS COUNTY  
EXAMINATION RESULTS AND COMMENTS

INTEREST ON INVESTMENTS

Interest earned on investments in some instances was automatically added to the principal and not recorded in the records.

Interest on investments should not be automatically added into the investment. Instead, interest on investments should be paid to the governmental unit at each maturity date and posted to the appropriate fund. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

CONFLICT OF INTEREST DISCLOSURE

David Lieurance, Clerk, is the spouse of Marilyn Lieurance, Trustee. A Uniform Conflict of Interest Disclosure Statement does not appear to have been filed for 2007.

Indiana Code 35-44-1-3 states in part:

(3) if the public servant; (A) is an elected public servant . . . and (B) makes a disclosure under subsection (d)(1) through (d)(6)."

"(d) A disclosure required by this section must: (1) be in writing; (2) describe the contract or purchase to be made by the governmental entity; (3) describe the pecuniary interest that the public servant has in the contract or purchase; (4) be affirmed under penalty of perjury; (5) be submitted to the governmental entity and be accepted by the governmental entity in a public meeting of the governmental entity prior to final action on the contract or purchase; (6) be filed within fifteen (15) days after final action on the contract or purchase with: (A) the state board of accounts; and (B) . . . the clerk of the circuit court in the county where the governmental entity takes final action on the contract or purchase . . ."

"(g) A public servant has a pecuniary interest in a contract or purchase if the contract or purchase will result or is intended to result in an ascertainable increase in the income or net worth of: (1) the public servant; or (2) a dependent of the public servant who: (A) is under the direct or indirect administrative control of the public servant; or (B) receives a contract or purchase order that is reviewed, approved, or directly or indirectly administered by the public servant . . ."

"(k) As used in this section, 'dependent' means any of the following: (1) The spouse of a public servant. (2) A child, stepchild, or adoptee (as defined in IC 31-3-4-1) of a public servant who is: (A) unemancipated; and (B) less than eighteen (18) years of age.
