INDEPENDENT AUDITOR'S REPORT

Board of Directors
Orange County Convention & Visitors Bureau, Inc.
French Lick, Indiana

I have audited the accompanying statement of assets, liabilities, and net assets – modified cash basis of Orange County Convention & Visitors Bureau, Inc. (*a not-for-profit organization*), as of December 31, 2006 and the related statement of revenue and expenses – modified cash basis for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

As described in note 1, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Orange County Convention & Visitors Bureau, Inc. as of December 31, 2006 and its revenue and expenses for the year then ended, on the basis of accounting described in note 1.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

Note 1- Summary of Significant Accounting Policies

Nature of Activities

Orange County Convention & Visitors Bureau, Inc. (hereinafter referred to as “the Organization”) was established in order to promote conventions and tourism in Orange County, Indiana.

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. This method differs from generally accepted accounting principles.

Support and revenue are recognized when received by the Organization and expenses are recognized when paid.

Property and equipment are recorded as assets and depreciated as described below.

Liabilities consist of withholding taxes and other tax liabilities related to payroll.

Property and Equipment

Under the modified cash basis, property and equipment are carried at cost. Depreciation is recognized using the straight-line method at rates designed to depreciate the cost of assets over their estimated useful lives. Repairs and maintenance are expensed when incurred.

The Organization does not have a formal capitalization policy.

Federal and Indiana Income Taxes

No provision is shown for Federal or Indiana income taxes due to the Organization having been granted exemption from taxation as a not-for-profit organization under Section 501 (c)(6) of the Internal Revenue Code.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management’s estimates.

(Continued)

Note 2– Property and Equipment

Property and equipment, at December 31, 2006, is comprised of the following:

	<u>2006</u>
Office Equipment	\$ 8,105
Less Accumulated Depreciation	<u>8,091</u>
Net Property and Equipment	\$ <u>14</u>

Note 3 – Contingency

The Organization is primarily funded by support and revenues awarded by agencies of the State and local communities. A significant reduction in the level of this support, if it were to occur, would have a serious effect on the Organization’s programs and activities.

Note 4 – Related Party Transactions

At the end of the year, the Organization entered into a lease / purchase agreement for real estate housing for the Organization. The purchase was a related party transaction because the seller was related to the executive director of the Organization. Payments commenced in January of 2007.
