DICK JOHNSON TOWNSHIP, CLAY COUNTY  
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Township was established under the laws of the State of Indiana. The Township provides the following services: public safety, health and social services, culture and recreation, and general administrative services.

Note 2. Fund Accounting

The Township uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Township in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Township on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Township to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

IC 5-4-1-5.1(b) states in part: "Every elected or appointed officer, official, deputy, or employee of a political subdivision . . . shall file the bond in the office of the county recorder . . ."

Until July 1, 2009, IC 5-4-1-18 stated in part:

"(c) The fiscal bodies of the respective units shall fix the amount of the bond of . . . township trustees . . . as follows:

- (1) The amount must equal fifteen thousand dollars (\$15,000) for each one million dollars (\$1,000,000) of receipts of the officer's office during the last complete fiscal year before the purchase of the bond, subject to subdivision (2).
- (2) The amount may not be less than fifteen thousand dollars (\$15,000) nor more than three hundred thousand dollars (\$300,000) . . ."

Effective July 1, 2009, IC 5-4-1-18 states in part:

"(c) Except as provided in subsections (h) and (i), the fiscal bodies of the respective units shall fix the amount of the bond of . . . township trustees . . . as follows:

- (1) The amount of annual coverage must equal thirty thousand dollars (\$30,000) for each one million dollars (\$1,000,000) of receipts of the officer's office during the last complete fiscal year before the purchase of the bond, subject to subdivision (2).
- (2) The amount of annual coverage may not be less than thirty thousand dollars (\$30,000) nor more than three hundred thousand dollars (\$300,000) unless the fiscal body approves a greater amount of annual coverage for the officer or employee. . . ."

DISBURSEMENT DOCUMENTATION

Several payments were observed which did not contain adequate supporting documentation such as receipts, and invoices.

Due to the lack of supporting information, the validity and accountability for some monies disbursed could not be established.

Supporting documentation such as receipts, canceled checks, tickets, invoices, bills, contracts, and other public records must be available for audit to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

PAYROLL DEDUCTIONS

Payments to the Trustee were made without payroll deductions for taxes. The Township paid both the employer and employee share of social security and medicare expense.

Political subdivisions are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings, and filing requirements concerning reports and other procedural matters of federal and state agencies, including opinions of the Attorney General of the State of Indiana, and court decisions. Governmental units should file accurate reports required by federal and state agencies. Noncompliance may require corrective action. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

Officials and employees have the duty to pay claims and remit taxes in a timely fashion. Failure to pay claims or remit taxes in a timely manner could be an indicator of serious financial problems which should be investigated by the governmental unit.

Additionally, officials and employees have a responsibility to perform duties in a manner which would not result in any unreasonable fees being assessed against the governmental unit.

Any penalties, interest or other charges paid by the governmental unit may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

Each governmental unit is responsible for compliance with all rules, regulations, guidelines, and directives of the Internal Revenue Service and the Indiana Department of Revenue. All questions concerning taxes should be directed to these agencies. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

MILEAGE REIMBURSEMENT

The Trustee was reimbursed for mileage without filing Mileage Claim, General Form 101.

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

FIREFIGHTING CONTRACTS

The Trustee pays expenses of the Volunteer Fire Department from the Firefighting Fund without a contract for firefighting services.

Supporting documentation such as receipts, canceled checks, tickets, invoices, bills, contracts, and other public records must be available for audit to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

Payments made or received for contractual services should be supported by a written contract. Each governmental unit is responsible for complying with the provisions of its contracts. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)
