AMITY FIRE PROTECTION DISTRICT
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The District was established under the laws of the State of Indiana. The District provides the following services: fire protection to portions of Blue River, Franklin, and Needham Townships in Johnson County, Indiana.

Note 2. Fund Accounting

The District uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the District in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the District on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the District to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

EXAMINATION RESULTS AND COMMENTS

OPTICAL IMAGES OF CHECKS

The financial institution did not return the actual cancelled checks with the monthly bank statements, but instead returned only an optical image of the front side of the checks.

IC 5-15-6-3 concerning optical imaging of checks states in part:

"(a) . . . 'original records' . . . includes the optical image of a check or deposit document when:

- (1) the check or deposit document is recorded, copied, or reproduced by an optical imaging process . . . ; and
- (2) the drawer of the check receives an optical image of the check after the check is processed for payment . . ."

Further, IC 26-2-8-111 states in part:

"(a) If a law requires that certain records be retained, that requirement is met by retaining an electronic record of the information in the record that:

- (1) accurately reflects the information set forth in the record after it was first generated in its final form as an electronic record or otherwise: and
- (2) remains accessible for later reference."

"(e) If a law requires retention of a check, that requirement is satisfied by retention of an electronic record of the information on the front and back of the check in accordance with subsection (a)."

ANNUAL REPORT

The annual report for 2008 was not complete.

IC 5-11-1-4 states in part:

"The state examiner shall require from every municipality and every state or local governmental unit, entity, or instrumentality financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year."
