CITY OF FORT WAYNE

THOMAS C. HENRY MAYOR

May 26, 2010

Dear Citizens:

I am pleased to present to you the 2009 Comprehensive Annual Financial Report for the City of Fort Wayne. This is an in-depth account of the financial status of the City. This report demonstrates our commitment to provide you with a full and detailed explanation for the use of your tax dollars. We are committed to fiscally conservative management of your tax dollars.

If you have any suggestions for improving our Comprehensive Annual Financial Report or for better managing your tax dollars, please contact the City Controller's Office at (260) 427-1106.

Sincerely,

A handwritten signature in cursive script, appearing to read "Thomas C. Henry".

CITY OF FORT WAYNE

THOMAS C. HENRY, MAYOR

May 26, 2010

**Honorable Mayor Thomas C. Henry and Members of the Fort Wayne Common Council,
City of Fort Wayne, Indiana**

With this document, we submit the Comprehensive Annual Financial Report (CAFR) of the City of Fort Wayne for the fiscal year ended December 31, 2009. This is the twenty-first CAFR prepared by the City's financial staff. The twenty previous CAFRs have received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada. This award marks a continuing effort to improve the City's accountability and financial disclosure to the citizens of Fort Wayne.

We believe the financial information and exhibits, as presented, to be accurate in all material aspects. Responsibility for the accuracy of the data and the completeness and fairness of the presentation, including all disclosures, rests solely with the City of Fort Wayne. We believe it is important for the various constituencies of the City of Fort Wayne, including citizens, taxpayers, oversight bodies, and the capital markets, to gain maximum understanding of the financial activities, results of operations, and financial position of the various funds and account groups of the City of Fort Wayne. The CAFR is presented with that goal foremost in mind.

This letter of transmittal is designed to complement the Management's Discussion & Analysis (MD&A, found in the financial section) and should be read in conjunction with it.

The Reporting Entity

This CAFR contains financial reporting for all funds of the City. The City operates under a Mayor/Council form of government pursuant to Indiana statute. Listed below are a number of the services the City provides: public safety (police, fire, and communications), community development (planning, neighborhood revitalization, and economic development), parks and recreation, transportation (roads and streets), solid waste disposal, engineering, and general administrative services. In addition, the City provides water, wastewater, and stormwater utility services. In 1975, the City leased its electrical utility to an investor-owned utility.

The City of Fort Wayne, Indiana entity has been carefully defined pursuant to the entity definition criteria promulgated by the Governmental Accounting Standards Board (GASB) in Statement 14, "The Financial Reporting Entity". In accordance with this criterion, the City has included various component units in its presentation of the general-purpose financial statements. Blended component units are included as part of the primary government's operations even though they are legally separate entities. The Fort Wayne Municipal Building Corporation has been presented as a blended component unit because the financial statements would be misleading if data from this component unit was not included.

ENGAGE • INNOVATE • PERFORM

One Main St. • Fort Wayne, Indiana • 46802-1804 • www.cityoffortwayne.org

An Equal Opportunity Employer

Discretely presented component units have been presented in a separate column in the government-wide financial statements to emphasize that they are legally separate from the City. The following entities have been shown as discretely presented component units because the City is financially accountable for them and can impose its will on them, or the component unit is fiscally dependent upon the City: Neighborhood Care, Inc. (HANDS), Summit Development Corporation, Fort Wayne Urban Enterprise Association, Inc., Allen County Fort Wayne Capital Improvement Board of Managers, and Fort Wayne Redevelopment Authority.

The following governmental units have not been included in the reporting entity because the City is not financially accountable for them: Fort Wayne Housing Authority, Fort Wayne-Allen County Airport Authority, Fort Wayne Community School System, and Fort Wayne Public Transportation Corporation. The City of Fort Wayne entity also excludes several nonprofit entities that have some association with the City, including the Community Development Corporation.

The City of Fort Wayne entity includes several governmental boards and commissions, including the Park Board, the Redevelopment Commission, the Metro Human Relations Commission, the Board of Public Works, the Board of Public Safety, and the Animal Control Commission.

The oversight body for the Civil City (governmental operations) is the Common Council of the City of Fort Wayne. The Council is composed of nine elected Council members who serve four-year terms, six of whom represent geographic councilmanic districts and three of whom are elected at-large. The oversight body for the City Utilities of Fort Wayne is the Board of Public Works. The Board of Public Works, as of December 31, 2009, is composed of the Chairman of the Board of Public Works and two citizen members appointed by the Mayor.

Note 1 of the basic financial statements provides a further discussion of the City as a financial reporting entity.

Economic Condition and Outlook

With a population of 251,591 (US Census 2008 population estimates), Fort Wayne is the second largest city in Indiana. In 2009, Fort Wayne's unemployment rate rose above unemployment rates in the State of Indiana and the nation. The 2009 annual average for Fort Wayne was 10.7% compared to the 2008 annual average of 6.3%. Respectively, 2009 annual averages for the state and nation were 10.1% and 9.3%. The area continues to see a decline in manufacturing jobs though our concentration in this industry sector remain higher than the nation.

Almost two-thirds of the area's jobs are evenly distributed between the manufacturing, service and retail sectors. The remaining one-third comes from the construction, finance and government sectors. Job growth continues to be seen primarily from expansion of existing businesses as a result of new investment in products or services or through the consolidation of business within the company's organization.

In early 2000, the City's economic development objectives were refocused on gaining higher quality jobs in the manufacturing, service and technology sectors. The City, in collaboration with Allen County and the Greater Fort Wayne Chamber of Commerce, created the Fort Wayne - Allen County Economic Development Alliance. Over the last nine years, The Alliance has been responsible for marketing the

county's assets, which include a high quality of life, existing commercial building sites and an outstanding workforce, to new and expanding businesses. The largest project announced by the Alliance in 2009 was the expansion of BAE Systems. BAE's relocation of production from a Texas facility will result in the creation of over 200 jobs at their Fort Wayne Urban Enterprise Zone operation. Other announcements included Swiss Re and Superior Essex. Swiss Re, a provider of reinsurance services, will invest over \$12 million in a move from its leased facilities on Magnavox Way to a new 80,000 square foot facility currently under construction resulting in the retention of over 245 jobs. Superior Essex's expansion of warehousing operations in Fort Wayne through the consolidation and closure of similar facilities in Columbia City, Indiana and Louisville, Kentucky will result in the creation of 45 jobs.

The bankruptcy and restructuring of General Motors was of great interest to the Fort Wayne community in 2009. General Motors closed thirteen assembly plants in the summer of 2009 for nine weeks hoping to reduce their inventories of unsold vehicles. Our local truck plant on the southwest part of the county shutdown production in May idling over 2,700 workers. Good news arrived in July 2009 when the reorganized General Motors announced it would upgrade our truck plant to make heavy-duty trucks and close an Oshawa, Canada plant where they had previously been made. In order to begin production of these trucks, General Motors announced that a third shift would be added at the plant to handle the increased production resulting in the creation/transfer of 700 workers beginning the first quarter of 2010.

Long Term Financial Planning

City Utilities tentatively agreed to a Long Term Control Plan (LTCP) in the form of a federal consent decree, effective April 1, 2008, which will ultimately bring the Utilities' storm and sanitary sewer system into compliance with the Clean Water Act. City Utilities committed to combined sewer overflow reductions that require an approximate investment of \$240.0 million (denominated in 2005 dollars) in infrastructure solutions over the next eighteen years. City Utilities also agreed to eliminate three sanitary sewer overflows by 2014 at an estimated cost of \$31.0 million. The Fort Wayne City Council has authorized the issuance of \$255.0 million in debt to fund a six year capital plan that will accomplish a significant portion of the infrastructure investment needed to fulfill the requirements of the consent decree.

In 2008, City Utilities purchased Aqua Indiana's North Assets for \$16.9 million. The North Assets are now fully integrated with City Utilities' water and sewer systems and generating revenues at existing rates from 8,600 new retail water customers and 1,600 new retail sewer customers. Aqua Indiana asserts that the purchase price is inadequate and has sued for unspecified damages.

In May, 2009, the City of Fort Wayne issued \$30.0 million in capital improvement bonds in order to finance future infrastructure improvements. These bonds have a twenty-five year maturity and will be repaid with County Economic Development Income Taxes (CEDIT).

Relevant Financial Policies

According to Indiana statute, if the state budget agency determines that a sufficient balance exists in a county account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the determination, to make certified distributions to the county in the ensuing year, the budget agency shall make a supplemental distribution to a county from the county's

special account. This supplemental distribution is then allocated in the same manner as the certified distributions for deposit in a civil unit's rainy day fund. Funds in the City of Fort Wayne rainy day fund are unrestricted and must be appropriated and approved by the Fort Wayne City Council.

Major Initiatives

Mayor Tom Henry launched his administration in 2008 with the development of a new strategic plan for the City of Fort Wayne. It focuses on these priorities:

- To provide responsive, high quality and courteous customer service (Engage).
- To maintain a pro-investment environment that drives innovation through proactive leadership and strategic partnerships (Innovate).
- To be an outstanding place to work, operating as a trustworthy, transparent organization that drives continuous improvement and high performance (Perform).

Encapsulated in the plan's priorities are three key themes: Engage, Innovate, and Perform. In everything the administration does, it strives to achieve all three objectives.

Maintaining a pro-investment environment means that the City is prepared when opportunity knocks and at the same time, is constantly in pursuit of new possibilities. Ready-to-go business sites for new and expanding companies are one of the essential tools to ensuring that Fort Wayne is a place where good jobs can grow and families can thrive.

To be as competitive as possible, the City has various sites available and is also exploring new options. Summit II Industrial Park and Adams Township Industrial Area, situated east of Adams Center Road and north of Paulding Road, continue to be marketed to new and expanding companies.

Silverado Park lies just south of the GM Truck Assembly plant. It is a collaborative effort of the City, Allen County, and the Fort Wayne-Allen County Economic Development Alliance, and was designated by the State of Indiana as one of its "Shovel Ready" sites in 2006. The "Shovel Ready" designation lets businesses know that a site is completely equipped for development. Baekgaard, Ltd., a designer of high quality gift items, and One Resource Group, an insurance brokerage company, are two companies that have already located in this prime area.

Financial Information

Budgetary Controls

Budgetary control, for those funds where the Common Council legally adopts budgets, is maintained at the departmental or major category level. The annual budgetary sequence of events for the City of Fort Wayne contains several review points. Departments prepare draft budgets each June for the next fiscal year incorporating a set of assumptions provided by the Division of Finance and Administration. These budget requests are subjected to internal review and modification before a budget ordinance is prepared for introduction to the Common Council in early September.

Generally, budget hearings are held throughout October in Common Council sessions. Beyond the public and televised Common Council sessions, there is a legal public hearing held as part of the

budget process at which citizens may provide the administration and the Common Council with their comments concerning the budget. By state law, the Common Council must pass the budget by November 1 of each year. The Common Council has the power to decrease any major category proposed by the Administration, but may not increase any major category in the budget.

Subsequent to that action, the Department of Local Government Finance (DLGF) holds a final budget hearing, review, and modification in December of each year prior to issuing a formal budget approval order in January. Within this four-month process, there is ample opportunity for oversight and public input. Additional appropriation or transfer requests are controlled at the major category level and must be supported by available cash balances. The Department of Local Government Finance must approve any additional appropriations to those funds where the Common Council adopts a legal budget.

In funds where the modified accrual basis of accounting is used, expenditures are measured against available appropriations by encumbrance of purchase orders. For budget purposes, expenditures are recognized in the year encumbered. Under Indiana statute, open purchase orders at the end of a fiscal year, to the extent of available budgetary spending authority, are automatically added to the subsequent year's budget.

In proprietary fund types such as utilities, where the full accrual basis of accounting is used, encumbrances of purchase orders are not recorded. For financial statement and budget purposes, expenses are recognized when incurred.

The budgetary process for City Utilities is somewhat different from that of the Civil City or governmental operations. The oversight body for the utility operations under Indiana statute is the Board of Public Works. On a schedule that runs about a month behind the Civil City budget process before the Common Council, the Board of Public Works reviews and approves the utility budgets. Additional appropriation requests and transfers are controlled at the major category level.

Internal Controls

The management of the City of Fort Wayne is responsible for establishing and maintaining a system of internal financial controls that account for and safeguard the assets of the City from loss, theft, and misuse. The internal financial control system must allow for compilation of data in a manner in which financial statements can be prepared efficiently in conformance with generally accepted accounting principles.

It is important that the costs and efforts involved in internal control mechanisms not exceed the benefits received. Accordingly, we believe that the City's internal financial controls adequately safeguard assets and provide reasonable assurance of properly recorded financial transactions at an appropriate level of expense and effort. The City consults with the Indiana State Board of Accounts, not only during the audit, but also throughout the year. As a result, we believe that we have established a proactive, positive relationship with our auditor that works to increase the quality of the City's financial reporting and internal control system.

External Audit Function

The Indiana State Board of Accounts (SBA) conducts a financial audit of the City of Fort Wayne

annually. In addition to this, the SBA conducts a state law compliance audit. The SBA also audits the City for compliance with the federal Office of Management and Budget Circular A-133, as empowered in the Single Audit Act of 1984, relative to federal financial assistance received.

Beginning with the 2005 audit, the financial statements of the City Utilities operations, including the Electric, Water, Water Pollution Control and Yard Waste Facility, enterprise funds, and the Stormwater special revenue fund are audited by the Indiana State Board of Accounts. Audits prior to 2005 for the City Utilities operations were conducted by independent accounting firms.

Internal Audit Department

The City's Internal Audit Department was created in 1988, and is currently staffed by two accounting professionals: the Director of Internal Audit and one Staff Auditor. The Audit Committee ordinance requires that the Director of Internal Audit be a Certified Public Accountant licensed in the State of Indiana or a Certified Internal Auditor. The Internal Audit Department is organized as a separate department and has direct responsibilities to the Mayor and the Audit Committee and indirect responsibilities to the Common Council and the City Controller.

Audit Committee

In 1990, the City of Fort Wayne established by ordinance an Audit Committee. The Audit Committee is composed of five members of the community appointed as follows: 1) one member appointed by the Common Council; 2) one member appointed by the Mayor; 3) one member appointed by the Board of the Allen County Bar Association; 4) one member, approved by the State Board of Accounts, who is a chief financial officer of another governmental unit in Allen County and is familiar with governmental accounting in Indiana; and 5) one member appointed by the Board of the local chapter of the Institute of Internal Auditors.

The Audit Committee has significantly increased the accountability of the City of Fort Wayne to its four primary financial constituencies: 1) taxpayers and ratepayers; 2) citizens; 3) oversight body (Common Council); and 4) the capital markets (where securities of the City of Fort Wayne are sold and purchased in the primary market and traded in the secondary markets).

The duties of the Audit Committee include recommending a budget to the Mayor for the Internal Audit Department, approving an annual audit plan for the staff of the Internal Audit Department, publicly receiving audit reports of the State Board of Accounts, recommending the City's independent external auditors, making sure timely and appropriate remedial actions are taken on all exceptions and comments in audit reports and management letters, and mandating and monitoring compliance with all applicable Indiana laws, generally accepted accounting principles, governmental accounting standards, regulations of the Internal Revenue Service, and other federal agencies.

Certificate of Achievement for Excellence in Financial Reporting

The Government Finance Officers Association (GFOA) of the United States and Canada annually awards the Certificate of Achievement for Excellence in Financial Reporting to state, provincial, and local governmental units that publish an easily readable and efficiently organized comprehensive annual

financial report whose contents conform to program standards. Such reports must satisfy both generally accepted accounting principles and applicable legal requirements.

This comprehensive annual financial report is the twenty-first published by the City of Fort Wayne. The 1989-2008 Comprehensive Annual Financial Reports were awarded the Certificate of Achievement by GFOA. The award is good for only one year. We believe our report conforms to Certificate program requirements, and we are hopeful that GFOA will confirm, through its review process, our eligibility for a twenty-first Certificate.

Acknowledgments

Without the strong commitment of Mayor Thomas Henry to the highest standards of ethics, financial reporting, disclosure, and professionalism, this report would not have been possible. We would like to express our sincere appreciation for that commitment and support.

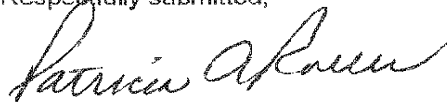

The City Controller and Deputy Controller are not able to produce a report of this type and magnitude alone. A number of people are part of the team effort that produces the City's CAFR.

We acknowledge and thank the following City employees:

Randy Rowe, Financial Analyst
Jay Bigham, Senior Financial Accountant
Doug Robertson, Senior Financial Accountant
Susan Ludlow, Senior Financial Accountant
Amit Thakkar, Senior Financial Accountant
Greg Weisser, Financial Accountant
Suzanne Sims, Bookkeeper/Receptionist
Jeanne Cook, Administrative Assistant to the Controller

We also acknowledge the assistance of the entire audit team from the Indiana State Board of Accounts Fort Wayne Office for making this report possible.

Respectfully submitted,

Patricia A. Roller, CPA

CITY OF FORT WAYNE

DEPARTMENT DETAILS

OFFICE OF THE MAYOR

The Mayor oversees the implementation of policies and the efficient flow of ongoing services through wide appointive powers, including the capability to appoint division heads and many board and commission members. The Mayor may serve unlimited four-year terms. Fort Wayne, the second largest city in Indiana, is the northeast Indiana leader in industrial, educational, and cultural activity. Leadership from the Office of the Mayor is crucial to the entire area.

The power to organize the executive department is shared between the mayor and the council. Since the mayor is charged with the responsibility for the efficient operation of the city and the enforcement of its ordinances, he or she has the power to initiate or recommend new departments, transfer duties between or terminate existing departments. The council must ratify by ordinance such recommendations to put them into effect.

The Mayor controls the major administrative functions of the consolidated city through the seven divisions as follows: Finance & Administration, Community Development, Public Works, Utility Administration, Public Safety, Parks & Recreation, and Office of the Mayor. Each of these areas is headed by an appointed director.

Public Information Office

The Mayor's Public Information Office provides information regarding administrative policies and City services to a variety of audiences, including citizens, City Council members, neighborhood leaders, City employees, State legislators, and state and national groups. The messages are delivered using a variety of communication tools, including the media, Internet, cable television and others. The purpose of the messages are threefold: 1) to educate and inform, 2) to encourage citizen participation and involvement and 3) to promote the City of Fort Wayne locally, statewide and nationally.

Neighborhoods and Citizen's Advocate Office

The Neighborhoods and Citizen's Advocate Office assists neighborhood associations, business associations, community service organizations, and citizens with their needs and concerns regarding City government, departments and services. This office also acts as a referral agency to other branches of government.

This office helps neighborhood associations, business associations, community service organizations, and citizens leverage resources to resolve their concerns and acts as a liaison between citizens and the Mayor and City Government.

The Neighborhoods and Citizen's Advocate Office can be contacted via the telephone, TDY, visits to the office, the mail, electronic mail, or meetings with the staff.

Department of Law

It is the mission of the Department of Law to manage the legal affairs of the City of Fort Wayne by giving legal advice to the officers, departments, boards, commissions and other agencies of the City; by drafting ordinances and other legal papers for the City and its departments, boards, commissions and other agencies; by prosecuting violators of City ordinances; and by supervising and directing all litigation in which the City has an interest.

Internal Audit Department

Internal Audit is primarily responsible for performing financial, operational and compliance audits in accordance with professional auditing standards. The vast majority of audits are followed by written reports containing findings and recommendations, as well as management's plans for implementing corrective action. In addition, the Internal Audit Department provides primary support to external auditors during their annual financial statement audit.

OFFICE OF THE CITY CLERK AND COMMON COUNCIL

The **City Clerk** is an elected position every four years and serves as the Clerk of the Common Council. The Clerk is responsible for the preservation of all ordinances and resolutions passed by this body and also responsible for a number of Indiana Statutory responsibilities as listed in Indiana Code 36-4-6-9. City Clerk also serves as the Administrator of the Fort Wayne Violations Bureau and Parking Enforcement Department. The Clerk may seek unlimited four-year terms.

The **Fort Wayne Common Council**, as the Legislative Body, has the responsibility of passing ordinances and resolutions for the City. The Fort Wayne Common Council is comprised on nine elected members, on representative from each of the city's six councilmanic districts and three at-large members. As elected officials, they are entrusted with the duty to provide the ways and means to ensure the safety and security of citizens of the City of Fort Wayne and work to maintain a high quality of life. Common Council members may seek unlimited four-year terms.

FINANCE AND ADMINISTRATION DIVISION

The mission of the Finance & Administration Division is to ensure the financial stability for the City of Fort Wayne. The departments within this division include the Controllers Office, Payroll, Risk Management, Purchasing, Human Resources, Benefits, Information Systems and Property Management.

The Division is also responsible for: the annual budget; proper financial controls to ensure the City's financial transactions and assets are reported accurately; as well as providing financial analysis for management decision making including guidance for delivery of efficient, cost effective government services.

Payroll Department

The Payroll Department is responsible for maintaining the City government payroll records to meet the requirements of the various laws (federal, state, and local) under which it is operating; maintaining a payroll accounting system that embodies all of the procedures and methods related to the disbursement of pay to

employees in a highly technical environment; and promoting goodwill and a positive working environment by processing the payroll accurately and on time.

Purchasing Department/Contract Compliance Office

The City of Fort Wayne's **Purchasing Department** provides a centralized, service-oriented focal point for all Civil City and City Utilities departments. The role of the Purchasing Department is to assist with identifying, acquiring, accessing, positioning, and managing resources the City needs to achieve its strategic objectives. The staff of the Purchasing Department ensures that all activity is conducted within the framework of State code and local ordinance, and always adheres to professional purchasing practices.

The **Contract Compliance Office** monitors construction and procurement contracts to ensure that local, state and federal regulations are followed by all City contractors. In addition, the Department monitors the City's Community Development Block Grant (CDBG) contracts with private agencies.

Property Management

The mission of the Property Management Department is to develop preventive maintenance programs, which will track maintenance and repairs of City-owned buildings. The department also provides guidance in areas related to real estate purchases, renovations, and contracted services.

In addition, the Property Manager will develop a program to market City properties and oversee the purchase and sale of buildings and real estate in accordance with State statutes. The department will evaluate renovations, both short and long term, and will determine whether a property is worth the renovations or a new facility is needed.

Risk Management Department

The Risk Management Department is responsible for formulating and implementing programs and procedures that will minimize the City's property, revenue and personnel losses. A comprehensive self-insurance program for auto and general liabilities and worker's compensation was designed to finance the losses that do occur. The Risk Management Department works closely with the other departments within the City to ensure all employees work in the safest possible working conditions.

Human Resources Department

The goal of the Human Resources Department is to provide services efficiently to employees, applicants, and the public at the least cost to the City's taxpayers. Services include the facilitation of positive employee and labor relations, employee communications, benefits administration, training and counseling; employee record-keeping; classification of employee positions; policy and procedure development; union contract negotiations, interpretations and enforcement; recruiting; and testing of applicants.

Information Systems Department

Information Systems is responsible for providing quality, reliable and cost effective information systems and services to the many and varied City departments. Information Systems Tactical and Strategic Planning is the foundation of providing these services to the City departments while considering organizational structure, departments and their mission, critical success factors, service products and the return on investment.

FORT WAYNE CITY UTILITIES

City Utilities is a municipal utility and a division of the City of Fort Wayne. The City Utilities Division is organized into four Strategic Business Units (SBU); Capital Asset Management, Policy and Planning, Engineering Services and Business Services under the leadership of the Director of City Utilities. Along with the Director, Each SBU has a Deputy Director that comprises the Senior Management team. City Utilities' mission is to protect the health, welfare and prosperity of the Fort Wayne community and therefore, committed to provide quality water, sewer and stormwater services in an efficient, effective and reliable manner.

Capital Asset Management SBU (includes the Three Rivers Filtration Plant, the Water Maintenance and Services Department, the Water Pollution Control Plant, the Biosolids Facility, and the Water Pollution Control Maintenance and Stormwater Maintenance Departments):

Three Rivers Filtration Plant:

The Three Rivers Filtration Plant draws its raw water supply from the St. Joseph River. This department maintains a 265-acre reservoir that holds nearly 2 billion gallons of water. It also maintains the Cedarville Dam and the 500 million-gallon Cedarville Reservoir. Raw water from the river is pumped from the St. Joe Dam Pump Station to the Three Rivers Filtration Plant. The Three Rivers Filtration plant is made up of 3 individual treatment plants that can be run independently of each other as needed. Each plant is capable of producing 24 million gallons of drinking water a day. An average of 25 million gallons a day is treated and purified through a series of chemical and physical treatment processes from these plants.

Water Maintenance and Service Department:

The Water Maintenance and Service Department (WM&S) is responsible for maintaining 1100 miles of water distribution piping and its various elements and providing service-related operations. The construction division of this department repairs and installs mains, hydrants, valves, and services. The service division installs and maintains meters, pressure tests and disinfects new water mains, provides field support for the Customer Relations Department on turn-offs and turn-offs and investigates customer complaints. Personnel also perform the meter reading function for the Utility.

Water Pollution Control Plant:

Fort Wayne's Water Pollution Control Plant is responsible for treatment of an average of 48 million gallons of sewage per day. The plant is an activated sludge treatment plant including primary, secondary, and advanced waste water treatment. This department is charged with the responsibility of treating the City's Sanitary Sewer system to meet the treatment requirements of the City's National Pollution Discharge Elimination System (NPDES) Permit before the effluent is discharged into the Maumee River. The facility also maintains and operates 41 lift stations, 7 CSO Stations, 4 Storm Stations, 12 Toe Drains, and 1 Sludge station.

Water Pollution Control Maintenance/Stormwater Maintenance Departments:

The Water Pollution Control Maintenance/Stormwater Maintenance departments are responsible for the maintenance of the City's sanitary sewers, of storm sewers, and combination sewer systems totaling over 1900 miles. These departments install, inspect, repair, maintain and clean manholes, inlets, catch-basins, and sewer/storm lines. Improvements are also made to open drains and ditches to improve high water flows.

Policy and Planning SBU (includes Policy and Planning Department, Process Improvement and the Development Services Department):

Policy and Planning Department:

The Policy and Planning SBU ensures the work of all SBU's within the Utility is coordinated. Additionally, the Policy & Planning SBU identifies and coordinates work with Civil City and Public Works officials. Functions include setting and administering public policy as it relates to the Utility, including strategic and operational planning, liaison for human resources and training, union relationships, developer and business relationships and other key stakeholder groups. Policy and Planning engages all SBU's in performance management programs including, but not limited to, Lean/Six Sigma/TQM/ISO et al.

Development Services Department:

The Development Services Department facilitates the expansion or modification of the City's water, wastewater and stormwater systems through the new development process, via the property owner petition process and other means. Staff also oversees service connections to these facilities. Development Services staff members provide information about the policies, procedures and rules that govern the operation of Fort Wayne City Utilities and assist developers, contractors, builders and citizens in finding information about the physical characteristics of various utility systems. Additionally, staff calculates and collects utility assessments and fees associated with utility systems expansion and connection and initiate new customer accounts. Development Services is also involved in managing citizen inquiries and concerns about Utility systems, offering and reviewing options for service and coordinating financing for projects.

Note: New Water & Sewer Permits is not a separate department – it is part of Development Services.

Engineering Services SBU (includes the Planning & Design Services Department and the Engineering Support Services Department):

Planning & Design Services Department:

The Planning & Design Services Department oversees all engineering planning and design programs for the water, wastewater and stormwater distribution/collection systems as well as the water filtration and sewage treatment facilities. It conducts utility master planning, asset management and sustainability programs and develops long term capital planning and budgets for City Utilities. Using engineering practices it analyzes the operation of City Utility systems to solve problems, recommend City Utility system improvements and to develop construction plans and specifications for City Utility improvement projects. This department also provides technical support and guidance for the Utility operations departments.

Engineering Support Services Department:

Engineering Support Services provides inspection field services and construction contract management of Utility capital projects. These projects include private development projects, utility capital improvement projects for the water, wastewater and stormwater systems as well as projects for the water filtration and sewage treatment plants. The department also assists Planning & Design Services with field investigations, surveying, testing and analysis of utility system problems.

Business Services SBU (includes Financial Services Department, Customer Relations Department, Data Control and Geographical Information Systems):

Financial Services Department:

The Financial Services Department is responsible for maintaining all financial records of City Utilities, which include electric, administrative departments, water, water pollution control, stormwater and yardwaste.

Customer Relations:

The Customer Relations Department's goal is to serve customers promptly, courteously and professionally. The public contacts this department to initiate, finalize or transfer water and sewer services as well as make any billing inquiries either in person, by phone or by correspondence.

Data Control:

The Data Control Department completes on-line work orders initiated by the Customer Relations and Water Maintenance and Service Departments. This department is also responsible for maintaining the integrity of the billing system and developing system enhancements to increase customer clarity and user efficiency.

Geographic Information Systems (GIS):

The Geographic Information Systems Department collects, checks, processes and utilizes data with geographical significance to create computer generated reports and maps for City Utilities and other City departments.

DIVISION OF COMMUNITY DEVELOPMENT

Vision Statement

“To foster a vibrant, prosperous and growing Fort Wayne through extraordinary community development.”

Mission Statement

“To develop and implement creative community-based strategies to enhance economic opportunity, build strong neighborhoods, and ensure a dynamic framework for quality growth and development.”

Director’s Office

The Director’s Office provides coordination and overall direction for the Division comprised of by the following departments: Finance, Special Projects/GIS, Strategic Planning, Community Development Corporation of Northeast Indiana, Redevelopment, Housing Programs, Grants Administration, Neighborhood Revitalization, and Neighborhood Code Enforcement.

The division’s departments work collaboratively to coordinate and carry out activities based on the following operating principles:

Community-Based Planning - Ensure Community based planning as the foundation for all projects, resource allocation and collaboration.

Aggressive Implementation - Create and sustain an aggressive implementation strategy for all planning efforts.

Support Businesses - Sustain strong and aggressive support for business and investment and job creation.

Strategic Projects - Encourage and facilitate strategic projects that will develop, revitalize, and strengthen the Fort Wayne Community.

Community Collaboration - Pursue a stronger commitment with citizens, neighborhoods, businesses and organizations to collaborate as strategic partners in achieving community development goals.

High Performance Organization - Foster a work environment that encourages and provides for sustained personal and professional development and a commitment to innovation and excellence.

Deputy Director of Planning & Policy

Working under the Division Director, this Director oversees the implementation of integrated strategic and operational planning initiatives that enhance development opportunities and efficiencies for the City of Fort Wayne. The Deputy Director oversees the daily operations of the following departments:

Special Projects/GIS provides strategic research to assist in the direction of Division resources, management of special projects and develops/leads implementation of the Division technology strategy. It provides data, analysis, and GIS support to the Division.

Strategic Planning works to promote good stewardship of City resources through various land and planning studies, visioning initiatives, Comprehensive Plan updates, transportation studies and the promotion for orderly, fiscally sound expansion of the City through annexation.

Historic Preservation, a sub-area within this department, manages the historic and aesthetic resources of the community, working with property owners, city agencies and other groups to coordinate improvement efforts, provide technical assistance and cost-effective design solutions.

Deputy Director of Development

Working under the Division Director, this Director oversees the implementation of an aggressive development partnership between the public and private sectors. The Deputy Director oversees the following departments and provides direct liaison/support to the Fort Wayne/Allen County Economic Development Alliance and support for international trade:

Community Development Corporation of Northeast Indiana (CDC) is a city-sponsored, 501 c (6) not-for-profit business development organization. Its primary objective is to promote the growth and development of small commercial and industrial businesses in the Fort Wayne area and a nine-county area in northeast Indiana through creative business loan programs.

Redevelopment in conjunction with the Redevelopment Commission promotes and implements opportunity projects, acting as a catalyst to develop areas that have shown a cessation of growth and lack of development. This is done through techniques including real estate acquisition, site preparation and/or providing public infrastructure to the site. Financing resources generally used are Tax Incremental Financing (TIF) and Redevelopment General Obligation Bonds.

Deputy Director of Housing and Neighborhood Services

Working under the Division Director, this Director oversees the implementation of initiatives to attract and support housing investment and reinvestment in the City to promote community development and expand access to desirable housing. The Deputy Director oversees the strategic investment of public funds in neighborhood revitalization-oriented projects and programs which leverage significantly higher levels of private investment through the following departments:

HANDS is a quasi-public not-for-profit Corporation of the city organized under chapter 246 of the Indiana Acts of 1921.

Housing Programs administers the City’s Home Investment Partnerships Act (HOME) Program from the federal department of Housing and Urban Development (HUD).

Grants Administration administers the City’s Community Development Block Grant (CDBG) and Emergency Shelter Grant (ESG) programs from the federal department of Housing and Urban Development (HUD).

Neighborhood Revitalization plans, coordinates and directs the City’s neighborhood revitalization implementation program and ancillary projects.

Director of Neighborhood Code Enforcement

Working under the Division Director, this Director oversees the daily operations of Neighborhood Code Enforcement. NCE works towards the goal of ensuring safe housing for the citizens of the community by eliminating unsafe structures, securing vacant structures and cleaning-up blighted areas.

METROPOLITAN HUMAN RELATIONS

Metropolitan Human Relations Commission was established to ensure and protect the equal rights of all people in the City of Fort Wayne, regardless of race, color, sexual orientation, age, religion, national origin, ancestry, or disability. The Commission strives to promote community harmony and alleviate tensions caused by harassment, prejudice, and misunderstanding, through the use of enforcement, education, training, and community awareness. The Commission further strives to ensure that all business entities within the City of Fort Wayne are protected and vindicated from unfounded allegations of unlawful discrimination, through education, empowerment, and enforcement.

PUBLIC WORKS

The Division of Public Works manages Fort Wayne's infrastructure, including the City’s systems for streets, traffic, roadway lighting and flood control. From engineering an intersection improvement to battling floods, the Division of Public Works provides vital support to neighborhoods, businesses and economic development projects. Responsibility for managing the various departments listed below resides with the Director of Public Works.

Public Works Administration

This Department includes the support staff for the Board of Public Works. It is the center for processing construction projects, public hearings and a variety of other functions related to purchasing and contracting.

Barrett Law

The primary purpose of the Barrett Law office is the performance of all accounting functions necessary to administer the Barrett Law process according to Indiana Code. This includes invoicing, recording receipts and disbursements, filing of waivers, issuance of bonds, pro-rating available cash for individual bond issues, monitoring and investment of funds, preparation of various supporting schedules, etc.

Since the development of an automated system with the capability of computer interface with Allen County real estate files, the Barrett Law office prepares property ownership lists and assessment rolls for all projects. The office also performs research and serves as an information source for the general public as well as other City departments in regard to the purpose, procedures and regulations governing the system.

Energy and Environmental Services

The Energy and Environmental Services Department is responsible for administering and monitoring the City's residential garbage, recycling, and yard waste collection and disposal contracts. Additionally, the department is involved in other waste issues such as illegal dumping, waste reduction education, enforcement of the City's garbage ordinance, litter prevention programs, and citywide clean-up programs.

Transportation Administration & Support

The functions of this group are varied, and generally fall within three department subsets: a surveying-drafting-inspection group; a permit and plan review group; and an administrative-clerical group.

Department staff provides surveying, drafting, and inspection services necessary for the successful completion of street, curb, and sidewalk projects. Employees in this group also assess and report on pavement condition in order to maintain and update our pavement management system.

Other employees in this department are responsible for fielding a variety of other customer service requests, responses, and interactions. These responsibilities include permit functions; plan review of developer projects; investigation and reporting functions; data base maintenance activities; blueprint reproduction services; right of way acquisition functions; and general customer service activities.

Department personnel also provide financial management, budgeting, purchasing, payroll, and clerical support services needed within the Transportation division.

Flood Control

Flood Control administers the City's responsibilities for the Army Corps of Engineers Flood Control Project; as well as planning, construction, and maintenance of the City's existing Flood Control system.

Transportation Engineering Services/Street Project Management

Street Project Management is responsible for the design and preparation of plans and specifications for all new construction and repairs for streets, alleys, sidewalks and curbs in the City of Fort Wayne. Many construction projects are the result of request from citizens petitions filed by property owners through the Barrett Law process, applications through the Community & Economic Development Block Grant Program and a yearly street-resurfacing program established by the Division of Public Works. Street Project Management also reviews subdivisions submitted for construction, commercial building developments and residential and commercial driveway applications to ensure they meet applicable codes and standards.

Traffic Engineering

The Traffic Engineering Department provides the following services to the public: design, installation and maintenance of traffic signal systems; traffic signs and pavement markings; record, tabulate and analyze accident reports; investigate all requests and complaints related to traffic conditions and operations; and conduct traffic studies relating to one way streets, parking regulations, speed limits, traffic calming, roadway design, traffic control, special signing, maintain traffic impact attenuators.

Street Lighting

The Street Lighting Department provides the following services to the public:

Design and install new street lights and systems that provide safe and efficient illumination for both motorists and pedestrians during nighttime hours. Maintain and update over 30,000 existing City Street Lights.

Street Light Engineering adheres to the standards of both the American National Standards Institute and the Illuminating Engineering Society of North America for the design of the City's street lighting systems.

Street Department

The Fort Wayne Street Department is responsible for the cost-efficient maintenance and construction of the more than 920 miles of City streets. The Street Department also maintains alleys and publicly owned guardrails. The Street Departments work is divided into three separate Seasons: Summer Construction, Leaf Season and Snow Season. During the Spring and Summer months, its crews mow roadside right-of-ways, sweep approximately 16,000 miles of streets, resurface improved and unimproved streets and perform general maintenance on streets and alleys. During the Fall the department conducts a citywide leaf collection, and during the Winter the department focuses on snow and ice removal on all city streets.

Fleet Management

The Fleet Management Department is responsible for 1,200 city owned vehicles and ancillary equipment. The Fleet Superintendent oversees the contract with the private company, which provides vehicle maintenance services to the City's fleet. The department is also responsible for developing approval policies for vehicle use, preventive maintenance and replacement.

PARKS AND RECREATION

The Parks and Recreation Department maintains over 2,800 acres of public park land and provides a variety of recreation facilities, programs, and services for the Fort Wayne community. The Fort Wayne Parks Department was created in 1905 when the Indiana General Assembly adopted the Cities and Towns Law. The Parks and Recreation Department is administered by a four member bipartisan Board of Park Commissioners. Each commissioner is appointed by the Mayor and serves a four-year term. The Park Board reviews and approves the annual budget, approves expenditures, holds regular public meetings as required by law and approves the awarding of all contracts. The Parks and Recreation Department is nationally recognized being a CAPRA accredited agency.

Administration/Marketing

The Administration Division is responsible for the financial accounting, personnel, budgeting, purchasing, MIS, and administration functions of the department. The Marketing Division was created in 1989 and is responsible for public relations, promotions, customer service, grant writing, service quality, strategic planning, marketing research, corporate sponsorship, and other marketing/planning functions. The Botanical Conservatory and the Foellinger Theatre are part of this Division.

Headwaters Park

The Department contracts with the not-for-profit Headwaters Alliance for the maintenance and operation of this spectacular 40-acre park on the north edge of downtown. Headwaters Park has become the focal point for community festivals, special events and an aesthetic gateway to the downtown area.

Parks/Horticulture/Forestry

This Division is responsible for operation and maintenance of the park land, facilities, building repairs, and maintenance. The Forestry and Horticulture Division is responsible for park and street trees, public gardens, flower beds, park landscaping and operates three (3) greenhouses. Engineering, Park Planning and Design is administered here.

Leisure Services

The Leisure Services Division is responsible for the recreational programs managed by the Department. Facilities include: three public golf courses, two tennis centers, 50 public tennis courts, four community recreation centers, three swimming pools, six splash pad/spray grounds, three day camps, a nature preserve, and a reservoir. The Division hosts a number of citywide special events, offers competitive and instructional programs in athletics and outdoor recreation, operates supervised playgrounds, manages a travel department for families and adventure travelers. Classes covering a variety of special interests for pre-school through older adult are offered. Concerts, arts programs, and cultural events is also provided by the division. The signature programs, like The Lifetime Sports Academy and the Salomon Farm Park are part of Leisure Services.

Fort Wayne Children's Zoo

The award winning Fort Wayne Children's Zoo and the Diehm Museum of Natural History are operated under our operating agreement between the Fort Wayne Parks and Recreation Division and the Zoological Society.

PUBLIC SAFETY

Department of Public Safety

This Department maintains order and protects the rights and property of the citizens of Fort Wayne. The Fire Chief and Chief of Police serve as the Directors of Public Safety. The Directors retain responsibility for major policy decisions, budgeting, long-range planning and the day-to-day coordination of six departmental divisions: Police, Fire, Animal Control, Human Resources, Weights and Measures, and Communications. The Division Directors serve as the Mayor's appointee on many commissions and councils in order to coordinate activities and plan cooperative efforts with other state and local agencies.

The Board of Public Safety is authorized to have five (5) members, but currently has only four (4), pending another appointment by the Mayor. The Board studies problems of the Department of Public Safety, hires new police and fire officers, and is the disciplinary body for those departments. Also, it governs traffic regulations.

Police Department

It is the mission of the Fort Wayne Police Department in partnership with the community, to strive to protect the life, property, and personal liberties of all individuals. We believe that the overall quality of life for all residents will improve through the deterrence of criminal activity and an understanding of the diversity of cultures within this community. Furthermore, we recognize the need for fair and impartial enforcement of the law, with attention given to the highest possible quality of service delivery to the community. The department is responsible for maintaining order within the city limits of Fort Wayne.

Fire Department

It is the mission of the Fort Wayne Fire Department to prevent the loss of life and to control or reduce the loss to property. The mission will be accomplished through the services provided by the Operations, Fire Prevention Bureau, Investigation, Safety Education, Training and Development and Administrative Divisions. These divisions provide for firefighting, emergency hazardous materials stabilization, emergency rescue, EMS - first responder, underwater rescue/recovery, public education, building inspections, fire investigations, fire safety training, and other miscellaneous services. The Fire Department provides services to the entire City of Fort Wayne with mutual assistance to the surrounding departments upon their request.

Communications

The Communications Department of the Fort Wayne Police Department is responsible for the planning, design, construction, maintenance and operation of all electronic communication systems utilized by the City of Fort Wayne. Communications is comprised of the Emergency 911 Communications Center, the Records Bureau and Police Desk of the Fort Wayne Police Department, and the Radio Repair Shop. Primary functions are the answering of 911 calls for service as well as non-emergency calls, dispatching all Public Safety support units, maintaining all Police Records and supporting the Data and Voice Communication Systems of the City of Fort Wayne.

Animal Care and Control

The Department of Animal Care and Control faces the public health and safety issues involving animals using a proactive approach. Local and state legislation is used to address pet overpopulation, responsible pet ownership issues, and cruelty or violence issues involving animals. The success of the approach would not be possible without positive community outreach and education, the job of our Humane Education Department. Protection of both citizens and animals along with efforts to minimize euthanasia of unwanted animals through spay/neuter promotion all strongly reflect the neighborhood and community driven origins of this agency. Involvement of the citizens through our volunteering program has also been crucial to departmental advancement. This department's county contracts provide an overall "one stop" for city and county residents in need of services, wishing to adopt an animal, seeking educational outreach materials, or assistance with lost/found pets.

Weights & Measures

The goal of the Division of Weights and Measures is to provide equity in the marketplace for businesses and consumers alike. It is responsible for testing and inspection of all commercial weighing and measuring devices. The department enforces State codes and City ordinances governing weights and measures, and orders corrections of and/or condemns or confiscates faulty devices or commodities. Weights and Measures is also responsible for licensing taxi drivers, issuing permits for taxicabs, and enforcing the taxi ordinance for the Board of Safety.

INDEPENDENT AUDITORS' REPORT

TO: THE OFFICIALS OF THE CITY OF FORT WAYNE, INDIANA

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the City of Fort Wayne (City), as of and for the year ended December 31, 2009, which collectively comprise the City's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the City's management. Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of three of the seven discretely presented component units, Fort Wayne Urban Enterprise Association Inc., Allen County Fort Wayne Capital Improvements Board of Managers, and Fort Wayne Public Transportation Corporation, which represent 46.81 percent and 83.12 percent, respectively, of the assets and revenues of the discretely presented component units. Other auditors whose reports thereon have been furnished to us audited those financial statements. Our opinion, insofar as it relates to the amounts included for the three discretely presented component units, is based solely upon the reports of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over reporting. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the reports of the other auditors provide a reasonable basis for our opinions.

In our opinion, based on our audit and the reports of the other auditors, the respective financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the City as of December 31, 2009, and the respective changes in financial position and cash flows, where applicable, thereof and for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The Management's Discussion and Analysis, Budgetary Comparison Schedules (General and Major Special Revenue funds), Modified Approach Schedules, Schedules of Funding Progress, and Schedules of Contributions from the Employer and Other Contributing Entities as listed in the table of contents are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, other budgetary comparison schedules, and statistical tables are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual nonmajor fund financial statements and other budgetary comparison schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements. The introductory section and statistical tables have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

In accordance with Government Auditing Standards, we have also issued a report dated May 26, 2010, on our consideration of the City's internal control structure and a report dated May 26, 2010, on its compliance with laws and regulations.

Management's Discussion and Analysis

As management of the City of Fort Wayne (the City), we offer the following discussion as insight into the financial performance of the City for the fiscal year ended December 31, 2009. To gain a fair understanding of the City's financial position, this discussion and analysis should be read in conjunction with our letter of transmittal, the basic financial statements, and the notes to the basic financial statements.

Financial Highlights

The assets of the City exceeded its liabilities at the end of 2009 by \$1,178.5 million. Of this amount, \$94.2 million is considered unrestricted. The unrestricted net assets of the City's governmental activities are \$88.4 million and the unrestricted net assets of the City's business-type activities are \$5.8 million.

The City's total net assets increased \$26.8 million in 2009. The net assets of the City's business-type activities increased \$17.1 million (or 3.8 percent from 2008). The net assets of the City's governmental activities increased \$9.6 million (or 1.4 percent from 2008).

At the end of 2009, the City's governmental funds reported a combined ending fund balance of \$137.3 million. The combined governmental funds' fund balance increased by \$33 million from the prior year ending fund balance. Approximately \$96.8 million of the \$137.3 million fund balance is considered unreserved at December 31, 2009.

At the end of 2009, unreserved fund balance for the general fund was \$22.1 million or 27.3 percent of the 2009 general fund expenditures.

The City's total debt increased by \$78.4 million (or 23.9 percent) during 2009.

Overview of the Financial Statements

This discussion and analysis is an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: government-wide financial statements, fund financial statements, and notes to the financial statements. In addition to the basic financial statements, this Comprehensive Annual Financial Report (CAFR) includes other supplementary information along with the statistical section.

Government-wide financial statements. The government-wide financial statements present the financial picture of the City from the economic resources measurement focus using the accrual basis of accounting, in a manner similar to private-sector businesses. The government-wide financial statements are composed of two statements: the statement of net assets and the statement of activities.

The statement of net assets presents information on all of the City's assets and liabilities, with the difference between the two reported as net assets. Net assets are then broken down between governmental and business-type activities. Over time, increases or decreases in net assets will show the fluctuation in the City's financial position.

The statement of activities presents information on all of the City's revenues and expenses, showing how the government's general expenses less the program revenues equal net expenses for the most recent fiscal year. General revenues are then subtracted from net expenses to get the change in net assets. All of the current year's revenues and expenses are taken into account regardless of when the cash is received or paid. Thus, revenue and expenses reported in this

statement for some items will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned, but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety, highways and streets, sanitation, health and welfare, economic opportunity, economic development, culture and recreation, urban redevelopment and housing, and interest on long-term debt. The business-type activities of the City include a water system, wastewater system, storm water service, parking garage administration, solid waste service, electric utility, and a yard waste system.

The government-wide financial statements include not only the City itself (primary government), but also a few legally separate units: Neighborhood Care, Inc. (HANDS), Summit Development Corporation (Summit), Fort Wayne Urban Enterprise Association, Inc. (UEA), Allen County Fort Wayne Capital Improvement Board of Managers (CIB), Fort Wayne Redevelopment Authority (RA), Fort Wayne Public Transportation Corporation (PTC), and Downtown Fort Wayne Economic Improvement District (DID) for which the City is financially accountable. Financial information for these component units are reported separately from the financial information presented for the primary government itself. The financial statements of these component units can be found in their entirety on file in the City Controller's office at One Main Street, Fort Wayne, Indiana 46802. The Fort Wayne Municipal Building Corporation is legally separate from the City, but since its nature and relationship with the City is significant, it is an integral part of the primary government.

The government-wide financial statements can be found on pages 52-54 of this report.

Fund financial statements. A fund is a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, with its related liabilities, and corresponding equity balances. Some funds are required to be established by State Law and by bond covenants, while others are adopted to help control monies set aside for a specific purpose. The City of Fort Wayne, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for most of the City's basic services. These funds generally do not provide enough revenue to completely cover their expenses; therefore, they need taxes, fees, interest or any other intergovernmental revenue to help support them. These funds use the modified accrual method of accounting, which measures cash and all other financial assets that can readily be converted to cash. Governmental fund financial statements focus on near-term inflows and outflows of unrestricted resources, as well as on balances of unrestricted resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements. The differences of results in the governmental fund financial statements to those in the government-wide financial statements are explained in a reconciliation following each governmental fund financial statement. The basic governmental fund financial statements can be found on pages 53-56 of this report.

Proprietary funds. When the City charges a fee to cover the entire cost of an operation, whether to outside customer or to other units of the City, the services are generally classified as a proprietary fund. There are two types of proprietary funds: enterprise funds and internal service funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. These funds are completely self-supported by providing services to *outside customers* of the City. The City uses enterprise funds to account for its water, wastewater, storm water, solid waste, parking garages, electric, and yard waste operations. Internal Service funds are used to report activities that provide services and supplies for the other City departments. The City uses internal service funds to account for its

group health insurance, general auto and liability insurance, worker's compensation, and garage services. The internal service funds are reported within the governmental activities section of the government-wide financial statements. The basic proprietary fund financial statements can be found on pages 59-61 of this report.

Fiduciary funds. Fiduciary funds are funds held by a governmental unit as an agent or a trustee. They are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. The City holds two types of fiduciary funds: pension trust funds and agency funds. Pension trust funds are used to account for pension plans held by the City on behalf of its employees. The City uses pension trust funds to report the police pension, fire pension, and sanitary officers' pension funds. Agency funds are used to account for monies held by the City for an external party. The City uses agency funds to report the allocated expense clearing, payroll, Barrett Law Regular Waivered Fund, and the Fort Wayne Neighborhood Housing Partnership (FWNP). The basic fiduciary fund financial statements can be found on pages 62-63 of this report.

Notes to the financial statements. The notes are a required part of the basic financial statements that provide necessary information for the understanding of the City's financial report. The notes to the financial statements can be found on pages 67-110 of this report.

Other information. The City is also required to provide more detailed information about certain issues disclosed in required supplementary information (RSI) schedules. The City's RSI schedules include: Budgetary Comparison Schedule for General Fund and Major Special Revenue Funds, Comparison of Needed-to-Actual Maintenance/Preservation including the condition rating of the City's street system, Schedule of Funding Progress, and the Schedule of Contributions from the Employer and other Contributing Entities. The combining financial statements for the non-major governmental funds, non-major enterprise funds, and the internal service funds are found immediately following the RSI schedules listed above. The RSI schedules can be found on pages 112-116 of this report.

Government-wide Financial Analysis

The City's (primary government) assets exceeded liabilities by \$1,178.5 million at the close of 2009. The largest portion of the City's net assets (total assets less total liabilities), which amounts to \$1,032.6 million (or 87.6 percent), reflects its investment in capital assets (e.g., land, distribution and collection, roads, buildings and improvements, machinery and equipment, construction in progress, and net investment in joint venture), less any outstanding debt used to acquire these assets. These assets are designated as invested in capital assets because they are used to provide the everyday services the citizens of the City expect; they are not liquid and

are not available for future spending. The debt associated with these capital assets must be paid from sources other than the capital assets themselves because, as stated before, they cannot be used as a liquid asset.

The remainder of the City's net assets is designated as either restricted or unrestricted. The restricted portion, which totals \$51.7 million (or 4.4 percent), are dollars that are subject to an external restriction and cannot be spent on everyday operations. The unrestricted portion of the net assets is \$94.2 million (or 8.0 percent).

At the end of 2009, the City shows a positive net asset figure as a whole as well as in the governmental and business-type activities sections individually. This shows that the City has been able to make sound financial decisions over the past several years leaving them with a solid equity base on which to build.

In 2009, the City's net assets increased by \$26.8 million. There was an increase in the City's net asset figure for the business-type activities of \$17.1 million and a net increase for the governmental activities of \$9.7 million.

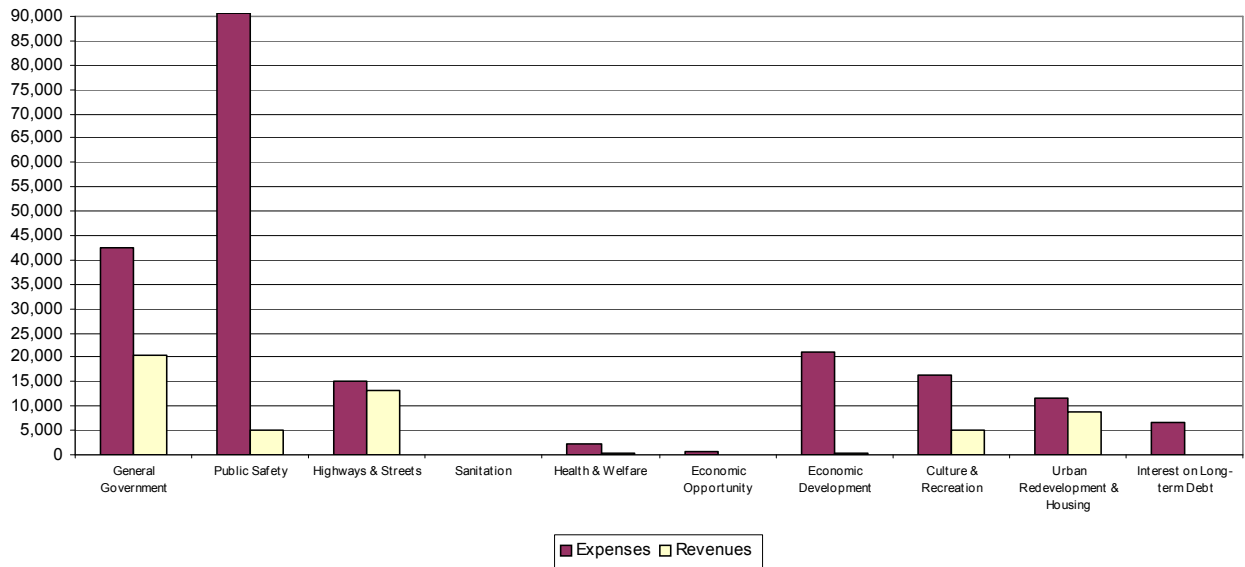

The City's component units showed assets exceeding liabilities by \$35.6 million at the end of 2009. Of the net assets (total assets less total liabilities), \$26.9 million reflects its investment in capital assets less any debt used to acquire these assets that is still outstanding. These assets are designated as invested in capital assets because they are used to provide the everyday services to the users of the component units, these assets are not liquid and are not available for future spending. The debt associated with these capital assets must be paid from sources other than the capital assets themselves because, as stated before, they cannot be used as a liquid asset. Unrestricted net assets equal \$8.5 million at the end of 2009. These assets may be used by the City's component units for normal operations.

Governmental Activities. The governmental activities accounted for a \$9.7 million increase in the City's total net assets in 2009. Property tax revenue increased \$5.1 million in 2009, CEDIT and other tax revenue decreased by approximately \$4.8 million. Through sound budgeting practices, the City was able to remain within or below its expense budget while still providing all of the necessary government services, thus resulting in an increase in the City's net assets.

**Expenses & Program Revenues - Governmental Activities
(Expressed in Thousands)**

Revenues by Source - Governmental Activities

Business-type Activities. The business-type activities of the City increased net assets by \$17.1 million or 63.8 percent of the total increase in the City's net assets of \$26.8 million. Business-type activities represent 32.2 percent of the Primary Government's revenues and 27.2 percent of the expenses. The City's Water and Wastewater utilities account for 74.4 percent of the business-type activities' program revenues and 74.2 percent of the expenses

Revenues by Source - Business-type Activities

Financial Analysis of the Government's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental funds. The City's fund financial statements use modified accrual accounting providing information on near term inflows, outflows, and balances of available resources. This provides the reader with useful information regarding the City's financial position. The

unreserved fund balance of the City's governmental funds gives good insight into its ability to meet current obligations as well as meet the City's ongoing service needs.

At the end of 2009, the City's governmental funds reported combined ending fund balances of \$137.3 million, an increase of \$33 million in comparison with the prior year. Of that total about \$96.8 million (or 71 percent) is unreserved fund balance. The remaining \$40.5 million (or 29 percent) is reserved for prior commitments. The reserved amount is for encumbrances of \$22 million, non-current loans receivable of \$3.3 million, and assets held for resale of \$15.2 million.

The largest portion of the City's governmental fund totals is made up of the General fund, the City's chief operating fund. At the end of 2009 the General fund had an unreserved fund balance of \$22.1 million and a total fund balance of \$22.4 million. As a measure of the General fund's liquidity, you can compare the total fund balance and unreserved fund balance to the total fund expenditures. The General fund expenditures for fiscal year ended 2009 were \$81 million. The total fund balance represents 27.6 percent of General fund expenditures, while the unreserved fund balance is 27.3 percent of that same amount.

The fund balance of the City's General fund increased by \$4.4 million during fiscal year ended 2009. During 2009, the General fund expenditures were mostly in line with revenues received. However, the City also received transfers in of \$4.4 million from City Utilities for their annual Contributions in Lieu of Taxes payments, which accounts for the increase in the General fund balance.

The City has five other funds that meet the major fund criteria: the Highways and Streets, CEDIT, Parks, Fire, and Redevelopment. The combined fund balance at the end of 2009 for the other five major funds is \$74.1 million. This results in a net increase in fund balances for the other major funds of \$14.4 million from the prior year. The major reasons for this increase are:

The Highways and Streets fund balance decreased by \$2.5 million to \$2.7 million at the end of 2009. This was the result of construction fees increasing \$2.1 million in 2009, while street engineering revenues from the State decreased \$0.3 million.

The CEDIT fund balance increased by \$18.4 million to \$26.3 million at the end of 2009. This was due to the issuance of a \$30 million bond in May 2009. The proceeds are being used to provide funding for the construction and installation of infrastructure and lighting improvement within the City.

The Fire fund balance decreased by \$0.9 million to \$0.8 million at the end of 2009. While 2009 total expenditures were down \$910,000 from 2008, total tax revenues were also down in 2009, resulting in the reduction in the fund balance.

The non-major governmental funds have a combined increase of \$14.2 million to a fund balance of \$40.8 million at the end of 2009.

Proprietary funds. The City's proprietary funds use full accrual accounting to report information in their fund financial statements similar to the way things are reported in the government-wide financial statements.

Net assets of the City's proprietary funds at the end of 2009 were \$471.8 million. Of that total, they had restricted net assets of \$51.7 million, invested in capital assets of \$414.3 million, and unrestricted net assets of \$5.8 million. This is a total increase of about \$17.1 million, and was almost entirely reinvested in additional capital assets.

General Fund Budgetary Highlights

The differences between the original adopted budget and the final amended budget were immaterial; the original budget was increased \$187 thousand (or 0.22 percent). The difference is summarized as follows:

- \$152 thousand decrease in general government's appropriation
- \$ 76 thousand decrease in public safety's appropriation
- \$425 thousand increase in highway and streets appropriation
- \$ 9 thousand decrease in economic development's appropriation

The actual expenditures were \$2.8 million lower than budgeted, while the revenues of the general fund were \$4.9 million lower than budgeted. For the year, the general fund balance increased by \$4.4 million.

The 2009 final approved budget was \$83.778 million; actual expenditures amounted to \$80.970 million, leaving a \$2.808 million positive variance. The variance is summarized as follows:

- \$ 499 thousand for general government
- \$1,640 thousand for public safety
- \$ 277 thousand for highway and streets
- \$ 62 thousand for health and welfare
- \$ 53 thousand for economic opportunity
- \$ 277 thousand for economic development

Of the \$2.808 million positive variance, \$1.057 million was in personnel services. This variance was primarily due to unfilled positions as a result of resignations, retirements, and/or terminations. The remaining variance consisted of \$605 thousand for supplies expense, \$940 thousand for other services and charges, and \$206 thousand for capital outlays. These variances were incurred due to the City departments meeting the challenges of monitoring and controlling expenses while still maintaining adequate services to the city.

Capital Asset and Debt Administration

Capital assets. The City's Primary Government's capital assets as of December 31, 2009, are equal to \$1,361.8 million (net of accumulated depreciation). Capital assets include land, distribution and collection, roads, buildings and improvements, machinery and equipment, and construction in progress. The total increase in the City's capital assets for the current fiscal year was \$60.3 million or 4.6 percent (a 5.9 percent increase for governmental activities and a 3.1 percent increase for business-type activities).

Governmental activities. Capital assets for the governmental activities total \$855 million with an accumulated depreciation figure of \$92 million for a net book value of \$763 million. The amount includes \$11.8 million in construction in progress reflecting capital projects in various stages of completion. The City chose to report its roads using the modified approach accepted under the new reporting model. This allows the City to make additions and deletions to the overall asset figure without actually depreciating. The conditions of the City's road pavement are measured using a pavement condition index (PCI). The City has adopted the following condition categories. "Very Good" (100-80), "Good" (79-60), "Fair" (59-40), "Poor" (39-20), and "Very Poor" (19-0).

It is the policy of the City to maintain a pavement condition index of good (79-60). In 2008, the City had a pavement condition index rating of "Good" (72). The City has maintained a "Good" (71) rating in 2009. The City maintains there are no material variances between the needed expenditures and the actual expenditures for the maintenance of infrastructure for 2009.

More information regarding the modified approach can be found on pages 114 and 117-119 in the Required Supplementary Information (RSI) section of this report.

Business-type activities. Capital assets for the business-type activities total \$861.5 million with an accumulated depreciation figure of \$263.0 million for a net book value of \$598.5 million. The amount also includes \$35.9 million in construction in progress reflecting capital projects in various stages of completion.

Major projects include: An upgrade to the north pump building, an upgrade to the electrical components of the St. Joe dam, the purchase of the Town of Zanesville's wastewater assets, continued work on projects to reduce the number of Combined Sewer Overflows (CSO's) and the volume of discharges directly to the rivers, Combined Sewer Capacity improvements to reduce the risk of basement backups, replacement of six miles of water mains per year, increasing finished water storage capacity, and the development of emergency electrical back-up systems for key pump stations and the treatment plants. During 2009, approximately \$36.6 million was spent on capital projects.

Additional information regarding the City's capital assets can be found in Note 3 on pages 79-81 of this report.

Long-term debt. At the end of the current fiscal year, the City's Primary Government had total bonded debt outstanding of \$206.5 million. Of this amount \$120.7 million is considered to be general obligation bonds, special obligation bonds, or first mortgage bonds. The City is responsible to pay for this debt with general revenues. The remaining \$85.8 million is revenue bonds that are paid for from the revenues earned by the business-type fund that is responsible for the debt.

City of Fort Wayne
Long-term Debt
(amounts expressed in thousands)

	Governmental activities		Business-type activities		Total	
	2009	2008	2009	2008	2009	2008
General obligation bonds	\$ 3,100	\$ 3,085	\$ -	\$ -	\$ 3,100	\$ 3,085

Other post-employment ben liab	509	509	-	-	509	509
Other long-term liabilities	-	-	23	24	23	24
Revenue bonds	-	-	85,795	94,325	85,795	94,325
Total	\$ 203,634	\$ 145,135	\$ 201,368	\$ 183,300	\$ 405,002	\$ 328,435

The City's total debt increased \$78.4 million during the current fiscal year, including additions of \$117.4 million and reductions of \$39.0 million. This increase was due mainly to the addition of capital leases of \$28.5 million, \$30 million in an Economic Development Income Tax Revenue Bond, \$16.5 million in First Mortgage Bonds, and \$29 million to invest in improvements in the Wastewater Utility's infrastructure.

The City of Fort Wayne currently maintains an AA- rating from Standard & Poor's and an Aa2 rating from Moody's for its general obligation debt. The City's Water Utility maintains an A rating from Standard & Poor's and an Aa3 from Moody's for its revenue bonds. The City's Wastewater Utility has an A- rating from Standard & Poor's and an Aa3 rating from Moody's for its revenue bonds.

Additional information on the City's long-term debt can be found in Note 5 on pages 82-91 of this report.

Economic Factors and Next Year's Budgets and Rates

The unemployment rate for the City is currently 10.7 percent, which is up from a rate of 9.9 percent a year ago. The state average unemployment rate is 10.1 percent and the national average is 9.3 percent. The increase in the unemployment rate and the resultant lower individual earnings could manifest itself in future years as lower income tax revenues.

Due to the passage of House Bill 1001, starting in 2008 the amount of property taxes collected has been substantially reduced, causing a shortfall in City revenues. The new law also places permanent property tax caps on real estate values, which limits future property tax revenues. The City is currently reviewing its options as to where it can curtail expenditures and seeking solutions for replacing the current and future lost revenues.

These factors along with others were considered when preparing the City's budget for the 2010 fiscal year.

Request for Information

This financial report is designed to provide a general overview of the City's finances. Questions concerning any of the information provided in this report or requests for additional information should be directed to the City's Controllers office, One Main Street, City of Fort Wayne, Indiana, 46802.

City of Fort Wayne, Indiana
Reconciliation of the Balance Sheet to the Statement of Net Assets
Governmental Funds
December 31, 2009

Total **fund balances** for governmental funds \$ 137,302,096

Amounts reported for governmental activities in the statement of net assets are different because:

Capital assets used in governmental activities (excluding internal service fund capital assets) are not financial resources and therefore, are not reported in the funds.

Those assets consist of:

Land	40,243,369	
Roads accounted for using the modified approach	508,857,110	
Construction in progress	11,820,086	
Buildings, net of \$29,484,844 accumulated depreciation	122,438,500	
Improvements other than buildings, net of \$21,387,153 accumulated depreciation	58,390,007	
Machinery and equipment, net of \$40,285,487 accumulated depreciation	<u>21,006,262</u>	
Total capital assets		762,755,334

Bond issuance costs associated with new debt issued by the City in 2009 were reported as expenditures in the governmental funds when the debt was issued, whereas bond issuance costs are deferred in the statement of net assets. Deferred bond issuance costs are amortized, over the life of the debt issued, as an adjustment to interest expense in the statement of activities. 2,136,120

Inventory of assets purchased from governmental funds. 945,981

Some assets are not available to pay for current-period expenditures and therefore, are deferred in the funds. 331,442

Net pension asset from the PERF Pension Plan is considered an asset of the general government. 278,091

Internal service funds are used by the City to account for the financing of goods or services provided by one department or agency to other City departments or agencies, generally on a cost reimbursement basis. The assets and liabilities of the internal service funds are included in governmental activities in the statement of net assets. Internal service fund net assets are: 1,420,363

City tax collections related to 2009 will be collected beyond the 60 day period used to record revenue in the fund statements. Revenue and a corresponding receivable for this amount are included in the government-wide statements. 6,215,897

State shared revenue appropriated during the State of Indiana's fiscal year ended June 30, 2009 will be collected by the City in calendar year 2010. Revenue and a corresponding receivable for the amount appropriated but not received by December 31, 2009 are included in the government-wide statements. 1,586,835

Some of the City's revenues will be collected after year-end, but are not available soon enough to pay for the current period's expenditures and therefore, are deferred in the funds. 915,261

Long-term liabilities applicable to the City's governmental activities are not due and payable in the current period and therefore, are not reported in the funds. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities, both current and long-term, are reported in the statement of net assets. Also, during the year the City issued new debt. The discount or premium received was reported in the governmental funds when the debt was issued, whereas these amounts are deferred and amortized, over the remaining life of the new debt, as an adjustment to interest expense in the statement of activities.

Balances at December 31, 2009 are:

Bonds payable	(120,685,000)	
Bond interest payable	(602,873)	
Unamortized discount	557,301	
Unamortized premium	(531,708)	
Unamortized loss on refunding	225,143	
Leases payable	(57,829,225)	
Lease interest payable	(1,174,189)	
Loans payable	(11,260,000)	
Loan interest payable	(231,002)	
Compensated absences payable	(9,255,412)	
Other postemployment benefits liability	<u>(2,229,188)</u>	
Total long-term liabilities		(203,016,153)

Net pension obligation for the Sanitary Officers' Pension Plan is not due and payable in the current period and therefore, is not reported in the funds, but is included in the government-wide statements. (4,206,188)

Total **net assets** of governmental activities \$ 706,665,079

The notes to the financial statements are an integral part of this statement.

The notes to the financial statements are an integral part of this statement.

City of Fort Wayne, Indiana
Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances to the Statement of Activities
Governmental Funds
For the Year Ended December 31, 2009

Net change in **fund balances** - total governmental funds \$ 33,023,161

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets, which meet capitalization requirements, is capitalized. The cost of the depreciable assets is allocated over the estimated useful lives and reported as depreciation expense. (The internal service fund capital assets are not included in this section, but rather the net revenue (expense) of the internal revenue service funds as a separate line item.)

Capital assets not being depreciated:

Land	154,561
Roads accounted for using the modified approach	1,343,451
Construction in progress	<u>(16,897,688)</u>
Total change in capital assets not being depreciated	(15,399,676)

Capital assets being depreciated:

Buildings, net of \$2,458,467 depreciation expense	59,148,950
Improvements other than buildings, net of \$2,081,907 depreciation expense	424,684
Machinery and equipment, net of \$5,800,815 depreciation expense	<u>(1,743,046)</u>
Total change in capital assets being depreciated	57,830,588

Total changes in capital assets 42,430,912

The issuance of long-term debt provides current financial resources to governmental funds, but increases the long-term liabilities on the statement of net assets. Repayment of principal for long-term debt consumes the current financial resources of governmental funds, but reduces long-term liabilities in the statement of net assets. This is the amount by which repayments exceed issuance proceeds. (58,463,182)

Governmental funds report the effect of bond issue costs, deferred loss on refunding, discounts and premiums when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. 1,099,457

Some expenses were deferred as assets in the statement of net assets and therefore were not reported in the statement of activities, but were reported as expenditures in the governmental funds. 144,884

Net pension obligation for the Sanitary Officers' Pension Plan is considered a long-term obligation of the general government, but is not a current expenditure. (36,464)

Net pension asset from the PERF Pension Plan is considered an asset of the general government, but is not current revenues. (101,495)

Other postemployment benefits liability is considered a long-term obligation of the general government, but is not a current expenditure. (1,720,258)

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the governmental funds. (4,539,527)

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore, are not reported as expenditures in the governmental funds. (1,208,092)

Internal service funds are used by the City to account for the financing of goods and services provided by one department or agency to other City departments or agencies, generally on a cost reimbursement basis. The net revenue (expense) of the internal service funds is reported with governmental activities. (987,822)

Changes in **net assets** of governmental activities \$ 9,641,574

The notes to the financial statements are an integral part of this statement.

NOTES TO THE FINANCIAL STATEMENTS

CITY OF FORT WAYNE, INDIANA
NOTES TO FINANCIAL STATEMENTS
December 31, 2009

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

The City of Fort Wayne (primary government) was established under the laws of the State of Indiana. The primary government is a municipal corporation governed by an elected mayor and nine-member council and provides the following services: public safety (police and fire), highways and streets, health, welfare and social services, culture and recreation, public improvements, planning and zoning, general administrative services, electric, water, wastewater, storm water, yard waste and urban redevelopment and housing. The accompanying financial statements present the activities of the primary government and its significant component units. The financial statements of the City of Fort Wayne (City) have been prepared in conformity with accounting principles generally accepted in the United States of America as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standards-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies are described below.

The component units discussed below are included in the primary government's reporting entity because of the significance of their operational or financial relationships with the primary government. Blended component units, although legally separate entities are in substance part of the government's operations and exist solely to provide services for the government; data from these units is combined with data of the primary government. Discretely presented component units are involved in activities of an operational nature independent from the government; their transactions are reported in a separate column in the government-wide financial statements.

Blended Component Unit

The Fort Wayne Municipal Building Corporation is a significant blended component unit of the primary government. The City created it in 1997 for the sole purpose of financing two fire stations, an animal care building and improvements to the City's Board of Works complex. In 2000, the City entered into a second agreement with the Municipal Building Corporation for the purpose of financing a fire station along with purchasing equipment to finish the new station. In 2002, the City entered into a third agreement with the Municipal Building Corporation for the purpose of financing a street and highway transportation building. In 2005, the City entered into a fourth agreement with the Municipal Building Corporation for the purpose of financing two fire stations, #'s 18 and 19, to serve the 2006 annexed areas. In 2006, the City entered into a fifth agreement with the Municipal Building Corporation for the purpose of financing the Public Safety Academy. In 2009, the City entered into a sixth agreement with the Municipal Building Corporation for the purpose of the acquisition, renovation, and equipping of the Renaissance Square Building to be used as a City Hall. The primary government appoints a voting majority of the Municipal Building Corporation's board and a financial benefit/burden relationship exists between the primary government and the Municipal Building Corporation. Although it is legally separate from the primary government, the Fort Wayne Municipal Building Corporation is reported as if it were a part of the primary government because it provides services entirely or almost entirely to the primary government. The Fort Wayne Municipal Building Corporation is reported as the Building Project fund (non-major capital projects fund).

Discretely Presented Component Units

The component units column in the financial statements includes the financial data of the City's other component units.

The *Neighborhood Care, Inc., doing business as HANDS* (HANDS) is a significant discretely presented component unit of the primary government. The primary government appoints the eleven-member board. The primary government is able to impose its will and a financial benefit/burden relationship exists between the primary government and HANDS. HANDS is fiscally dependent on the primary government. It would be misleading to exclude HANDS from the primary government's financial statements because of its relationship with the primary government. HANDS was created by the City to administer the federally funded housing rehabilitation programs.

The *Summit Development Corporation* (Summit), formerly the *Kekionga Development Corporation of Fort Wayne* is a significant discretely presented component unit of the primary government. The primary government appoints all the members of the board. The primary government is able to impose its will and a financial benefit/burden relationship exists between the primary government and Summit. Summit is fiscally dependent on the primary government. It would be misleading to exclude Summit from the primary government's financial statements because of its relationship with the primary government. Summit was created by the City to finance and/or provide economic development services.

The *Fort Wayne Urban Enterprise Association, Inc.* (UEA) is a significant discretely presented component unit of the primary government. Fort Wayne Urban Enterprise Association, Inc. (UEA) is governed by an eleven-member board of which five are appointed by the Mayor, four are appointed by the City Council, and two are appointed by the Governor. The primary government appoints a voting majority of the UEA's board. The primary government is able to impose its will and a financial benefit/burden relationship exists between the primary government and UEA. UEA is fiscally dependent on the primary government. It would be misleading to exclude UEA from the primary government's financial statements because of its relationship with the primary government. The UEA initiates, coordinates, and promotes community development activities. The UEA acts as a liaison between residents, businesses, local governments, and the State for any and all development activity that may affect the enterprise zone.

The *Allen County Fort Wayne Capital Improvement Board of Managers (CIB)*, formerly the *Fort Wayne - Allen County Convention and Tourism Authority*, is a significant discretely presented component unit of the primary government. The Allen County Fort Wayne Capital Improvement Board of Managers (CIB) is governed by a seven-member board. The County appoints three members, three are appointed by the City, and the appointed members elect the seventh. CIB's budget is subject to approval by the City and County Councils. Any resolutions for the sale of revenue bonds are subject to review by the Mayor. Any sales of general obligation bonds are subject to approval by the City Council. A financial benefit/burden relationship exists between the primary government and the CIB. It would be misleading to exclude CIB from the primary government's financial statements because of its relationship with the primary government. CIB operates the Grand Wayne Center (convention center) and promotes tourism.

The *Fort Wayne Redevelopment Authority* (RA) is a significant discretely presented component unit of the primary government. Fort Wayne Redevelopment Authority is governed by a three-member board. The members of the board are appointed by the Mayor and must be residents of the City. The Fort Wayne Redevelopment Authority was established by the Fort Wayne Redevelopment Commission (a department of the City) in September 2000 and created by the City of Fort Wayne Common Council in February 2002. The Authority was organized under IC 36-7-14.5 as a separate body corporate and politic and as an instrumentality of the City, for the purpose of financing economic development improvements to be leased to the Commission. The RA's budget is subject to approval by the Commission. A financial burden/benefit relationship exists between the primary government and the RA. It would be misleading to exclude RA from the primary government's financial statements because of its relationship with the primary government.

The Fort Wayne Public Transportation Corporation (PTC) is a significant discretely presented component unit of the primary government. The Fort Wayne Public Transportation Corporation does business as Citilink and operates a public transit system in a service area that includes the cities of Fort Wayne, New Haven and certain unincorporated areas of Allen County. The PTC is governed by a seven member board of which three are appointed by the Mayor and four are appointed by the City of Fort Wayne – Allen County Council (Council). The Citilink board adopts the budget and tax levy, and approves the issuance of debt. In addition, the Council may review and modify the budget and tax levy, although its approval is not required for the issuance of debt. A financial benefit/burden relationship exists between the primary government and the PTC. It would be misleading to exclude PTC from the primary government's financial statements because of its relationship with the primary government.

The Downtown Fort Wayne Economic Improvement District (DID) is a significant discretely presented component unit of the primary government. The DID is governed by a thirteen member Board of Directors. One Director is appointed by the Common Council of the City of Fort Wayne. The Mayor of the City of Fort Wayne and the Commissioners of Allen County, each nominate one director, both of which are subject to approval of the Common Council. The remaining ten Directors are elected and must either be property owners within the District or must have demonstrated a commitment to downtown improvement and revitalization within the District. The DID is an Economic Improvement District established under State of Indiana statute that allows owners of non-residential real property to assess themselves to provide services to improve the business climate of the district. The DID's budget is subject to approval by the City Council. A financial burden/benefit relationship exists between the primary government and the DID. It would be misleading to exclude the DID from the primary government's financial statements because of its relationship with the primary government.

The financial statements of the individual component units may be obtained from the Controller, City of Fort Wayne or their respective offices as follows:

Controller, City of Fort Wayne
Room 930 City-County Building
Fort Wayne, IN 46802

Fort Wayne Municipal Building Corporation

Fort Wayne, IN 46808

Downtown Fort Wayne Economic Improvement District
111 East Wayne Street
Suite 500
Fort Wayne, IN 46802

Related Organizations

The primary government's officials are also responsible for appointing the members of the boards of other organizations, but the primary government's accountability for these organizations does not extend beyond making the appointments. These organizations are called related organizations. The Fort Wayne Housing Authority, Headwaters Park Commission, and the Hospital Authority of Fort Wayne are related organizations of the City of Fort Wayne.

B. Government-Wide and Fund Financial Statements

Government-wide financial statements (i.e., the statement of net assets and the statement of activities) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which direct expenses of a given function or segments are offset by program revenues. Direct expenses are clearly identifiable with a specific function or segment. Program revenues include (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items, not properly included among program revenues, are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting as are the proprietary fund and fiduciary fund financial statements. Agency funds, however, report only assets and liabilities. Since, they do not report equity (or changes in equity), they have no measurement focus. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the primary government considers revenues to be available if they are collected within sixty days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under

accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and permits, and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when the government receives cash.

The government reports the following major governmental funds:

The General fund is the primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The Highways and Streets fund (special revenue) accounts for the financial resources and expenses for construction, operation and maintenance of local and arterial roads and street system. The Motor Vehicle Highway and Local Roads and Streets funds have been combined to form the Highways and Streets fund.

The CEDIT fund (capital projects) accounts for the financial resources and expenses or projects related to the County Economic Development Income Tax (CEDIT). The CEDIT Income Tax, CEDIT Construction, Economic Development Incentive, Economic Development Infrastructure, Community Development-Marketing, Community Development-Strategic Objective, 2005 CEDIT Bond, 2009 CEDIT Bond, and the CEDIT Bond Construction funds have been combined to form the CEDIT fund.

The Parks fund (special revenue) accounts for the financial resources and expenses for the construction, operation and maintenance of the City's park system. The Park and Recreation General, Park Land and Water Conservation, Park Cumulative Building, Park Trust, Park Nonreverting Capital, Park Nonreverting Operating, and the 2005 Park Bond funds have been combined to form the Parks fund.

The Fire fund (special revenue) accounts for the financial resources and operations of the Fire District.

The Redevelopment fund (capital projects) accounts for the financial resources and expenses or projects related to redevelopment. The Redevelopment General, 1991 Tax Incremental Financing, 1992 Tax Incremental Financing-Getz Road, Civic Center Urban Renewal 1998, Tax Incremental Financing-Fort Wayne International Airport, 2002 Infrastructure Bond, Grand Wayne Center Ban, Grand Wayne Property and Miscellaneous Expenses, Grand Wayne Obligation Lease, Redevelopment Bond, Harrison Square Project, Harrison Square Tax Exempt Lease, Summit Park Tax Incremental Financing Project, Jefferson Point Tax Incremental Financing Project, Chapel Ridge Tax Incremental Financing Project, Brownfield Redevelopment, Southtown Mall Project, 2005 Southtown Tax-Exempt Bond, Centennial Industrial Park, Harrison Square Stadium Maintenance, Harrison Square Parking Garage, and the Redevelopment District Capital funds have been combined to form the Redevelopment fund.

The government reports the following major proprietary funds:

The Water Utility fund accounts for the operation of the government's water distribution system.

The Wastewater Utility fund accounts for the operation of the government's wastewater treatment plant, pumping stations and collection systems.

The Stormwater Utility fund accounts for the operation of the government's management of stormwater runoff.

Additionally, the government reports the following fund types:

The internal service funds (proprietary) account for health insurance, general and auto liability insurance, worker's compensation insurance and garage services provided to other departments on a cost-reimbursement basis.

The pension trust funds (fiduciary) account for the activities of the 1925 Police Officers' Pension and 1937 Firefighters' Pension and Sanitary Officers' Pension funds which accumulate resources for pension benefit payments.

Agency funds (fiduciary) account for the activities and assets held by the government as an agent for the Fort Wayne Neighborhood Housing Partnership (FWNP), Payroll, and Barrett Law Regular Waivered funds.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide and proprietary fund financial statements to the extent that those standards do not conflict with, or contradict, guidance of the Governmental Accounting Standards Board. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The government has elected not to follow subsequent private-sector guidance.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments in-lieu-of taxes and other charges between the government's water, wastewater, storm water function and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as program revenues include: (1) charges to customers or applicants for goods, services or privileges provided, (2) operating grants and contributions, and (3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the primary government's policy to use restricted resources first, then unrestricted resources as they are needed.

Assets, Liabilities and Net Assets or Equity

1. Deposits and Investments

The government's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

State statute (IC 5-13-9) authorizes the government to invest in securities, including but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Nonparticipating certificates of deposit, demand deposits and similar nonparticipating negotiable instruments that are not reported as cash and cash equivalents are reported as investments at cost.

Debt securities are reported at fair value. Debt securities are defined as securities backed by the full faith and credit of the United States Treasury or fully insured or guaranteed by the United States or any United States government agency.

Open-end mutual funds are reported at fair value.

Money market investments that mature within one year or less at the date of their acquisition are reported at amortized cost. Other money market investments are reported at fair value.

Investment income, including changes in the fair value of investments, is reported as revenue in the operating statement.

2. Interfund Transactions and Balances

Activities between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year to cover deficit cash balances are referred to as "Interfund receivables/payables – pooled cash". All other outstanding balances between funds are reported as "Due from/to other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "Internal balances."

3. Property Taxes

Property taxes levied are collected by the Treasurer of Allen County and are remitted to the City Controller in June and in December. State statutes (Indiana Code 6-1.1-17-16) require the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments that become delinquent if not paid by May 10 and November 10. All property taxes collected by the County Treasurer and available for distribution were distributed to the primary government prior to December 31 of the year collected. Delinquent property taxes outstanding at year-end for governmental funds, net of allowance for uncollectible accounts, are recorded as a receivable with an offset to "Deferred revenue" since the amounts are not considered available within 60 days.

4. Cash and Cash Equivalents

Cash and cash equivalents include amounts in demand deposits as well as short-term investments with a maturity date within three months of the date acquired by the City.

5. Inventories and Prepaid Items

All inventories are valued at cost using the first in/first out (FIFO) method except for the Water Utility, which uses the average cost method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

6. Restricted Assets/Net Assets

All restricted assets/net assets, as presented in the accompanying financial statements, are restricted due to enabling legislation.

7. Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities column

in the government-wide financial statements. Capital assets are reported at actual or estimated historical cost based on appraisals or deflated current replacement cost. Contributed or donated assets are reported at estimated fair value at the time received.

Capitalization thresholds (the dollar values above which asset acquisitions are added to the capital asset accounts), depreciation methods and estimated useful lives of capital assets reported in the government-wide statements and proprietary funds are as follows:

	Capitalization Threshold	Depreciation Method	Estimated Useful Life
Governmental Activities:			
Land	All Capitalized	N/A	N/A
Infrastructure	\$ 5,000	N/A	N/A
Buildings	5,000	Straight-line	40
Improvements other than buildings	5,000	Straight-line	20-25
Machinery and equipment	5,000	Straight-line	5-25
Business-type Activities: (Solid Waste Management and Parking Garages)			
Land	All Capitalized	N/A	N/A
Buildings and improvements	5,000	Straight-line	20-40
Equipment and other	5,000	Straight-line	5-25
Business-type Activities: (Utilities and Yard Waste Facility)			
Land	All Capitalized	N/A	N/A
Distribution and collection	500	Straight-line	67
Buildings and improvements	500	Straight-line	20-44
Equipment and other	500	Straight-line	6-67

Infrastructure is reported using the modified approach. Accordingly, depreciation is not reported for this subsystem and all expenditures, except for additions and improvements made for the subsystem, are expensed. Management of the City has determined the condition level at which infrastructure assets are to be maintained. The City makes annual estimates of the amounts that must be expended to preserve and maintain these assets at the predetermined condition levels. The City also performs periodic condition assessments to verify that these condition levels are being maintained. The City of Fort Wayne has included all retroactive infrastructure acquired prior to the implementation of GASB 34.

For depreciated assets, the cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed. In 2009, net interest capitalized was \$1,203,801 for Water Utility, \$1,193,701 for Wastewater Utility, and \$338,413 for Stormwater Utility.

8. Assets Held for Resale

Assets held for resale are valued at lower of cost or market. These assets are held by the City with the intent to sell them in the future.

9. Compensated Absences

City employees are entitled to accumulate earned but unused sick and vacation pay benefits depending on their length of employment or whether or not they belong to a union. Vacation and sick pay is accrued when incurred in the proprietary funds and reported as a fund liability. Vacation and sick pay is accrued for employees of governmental funds in the government-wide statements. The major governmental and proprietary funds are primarily used to liquidate the liability for compensated absences.

Police Officers and Firefighters

Vacation Leave:

Vacation leave policies for police officers and firefighters are set forth in the appropriate union agreements with the City. Vacation leave for police officers ranges from seven days per year after six months service to thirty-three days per year after twenty years service. The range of vacation leave for firefighters is as follows: Forty hour personnel □ five days after one year service to thirty□seven days after twenty□five years service; Combat personnel □ six days after one year service to sixteen days after twenty years service.

Sick Leave:

Police officers do not have an earned sick leave plan but receive pay while they are sick based on regulations set by their department. Firefighters injured or sick shall have leave paid by the City for a period of not more than one year.

Employees Other Than Police Officers and Firefighters

Generally, the employees of the City of Fort Wayne receive the following:

Vacation Leave:

<u>Length of Service</u>	<u>Vacation Leave</u>
6 Months to 1 Year	1 Week
1 Year to 5 Years	2 Weeks
6 Years to 14 Years	3 Weeks
15 Years to 19 Years	4 Weeks
Over 19 Years (hired before 1/1/96)	5 Weeks
Over 19 Years (hired after 1/1/96)	4 Weeks

For union employees, unused vacation shall automatically be carried over into the next year; however, amounts of more than one year's carryover shall be paid to the employee.

For non-union employees, unused vacation shall automatically be carried over into the next year; however, amounts of more than one year's carryover shall be lost if not taken.

Sick Leave:

Employees hired before January 1, 2002 earn 2.31 hours of sick leave per week of full employment and employees hired 1/1/02 and after earn 1.54 hours of sick leave per week of full employment. Sick leave may be accumulated. An employee with ten years of service will receive compensation for unused sick leave upon retirement at \$1.00 for each hour up to 520 hours.

All City employees, except one bargaining unit, allow for either 50 percent of the employee's normal straight time hourly rate for each accumulated hour over 520, or an employee may receive credit at the rate of 100 percent of the employee's normal straight time hourly rate for each sick leave hour over 520 to be used for the purchase of group health insurance. The maximum payment per employee cannot exceed \$25,000.

10. Unbilled Revenue

The enterprise and the internal service funds accrue revenue for sales and services performed, but not yet billed, as of the balance sheet date.

11. Deferred / Unearned Revenues

Deferred revenues are those where asset recognition criteria have been met, but for which revenue recognition criteria have not been met. "Deferred revenue" is defined as revenue earned, but not available within a 60 day period (applies to fund statements only). "Unearned revenue" is available, but not earned at year-end (applies to government-wide and fund statements).

12. Long-Term Obligations

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities or proprietary fund type statement of net assets. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium, discount or loss on refunding. Bond issuance costs are reported as deferred debits and amortized over the term of the related debt in the government-wide statement of net assets and the proprietary fund statements.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuance are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from actual debt proceeds received, are reported as debt service expenditures.

13. Fund Equity

In the fund financial statements, governmental funds report reservations of fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Designations of fund balance represent tentative management plans that are subject to change.

Note 2. Deposits and Investments

A. Primary Government

1. Deposits

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. Indiana Code 5-13-8-1 allows a political subdivision of the State of Indiana to deposit public funds in a financial institution only if the financial institution is a depository eligible to receive state funds; and has a principal office or branch that qualifies to receive public funds of the political subdivision. The bank balances were insured by the Federal Deposit Insurance Corporation or the Public Deposit Insurance Fund, which covers all public funds held in approved depositories. The City does not have a formal policy for custodial credit risk.

2. Investments

Authorization for investment activity is stated in Indiana Code 5-13. As of December 31, 2009, the City had the following investments:

<u>Investment Type</u>	<u>Market Value</u>	<u>Investment Maturities Less Than 1 Year</u>
Mutual Funds	<u>\$ 32,490,225</u>	<u>\$ 32,490,225</u>

Investment Policies

Indiana Code 5-13-9 authorizes the City to invest in securities backed by the full faith and credit of the United States Treasury or fully guaranteed by the United States of America and issued by the United States Treasury, a federal agency, a federal instrumentality, or a federal government sponsored enterprise. Indiana Code also authorizes the unit to invest in securities fully guaranteed and issued by a federal agency, a federal instrumentality or a federal government sponsored enterprise. These investments are required by statute to have a stated final maturity of not more than two years.

Indiana Code also provides for investment in money market mutual funds that are in the form of securities or interest in an open-end, no-load, management-type investment company or investment trust registered under the provision of the federal Investment Company Act of 1940, as amended. Investments in money market mutual funds may not exceed fifty percent (50%) of the funds held by the City and available for investment. The portfolio of an investment company or investment trust used must be limited to direct obligations of the United States of America, obligations issued by a federal agency, a federal instrumentality, or a federal government sponsored enterprise; or repurchase agreements fully collateralized by direct obligations of the United States of America or obligations issued by a federal agency, a federal instrumentality, or a federal government sponsored enterprise. The form of securities of, or interest in, an investment company or investment trust must be rated as AAA, or its equivalent by Standard and Poor's Corporation or its successor or AAA, or its equivalent, by Moody's Investors Service, Inc., or its successor. The form of securities in an investment company or investment trust should have a stated final maturity of one day.

The City may enter into repurchase agreements with depositories designated by the State Board of Finance as depositories for state deposits involving the unit's purchase and guaranteed resale of any interest-bearing obligations issued or fully insured or guaranteed by the United States of America, a United States of America government agency, an instrumentality of the United States of America, or a federal government sponsored enterprise. The repurchase agreement is considered to have a stated final maturity of one day. This agreement must be fully collateralized by interest-bearing obligations as determined by their current market value.

The Community Trust, which invests in a variety of securities and mutual funds, is not subject to the requirements of Indiana Statutes governing authorized investments.

Investment Custodial Credit Risk

The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. The City does not have a formal investment policy for custodial credit risk for investments that are uninsured and 1) uncollateralized, 2) collateralized with securities held by the pledging financial institution, or 3) collateralized with securities held by the pledging financial institution's trust department or agent but not in the government's name.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City must follow state statute and limit the stated final maturities of the investments to no more than two years. The City does not have a formal investment policy for interest rate risk.

Credit Risk

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The City does not have a formal investment policy in regards to credit risk for investments. The distribution of securities with credit ratings is summarized below.

	<u>City of Fort Wayne Investments</u>
<u>Morningstar Rating</u>	<u>Mutual Funds</u>
Below Average	\$ 10,286,169
Average	11,873,148
Above Average	8,581,873
Not Rated	1,749,035
Total	<u>\$ 32,490,225</u>

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single user. The City does not have a policy in regards to concentration of credit risk. United States of America government and United States of America governmental agency securities are exempt from this policy requirement.

Foreign Currency Risk

Foreign currency risk relates to adverse affects on the fair value of an investment from changes in exchange rates. The City does not have a formal policy in regards to foreign currency risk. The City's exposure to foreign currency risk derives from their investment at December 31, 2009 in foreign mutual funds with a fair value of \$8,787,276.

B. Discretely Presented Component Units

1. Deposits

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. Indiana Code 5-13-8-1 allows a political subdivision of the State of Indiana to deposit public funds in a financial institution only if the financial institution is a depository eligible to receive state funds, and has a principal office or branch that qualifies to receive public funds of the political subdivision. At December 31, 2009, the City's discretely presented component units' deposits with financial institutions of \$10,835,290 were entirely insured by federal depository insurance, with the exception of UEA's deposits in the amount of \$508,780. These deposits are collateralized with securities held by the counter party's trust department or agent in the UEA's name.

Note 3. Capital Assets

Capital asset activity for the year ended December 31, 2009 was as follows:

Primary government

	Beginning Balance	Additions	Reductions	Ending Balance
Governmental activities:				
Capital assets not being depreciated:				
Land	\$ 40,116,085	\$ 154,561	\$ -	\$ 40,270,646
Roads accounted for using the modified approach	507,513,659	1,343,451	-	508,857,110
Construction in progress	<u>28,717,774</u>	<u>10,891,400</u>	<u>27,789,088</u>	<u>11,820,086</u>
Total capital assets not being depreciated	<u>576,347,518</u>	<u>12,389,412</u>	<u>27,789,088</u>	<u>560,947,842</u>
Capital assets being depreciated:				
Buildings	90,956,566	61,607,417	123,280	152,440,703
Improvements other than buildings	77,270,569	2,506,591	-	79,777,160
Machinery and equipment	<u>59,699,061</u>	<u>4,712,636</u>	<u>2,538,942</u>	<u>61,872,755</u>
Total capital assets being depreciated	<u>227,926,196</u>	<u>68,826,644</u>	<u>2,662,222</u>	<u>294,090,618</u>
Less accumulated depreciation for:				
Buildings	27,243,645	2,510,684	123,280	29,631,049
Improvements other than buildings	19,305,246	2,081,907	-	21,387,153
Machinery and equipment	<u>36,875,002</u>	<u>5,803,768</u>	<u>1,908,123</u>	<u>40,770,647</u>
Total accumulated depreciation	<u>83,423,893</u>	<u>10,396,359</u>	<u>2,031,403</u>	<u>91,788,849</u>
Total capital assets being depreciated, net	<u>144,502,303</u>	<u>58,430,285</u>	<u>630,819</u>	<u>202,301,769</u>
Total governmental activities capital assets, net	<u>\$ 720,849,821</u>	<u>\$ 70,819,697</u>	<u>\$ 28,419,907</u>	<u>\$ 763,249,611</u>

The above governmental activities capital assets include internal service funds capital assets as follows:

	Beginning Balance	Additions	Reductions	Ending Balance
Capital assets not being depreciated:				
Land	\$ 27,277	\$ -	\$ -	\$ 27,277
Capital assets being depreciated:				
Buildings	517,359	-	-	517,359
Machinery and equipment	<u>556,958</u>	<u>24,048</u>	<u>-</u>	<u>581,006</u>
Total capital assets being depreciated	<u>1,074,317</u>	<u>24,048</u>	<u>-</u>	<u>1,098,365</u>
Less accumulated depreciation for:

Total depreciation expense - business-type activities	<u>\$ 17,760,848</u>

*Capital assets held by the primary government's internal service funds are charged to the various functions based on their usage of the assets.

Note 4. Short-Term Liabilities

Bond Anticipation Notes

In 2008, the Waterworks Utility financed the acquisition of Aqua Indiana assets with Waterworks Utility Revenue Bond Anticipation Notes, Series 2008 (BAN1) issued February 5, 2008 for \$17,840,000. The BAN had an interest rate of 1.81% and was payable on or before February 11, 2009. BAN 1 was retired from the proceeds of the Waterworks Utility Revenue Bond Anticipation Notes, Series 2009 (BAN2). BAN2 was issued on February 11, 2009 in the amount of \$17,840,000. BAN2 has an interest rate of 4.25% and is payable on February 11, 2010.

Short-term debt activity for the year ended December 31, 2009, was as follows:

	Beginning Balance	Issued	Repayments	Ending Balance
Business-type Activities:				
Bond anticipation notes	<u>\$ 17,840,000</u>	<u>\$ 17,840,000</u>	<u>\$ 17,840,000</u>	<u>\$ 17,840,000</u>

Discretely presented component units:

Lease Rental Revenue Bonds:	Balance, 12/31/2009	Due Within One Year	Premium (Discount)	Due In More Than One Year
\$31,985,000 2003 Fort Wayne Redevelopment Authority Lease Rental Revenue Bonds due in installments of \$1,125,000 to \$2,170,000 plus interest through February 1, 2028; interest at 5.0 percent.	\$ 29,825,000	\$ 1,325,000	\$ 1,003,478	\$ 29,503,478
\$25,635,000 2007A Fort Wayne Redevelopment Authority Lease Rental Revenue Bonds due in installments of \$250,000 to \$1,405,000 plus interest through February 1, 2034; interest at 4.50 percent to 5.25 percent.	25,635,000	-	143,888	25,778,888
\$18,235,000 2007B Fort Wayne Redevelopment Authority Lease Rental Revenue Bonds due in installments of \$40,000 to \$1,450,000 plus interest through February 1, 2020; interest at 4.5 percent to 5.8 percent.	18,220,000	450,000	(56,351)	17,713,649
Total Lease Rental Revenue Bonds	\$ 73,680,000	\$ 1,775,000	\$ 1,091,015	\$ 72,996,015

The general obligation bond is backed by the full faith and credit of the City of Fort Wayne.

The special obligation bonds and first mortgage bonds are not backed by the full faith and credit of the City of Fort Wayne. The 2002, 2005 Series B, and 2005 Infrastructure Bonds, and in addition, the 2001, 2005, and 2009 Economic Development Income Tax Revenue Bonds, special obligation bonds, are secured by a pledge of the City's Economic Development Income Tax revenues. The 2000A, 2002, 2005, 2006, 2009 Series A, and 2009 Series B First Mortgage Bonds are secured by the pledge of the mortgaged property. The special obligation bond section also includes the 2005 Series A-1 and A-2 redevelopment district revenue bonds that are an obligation of the redevelopment district whose boundaries and taxing district are within the City.

The general obligation, special obligation, and first mortgage bonds are payable from governmental funds. The revenue bonds are payable from proprietary (enterprise) funds.

The lease rental revenue bonds are payable from the Redevelopment Authority, a discretely presented component unit of the City.

The major governmental and proprietary funds are primarily used to liquidate the liability for compensated absences.

C. Debt Service Requirement to Maturity - Bonds

Annual debt service requirements to maturity on the bonds are as follows:

Total	\$ 39,875,000	\$ 19,699,801	\$ 59,574,801	\$ 85,795,000	\$ 25,284,714	\$ 111,079,714

Discretely presented component units:

Year Ended December 31	Lease Rental Revenue		
	Principal	Interest	Totals
2010	\$ 1,775,000	\$ 3,689,243	\$ 5,464,243
2011	2,700,000	3,585,448	6,285,448
2012	2,435,000	3,461,458	5,896,458
2013	2,625,000	3,337,225	5,962,225
2014	2,935,000	3,200,710	6,135,710
2015-2019	18,170,000	13,415,250	31,585,250
2020-2024	20,835,000	8,347,214	29,182,214
2025-2029	18,015,000	3,060,987	21,075,987
2030-2034	4,190,000	537,991	4,727,991
Total	\$ 73,680,000	\$ 42,635,526	\$ 116,315,526

There are a number of limitations and restrictions contained in the various bond indentures. The City is in compliance with all significant limitations and restrictions.

The Water Utility, Wastewater Utility and Stormwater Utility bonds carry a pledge of all the revenues of the utilities and, upon default, the holders of the bonds are entitled to all the rights, remedies, and privileges required to compel the collection of sufficient revenues to provide for all payments of principal and interest.

D. Advance Refunding

The government issued \$3,100,000 of general obligation refunding bonds to provide resources to purchase U.S. Government State and Local Government Series securities that were placed in an irrevocable trust for the purpose of generating resources for all future debt service payments of \$2,870,000 of general obligation bonds. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the governmental activities column of the statement of net assets. The reacquisition price exceeded the net carrying amount of the old debt by \$225,143. This amount is being netted against the new debt and amortized over the remaining life of the refunded debt, which is the same as the life of the new debt issued. This advance refunding was undertaken to reduce total debt service payments over the next 10 years by \$150,200 and resulted in an economic gain of \$13,349.

E. Capital Leases Payable

Primary government:

The City has entered into the following capital leases:

Governmental Activities:

Year	Description	Carrying Value
2003	Street Maintenance Equipment	\$ 200,000
2004	Fire Trucks	2,725,000
2005	Equipment	2,943,540
2005	Street Maintenance Equipment	1,000,000
2006	Financial System	810,000
2006	Street Maintenance Equipment	825,000
2006	Equipment	2,425,000
2006	Fire Trucks	2,750,000
2007	Equipment	4,550,000
2007	Street Maintenance Equipment	835,000
2007	Furniture	3,175,000
2007	Parking Garage	18,235,000
2008	Equipment	5,150,000
2009	Equipment	2,900,000
2009	Baseball Stadium	25,635,000
	Totals	<u>\$ 74,158,540</u>

Business-type Activities:

Year	Description	Carrying Value
2005	Solid Waste Containers	<u>\$ 3,700,000</u>

Discretely presented component units:

In 2003, the Fort Wayne-Allen County Convention and Tourism Authority entered into a \$33,455,248 capital lease for expansion of the Grand Wayne Center.

The following is a schedule of minimum future lease payments and present values of the net minimum lease payments under these capital leases as of December 31, 2009:

Year Ended December 31	Primary Government		Discretely Presented Component Units
	Governmental Activities	Business-type Activities	
2010	\$ 8,087,365	\$ 435,237	\$ 2,845,550
2011	7,829,814	435,237	3,079,300
2012	6,384,409	435,237	2,498,050
2013	5,150,205	435,237	2,446,800
2014	4,053,639	435,237	2,445,300
2015-2019	19,837,000	435,237	12,221,500
2020-2024	17,482,500	-	11,950,000
2025-2029	10,968,000	-	8,403,501
2030-2034	5,962,000	-	-
Total minimum lease payments	85,754,932	2,611,422	45,890,001
Less amount representing interest	27,925,707	252,321	16,921,217
Present value of net minimum lease payments	<u>\$ 57,829,225</u>	<u>\$ 2,359,101</u>	<u>\$ 28,968,784</u>

Governmental Activities:

	<u>Balance, 12-31-09</u>
The City borrowed \$1,140,000 in 1999. Payments are due in installments of \$70,000 to \$105,000 plus interest 4.3 to 5.2 percent through August 1, 2016. This loan is payable from the Community Development Block Grant Fund (non-major special revenue fund).	\$ 605,000
The City borrowed \$1,500,000 in 2007. Payments are due in installments of \$150,000 to \$900,000 plus interest of 5.1 percent through July 1, 2012. This loan is payable from the CEDIT Fund.	1,200,000
The City borrowed \$2,500,000 in 2008. Payments are due in installments of \$250,000 to \$1,500,000 plus interest of 5.75 percent through July 1, 2013. This loan is payable from the CEDIT Fund.	2,250,000
The City borrowed \$6,250,000 in 2008. Payments are due in installments of \$350,000 to \$400,000 plus interest between 3.21 percent and 5.33 percent through August 1, 2028. This loan is payable from the Community Development Block Grant Fund (non-major special revenue fund).	6,250,000
The City borrowed \$1,100,000 in 2008. Payments are due in installments of \$53,460 to \$192,022 plus interest at prime rate through December 18, 2015. This loan is payable from the Redevelopment Fund.	<u>955,000</u>
Total	<u>\$ 11,260,000</u>

Business-type Activities:

Balance, 12-31-09

During 2002, 2005 and 2009 the City entered into finance assistance agreements with the State of Indiana's Wastewater Revolving Loan program that allows for a maximum of \$23,500,000, \$40,000,000 and \$5,000,000 in 2002, 2005 and 2009 respectively, for improvements at the Wastewater treatment facility. At December 31, 2009, \$23,454,351, \$40,000,000 and \$812,129 had been drawn down against the 2002, 2005 and 2009 agreements, respectively, resulting in unissued loan principal of \$4,187,871. The City does not intend to draw any more funds against the 2002 agreement. Payments are due in installments of \$960,000 to \$1,663,000 plus interest at 4.0 percent through 2023 for the 2002 agreement. Payments are due in installments of \$1,615,000 to \$2,635,000 plus interest at 3.1 percent through 2025 for the 2005 agreement. Payments are due in installments of \$103,776 to \$248,547 plus interest at .37 percent through 2030 for the 2009 agreement. The following debt service requirements to maturity reflect the anticipated loan payments after the loans have been drawn down 100%. \$ 52,856,480

During 2006 and 2009, the city participated in a shared loan arrangement through State of Indiana's State Revolving Fund Pooled Loan program. This program allows Indiana municipalities to collectively borrow funds under the AAA rating of the State of Indiana's creditworthiness as well as receive other financial benefits. Under this program, the City received \$31,900,000 in 2006 to invest in improvements to the Water Utility's infrastructure. Payments are due in installments of \$1,800,000 to \$2,755,000 plus interest at 3.95 percent through 2021. In 2009, the City received \$29,091,005 to invest in improvements in the Wastewater Utility's infrastructure. Payments are due in installments of \$960,818 to \$2,084,297 plus interest at 4.16 percent through 2030. 56,051,005

During 2009, the City entered into a finance assistance agreement with the State of Indiana's Wastewater Revolving Loan program in which the City received \$906,000 for the purchase of wastewater assets from the Town of Zanesville. The interest rate is 2.0% and the principal matures serially in amounts ranging from \$108,000 in 2010 to \$120,000 in 2016. 800,000

On July 15, 2004 the City purchased for \$1,915,000 the 50% interest in Phase II of the Civic Parking Garage owned by the Fort Wayne Public Transportation Corporation. The City financed the purchase with a seven-year non-interest bearing loan. Payments are due in annual installments of \$273,571 from 2007 through 2013. -- 1,094,285

Total \$ 110,801,770

Annual debt service requirements to maturity for the loans as of December 31, 2009, are as follows:

Year Ended December 31	Governmental Activities			Business-type Activities		
	Principal	Interest	Totals	(Anticipated) Principal	(Anticipated) Interest	Totals
2010	\$ 638,962	\$ 545,943	\$ 1,184,905	\$ 4,949,348	\$ 3,725,451	\$ 8,674,799

Unissued	-	-	-	(4,187,871)	-	(4,187,871)
Total	\$ 11,260,000	\$ 4,022,150	\$ 15,282,150	\$ 110,801,770	\$ 38,288,598	\$ 149,090,368

Note 6. Operating Leases

The City leases office space for various City Departments. These leases are considered for accounting purposes to be operating leases.

The City has a lease agreement with Allen County for space in the City-County Building. Rent is figured on a percentage of the total City-County building maintenance and operations cost based on the square footage occupied. The lease provides for annual adjustments based on the change in the consumer price index. The City's cost of this lease for 2009 amounted to \$1,230,882. Of the \$1,230,882 the City Utilities portion for leasing the City-County Building was \$287,015.

The City has a lease with P & E Realty, Inc. commencing June 1, 1999 and terminating May 31, 2014 of \$68,782 annually for space at 303 E. Washington for the Neighborhood Code Enforcement offices.

The City had a lease with the McMillen Foundation, commencing October 1, 2004 and terminating September 30, 2009 for \$200,000 annually. The lease was for the entire building at 1320 E. Creighton Avenue, which houses the Police Operations Center. In September, 2009, the City entered into a ver-

Note 7. Deficit Fund Balances – Deficit Net Assets

The following fund has deficit net assets at December 31, 2009:

Primary Government:

Internal Service funds - Deficit net assets:

Group Health Insurance \$ 608,915

The deficit net assets balance listed above will be eliminated in 2010 by a decrease in expenditures and an increase in revenues.

Note 8. Interfund Balances and Activity

A. Due To/From Other Funds

The composition of due to/from other funds as of December 31, 2009, is as follows:

Due To	Due From									Total
	General	Highways and Streets	CEDIT	Parks	Water	Wastewater	Stormwater	Non-major Enterprise	Internal Service	
Governmental:										
General	\$ -	\$ -	\$ -	\$ -	\$ 259,283	\$ 7,262	\$ 645	\$ -	\$ -	\$ 267,190
Non-major Governmental	96,772	-	-	-	-	-	-	111	1,776	98,659
Proprietary:										
Water	1,477,402	-	-	171	-	-	-	507,711	55,284	2,040,568
Wastewater	1,706,121	13,564	-	-	-	-	-	735,230	52,349	2,507,264
Stormwater	906,035	14,135	10,460	-	-	-	-	333,617	17,093	1,281,340
Non-major Enterprise	1,946	-	-	-	-	15,409	9,717	4,770	10	31,852
Totals	\$ 4,188,276	\$ 27,699	\$ 10,460	\$ 171	\$ 259,283	\$ 22,671	\$ 10,362	\$ 1,581,439	\$ 126,512	\$ 6,226,873

Due to/from other funds resulted from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system and (3) payments between funds are made.

B. Interfund Receivables/Payables

The following are reported in the fund financial statements:

<u>Receivable Fund</u>		<u>Payable Fund</u>	
Proprietary:		Proprietary:	
Water Utility	<u>\$ 1,407,780</u>	Wastewater Utility	<u>\$ 1,407,780</u>

The Water Utility purchased Aqua Indiana's North Assets in February 2008. A portion of the assets purchased were Wastewater Utility related Assets. The \$1,407,780 represents the amount that the Wastewater Utility owes the Water Utility for the assets purchased.

C. Interfund Receivables/Payables – Pooled Cash

The following are reported in the fund financial statements:

<u>Receivable Fund</u>		<u>Payable Fund</u>	
Non-major Governmental:		Non-major Governmental:	
Other Non-major Special Revenue	<u>\$ 1,209,078</u>	Other Non-major Special Revenue	<u>\$ 1,209,078</u>

The interfund receivable/payable – pooled cash reflects when one fund with positive cash covers another fund with negative cash within the same fund type.

D. Interfund Transfers:

Interfund transfers for the year ended December 31, 2009 in the fund financial statements were as follows:

Transfer From	Transfer To									Total
	General	Highways and Streets	CEDIT	Parks	Redevelopment	Non-major Governmental	Stormwater	Non-major Enterprise	Internal Service	
Governmental:										
General	\$ -	\$ -	\$ -	\$ 10,000	\$ -	\$ 853,543	\$ -	\$ -	\$ 1,200,000	\$ 2,063,543
Highways and Streets	-	-	137,000	-	-	-	-	-	-	137,000
CEDIT	-	866,252	5,147,715	1,321,204	1,431,220	2,315,000	-	-	-	11,081,391
Parks	-	10,074	-	3,400	-	-	-	-	-	13,474
Fire	-	-	-	-	-	50,000	-	-	-	50,000
Redevelopment	-	-	-	-	9,315,421	-	-	-	-	9,315,421
Non-major Governmental	141,422	-	-	228	735,000	2,853,852	-	-	-	3,730,502
Proprietary:										
Water	1,383,247	-	-	-	-	-	-	-	-	1,383,247
Wastewater	2,195,274	-	-	-	-	-	952,401	-	-	3,147,675
Stormwater	668,479	-	-	-	-	-	-	-	-	668,479
Non-major Enterprise	-	766,040	-	443	-	900,000	-	70,000	-	1,736,483
Total	\$ 4,388,422	\$ 1,642,366	\$ 5,284,715	\$ 1,335,275	\$ 11,481,641	\$ 6,972,395	\$ 952,401	\$ 70,000	\$ 1,200,000	\$ 33,327,215

Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, (2) move receipts restricted to debt service from the funds collecting the receipts to the debt service fund as debt payments become due, (3) use unrestricted revenues from the General fund and CEDIT fund to finance various programs accounted for in other funds in accordance with statutes or budgetary authorizations and (4) transfer of Stormwater Utility assets from the

Note 9. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters. The City assumes some of these risks as described below and carries commercial insurance from independent third parties for excess risk. Settled claims from these risks have not exceeded commercial insurance coverage for the past three years.

A. General and Auto Liability

Beginning July 15, 1989, the City established the General and Auto Liability Insurance fund. The City is currently retaining three risks in this internal service fund: general, auto, and police professional liability, while continuing to buy premium insurance for a number of other risks.

The City is assuming the risk in these three areas up to the Indiana governmental tort liability limit of \$700,000 per occurrence and \$5,000,000 per aggregate. Funding levels are determined by a formula based on actuarially recommended minimums by type of risk. Interfund premiums are billed on a cost allocation basis most appropriate to type of risk involved, and are treated as interfund services provided and used. Claim expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported.

At December 31, 2009, the total of these liabilities was \$645,936. This liability is the City's best estimate based on available information. An analysis of claims activities is presented below:

	Beginning Balance	Claims and Changes in Estimates	Claim Payments	Ending Balance
2008	\$ 1,594,181	\$ (809,135)	\$ 379,918	\$ 405,128
2009	405,128	644,943	404,135	645,936

B. Group Health Insurance

The City's Group Health Insurance fund, an internal service fund, services the risk of loss related to employee health claims. An excess policy covers individual claims in excess of \$250,000 per year. In addition, the insurance company assumes the risk when total monthly claims exceed an amount based upon an aggregate monthly factor that averaged \$2,029,060 in 2009.

Premiums are paid into the Group Health Insurance fund by all insured funds and are available to pay claims, claim reserves, and administrative costs of the program. Interfund premiums are based primarily upon the insured funds' number of employees, and are reported as interfund services provided and used. Claim expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported.

At December 31, 2009, the total of these liabilities was \$2,207,152. This liability is the City's best estimate based on available information. An analysis of claims activities is presented below:

	Beginning Balance	Claims and Changes in Estimates	Claim Payments	Ending Balance
2008	\$ 1,898,938	\$ 20,776,553	\$ 20,116,038	\$ 2,559,453
2009	2,559,453	21,136,224	21,488,525	2,207,152

C. Worker's Compensation Insurance

The City's Worker's Compensation fund, an internal service fund, began on July 14, 1991, servicing the risk of loss related to employee on-the-job injury. The risk of loss related to Police Officers and Firefighters is assumed separately from the worker's compensation fund, as defined under the Indiana Police and Fire Pension Fund laws.

Indiana worker's compensation laws require the City to compensate an employee with partial temporary disabilities at a rate of 66 2/3% of the difference between the employee's average weekly wages before and after the accident. An excess policy covers individual claims in excess of \$250,000 per employee per injury.

Premiums are paid into the Worker's Compensation Fund by all insured funds and are available to pay claims, claim reserves, and administrative costs of the program. Actuarially recommended interfund premiums are based primarily upon the insured funds' number of employees and the risks involved in their jobs, and are reported as interfund services provided and used.

Claim expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported.

At December 31, 2009, the total of these liabilities was \$71,760. This liability is the City's best estimate based on available information. An analysis of claims activities is presented below:

	Beginning Balance	Claims and Changes in Estimates	Claim Payments	Ending Balance
2008	\$ 98,050	\$ 241,826	\$ 262,926	\$ 76,950
2009	76,950	427,249	432,439	71,760

Note 11. Other Postemployment Benefits

Single-Employer Defined Benefit Healthcare Plan

Plan Description

The Fort Wayne Retiree Healthcare Plan is a single-employer defined benefit healthcare plan administered by the City of Fort Wayne in an internal service fund. The plan provides health care benefits and life insurance to eligible retirees and their spouses. IC 5-10-8 assigns the authority to establish and amend benefit provisions to the City.

Funding Policy

The contribution requirements of plan members for the Fort Wayne Retiree Healthcare Plan are established by the City Council. The required contribution is based on projected pay-as-you-go financing requirements. For the year ended December 31, 2009, the City contributed \$4,441,195 to the plan.

Annual OPEB Cost and Net OPEB Obligation

The City's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The following table shows the components of the City's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the City's net OPEB obligation to the plan.

Annual required contribution	\$ 6,163,308
Interest on net OPEB obligation	9,988
Adjustment to ARC	(11,843)
	<hr/>
Annual OPEB cost	6,161,453
Contributions made	4,441,195
	<hr/>
Increase in net OPEB obligation	1,720,258
Net OPEB obligation, beginning of year	508,930
	<hr/>
Net OPEB obligation, end of year	\$ 2,229,188
	<hr/> <hr/>

The City's annual OPEB cost, the percentage of the annual OPEB cost contributed to the plan, and the net OPEB obligation for 2009 and the two preceding years were as follows:

Year Ending	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
12/31/2009	\$ 6,161,453	72%	\$ 2,229,188
12/31/2008	3,923,877	95%	508,930
12/31/2007	3,784,098	93%	327,334

Funding Status and Funding Progress

As of December 31, 2009, the most recent actuarial valuation date, the plan was 0% funded. The actuarial accrued liability for benefits was \$61,655,879, and the actuarial value of assets was \$0, resulting in an unfunded actuarial accrued liability (UAAL) of \$61,655,879. The covered payroll (annual payroll of active employees covered by the plan) was \$96,504,844 and the ratio of the UAAL to covered payroll was 64%.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about a probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and the plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long term perspective of the calculations.

In the December 31, 2009, actuarial valuation, the projected unit credit cost method was used. The actuarial assumptions included an annual healthcare cost trend rate of 10% initially, reduced by decrements to an ultimate rate of 5% after twenty one years. The UAAL is being amortized as a level percentage of projected payrolls on an open basis. The remaining amortization period at December 31, 2009, was 26 years.

Note 12. Conduit Debt

From time to time, the City of Fort Wayne has issued Industrial Revenue Bonds to provide financial assistance to private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the City of Fort Wayne, the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of December 31, 2009, there were 14 series of Industrial Revenue Bonds outstanding. The aggregate principal amount payable for 13 series issued after July 1, 1985 was \$67,605,029. The

aggregate principal amount payable for the one series issued prior to July 1, 1985, could not be determined; however, their original issue amount totaled \$8,452,000

Note 13. Restricted Assets

The City has restricted assets for the following Governmental fund account.

Debt Service Reserve

An amount of money that is required to maintain the reserve account in the full amount of a sum equal to the least of (i) the maximum semiannual debt service on the Bonds, or (ii) 125% of the average annual debt service on the Bonds, or (iii) ten percent (10%) of the proceeds of the Bonds.

The city has restricted assets for the following Proprietary (Enterprise) fund accounts:

Sinking Fund

Monthly deposits into sinking fund accounts for Sewage Works Utilities net revenues is required to be in an amount equal to at least 1/6 of the next semi-annual interest payment and 1/12 of the next annual principal payment. Other related debt service requirements are held in the debt service account.

Monthly deposits into sinking fund accounts of both the Water and Stormwater Utilities' net revenues are required to be in an amount equal to at least 1/6 of the next semi-annual interest payments and 1/12 of the next annual principal payments. Upon meeting certain minimum balance requirements, transfers may be made to unrestricted cash accounts. Surety bonds purchased by the Utilities cover the Waterworks and Stormwater Reserve Accounts requirements.

The 2001 Parking Garage Revenue Bonds require quarterly distributions in an amount equal to 1/4th of each year's debt service payment.

Debt Service Reserve

In addition to the sinking fund accounts, revenue bonds require debt service "reserve accounts" which require funding at the lesser of 10% of bond proceeds, the maximum annual principal and interest required thereon, or 125% of the average annual principal and interest requirements thereon. City Utilities calculates its debt service reserve accounts on a consolidated basis and may fund the debt service reserve by holding cash or through the purchase of surety bond insurance. Among other requirements, the surety bond insurer must maintain an AAA or Aaa rating with Standards and Poor's or Moody's respectively.

Prior to 2009, all Utility revenue bonds were funded through surety bond insurance except the Sewage Works Junior Revenue Bonds of 1998 A and 1998 B which were cash funded. As a result of the financial crisis that occurred in late 2008 - early 2009, several surety bond insurers failed to maintain their AAA/Aaa rating. While still insured, this failure to maintain AAA/Aaa ratings required the Utilities to cash fund the debt service reserve accounts for the affected revenue bonds.

Surety bond insurance is still in effect for the Sewage Works Junior Revenue Bonds of 2002C and the Sewage Works Revenue Bonds of 2005. Sewage Works Junior Revenue Bonds of 1998A, 1998B, 2003 and Sewage Works Revenue Bonds of 2002, 2005, 2007 and 2009A and 2009B have all been cash funded as required.

Surety bond insurance is still in effect for the Waterworks Revenue Bonds of 2003 and 2006. Insurers' for Waterworks Revenue Bonds of 1997 and 2005 have failed to maintain the required AAA/Aaa ratings. The appropriate disclosures have been made to the bondholders and no other action has been taken.

Surety bond insurance is still in effect for the Stormwater Management District Revenue Bonds of 2006.

Construction

Unspent bond issue proceeds to be used in the construction of designated capital assets are included in this account.

Replacement

Funds previously held in the replacement account were reappropriated to cover debt service requirements as outlined in the debt service reserve accounts footnote. The Utilities' bond ordinances define the funding sequence from net revenues as follows: First fund the bond sinking account, then the debt service reserve account and the net revenues set aside to fund operations and maintenance. Net revenues available after satisfying the aforementioned funds may be set aside and paid into a special utility fund which is designated as the "Replacement account". The replacement account balance was \$204,000 as of December 31, 2009.

Depreciation

The Water Utility is required to maintain a Depreciation Account in an amount not less than \$1,000,000. However, in the event moneys are withdrawn from the Depreciation Account leaving a balance of less than \$1,000,000, the deficiency shall be restored within eighteen months.

Customer Deposits

Customer deposits are refundable amounts received from Water Utility customers to insure against nonpayment of billings or water main damages.

Connection Fees

Resources from specific area connection fees to be used for future development costs in those specific areas are accumulated in this account.

Tank Painting

Resources for elevated tank painting maintenance are accumulated in this account.

Community Trust

See Note 16.

Restricted assets at year-end consisted of the following:

Asset Type/Account	Enterprise Funds				Totals	Governmental
	Water Utility	Wastewater Utility	Stormwater Utility	Other Non-Major Enterprise		Funds CEDIT
Cash and cash equivalents

Community Trust	-	-	-	443,915	443,915	-
	<u>\$ 9,100,484</u>	<u>\$ 46,712,986</u>	<u>\$ 630,177</u>	<u>\$ 598,651</u>	<u>\$ 57,042,298</u>	<u>\$ 2,082,484</u>
Investment						
Community Trust	\$ -	\$ -	\$ -	\$ 32,490,225	\$ 32,490,225	\$ -
Total Restricted Assets	<u>\$ 9,100,484</u>	<u>\$ 46,712,986</u>	<u>\$ 630,177</u>	<u>\$ 33,088,876</u>	<u>\$ 89,532,523</u>	<u>\$ 2,082,484</u>

Note 14. Restatements – Prior Period Adjustment

For the year ended December 31, 2008, certain changes have been made to the financial statements to more appropriately reflect changes in funding contributions of the governmental activities. Indiana Code 5-10.3-11-4.7 states "(a) In 2009 and each year thereafter, the state board shall distribute from the pension relief fund to each unit of local government the total amount of pension, disability, and survivor benefit payments from the 1925 police pension fund (IC 36-8-6), and the 1937 firefighters' pension fund (IC 36-8-7), and the 1953 police pension fund (IC 36-8-7.5) to be made by the unit in the calendar year, as estimated by the state board under section 4 of this chapter, after subtracting any distributions to the unit from the public deposit insurance fund that will be used for benefit payments." Therefore the pension obligation of \$89,115,577 for the 1925 Police Pension and the 1937 Firefighters' Pension is no longer a liability to the city. The following schedule presents a summary of restated beginning balances by opinion units.

	<u>Governmental Activities</u>
Net assets, 12/31/08	\$ 607,907,928
Prior period adjustment	<u>89,115,577</u>
Net assets, 1/1/09 (restated)	<u>\$ 697,023,505</u>
Net pension obligation (Police), 12/31/08	\$ 50,509,383
Net pension obligation (Fire), 12/31/08	<u>38,606,194</u>
Total prior period adjustment	<u>\$ 89,115,577</u>

Note 15. Lease of Electric Utility

Effective March 1, 1975, the City of Fort Wayne leased its Electric Utility to a private electric utility for a term of thirty-five years with an option for another fifteen years. Rental payments are due and payable in equal monthly installments in advance on the first day of each month. Rental payments made at any time within thirty days after the due date are not delinquent. The following table shows rental income on the non-cancelable lease for the term of the lease:

<u>Annual Amount</u>	<u>Five-Year Period</u>	<u>Five-Year Totals</u>	<u>Received</u>	<u>Future Rentals</u>
\$ 1,440,000	03-01-1975 to 02-29-1980	\$ 7,200,000	\$ 7,200,000	\$ -
1,490,000	03-01-1980 to 02-28-1985	7,450,000	7,450,000	-
1,540,000	03-01-1985 to 02-28-1990	7,700,000	7,700,000	-
1,590,000	03-01-1990 to 02-28-1995	7,950,000	7,950,000	-
1,640,000	03-01-1995 to 02-28-2000	8,200,000	8,200,000	-
1,690,000	03-01-2000 to 02-28-2005	8,450,000	8,450,000	-
1,740,000	03-01-2005 to 02-28-2010	8,700,000	8,410,000	290,000
	Totals	<u>\$ 55,650,000</u>	<u>\$ 55,360,000</u>	<u>\$ 290,000</u>

Note 16. City of Fort Wayne Community Trust

City Council established the Community Trust Fund in 1975 to account for a portion of the proceeds received from a private utility leasing the assets of the Electric Utility. The trust receives \$270,000 annually from rents received in addition to income earned on the investments of the trust funds. The trust fund is to enable the City to reclaim its Electric Utility by reimbursing the private utility for additions and extensions upon default of its obligations Under the lease or upon termination of the lease. Under the provisions of the ordinance, the corpus

of the trust is to be free from invasion as long as the lease is in force. However, as long as certain provisions are met, including approval by the citizens of Fort Wayne, the City Council has the ability to amend this ordinance and permit invasion of the trust corpus. The lease of the Electric Utility ends February 28, 2010.

Note 17. Net Investment in Direct Financing Lease

In 1996, the City began leasing a building to the Three Rivers Ambulance Authority (TRAA). The lease is classified as a direct financing lease. The lease provides for monthly payments of \$5,829 to the City through maturity in 2016. Upon completion of the lease term, TRAA shall have the option to renew the lease for consecutive one year terms with annual payments of \$1.

The following is a schedule of the future minimum lease payments and the net investment in the direct financing lease:

Year	Amount
2010	\$ 69,947
2011	69,947
2012	69,947
2013	69,947
2014	69,947
2015-2016	<u>110,750</u>
Total Minimum Lease Payments	460,485
Less: Unearned Interest Income	<u>(68,799)</u>
Net Investment in Direct Financing Lease	<u><u>\$ 391,686</u></u>

Note 18. Deferred Revenue – Unearned Revenue

The City reports the following deferred or unearned revenue balances in the governmental funds as of December 31, 2009:

	Taxes	Direct Financing Lease	Assessments	Inter- governmental	Miscellaneous Other	Total
<u>Deferred revenue:</u>						
General	\$ 3,545,203	\$ 391,686	\$ -	\$ -	\$ -	\$ 3,936,889
Highways and Streets	-	-	-	716,756	-	716,756
Parks	623,487	-	-	-	-	623,487
Fire	2,017,388	-	-	-	-	2,017,388
Redevelopment	29,276	-	-	-	-	29,276
Other Non-major Governmental	543	-	523,575	870,079	-	1,394,197
Total	<u>\$ 6,215,897</u>	<u>\$ 391,686</u>	<u>\$ 523,575</u>	<u>\$ 1,586,835</u>	<u>\$ -</u>	<u>\$ 8,717,993</u>
<u>Unearned revenue:</u>						
Parks	\$ -	\$ -	\$ -	\$ -	\$ 12,191	\$ 12,191
Other Non-major Governmental	-	-	-	3,328,272	-	3,328,272
Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,328,272</u>	<u>\$ 12,191</u>	<u>\$ 3,340,463</u>

Note 19. Redevelopment Authority

Grand Wayne Center Expansion Project

The Redevelopment Authority (RA) was established by the Fort Wayne Redevelopment Commission (a department of the City of Fort Wayne) and by Ordinance of the Common Council. The Mayor appoints the board members of the RA. The financial transactions of the Redevelopment Commission are accounted for in a major fund titled Redevelopment Fund on the financial statements. The Redevelopment Authority (a discretely presented component unit of the City of Fort Wayne) was established to account for the financing and expansion of the Grand Wayne Center (GWC). The GWC is a convention center owned and managed by the Allen County Fort Wayne Capital Improvement Board of

Managers (CIB) (a discretely presented component unit of the City of Fort Wayne). The City of Fort Wayne does not directly benefit from the expansion, but the expansion is an integral part of the revitalization of the City of Fort Wayne's downtown.

The CIB titled the GWC to the Redevelopment Authority so the lease rental revenue bonds sold by the RA would have a secured interest. For legal reasons, the Redevelopment Commission leases the GWC from the RA. The Redevelopment Commission subleases the GWC to the CIB. The CIB makes lease payments to the Redevelopment Commission. The Redevelopment Commission makes lease payments to the Redevelopment Authority. The Redevelopment Authority will use these payments to retire the lease rental revenue bonds they issued to finance the renovation and expansion.

The CIB will report on their financial statements a Capital lease payable, which is the net present value of the lease payable at December 31, 2009. The Redevelopment Authority will report on their financial statements a lease rental revenue bonds payable, which is the net amount of the lease rental revenue bonds and bond premium due at December 31, 2009.

The CIB exclusively will manage and maintain the GWC. When the lease rental bonds are retired in 2028 or sooner, the RA will transfer title of the GWC to the CIB.

Harrison Square Project

The RA was also chosen to be the financing entity for financing the multi-use stadium, Public Park and parking garage components (HS) of the Harrison Square Project. The Redevelopment Commission (RC) transferred title to the HS real estate to the RA. RA issued taxable and tax-exempt lease rental revenue bonds secured by a lease of HS to the RC. The RC will make lease payments to the RA from the Jefferson Point Tax Incremental Financing Project and CEDIT funds, and the Downtown Fort Wayne Community Revitalization Enhancement District (CRED). The RA will use these payments to retire the lease rental revenue bonds. The RC has entered into a Stadium License Agreement and Stadium Management Agreement with Hardball Capital (a private entity) to operate and manage the multi-use stadium. Light & Breuning operate and manage the parking garage. Revenues from these sources will be used to pay on-going expenses and capital improvements. When the lease rental revenue bonds are retired, the RA will transfer title of the HS real estate to the RC.

Note 20. Commitments and Contingencies

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the City expects such amounts, if any, to be immaterial.

The City is a defendant in one civil case in which the plaintiff is seeking unspecified damages in excess of \$1 million. The chances of settlement are remote. If a jury finds for the plaintiff, the award could exceed \$1 million in damages and attorney fees. However, the City Attorney believes that the chance of the City obtaining a defense verdict is more likely than not.

The City is also a defendant in various other lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the City Attorney the resolution of these other matters will not have a material adverse effect on the financial condition of the City.

Consent Decree:

The Utilities' combined storm and sanitary sewer system does not comply with federal Clean Water regulations. After several years of negotiations with the Environmental Protection Agency (EPA) and Indiana Department of Environmental Management (IDEM), the EPA lodged a Consent Decree with the federal court on December 28, 2007. The Consent Decree became effective April 1, 2008. Under the terms and conditions of the Consent Decree, the Utilities committed to reduce the number of combined sewer overflow

(CSO) days in a typical year to one day on the St. Joseph River and four days on the St. Mary's and Maumee Rivers. The infrastructure cost to reduce the number of CSO events is approximately \$240 million to be spent over the next 18 years, concluding in 2025. The Utilities also agreed to eliminate three known sanitary sewer overflows at an estimated combined cost of \$31 million by specific dates noted in the Consent Decree. Additionally, the Utilities committed to maintain the entire sewer system to performance standards prescribed in the Utilities' Long-Term Control Plan incorporated by reference into the Consent Decree.

The EPA assessed penalties of \$842,109 for violations of the Clean Water Act committed prior to December 28, 2007. In lieu of cash payment, the Utilities committed to spend \$540,000 on specific environmentally beneficial projects over the next seven years. A cash penalty payment of \$297,636 including accrued interest of \$1,527 was made April 30, 2008. The Consent Decree further provides for stipulated penalties for failure to achieve specified construction milestones, reporting deadlines or maintenance objectives. The Utilities are in full compliance with the Consent Decree's terms and conditions.

Condemnation of Aqua Indiana's North Assets:

In June, 2002 the Utilities initiated condemnation of Aqua Indiana's North Assets. On February 12, 2008, the Utilities paid Aqua Indiana \$16,910,500 and took possession of those condemned assets. The acquisition was financed by Waterworks Utility Revenue Bond Anticipation Notes, Series 2007 (BAN) issued February 5, 2008 for \$17,840,000, including the purchase price and estimated issuance and integration costs. The BAN has been subsequently refinanced twice, the last of which is detailed in the subsequent events footnote. The North Assets are now fully integrated with the Utilities' water and sewer systems and generating revenues for the respective Utilities at existing rates.

The purchase price was established through condemnation proceedings by Fort Wayne Board of Public Works and is currently being contested by Aqua Indiana in Wells County Circuit Court. At this time, the Utilities are unable to form a conclusion as to whether the assertion of action by Aqua Indiana is either probable or remote, nor as to the amount of damages if assessed, nor to the possible costs of the agreed corrective action, if any.

Light Lease Revenues:

By ordinance, light lease revenues in excess of operating expenses and the contribution to the Community Trust are required to be transferred to the City's Cumulative Capital Fund. As of December 31, 2009, the Electric Utility maintained an operating cash balance of \$464,490. Such amounts are withheld from the City to cover near term operating expenses and, if unspent, will be summarily remitted to the City.

Other:

The Utilities have entered into many contracts for various construction projects. Remaining contract payments as of December 31, 2009 for each utility are as follows:

Water	\$ 2,113,786
Wastewater	5,106,225
Stormwater	<u>613,841</u>
Total	<u>\$ 7,833,852</u>

Note 21. Subsequent Events

Debt Issued

In March 2010, the City entered into a \$4,200,000 capital lease. The lease proceeds will be used to purchase vehicles and vehicle equipment for several City departments.

The Waterworks Utility Revenue Bond Anticipation Notes, Series 2009 (BAN2) was retired from the proceeds of the Waterworks Utility Revenue Bond Anticipation Notes, Series 2010 (BAN3). BAN3 was

issued on February 11, 2010 in the amount of \$17,840,000. BAN3 has an interest rate of .60% and the principle and interest is payable on February 11, 2011.

On April 13, 2010, the Wastewater Utility issued a bond for \$41,045,000. The average interest rate is 4.55%. It matures serially in amounts ranging from \$1,715,000 in 2013 to \$3,135,000 in 2030.

Termination of Electric Light Lease

On February 28, 2010, the electric light lease terminated. Prior to the lease termination date, Indiana & Michigan (Lessee) filed a lawsuit on October 15, 2009 in Allen County Superior Court asking the court to block the city from taking over the electric service. The city filed a countersuit claiming that the lessee broke its lease with the city and the city has the right to take back control of the former City Light and Power Works. At this time, the Utilities are unable to form a conclusion as to whether the assertion of action by either party is either probable or remote, nor as to the amount of damages if assessed, nor to the possible costs of any outcome, legal or agreed.

Prior to the October 15, 2009 lawsuit by Lessor, both parties were engaged in formal mediation and continue to be so beyond the lease termination date.

Note 22. Net Assets – Invested in Capital Assets, Net of Related Debt

As of December 31, 2009, Net Assets – Invested in capital assets, net of related debt is calculated as follows:

	<u>Governmental Activities</u>	<u>Business-type Activities</u>	<u>Total</u>
Net capital assets	\$ 763,249,611	\$ 598,514,480	\$ 1,361,764,091
Less:			
Total capital leases payable	(57,829,225)	(2,359,101)	(60,188,326)
Total notes and loans payable	(11,260,000)	(128,641,770)	(139,901,770)
Total general obligation bonds payable, net	(2,948,601)	-	(2,948,601)
Total special obligation bonds payable, net	(77,455,935)	-	(77,455,935)
Total first mortgage bonds payable, net	(40,029,728)	-	(40,029,728)
Total revenue bonds payable, net	-	(86,063,083)	(86,063,083)
Add:			
Debt not related to capital assets	11,260,000	-	11,260,000
Unspent bond/loan proceeds	<u>33,290,447</u>	<u>32,901,397</u>	<u>66,191,844</u>
Invested in capital assets, net of related debt	<u>\$ 618,276,569</u>	<u>\$ 414,351,923</u>	<u>\$ 1,032,628,492</u>

Note 23. Pension Plans

1. Agent Multiple-Employer and Single-Employer Defined Benefit Pension Plans

Public Employees' Retirement Fund

Plan Description

The City of Fort Wayne contributes to the Indiana Public Employees' Retirement Fund (PERF), a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in the defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the PERF Board, most requirements of the system and give the City authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by

the member's annuity savings account. The annuity savings account consists of member's contributions, set by state statute at three percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

PERF administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. The report may be obtained by contacting:

Public Employees' Retirement Fund
Harrison Building, Room 800
143 West Market Street
Indianapolis, IN 46204
Ph. (317) 233-4162

Funding Policy

PERF members are required to contribute 3 percent of their annual covered salary. The City is required to contribute at an actuarially determined rate; the current rate is 7.25 percent of annual covered payroll. The contribution requirements of plan members and the City are established and may be amended by the PERF Board of Trustees. The negative Net Pension Obligation (NPO) is considered an asset of the City and is reflected as such in the Statement of Net Assets. The amount is separated between the governmental and business type activities.

Annual Pension Cost

For 2009, the City's annual pension cost of \$3,618,200 for PERF was equal to the City's required contribution and any adjustments to the required contribution.

b. 1925 Police Officers' Pension Plan

Plan Description

The City contributes to the 1925 Police Officers' Pension Plan which is a single-employer defined benefit pension plan. The plan is administered by the local pension board as authorized by state statute (IC 36-8-6). The plan provides retirement, disability, and death benefits to plan members and beneficiaries. The plan was established by the plan administrator, as provided by state statute. The plan administrator does not issue a publicly available financial report that includes financial statements and required supplementary information of the plan.

Funding Policy

Plan members are required by state statute (IC 36-8-6-4) to contribute an amount equal to six percent (6%) of the salary of a first class patrolman. The contribution requirements of plan members are established by state statute. The State of Indiana has contributed \$8,027,644 on behalf of the City. On behalf contributions from the State of Indiana approximates the amount paid out for benefits. The Net Pension Obligation (NPO) is considered an obligation of the State of Indiana and is reflected in the Statement of Net Assets for the State of Indiana.

c. 1937 Firefighters' Pension Plan

Plan Description

The City contributes to the 1937 Firefighters' Pension Plan which is a single-employer defined benefit pension plan. The plan is administered by the local pension board as authorized by state statute (IC 36-8-7). The plan provides retirement, disability, and death benefits to plan members and beneficiaries. The plan was established by the plan administrator, as provided by state statute. The plan administrator does not

issue a publicly available financial report that includes financial statements and required supplementary information of the plan.

Funding Policy

Plan members are required by state statute (IC 36-8-7-8) to contribute an amount equal to six percent (6%) of the salary of a fully paid first class firefighter. The contribution requirements of plan members are established by state statute. The State of Indiana has contributed \$7,888,360 on behalf of the City. On behalf contributions from the State of Indiana approximates the amount paid out for benefits. The Net Pension Obligation (NPO) is considered an obligation of the State of Indiana and is reflected in the Statement of Net Assets for the State of Indiana.

d. Sanitary Officers' Pension Plan

Plan Description

The City contributes to the Sanitary Officers' Pension Plan which is a single-employer defined benefit pension plan. The plan includes all sanitary officers hired before April 1, 1982. The plan is administered by the local pension board. The City contributes to the plan because of a mandate by the Allen County Circuit Court, Cause No. CC-73-519. The plan members are employees of Allen County. The plan provides retirement, disability, and death benefits to plan members and beneficiaries. The plan administrator does not issue a publicly available financial report that includes financial statements and required supplementary information of the plan.

Funding Policy

The City is required to contribute an amount equal to the funding deficit of the difference between receipts of the fund and the required disbursements of the fund (pay-as-you-go basis); the amount contributed for 2009 is \$458,842. The contribution requirements of plan members for the Sanitary Officers' Pension Plan are established by state statute. The Net Pension Obligation (NPO) is considered an obligation of the City and is reflected in the Statement of Net Assets.

Annual Pension Cost

For 2009, the City's annual pension cost of \$495,306 for the Sanitary Officers' Pension Plan was equal to the City's required contribution and any adjustments to the required contribution.

2. Cost-Sharing Multiple-Employer Defined Benefit Pension Plan

1977 Police Officers' and Firefighters' Pension and Disability Fund

Plan Description

The City contributes to the 1977 Police Officers' and Firefighters' Pension and Disability Fund, a cost-sharing multiple-employer defined benefit pension plan administered by the Indiana Public Employees' Retirement Plan (PERF) for all police officers and firefighters hired after April 30, 1977.

State statute (IC 36-8-8) regulates the operations of the system, including benefits, vesting and requirements for contributions by employers and by employees. Covered employees may retire at age fifty-five with twenty years of service. An employee with twenty years of service may leave service, but will not receive benefits until reaching age fifty-five. The plan also provides for death and disability benefits.

PERF issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Public Employees' Retirement Fund
Harrison Building, Room 800
143 West Market Street
Indianapolis, IN 46204
Ph. (317) 233-4162

Funding Policy and Annual Pension Costs

Plan members are required to contribute 6 percent of the first class police officers' and firefighters' salary and the City is to contribute at an actuarially determined rate. The current rate, which has not changed since the inception of the plan, is 21 percent of the first class police officers' and firefighters' salary. The contribution requirements of plan members and the City are established by the Board of Trustees of PERF. The City's contributions to the plan for the years ending December 31, 2009, 2008, and 2007 were \$7,640,910, \$8,065,075, and \$7,679,027 respectively, which were equal to the required contributions for each year.

CITY OF FORT WAYNE, INDIANA
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
December 31, 2009

Note 1. Budgets and Budgetary Accounting

- A. The City follows these procedures in establishing the budgetary data reflected in the budgetary comparison schedules:
1. The Mayor submits to the City Council a proposed operating budget for the fiscal year commencing the following January 1. The operating budget includes proposed expenditures and the means of financing them.
 2. Prior to adoption, the City advertises the budget and the City Council holds public hearings to obtain taxpayer comments.
 3. In September of each year the budget is approved by the City Council through passage of an ordinance.
 4. Copies of the budget ordinance and advertisements are sent to the Indiana Department of Local Government Finance. The budget becomes legally enacted after the City Controller receives approval from the Indiana Department of Local Government Finance. The budget ordinance as approved by the Indiana Department of Local Government Finance becomes the City's expenditures budget. The City's maximum tax levy is restricted by Indiana Law, with certain adjustments and exceptions. If the advertised budget exceeds the spending and tax limits of the state control laws, an excess levy can be granted by the Indiana Department of Local Government Finance, upon appeal by the City.
 5. The legal level of budgetary control (the level at which expenditures may not exceed appropriations without the governing body's approval) is by object classification for all funds except for the General fund, which is by object classification within each department. The City's management cannot transfer budgeted appropriations between object classifications of a budget, without approval of the City Council. Any revisions that alter the total appropriations for any fund or any department of the General fund must be approved by the City Council and, in some instances, by the Indiana Department of Local Government Finance.
 6. Formal budgetary integration is required by State statute and is employed as a management control device. An annual budget was legally adopted for the following funds:

Major Funds:

General Fund

Special Revenue Funds:

Highways and Streets, Parks, Fire

Capital Projects Funds:

CEDIT, Redevelopment

Non-Major Funds:

Special Revenue Funds:

Parking Meter, Law Enforcement Training, Cable Television,

Unsafe Building, Domestic Violence

Capital Projects Funds:

Cumulative Capital Improvement

7. The City's budgetary process is based upon GAAP. Appropriations lapse with the expiration of the budgetary period unless encumbered by a purchase order or contract. Encumbered appropriations are carried over and added to the subsequent year's budget.
8. Budgeted amounts are as originally adopted, or as amended by the City Council and approved by the Indiana Department of Local Government Finance in the regular legal manner. Net increases to the original appropriations totaled \$6,524,686 in 2009.

B. Expenditures in Excess of Appropriations

For the year ended December 31, 2009, expenditures exceeded budgeted appropriations at the legal level of control (object classification for all funds except the General Fund, which is by object classification within each department) in the following funds, by the amounts below:

<u>Fund</u>	<u>Department</u>	<u>Object</u>	<u>Excess</u>
General	Board of Works	Personal services	\$ 1,441
General	Board of Works	Other services and charges	107,294
General	Neighborhood Code Enforcement	Other services and charges	801
Redevelopment		Supplies	16
Highways & Streets		Personal services	26,967
Highways & Streets		Other services and charges	31,518
Cable Television		Other services and charges	267,272
Cable Television		Transfers out	61,976

Excess of expenditures over appropriations in the above object classifications resulted from failure to obtain approval from the City Council to increase the object classifications. Available fund balances and/or sufficient balances in other object classifications within the fund and department funded the over-expenditures.

Note 2. Infrastructure Assets – Modified Approach

The condition of the City's road pavement is measured using a pavement condition index (PCI). This pavement condition index is only one field of a larger database that takes into account many distress factors found in pavement surfaces. The PCI uses a measured scale that is based upon a condition index ranging from less than 0 or "Very Poor" condition pavement to 100 for "Very Good" condition pavement. No other factors exist that would significantly affect trends in the information reported.

Those condition categories are "Very Good" (100-80), "Good" (79-60), "Fair" (59-40), "Poor" (39-20), and "Very Poor" (19-0). It is the City of Fort Wayne's policy to maintain our road pavement infrastructure at a condition of "Good". Condition reports using a weighted average are compiled on an annual basis to determine the total system's status. The City field assesses one third (1/3) of the total miles each year to keep the information current.

Factors that significantly affect trends in the road maintenance schedule include:

1. Extreme winter weather conditions that result in excessive "freeze-thaw" activity.
2. Extreme summer weather conditions that result in excessive heat. Under extreme heat, asphalt can become soft and buckle. Concrete suffers from a condition known as "blow ups". The ground under the concrete roads and the roads themselves begin to expand during exceptionally high temperatures. The concrete can find no other way to expand than to "blow up", or shoot into the air.

3. Conflicts with utilities. Utility work that results in the disruption of a road surface will weaken the original integrity of the structure. More repairs may become necessary once a road's initial structure has been altered.
4. Extreme loading. Each road is rated for a certain percentage of traffic coming from trucks. When the percentage exceeds the rating, damage to the road will occur.
5. The presence of water. Excessive water levels from winter thaw, high rains, water pipe breaks, or higher than usual water tables can cause rapid deterioration of roads.

SUPPLEMENTARY INFORMATION

Major Governmental Funds

General Fund – the general operating fund of the City. Tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. The general operating expenditures of the City are paid from the General Fund.

Those departments by function that are included in the General Fund are:

General Government:

Mayor

Finance & Administration

City Clerk and Council

Board of Works

Law

Internal Audit

Public Safety:

Weights and Measures

Neighborhood Code Enforcement

Police Merit Commission

Police

Communications

Highways and Streets:

Street Lighting/Flood/Transportation Engineering

Health and Welfare:

Animal Control

Economic Opportunity:

Metropolitan Human Relations

Economic Development:

Community Development

Special Revenue Funds – used to account for revenues derived for a specific purpose. The title of the fund is descriptive of the activities involved.

Highways and Streets – funds set aside from state gasoline tax distributions and local wheel taxes for the specific purpose of constructing and maintaining local streets and alleys.

Parks – to account for the operation of the City park system.

Fire – to account for the operation of the Fire District.

Capital Projects Funds – are used to account for financial resources to be used for the acquisition or construction of major capital facilities, other than those financed by proprietary funds.

CEDIT – to account for revenues received from the County Economic Development Income Tax (CEDIT) and for construction of projects funded by these revenues.

Redevelopment – to account for the redevelopment functions of the City.

Non-major Governmental Funds

Special Revenue Funds – used to account for revenues derived for a specific purpose. The title of the fund is descriptive of the activities involved. The City maintains the following non-major special revenue funds:

Parking Meter – to account for revenues and expenses in connection with operating City parking meters.

Law Enforcement Training – to account for fees used for the continuing education and training of law enforcement officers.

Omnibus Crime – to account for all State grants related to victims assistance or criminal justice.

Cable Television – to account for a portion of the cable television franchise fee revenue restricted to expenditures for local cable access programming grants.

Community Development Block Grants – to account for funds granted to the City by the U.S. Department of Housing and Urban Development under the Community Development Block Grant entitlement programs.

Reimbursable State Grants – to account for funds granted to the City from various State community development and social service programs.

Unsafe Building – to account for funds used to remove unsafe and severely deteriorated buildings from residential neighborhoods throughout the City.

DED International Trade – to account for revenues and expenditures related to international trade.

HOME – to account for funds granted to the City under the U.S. Department of Housing and Urban Development HOME program which are to be used to rehabilitate single and multi-family housing units.

Affordable Housing Trust – to account for an allotment of funds from the State's newest legislative tool for housing.

Federal Revolving – to account for various federal funds received for specific purposes.

Urban Development Action Grant – to account for funds granted to the City by the U.S. Department of Housing and Urban Development for specific categorical grants promoting economic and housing development.

Urban Enterprise Association – to account for funds that provide one-third of the Urban Enterprise Association (UEA) administrator's wage and benefit package and all the UEA secretaries' wages and benefit packages, as well as staff support by the City and UEA through a contractual arrangement.

Emergency Shelter Grant – to account for funds granted to the City under the U.S. Department of Housing and Urban Development Emergency Shelter Program which are to be used to provide emergency shelter and other services for displaced families and individuals.

Neighborhood Stabilization – to account for funds granted to the City under the U.S. Department of Housing and Urban Development Neighborhood Stabilization program which are to be used to purchase and rehabilitate single family housing units.

Public Safety Academy – to account for financial resources/pledges in addition to the bond dollars for the construction, developing and furnishing of the Public Safety Academy.

Central City Housing – to account for funds which are to be used for home rehabilitation in Southeast Fort Wayne.

General Donation – to account for donations, restricted by donors, for purposes normally related to General Fund expenditures.

Domestic Violence – to account for taxes received and appropriated by the City Council for the prevention and education of domestic violence, rape, and sexual harassment.

Rainy Day Fund – to account for transfers of unused and unencumbered CREDIT Funds.

Animal Care Donation – to account for donations, restricted by donors, for animal care and other humane expenditures.

Animal Control Special Project – to account for all revenues, generated by fund raising activities, and expenditures for specific animal care needs.

Non-major Governmental Funds (continued)

Barrett Law Surplus – to account for excess revenues and expenditures related to the City’s Barrett Law process.

Debt Service Funds – used to account for the accumulation of resources for and the payment of general long-term debt principal and interest. The City maintains the following non-major debt service fund:

City Bond Redemption – to account for the accumulation of resources for and payment of general obligation bond issues of the City. In 1998, the City began funding the general obligation debt from the CEDIT Income Tax Fund and transferring it to the City Bond Redemption Fund for payment.

** This is the only debt service fund that the city maintains that is not part of another major fund; therefore combining statements are not necessary.

Capital Projects Funds – used to account for financial resources to be used for the acquisition or construction of capital projects. The City maintains the following non-major capital projects funds:

Renaissance Pointe – to account for financial resources/pledges for the development, improvement and revitalization of the area designated as “Renaissance Pointe”.

Equipment Purchase – to account for proceeds of leases to be used for the acquisition of equipment.

Cumulative Capital Improvement – to account for cigarette tax distributions.

Building Project – to account for the proceeds of bonds secured by a lease for the construction of seven fire stations, an animal care building, a transportation sub-station, the public safety academy and improvements to the City’s Board of Works complex.

Barrett Law Commercial – to account for funds from a lending institution to expand the Barrett Law Program to extend loans to fund qualifying commercial projects.

Barrett Law Revolving Improvement – to account for all financial resources related to projects constructed wholly or in part from Redevelopment District proceeds (except tax increment bonds), General Obligation Bonds, and any participating federal and state grants, including any required City local matching funds.

Non-major Proprietary Funds

Enterprise Funds – used to account for the financing of services to the general public where all or most of the costs involved are financed by user charges for such services. The City maintains the following non-major enterprise funds:

Solid Waste Management – to account for the cost of collecting, disposing, and recycling of solid waste.

Civic Center Parking Garage – to account for revenues and expenses in connection with operating the Civic Center Parking Garage.

Midtowne Parking Garage – to account for operating revenues and expenses for the operation of the Midtowne Crossing Garage.

2001 Parking Garage Addition – to account for revenues and expenses in connection with the joint City and County parking facility addition.

Electric Utility – to account for lease payments from a private electric utility through the year 2010.

Yardwaste Facility – to account for the activities of the yard waste facility.

Internal Service Funds – used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the City, or to other governments, on a cost-reimbursement basis. The City maintains the following non-major internal service funds:

Group Health Insurance – to account for revenues and expenditures related to the employee medical insurance plan.

General and Auto Liability Insurance – to account for financial requirements to self-insure for general liability and automobile liability.

Worker's Compensation – to account for financial requirements to self-insure for worker's compensation liability.

Garage – to account for services rendered to maintain the City fleet of vehicles and equipment.

Non-major Fiduciary Funds

Pension Trust Funds – used to report resources that are required to be held in trust for the members and beneficiaries of defined benefit pension plans. The City maintains the following non-major pension trust funds:

Fire Pension – to account for the provision of retirement and disability benefits to firefighters hired prior to May 1, 1977.

Police Pension – to account for the provision of retirement and disability benefits to police officers hired prior to May 1, 1977.

Sanitary Officers' Pension – to account for the provision of retirement and disability benefits to employees of the County Health departments.

Agency Funds – used to account for resources that are custodial in nature. They generally are amounts held by the City on behalf of third parties. The City maintains the following non-major agency funds.

FWNP Program – to account for housing rehab loans turned over to the City by Fort Wayne Neighborhood Partnership.

Allocated Expense Clearing – to account for revenues allocated from various internal funds to be expended as one unit cost.

Payroll – to account for payroll of City and City Utilities employees.

Barrett Law Regular Waivered – to account for property owner assessment receipts held by the City as agent for the repayment of related contractor Barrett Law Bonds.

STATISTICAL SECTION

Statistical Section

This part of the City of Fort Wayne's Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the Financial Statements, Note Disclosures, and Required Supplementary Information says about the overall financial health of Fort Wayne.

Contents

Schedule

Financial Trends

These schedules contain trend information to help the reader understand how Fort Wayne's financial performance and well-being has changed over time.

1, 2, 3, 4

Revenue Capacity

These schedules contain information to help the reader assess the factors affecting Fort Wayne's ability to generate its property taxes.

5, 6, 7, 8,
9, 10

Debt Capacity

These schedules present information to help the reader assess the affordability of Fort Wayne's current levels of outstanding debt and the city's ability to issue additional debt in the future.

11, 12, 13, 14
15

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which Fort Wayne's financial activities take place and to help make comparisons over time and with other governments.

16, 17

Operating Information

These schedules contain information about Fort Wayne's operations and resources to help the reader understand how the city's financial information relates to the services Fort Wayne provides and the activities it performs.

18, 19, 20

(A) Increase in 2003 is mainly due to the staffing of two new fire stations in preparation for 2004 annexations.

(B) Increase from 2003 to 2004 is due to the reassessment in 2003 and the annexations that became effective in 2004.

(C) Increase from 2005 to 2006 is mainly due to the annexation of Aboite township which resulted in additional road infrastructure.

Note: The City of Fort Wayne fully implemented GASB Statement 34 in 2002 and will report this statistical table retroactively to 2002 as permitted by GASB Statement 44.

Source: Allen County Auditor's Office

Note: GASB Statement 44 requires that the information in this schedule be shown for each "period for which levied" as defined in Statement 33. However, the information needed for this schedule is not available from the County Auditor's office at this time. Therefore, the City has presented this information in the prior year format. The City of Fort Wayne does not maintain records of tax delinquencies. All taxes are collected and distributed by the Allen County Auditor.

2000	1,705,890,178	5,117,670,534	3.3303	1.75%

Average Annual Rate of Increase **6.09%**

- (A) A reassessment was completed in 1995 that is reflected in the values for 1996 - 2002.
A reassessment was completed in 2002 that is reflected in the values for 2003 - 2006.
- (B) Assessed values for personal property are updated annually.
- (C) For the years 1996 - 2001, actual value is estimated at 3 times assessed value. For the years 2002 - 2009, assessed value reflects actual value.
- (D) Change in assessed valuation.
- (E) A portion of Aboite Township and Wayne Township was annexed into the City of Fort Wayne on January 1, 2006.

Note: GASB Statement 44 has called for a new report on the assessed values that breaks the total value into major components such as residential, commercial and industrial property as well as any adjustments and credits. At the time of CAFR production, this information is not available from the County Auditor's office. Therefore, the City has presented this information in the prior year format.

(A) Obtained from the Budget Order (Fort Wayne Civil City).

(B) Overlapping rates are those of local and county governments that apply to property owners within the City of Fort Wayne. Not all overlapping rates apply to all Fort Wayne property owners.

(C) Obtained from the Allen County Auditor's Office and the various governmental units. The figures used for the municipal corporations, school districts, and townships represent citywide averages.

(D) Corrected the rate reported in the 2008 Schedule 8.

Source: From Published Rates for Wayne Township

Notes: The City's levy increases are limited to the 6-year average increase in Indiana personal income.

Legal Debt Margin Calculation for Fiscal Year 2009

	<u>City of Fort Wayne</u>	<u>Park District</u>	<u>Redev District</u>
Assessed adjusted value (Civil City)	\$ 2,904,088 (A)		
Assessed adjusted value (Park District)		\$ 2,866,978 (A)	
Assessed adjusted value (Redevelopment District)			\$ 2,904,088 (A)
Total Assessed adjusted value	<u>\$ 2,904,088</u>	<u>\$ 2,866,978</u>	<u>\$ 2,904,088</u>
Debt limit (2% of assessed adjusted value)	58,082	57,340	58,082
Debt applicable to limit:			
General obligation bonds		3,100	
Special obligation bonds	50,565	7,755	19,390
Less: Amount set aside for repayment of debt	-	-	-
Total net debt applicable to limit	<u>50,565</u>	<u>10,855</u>	<u>19,390</u>
Legal debt margin	<u>\$ 7,517</u>	<u>\$ 46,485</u>	<u>\$ 38,692</u>

(A) Assessed adjusted value is determined by dividing the net assessed valuation by 3. Each taxing district has a 2% debt limit.

(B) Increase in debt is due to additional Special Obligation Bonds issued by Community Development and the Parks Department.

(C) Increase in debt is due to additional Special Obligation Bonds issued by Community Development.

Note: The City of Fort Wayne fully implemented GASB Statement 34 in 2002 and will report this statistical table retroactively to 2002 as permitted by GASB Statement 44. In addition, retroactively to 2002, the City of Fort Wayne is reporting the Legal Debt Margin, by Taxing District.

Schedule 12
City of Fort Wayne
Direct and Overlapping Governmental Activities Debt
As of December 31, 2009
(dollars in thousands)

<u>Governmental Unit</u>	<u>Debt Outstanding</u>	<u>(A) Estimated Percentage Applicable</u>	<u>Estimated Share of Overlapping Debt</u>
Debt repaid with property taxes			
Allen County Public Library	\$ 60,825	65.52%	\$ 39,853
Allen County	36,052	65.52%	23,621
Southwest Allen School District	76,360	54.00%	41,234
East Allen School District	46,285	16.14%	7,470
Fort Wayne Community Schools	97,737	92.98%	90,876
Northwest Allen School District	153,705	25.37%	38,995
Aboite Township	309	61.74%	191
Subtotal, overlapping debt			<u>\$ 242,240</u>
City direct debt			<u>\$ 80,810</u>
Total direct and overlapping debt			<u><u>\$ 323,050</u></u>

(A) For debt repaid with property taxes, the percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of another governmental unit's taxable assessed value that is within the City's boundaries and dividing it by each unit's total taxable assessed value.

Sources: Assessed value data used to estimate applicable percentages and the debt outstanding provided by the Allen County Auditor's Office.

Notes: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of Fort Wayne. This process recognizes that, when considering the City's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

Schedule 13
City of Fort Wayne
Ratios of Outstanding Debt by Type,
Last Eight Fiscal Years
(dollars in thousands, except per capita)

Fiscal Year	Governmental Activities						Business-Type Activities			Total Primary Government	(B) Percentage of Personal Income	(B) Per Capita

2009	3,100	77,710 (F)	39,875 (F)	57,829 (F)	11,260	-	85,795	2,359	110,802 (F)	388,730	4.46%	1,545

(A) The City issued \$55 million of special obligation bonds in 2005 for use in property acquisition, street extensions, Southtown redevelopment project, park projects, infrastructure and lighting improvements.

(B) See schedule 16 for personal income and population data. These ratios are calculated using personal income and population for the prior calendar year.

(C) Years 2002-2006 have been revised on the 2007 Schedule 13.

(D) The Harrison Square Parking Garage lease increased by \$13.4 million in 2008.

(E) The City borrowed \$6.25 million from the U.S. Dept. of Housing and Urban Development for use in developing the mixed-use Renaissance Project. \$2.5 million was borrowed by the City for use by the Barrett Law Dept. and \$1.1 million was borrowed by the City to use in purchasing land located at 2300 West Jefferson Blvd, Fort Wayne, IN.

(F) Refer to Note 5 (Long-term debt) of the 2009 financial statements for an explanation of increase.

(G) Revised in 2009 based on actual 2008 information.

Notes: Details regarding the City's outstanding debt can be found in the notes to the financial statements.

The City of Fort Wayne fully implemented GASB Statement 34 in 2002 and will report this statistical table retroactively to 2002 as permitted by GASB Statement 44.

	Utility Service Charges	Less: Operating Expenses	Net Available Revenue	Debt Service		Coverage
				Principal	Interest	
2002	\$ 4,818	\$ 3,970	\$ 848	\$ -	\$ -	-
2003	5,064	4,723	341	-	-	-
2004	5,243	5,129	114	-	-	-
2005	5,843	5,456	387	-	-	-
2006	9,440	6,192	3,248	-	292	11.12
2007	9,387	7,949	1,438	845	666	0.95
2008	9,639	9,145	494	875	634	0.33
2009	9,838	8,533	1,305	910	602	0.86

(A) The Civic Center Parking Garage was renovated during 2004-2005. The negative net available revenue is due to the fact that portions of the garage were closed during renovation. Even though the revenues dropped during this period, there was a sufficient cash balance to cover all expenses.
(B) The Plaza Parking Garage took a hit in 2006 when the renovated Allen County Juvenile Center reopened. Most court cases moved to the Juvenile Center and the parkers also moved over to the Center. However, an increase in monthly users has increased the revenue in 2007.
(C) The Plaza Parking Garage debt was paid off in 2006.
(D) The Stormwater Revenue Bond of 2006 was not reported on the 2006 CAFR Schedule 15.
(E) The increase in operating expenses is a combination of an increase in depreciation expense, maintenance expense of the garage, cost of salt, snow removal, and administrative expenses.

Notes: Details regarding the city's outstanding debt can be found in the notes to the financial statements. Operating expenses do not include interest or amortization expenses.

The City of Fort Wayne fully implemented GASB Statement 34 in 2002 and will report this statistical table retroactively to 2002 as permitted by GASB Statement 44.

Boardings	318	295	366	455	729	629	600	369 (G)
Demolitions - hearing affirmed	102	52	31	107	19	136	43	26 (H)
Water								
New connects	750	874	737	776	649	128	142	121
Consumption (millions of gallons)	9,266	8,581	8,241	8,639	8,310	8,408	8,391	8,069
Wastewater								
New connects	1,246	1,336	1,153	1,145	843	611	642	534
Sewage treatment (millions of gallons)	8,428	8,031	7,843	8,085	7,724	7,780	7,488	7,177

(A) Decreased due to fewer new contractors to monitor.

(B) Decreased due to fewer gas stations and better coordination with pump maintenance personnel so inspections are not doubled up.

(C) Increased because it takes longer to crack seal residential streets which was the focus in 2008.

(D) The continued replacement of bulbs with LED's have lowered the need to replace bulbs.

(E) There were fewer projects in 2009 that required signs.

(F) Budgeted less for paint in 2009 and the cost of replacing the paint previously used with a better quality paint went up.

(G) Due to installation of a new software system about two months of enforcement ability was lost.

(H) Abestos testing is now required by the Indiana Department of Environmental Management before each demolition. This slowed the demolition process down.

Notes: The City of Fort Wayne fully implemented GASB Statement 34 in 2002 and will report this statistical table retroactively to 2002 as permitted by GASB Statement 44.

**INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

TO: THE OFFICIALS OF THE CITY OF FORT WAYNE, ALLEN COUNTY, INDIANA

We have audited the accompanying financial statements of the City of Fort Wayne (City), as of and for the year ended December 31, 2009, as presented in its Comprehensive Annual Financial Report (CAFR), and have expressed our unqualified opinion thereon dated May 26, 2010. The CAFR is a separate report containing our Independent Auditor's Report and is on file at the City Controller's Office. It is available upon request.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. This supplemental report is intended to present our Supplemental Audit of Federal Awards which includes our Report over Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards and the Independent Auditor's Report on Compliance With Requirements Applicable to Each Major Program and Internal Control Over Compliance in Accordance with OMB Circular A-133. Also included are the Schedule of Expenditures of Federal Awards and related notes, as well as the Schedule of Findings and Questioned Costs.

The above schedules have been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, are fairly stated in all material respects in relation to the general-purpose financial statements taken as a whole.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

TO: THE OFFICIALS OF THE CITY OF FORT WAYNE, ALLEN COUNTY, INDIANA

We have audited the accompanying basic financial statements of the City of Fort Wayne (City), as of and for the year ended December 31, 2009, as presented in its Comprehensive Annual Financial Report (CAFR), and have expressed our unqualified opinion thereon dated May 26, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be significant deficiencies or material weaknesses, as defined above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the City's management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

TO: THE OFFICIALS OF THE CITY OF FORT WAYNE, ALLEN COUNTY, INDIANA

Compliance

We have audited the compliance of the City of Fort Wayne (City) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2009. The City's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City's management. Our responsibility is to express an opinion on the City's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether non-compliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the City's compliance with those requirements.

In our opinion, the City complied in all material respects with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2009.

Internal Control Over Compliance

The management of the City is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133
(Continued)

A control deficiency in a City's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be significant deficiencies or material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards

We have audited the accompanying basic financial statements of the City of Fort Wayne (City), as of and for the year ended December 31, 2009, as presented in its Comprehensive Annual Financial Report (CAFR), and have expressed our unqualified opinion thereon dated May 26, 2010. Our audit was performed for the purpose of forming our opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for the purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the City's management, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

CITY OF FORT WAYNE
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

I. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the City of Fort Wayne (City) and is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Accordingly, the amount of federal awards expended is based on when the activity related to the award occurs. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

II. Subrecipients

Of the federal expenditures presented in the schedule, the City provided federal awards to subrecipients as follows for the year ended December 31, 2009:

Program Title	Federal CFDA Number	Amount Provided to Subrecipients
Community Development Block Grants/ Entitlement Grants	14.218	\$ 3,695,212
Emergency Shelter Grants Program	14.231	89,255
Supportive Housing Program	14.235	39,574
Home Investment Partnerships Program	14.239	1,027,516
Historic Preservation Fund Grants-in-Aid	15.904	18,998
Crime Victim Assistance	16.575	247,712

CITY OF FORT WAYNE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
