HUNTINGBURG PUBLIC LIBRARY  
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Library was established under the laws of the State of Indiana. The Library provides the following services: culture and recreation.

Note 2. Fund Accounting

The Library uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Library in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Library on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

HUNTINGBURG PUBLIC LIBRARY  
NOTES TO FINANCIAL INFORMATION  
(Continued)

State statute (IC 5-13-9) authorizes the Library to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 6. Pension Plan

Public Employees' Retirement Fund

Plan Description

The Library contributes to the Indiana Public Employees' Retirement Fund (PERF), a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the PERF Board, most requirements of the system, and give the Library authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3% of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

PERF administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Public Employees' Retirement Fund  
Harrison Building, Room 800  
143 West Market Street  
Indianapolis, IN 46204  
Ph. (317) 233-4162

Funding Policy and Annual Pension Cost

The contribution requirements of the plan members for PERF are established by the Board of Trustees of PERF.

HUNTINGBURG PUBLIC LIBRARY  
 SUPPLEMENTARY INFORMATION  
 SCHEDULE OF CAPITAL ASSETS  
 For The Year Ended December 31, 2009

Capital assets are reported at actual or estimated historical cost based on appraisals or deflated current replacement cost. Contributed or donated assets are reported at estimated fair value at the time received.

The Huntingburg Public Library is a small unit with revenue falling within the Phase III category; therefore, the Library has been reporting infrastructure as of January 1, 2004, and thereafter. However, there has been no change to date in infrastructure since January 1, 2004.

General infrastructure assets are included if acquired (purchased, constructed, or donated) after January 1, 2004, or if they received major renovations, restorations, or improvements after that date. The government was able to estimate the historical cost for the initial reporting of these assets through backtrending (i.e., estimating the current replacement cost of the infrastructure to be capitalized and using an appropriate price-level index to deflate the cost to the acquisition year or estimated acquisition year). As the government constructs or acquires additional capital assets each period, including infrastructure assets, they are reported at historical cost.

<u>Primary Government</u>	<u>Ending Balance</u>
Governmental activities:	
Capital assets, not being depreciated:	
Land	\$ 5,312
Buildings	504,069
Improvements other than buildings	2,935
Machinery and equipment	<u>909,141</u>
 Total governmental activities, capital assets not being depreciated	 <u>\$ 1,421,457</u>

HUNTINGBURG PUBLIC LIBRARY  
EXAMINATION RESULT AND COMMENT

ERRORS ON CLAIMS

The following deficiencies were noted on claims during the examination period:

- (1) Claims were not adequately itemized.
- (2) All claims did not have board approval.

IC 5-11-10-1.6 states in part:

"(b) As used in this section, 'claim' means a bill or an invoice submitted to a governmental entity for goods or services.

(c) The fiscal officer of a governmental entity may not draw a warrant or check for payment of a claim unless:

- (1) there is a fully itemized invoice or bill for the claim;
- (2) the invoice or bill is approved by the officer or person receiving the goods and services;
- (3) the invoice or bill is filed with the governmental entity's fiscal officer;
- (4) the fiscal officer audits and certifies before payment that the invoice or bill is true and correct; and
- (5) payment of the claim is allowed by the governmental entity's legislative body or the board or official having jurisdiction over allowance of payment of the claim."
