INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT  
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

TO: THE OFFICIALS OF THE UNION-NORTH UNITED SCHOOL  
CORPORATION, ST. JOSEPH COUNTY, INDIANA

We have audited the accompanying financial statement of the Union-North United School Corporation (School Corporation), for the years ended June 30, 2010 and 2011. This financial statement is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the School Corporation prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting noted above is a different basis than that used in the prior year.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and results of operations of the School Corporation for the years ended June 30, 2010 and 2011, on the basis of accounting described in Note 1.

In accordance with Government Auditing Standards, we have also issued a report dated December 28, 2011, on our consideration of the School Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT  
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
(Continued)

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and, in our opinion, is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances – Regulatory Basis, Schedule of Capital Assets, and Schedule of Long-Term Debt are presented for additional analysis and are not required parts of the financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances – Regulatory Basis, Schedule of Capital Assets, and Schedule of Long-Term Debt have not been subjected to the auditing procedures applied by us in the audit of the financial statement and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the School Corporation's management, the School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

TO: THE OFFICIALS OF THE UNION-NORTH UNITED SCHOOL  
CORPORATION, ST. JOSEPH COUNTY, INDIANA

We have audited the financial statement of the Union-North United School Corporation (School Corporation), for the years ended June 30, 2010 and 2011, and have issued our report thereon dated December 28, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the School Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS  
(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School Corporation's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the School Corporation's management, the School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

UNION-NORTH UNITED SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENT

**Note 1. Summary of Significant Accounting Policies**

*A. Reporting Entity*

School Corporation, as used herein, shall include, but is not limited to, school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The accompanying financial statement presents the financial information for the School Corporation (primary government).

*B. Basis of Accounting*

The financial statement is reported on a regulatory basis of accounting prescribed by the State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

*C. Cash and Investments*

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

*D. Receipts*

Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Local sources which include taxes, revenue from local governmental units other than school corporations, transfer tuition, transportation fees, investment income, food services, school corporation activities, revenue from community services activities, and other revenue from local sources.

Intermediate sources which include distributions from the County for fees collected for or on behalf of the School Corporation including educational license plate fees, congressional interest, riverboat distributions, and other similar fees.

NOTES TO FINANCIAL STATEMENT  
(Continued)

State sources which include distributions from the State of Indiana to be used by the School Corporation for various purposes. Included in state sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Federal sources which include distributions from the federal government to be used by the School Corporation for various purposes. Included in federal sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Temporary loans which include money received from a loan obtained to pay current expenses prior to the receipt of revenue from taxes levied for that purpose. These loans, sometimes designated tax anticipation warrants, must be repaid from the next semiannual distribution of local property taxes levied for such fund.

Interfund loans which include money temporarily transferred from one fund to a depleted fund for use in paying current operating expenses. Such advancement shall not be made for a period extending beyond the budget year.

Other receipts which include amounts received from various sources which include return of petty cash, return of cash change, insurance claims for losses, sale of securities, and other receipts not listed in another category above.

*E. Disbursements*

Disbursements are presented in the aggregate on the face of the financial statement. The aggregate disbursements include the following uses:

Instruction which includes outflows for regular programs, special programs, adult and continuing education programs, summer school programs, enrichment programs, remediation, and payments to other governmental units.

Support services which include outflows for support services related to students, instruction, general administration, and school administration. It also includes outflows for central services, operation and maintenance of plant services, and student transportation.

Noninstructional services which include outflows for food service operations and community service operations.

Facilities acquisition and construction which includes outflows for the acquisition, development, construction, and improvement of new and existing facilities.

Debt services which include fixed obligations resulting from financial transactions previously entered into by the School Corporation. It includes all expenditures for the reduction of the principal and interest of the School Corporation's general obligation indebtedness.

Nonprogrammed charges which include outflows for donations to foundations, securities purchased, indirect costs, scholarships, and self-insurance payments.

Interfund loans which include money temporarily transferred from one fund to a depleted fund for use in paying current operating expenses. Such advancement shall not be made for a period extending beyond the budget year.

*F. Other financing sources and uses*

Other financing sources and uses are presented in the aggregate on the face of the financial statement. The aggregate other financing sources and uses include the following:

Proceeds of long-term debt which includes money received in relation to the issuance of bonds or other long-term debt issues.

Sale of capital assets which includes money received when land, buildings, or equipment owned by the School Corporation is sold.

Transfers in which includes money received by one fund as a result of transferring money from another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

Transfers out which includes money paid by one fund to another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

*G. Fund Accounting*

Separate funds are established, maintained, and reported by the School Corporation. Each fund is used to account for money received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the School Corporation. The money accounted for in a specific fund may only be available for use for certain, legally restricted purposes. Additionally, some funds are used to account for assets held by the School Corporation in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units and therefore the funds cannot be used for any expenditures of the unit itself.

**Note 2. Budgets**

The operating budget is initially prepared and approved at the local level. The fiscal officer of the School Corporation submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied is subject to final approval by the Indiana Department of Local Government Finance.

**Note 3. Property Taxes**

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the School Corporation in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were

based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

**Note 4. Deposits and Investments**

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana at year end should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the School Corporation to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

**Note 5. Risk Management**

The School Corporation may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third party. The establishment of a self-insurance fund allows the School Corporation to set aside money for claim settlements. The self-insurance fund would be included in the financial statements. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks. These risks may also be mitigated by the School Corporation by recording as a disbursement and replacement items purchased.

**Note 6. Pension Plans**

*A. Public Employees' Retirement Fund*

*Plan Description*

The Indiana Public Employees' Retirement Fund (PERF) is a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and give the School Corporation authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

*Funding Policy and Annual Pension Cost*

The contribution requirements of the plan members for PERF are established by the Board of Trustees of INPRS.

*B. Teachers' Retirement Fund*

*Plan Description*

The Indiana Teachers' Retirement Fund (TRF) is a defined benefit pension plan. TRF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and gives the School Corporation authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The School Corporation may elect to make the contributions on behalf of the member.

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the TRF plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System  
1 North Capital Street, Suite 001  
Indianapolis, IN 46204  
Ph. (888) 286-3544

*Funding Policy and Annual Pension Cost*

The School Corporation contributes the employer's share to TRF for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995, is considered to be an obligation of, and is paid by, the State of Indiana.

UNION-NORTH UNITED SCHOOL CORPORATION  
AUDIT RESULTS AND COMMENTS

***CAPITAL ASSET RECORDS***

In recent years, the School Corporation has not performed an inventory of capital assets comparing items on hand to those shown in the capital asset record.

Every governmental unit should have a complete inventory of all capital assets owned which reflect their acquisition value. Such inventory should be recorded on the applicable Capital Assets Ledger. A complete inventory should be taken at least every two years for good internal control and for verifying account balances carried in the accounting records. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***FUND OMITTED FROM BIENNIAL FINANCIAL REPORT***

The School Corporation's biennial financial report for the period January 1, 2011 to June 30, 2011, omitted the Educational Jobs Grant Fund. This is a federal grant fund which had \$23,694 in receipts and no disbursements during this period. A memo from the Indiana Department of Education to school treasurers shows that the biennial financial report information must be accurate and complete.

Political subdivisions are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings and filing requirements concerning reports and other procedural matters of federal and state agencies, including opinions of the Attorney General of the State of Indiana, and court decisions. Governmental units should file accurate reports required by federal and state agencies. Noncompliance may require corrective action. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***OVERDRAWN FUND BALANCES***

The fund balance of the General Fund was overdrawn at June 30, 2010, and June 30, 2011, with negative balances of \$713,253 and \$142,946, respectively. As of November 30, 2011, the General Fund's balance was \$703,292.

The Rainy Day Fund balance was a negative \$43,353 as of June 30, 2011, and a negative \$504,973 as of November 30, 2011. Two other funds had significant negative cash balances as of November 30, 2011: Capital Projects, \$138,471 and School Transportation, \$316,558. The School Corporation Treasurer explained to us that she anticipates receiving tax and State tuition distributions in amounts which will result in positive December 31, 2011, balances in these funds.

The fund balance of any fund may not be reduced below zero. Routinely overdrawn funds could be an indicator of serious financial problems which should be investigated by the governmental unit. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***FEDERAL AND STATE AGENCIES - COMPLIANCE REQUIREMENTS –  
TEXTBOOK REIMBURSEMENT***

We found errors in our review of the School Corporation's textbook reimbursement report filed with the Indiana Department of Education. Errors included: textbook fees charged to students omitted from the report, total costs reported were total costs for all students and not just those eligible students, 10 percent shipping cost duplicated, and some amounts included on the reimbursement report were not supported or identified.

***ELEMENTARY SCHOOL POP SALES (Applies to LaVille Elementary School)***

The elementary extra-curricular records show pop purchases made from the activities account but pop revenues were posted to both the activities account and the athletic account. For the 2010-2011 school year, the activities account shows \$411 in receipts from pop sales and \$2,780 in pop purchases. The 2010-2011 athletic account concessions receipts were \$2,594 and concession disbursements were \$2,961. We could not determine the pop receipts which are included in the concessions receipts.

The Elementary Extra-Curricular Treasurer explained she did not complete the SA-9 form, Accountable Items Review, which is to be used for items purchased for resale. She also explained that concession items were given to student workers both in the concession operation and in daily cafeteria cleaning which may help explain why pop and concessions receipts were low compared to purchases. Another explanation was that candy sales prices were sometimes below purchase cost. She also agreed to make a correction transfer in future years to charge the athletic account its share of pop purchases.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

***ELEMENTARY SCHOOL FACULTY POP MACHINE (Applies to LaVille Elementary School)***

The Elementary School Extra-Curricular Treasurer provided us with a worksheet showing 157 cases were purchased for the faculty lounge pop machine during the 2010-2011 school year. Her worksheet shows approximately eight cases were given to staff members during monthly staff meetings. That results in 149 cases put in the machine to be sold. At a sales price of 50 cents per pop, this calculates to \$1,788 in potential pop sales. The ledger shows \$1,145 pop sales receipts. There is a difference of \$643 less in ledger posted pop sales compared to potential pop sales based on purchases. The Extra-Curricular Treasurer's explanation for this difference was that the machine is opened during lunch for staff's access to pop. She also explained that there was unsold pop, but she had no record of that count.

Internal controls over vending operations, concessions or other sales should include, at a minimum, a regular reconciliation of the beginning inventory, purchases, distributions, items sold and ending inventory to the amount received. Any discrepancies noted should be immediately documented in writing to proper officials. The reconciliation should provide an accurate accounting.

Persons with access to vending should be properly designated and access should be limited to those designated. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

***HIGH SCHOOL FINANCIAL REPORT (Applies to Laville Junior/Senior High School)***

When we began our audit, we found that the high school's financial reports for the school years 2009-2010 and 2010-2011 were not on file in the School Corporation administrative building. The administrative building houses the office of superintendent, the business office and the School Board. The reports were provided to us by the High School Extra-Curricular Treasurer for our audit and the reports are now on file in the administrative building.

The Financial Report of School Extra-Curricular Accounts (SA 5-1) should begin with the close of the last report and cover the school year. The report should be made in triplicate. One copy shall be filed in the school business office, a copy shall be filed with the school board and the third copy shall be filed with the superintendent of schools. The report is to be filed as an official record and must be preserved for a period of five years. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 2)

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

TO: THE OFFICIALS OF THE UNION-NORTH UNITED SCHOOL  
CORPORATION, ST. JOSEPH COUNTY, INDIANA

Compliance

We have audited the compliance of the Union-North United School Corporation (School Corporation) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the years ended June 30, 2010 and 2011. The School Corporation's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on the School Corporation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the School Corporation's compliance with those requirements.

In our opinion, the School Corporation complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the years ended June 30, 2010 and 2011.

Internal Control Over Compliance

Management of the School Corporation is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the School Corporation's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133  
(Continued)

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the School Corporation's management, the School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

UNION-NORTH UNITED SCHOOL CORPORATION  
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

**Note 1. Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Union-North United School Corporation (School Corporation) and is presented in accordance with the cash and investment basis of accounting used in the preparation of the financial statement. Accordingly, the amount of federal awards expended is based on when the disbursement related to the award occurs except when the federal award is received on a reimbursement basis. In these instances the federal awards are considered expended when the reimbursement is received.

Circular A-133 requires an annual audit of nonfederal entities expending a total amount of federal awards equal to or in excess of \$500,000 in any fiscal year unless by constitution or statute a less frequent audit is required. In accordance with Indiana Code (IC 5-11-1 et seq.), audits of school corporations shall be conducted biennially. Such audits shall include both years within the biennial period.

**Note 2. Noncash Assistance**

The School Corporation expended the following amount of noncash assistance for the years ending June 30, 2010 and 2011. This noncash assistance is also included in the federal expenditures presented in the schedule.

| Program Title                 | Federal<br>CFDA<br>Number | 2010      | 2011      |
