INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

TO: THE OFFICIALS OF THE NORTHEASTERN WAYNE
SCHOOL CORPORATION, WAYNE COUNTY, INDIANA

We have audited the accompanying financial statement of the Northeastern Wayne School Corporation (School Corporation), for the years ended June 30, 2010 and 2011. This financial statement is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the School Corporation prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting noted above is a different basis than that used in the prior year.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and results of operations of the School Corporation for the years ended June 30, 2010 and 2011, on the basis of accounting described in Note 1.

In accordance with Government Auditing Standards, we have also issued a report dated February 9, 2012, on our consideration of the School Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
(Continued)

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and, in our opinion, is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances – Regulatory Basis, Schedule of Capital Assets, and Schedule of Long-Term Debt are presented for additional analysis and are not required parts of the financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances – Regulatory Basis, Schedule of Capital Assets, and Schedule of Long-Term Debt have not been subjected to the auditing procedures applied by us in the audit of the financial statement and, accordingly, we express no opinion on them.

The School Corporation's response to the Audit Results and Comments identified in our audit is described in the accompanying section of the report entitled Official Response. We did not audit the School Corporation's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the School Corporation's management, School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

TO: THE OFFICIALS OF THE NORTHEASTERN WAYNE
SCHOOL CORPORATION, WAYNE COUNTY, INDIANA

We have audited the financial statement of the Northeastern Wayne School Corporation (School Corporation), for the years ended June 30, 2010 and 2011, and have issued our report thereon dated February 9, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the School Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School Corporation's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the School Corporation's management, School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

NORTHEASTERN WAYNE SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

School Corporation, as used herein, shall include, but is not limited to, school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The accompanying financial statement presents the financial information for the School Corporation (primary government).

B. Basis of Accounting

The financial statement is reported on a regulatory basis of accounting prescribed by the State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

C. Cash and Investments

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

D. Receipts

Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Local sources which include taxes, revenue from local governmental units other than school corporations, transfer tuition, transportation fees, investment income, food services, school corporation activities, revenue from community services activities, and other revenue from local sources.

Intermediate sources which include distributions from the County for fees collected for or on behalf of the School Corporation including educational license plate fees, congressional interest, riverboat distributions, and other similar fees.

State sources which include distributions from the State of Indiana to be used by the School Corporation for various purposes. Included in state sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

NORTHEASTERN WAYNE SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT
(Continued)

Federal sources which include distributions from the federal government to be used by the School Corporation for various purposes. Included in federal sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Temporary loans which include money received from a loan obtained to pay current expenses prior to the receipt of revenue from taxes levied for that purpose. These loans, sometimes designated tax anticipation warrants, must be repaid from the next semiannual distribution of local property taxes levied for such fund.

Interfund loans which include money temporarily transferred from one fund to a depleted fund for use in paying current operating expenses. Such advancement shall not be made for a period extending beyond the budget year.

Other receipts which include amounts received from various sources which include return of petty cash, return of cash change, insurance claims for losses, sale of securities, and other receipts not listed in another category above.

E. Disbursements

Disbursements are presented in the aggregate on the face of the financial statement. The aggregate disbursements include the following uses:

Instruction which includes outflows for regular programs, special programs, adult and continuing education programs, summer school programs, enrichment programs, remediation, and payments to other governmental units.

Support services which include outflows for support services related to students, instruction, general administration, and school administration. It also includes outflows for central services, operation and maintenance of plant services, and student transportation.

Noninstructional services which include outflows for food service operations and community service operations.

Facilities acquisition and construction which includes outflows for the acquisition, development, construction, and improvement of new and existing facilities.

Debt services which include fixed obligations resulting from financial transactions previously entered into by the School Corporation. It includes all expenditures for the reduction of the principal and interest of the School Corporation's general obligation indebtedness.

Nonprogrammed charges which include outflows for donations to foundations, securities purchased, indirect costs, scholarships, and self-insurance payments.

Interfund loans which include money temporarily transferred from one fund to a depleted fund for use in paying current operating expenses. Such advancement shall not be made for a period extending beyond the budget year.

NORTHEASTERN WAYNE SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT
(Continued)

F. Other financing sources and uses

Other financing sources and uses are presented in the aggregate on the face of the financial statement. The aggregate other financing sources and uses include the following:

Proceeds of long-term debt which includes money received in relation to the issuance of bonds or other long-term debt issues.

Sale of capital assets which includes money received when land, buildings, or equipment owned by the School Corporation is sold.

Transfers in which includes money received by one fund as a result of transferring money from another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

Transfers out which includes money paid by one fund to another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

G. Fund Accounting

Separate funds are established, maintained, and reported by the School Corporation. Each fund is used to account for money received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the School Corporation. The money accounted for in a specific fund may only be available for use for certain, legally restricted purposes. Additionally, some funds are used to account for assets held by the School Corporation in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units and therefore the funds cannot be used for any expenditures of the unit itself.

Note 2. Budgets

The operating budget is initially prepared and approved at the local level. The fiscal officer of the School Corporation submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied is subject to final approval by the Indiana Department of Local Government Finance.

Note 3. Property Taxes

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the School Corporation in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

NORTHEASTERN WAYNE SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT
(Continued)

Note 4. Deposits and Investments

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana at year end should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the School Corporation to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 5. Risk Management

The School Corporation may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third party. The establishment of a self-insurance fund allows the School Corporation to set aside money for claim settlements. The self-insurance fund would be included in the financial statement. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks. These risks may also be mitigated by the School Corporation by recording as a disbursement and replacement items purchased.

Note 6. Pension Plans

A. Public Employees' Retirement Fund

Plan Description

The Indiana Public Employees' Retirement Fund (PERF) is a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and give the School Corporation authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

INPRS administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

The contribution requirements of the plan members for PERF are established by the Board of Trustees of INPRS.

B. Teachers' Retirement Fund

Plan Description

The Indiana Teachers' Retirement Fund (TRF) is a defined benefit pension plan. TRF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and gives the School Corporation authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The School Corporation may elect to make the contributions on behalf of the member.

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the TRF plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
1 North Capital Street, Suite 001
Indianapolis, IN 46204
Ph. (888) 286-3544

Funding Policy and Annual Pension Cost

The School Corporation contributes the employer's share to TRF for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995, is considered to be an obligation of, and is paid by, the State of Indiana.

The School Corporation also contributes to additional pension plans unique to the School Corporation. Information regarding these plans may be obtained from the School Corporation.

Note 7. Subsequent Event

The School Corporation was awarded a Classroom Innovation Grant in the amount of \$200,900.

SUPPLEMENTARY INFORMATION – UNAUDITED

For additional financial information, the School Corporation's Financial Reports can be found on the Indiana Department of Education website: <http://mustang.doe.state.in.us/TRENDS/fin.cfm>. This website is maintained by the Indiana Department of Education. More current financial information is available from the School Corporation Treasurer's office.

Differences may be noted between the financial information presented in the financial statement contained in this report and the financial information presented in the Financial Reports of the School Corporation which are referenced above. These differences, if any, are due to adjustments made to the financial information during the course of the audit. This is a common occurrence in any financial statement audit. The financial information presented in this report is audited information, and the accuracy of such information can be determined by reading the opinion given in the Independent Auditor's Report.

The supplementary information presented was prepared and/or approved by management of the School Corporation. It is presented as intended by the School Corporation.

AUDIT RESULTS AND COMMENTS

PROMOTIONAL DISBURSEMENTS

Disbursements for Christmas gifts, retirement gifts, snacks for teacher meetings and sympathy flowers were purchased and posted to the Office of Principal Elementary Supplies, Office of High School Supplies and Other Office of Superintendent in the amount of \$1,128 for the calendar year 2010. Promotional disbursements posted to the Community Relations Operational Supplies account totaled \$2,887 for the calendar year 2010. Total promotional disbursements identified for the calendar year 2010 were \$4,015.

The average daily membership for the fiscal year 2009-2010 was 1,065.

Disbursements should be paid from properly authorized line items. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

Indiana Code 20-26-5-4 states:

"In carrying out the school purposes of a school corporation, the governing body acting on the school corporation's behalf has the following specific powers: . . .

- (3) To appropriate from the school corporation's general fund an amount, not to exceed the greater of three thousand dollars (\$3,000) per budget year or one dollar (\$1) per pupil, not to exceed twelve thousand five hundred dollars (\$12,500), based on the school corporation's previous year's ADM, to promote the best interests of the school corporation through:
 - (A) the purchase of meals, decorations, memorabilia, or awards;
 - (B) provision for expenses incurred in interviewing job applicants; or
 - (C) developing relations with other governmental units."

FUND SOURCES AND USES

Funds were disbursed from the General Fund for 4-H leaders. Payments were made in the amount of \$3,250 in both FY 2009-2010 and FY 2010-2011 for a total of \$6,500 for the audit period. This practice has been in place for at least 25 years.

Sources and uses of funds should be limited to those authorized by the enabling statute, ordinance, resolution, or grant agreement. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

LATCHKEY

The following items were noted during a review of latchkey records for the period August 2010 to February 2011:

1. Receipt Form SA-3 was not in use.
2. Receipts were not retained in a bound book.

NORTHEASTERN WAYNE SCHOOL CORPORATION
AUDIT RESULTS AND COMMENTS
(Continued)

3. Receipts did not always note payment method.
4. Nineteen receipts were missing.
5. A duplicate receipt was changed. A new date, student name, amount, etc., had been noted on the duplicate receipt. Both amounts noted on the receipt were posted to the individual student accounts.
6. In two instances, latchkey receipts totaled \$61 more than remittances to the treasurer.
7. Deposits made included checks with no supporting receipts. The deposit dated October 7, 2010, included a check in the amount of \$28.87. However, there was no supporting receipt for the check. The deposit dated December 17, 2010, included two checks for a total of \$52.25; however, there were no supporting receipts for the checks.
8. A receipt dated November 29, 2010, was deposited on December 17, 2010.
9. A receipt dated January 10, 2011, indicated a cash payment of \$20. The deposit consisted of all checks.
10. There were payments posted to individual student accounts that were not supported by receipts. The individual student account records do not require the receipt date and receipt number to be posted making it difficult to determine who posted the records. There were two latchkey supervisors employed during the audit period.
11. A total of \$277, in collections as noted on the receipts, was not posted to individual student accounts.
12. Collections received by the latchkey supervisor were kept in an unsecure area. The collections, a cash summary report and the supporting duplicate latchkey receipts were taken to the elementary office and placed in an unlocked drawer every Thursday. The following day the extra-curricular treasurer would count the collections, prepare the deposit and take the deposit to the bank. The collections were deposited into the School Corporation checking account. The funds were not reflected in the extra-curricular records.
13. Delinquencies were not handled as outlined in the guidelines for the program.

We were unable to determine if fraud existed, due to the poor internal controls, the handling of duplicate latchkey receipts, inadequate individual student records and two latchkey supervisors employed during the audit period.

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

Indiana Code 5-13-6-1(c) states in part: "Public funds deposited . . . shall be deposited in the same form in which they were received."

Indiana Code 20-41-1-9 states in part: ". . . receipts shall be deposited without unreasonable delay."

Indiana Code 5-15-6-3(f) states in part: "Original records may be disposed of only with the approval of the commission according to guidelines established by the commission."

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of managements objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets and all forms of information processing are necessary for proper internal control. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

Governmental units have a responsibility to collect amounts owed to the governmental unit pursuant to procedures authorized by statute. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

Each governmental unit is responsible for complying with the ordinances, resolutions, and policies it adopts. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

TO: THE OFFICIALS OF THE NORTHEASTERN WAYNE
SCHOOL CORPORATION, WAYNE COUNTY, INDIANA

Compliance

We have audited the compliance of the Northeastern Wayne School Corporation (School Corporation) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the years ended June 30, 2010 and 2011. The School Corporation's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on the School Corporation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the School Corporation's compliance with those requirements.

In our opinion, the School Corporation complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the years ended June 30, 2010 and 2011.

Internal Control Over Compliance

Management of the School Corporation is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the School Corporation's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133
(Continued)

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the School Corporation's management, School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

NORTHEASTERN WAYNE SCHOOL CORPORATION
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Northeastern Wayne School Corporation (School Corporation) and is presented in accordance with the cash and investment basis of accounting used in the preparation of the financial statement. Accordingly, the amount of federal awards expended is based on when the disbursement related to the award occurs except when the federal award is received on a reimbursement basis. In these instances the federal awards are considered expended when the reimbursement is received.

Circular A-133 requires an annual audit of nonfederal entities expending a total amount of federal awards equal to or in excess of \$500,000 in any fiscal year unless by constitution or statute a less frequent audit is required. In accordance with Indiana Code (IC 5-11-1 et seq.), audits of school corporations shall be conducted biennially. Such audits shall include both years within the biennial period.

Note 2. Noncash Assistance

The School Corporation expended the following amount of noncash assistance for the years ending June 30, 2010 and 2011. This noncash assistance is also included in the federal expenditures presented in the schedule.

| Program Title | Federal CFDA Number | 2010 | 2011 |
|-------------------------------|---------------------------|-----------|-----------|
| National School Lunch Program | 10.555 | \$ 30,595 | \$ 24,834 |

“WHERE EXCELLENCE IN EDUCATION IS AN EXPECTATION”

To: William Vinson
From: Tim Edsell
Re: Written Response to Recent Indiana SBOA Audit of Northeastern Wayne Schools
Date: 2/13/12

The purpose of this letter of response is to explain the immediate and corrective action that has already occurred in adhering to the three principle results and comments from the 2009-2011 Indiana State Board of Accounts Audit that was recently completed by Stephanie Heath on February 9, 2012. Let me first of all state that I truly appreciated Ms. Heath's professionalism, guidance, and recommendations during her visit at Northeastern Wayne Schools.

Regarding the first comment about promotional disbursements being spent out of building-level and corporation-level supply accounts instead of the corporation Community Relations Operational Supplies account, as soon as Ms. Heath brought this item to my attention, I immediately contacted our building principals and central office staff and directed them that any expenditures, from this point forward, for gifts, food, flowers, plaques, and any other promotional items must be spent out of the correct corporation account, Community Relations Operational Supplies, and not to exceed \$3,000 in a calendar year. This corrective action will provide better internal control as the expenditures from this account will be approved by our treasurer, superintendent, and school board of trustees.

Secondly, with respect to the disbursement of funds from the General Fund for 4H leaders in the amounts of \$3,250 for FY 2009-10 and \$3,250 for FY 2010-11, I have contacted our local Purdue Agriculture Extension Office and told them that we will no longer continue this practice as it is a violation cited by the Indiana State Board of Accounts.

Finally, with respect to the noted items of concern with our Latchkey program during August 2010 to February 2011 that was supervised by a person who is no longer employed with Northeastern Wayne Schools, once I was notified by Ms. Heath about her findings I immediately spoke to our elementary principal and elementary treasurer about providing better internal control and handling of the money and receipts. Effective immediately, all monies submitted by parents whose children participate in the Latchkey program will be collected by the elementary treasurer with receipts, from a bound book, being written and provided to each parent. The receipt form, SA-3, will be used along with an Excel spreadsheet documenting participants, attendance, receipts provided with dates, and any other pertinent information. These monies will be deposited at our local bank on a daily basis. In addition, an extra-curricular account has been created for Latchkey at the elementary building in which this money will be monitored. Once a month the elementary treasurer will write a check to the corporation treasurer for the respective amount and that amount will then be transferred to the respective corporation account. The guidelines for the Latchkey program have been updated, including the proper handling and effective consequences of delinquencies by parents.

Sincerely,

Tim Edsell, Ph. D.
Superintendent
Northeastern Wayne Schools
