Board of Directors
Housing Authority of the City of Anderson
528 W. 11th Street
Anderson, IN 46016

We have reviewed the audit report prepared by Pamela J. Simpson, CPA, Independent Public Accountant, for the period April 1, 2010 to March 31, 2011. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountant's opinion, the financial statements included in the report present fairly the financial condition of the Housing Authority of the City of Anderson, as of March 31, 2011 and the results of its operations for the period then ended, on the basis of accounting described in the report.

The Independent Public Accountant's report is filed with this letter in our office as a matter of public record.

Independent Auditor's Report

Board of Commissioners
Anderson Housing Authority
Anderson, Indiana

I have audited the accompanying basic financial statements of the Anderson Housing Authority, as of and for the year ended March 31, 2011, as listed in the table of contents. These basic financial statements are the responsibility of the Authority's management. My responsibility is to express an opinion on these basic financial statements based on my audit. I did not audit the financial statements of Anderson Housing, Inc. (a component unit). Those financial statements were audited by other auditors whose report thereon has been furnished to me, and my opinion, insofar as it relates to the amounts included for Anderson Housing, Inc., is based on the report of the other auditors.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the basic financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Anderson Housing Authority, as of March 31, 2011 and the respective changes in financial position and cash flows for the year end in conformity with accounting principles generally accepted in the United States of America.

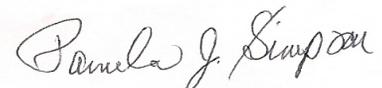

In accordance with *Government Auditing Standards*, I have also issued my report dated October 21, 2011, on my consideration of the Authority's internal control over financial reporting and my test of its compliance with certain provisions of laws, regulation, contracts and grants. The purpose of that report is to describe the scope of my testing, and not to provide an opinion on the internal control over financial reporting on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of my audit.

Accounting principles generally accepted in the United State of America require that the management's discussion and analysis and budgetary comparison information on pages 3 through 8 and be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures on the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial systems. I do not express an opinion or provide any assurance on the information because the limited procedure do not provide me with sufficient evidence to express an opinion or provide any assurance.

My audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Anderson Housing Authority's basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the U. S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements of the Anderson Housing Authority. The accompanying financial data schedule and other additional statements and schedules listed as supplemental data in the table of contents has been subjected to the auditing procedures and certain other additional procedures in accordance with auditing standards generally accepted in the United States of America . In my opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Anderson Housing Authority's basic financial statements. The introductory and statistical sections are presented for the purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and accordingly, I do not express an opinion or provide any assurance on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS

March 31, 2011

As management of Anderson Housing Authority, we offer the readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended March 31, 2011.

We encourage readers to consider the information presented here in conjunction with the Authority's financial statements.

Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Executive Director, Anderson Housing Authority.

Overview of the Financial Statements

The financial statements included in this annual audit report are those of a special-purpose government engaged in a business-type activity. The following statements are included:

The Statement of Net Assets

Reports all financial and capital resources for the Authority. The statement is presented in the format where assets minus liabilities, equals "Net Assets", formerly known as equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year), and "Non-current".

Net Assets, Invested in Capital Assets, Net of Related Debt:

This component of Net Assets consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted Net Assets:

This component of Net Assets consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

Unrestricted Net Assets:

Consists of Net Assets that do not meet the definition of "Net Assets Invested in Capital Assets, Net of Related Debt", or "Restricted Net Assets".

MANAGEMENT'S DISCUSSION AND ANALYSIS

March 31, 2011

Statement of Revenue, Expenses, and Change in Net Assets

Reports the Authority's operating and non-operating revenue, by major sources, along with operating and non-operating expenses and capital contributions. This Statement includes Operating Revenues, such as rental income, Operating Expenses, such as administrative, utilities, and maintenance, and depreciation, and Non-Operating Revenue and Expenses, such as grant revenue, investment income and interest expense.

Statement of Cash Flows

Presents information on the effects changes in assets and liabilities have on cash during the course of the Fiscal Year.

Notes to the Financial Statements

Provide additional information that is essential to a full understanding of the data provided in the Authority-wide financial statements.

Our analysis of the Authority as a whole begins on the next page. The most important question asked about the Authorities finances is "Is the Authority as a whole better or worse off as a result of the year's activities?"

The attached analysis of entity wide net assets, revenues, and expenses are provided to assist with answering the above question. This analysis includes all assets and liabilities using the accrual basis of accounting. Accrual accounting is similar to the accounting used by most private sector companies. Accrual accounting recognizes revenues and expenses when earned regardless of when cash is received or paid.

Our analysis also presents the Authority's net assets and changes in them. One can think of the Authority's net assets as the difference between what the Authority owns (assets) to what the Authority owes (liabilities). The change in net assets analysis will assist the reader with measuring the health or financial position of the Authority.

Over time, significant changes in the Authorities net assets are an indicator of whether its financial health is improving or deteriorating. To fully assess the financial health of any Authority the reader must also consider other non-financial factors such as changes in family composition, fluctuations in the local economy, HUD mandated program administrative changes, and the physical condition of the Authorities capital assets.

Condensed Comparative Financial Statements

Analysis of Entity Wide Net Assets

Total Net Assets for FY 2011 were \$5,915,762 and for FY 2010 the amount was \$5,448,137. This represents an overall net increase of \$467,625, or 8.6%.

Cash & Investments increased by \$47,768. Cash increased because of an increase in HUD Operating Grants. HUD Operating Grants will be used to fund future programs operations.

Receivables increased by \$123,752. The receivables increased because of the timing of receipts from HUD and a grant receivable on AHI. Funds requisitioned from HUD during March 2011 were received in April 2011.

Capital Assets increased by \$294,077. The change in Capital Assets will be presented in the section of this analysis entitled Analysis of Capital Assets.

Current Liabilities increased by \$101,421. The increase in current liabilities is due to the increase of accounts payables accrued as of 3/31/2011.

Non Current Liabilities increased by \$5,825. Compensated absences liability increased because of changes in employees hired.

The table below illustrates our analysis:

Analysis of Entity Wide Revenues

The Authority administers the following programs and the revenues generated from these programs during Fiscal Year Ending 2011 were as follows:

Program	Revenues Generated
Business Activities (BA)	\$ 9,820
Component Units (CU)	486,406
Home Investment Partnerships Program	8,814
Capital Fund Recovery Grant (ARRA)	29,230
Low Rent Public Housing (LIPH)	894,800
Housing Choice Vouchers (HCV)	<u>6,981,812</u>
Total Revenue	<u>\$8,410,882</u>

Total revenues for Fiscal Year 2011 were \$8,410,882 as compared to \$7,969,915 of total revenues for Fiscal Year 2010. Comparatively, fiscal year 2011 revenues increased by \$440,967 from fiscal year 2010. The primary reason for this change was due to an increase in Other Government Grants. The Authority was awarded a State of Indiana grant for the construction of additional housing units.

Analysis of Entity Wide Expenditures

Total Expenses for Fiscal Year 2011 were \$8,037,602 as compared to the \$7,916,858 of total expenses for Fiscal Year 2010. This represents an increase of \$120,744, or 1.5%.

Administrative expenditures decreased by \$18,792. The decrease was due to decreases in benefits from the prior year.

Maintenance expenditures increased by \$99,477. The increase in maintenance was due to an increase materials and contracts related to Capital Fund activities.

General expenditures increased by \$16,169. The increase was due to increase in compensated absences expenses.

Housing Assistance Payments increased by \$20,233. Housing Assistance Payments increased because the Authority is expending excess HAP funding received from HUD in the prior fiscal years.

The table below illustrates our analysis:

	<u>2011</u>	<u>2010</u>	<u>net Change</u>	<u>Percentage Change</u>

Net Fixed Assets	4,594,983	4,320,906	274,077	6%

The Authority's work in process increased by a net amount of \$304,713. The Authority transferred completed improvements and equipment to other Capital Asset line items and the Authority had current year work in process expenditures of \$556,517. Current year construction in process included \$471,744 related to the construction of new units funded by State of Indiana grants.

Accumulated Depreciation increased because of current year depreciation expense.

Special Conditions and Economic Factors

Management is not aware of any facts, decisions, or conditions that would have a significant effect on the future operation of the Authority.

Note 1 - Summary of Significant Accounting Policies

(a) Organization and Reporting Entity -

The Housing Authority of the City of Anderson was established by the City of Anderson pursuant to the laws of the State of Indiana, to transact business and to have powers as defined therein. The Housing Authority was established to provide low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other applicable Federal Agencies.

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) had direct responsibility for administering low-rent housing programs in the United States. Accordingly, HUD has entered into a contract with the Authority for the purpose of assisting in financing the acquisition, construction and leasing of housing units and to make annual contributions (subsidies) to the program for the purpose of maintaining its low-rent character.

In evaluating the Authority as a reporting entity, management has addressed its relationship with the City of Anderson and concluded that the City does not maintain an oversight responsibility for the Authority's operations. An independent Board of Commissioners, appointed by the Mayor, is responsible for the activities of the Authority. The Authority recruits and employs its executive staff and has substantial legal authority to control its affairs without requiring approval of the City government. Debt incurred by the Authority is not an obligation of the City; the City does not review or approve the Authority's budget, is not entitled to any surplus funds generated by the Authority's operations and is not responsible for any deficits incurred by the Authority.

The Authority is governed by a Board of Commissioners appointed by the office of the Mayor, and has governance responsibilities over all activities related to all housing activities within the City. The Board of Commissioners has decision making authority and the power to designate management. The members do not serve at the discretion of the Mayor, i.e. they can only be removed for cause. The Authority's Board elects its own chairperson.

Consequently, in accordance with evaluating the criteria set forth in Section 2100 and 2600 of the Governmental Accounting Standards Board Codification, management has concluded that the Housing Authority of the City of Anderson is a separate reporting entity. All funds and programs of the Housing Authority are included in these statements.

The Housing Authority has one component unit. Anderson Housing, Inc. (AHI) was formed in 1995 for the purpose of providing affordable housing to low income individuals. During 1997, AHI began operating a homeless shelter, primarily to aid families whose homes have been destroyed by fire. A second shelter was added in 2000.

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED MARCH 31, 2011
(CONTINUED)**

Note 1 - Summary of Significant Accounting Policies

(b) Method of Accounting -

The financial statements of the Housing Authority have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

The Housing Authority applies all relevant Governmental Accounting Standards Board (GASB) pronouncements. The funds apply Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, unless those pronouncements conflict or contradict GASB pronouncements, in which case, GASB prevails.

(c) Financial Statement Presentation

Although a formal policy has not been adopted, in financial statement preparation the Authority distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the Authority's principal ongoing operations. Principal operating revenues are tenant rents and HUD grants. Operating expenses include administration, maintenance, insurance, depreciation, utilities, housing assistance payments and other general expenses. All revenues and expenses not meeting these definitions are reported as non-operating revenues and expenses.

(d) Funds -

Each of the programs of the Housing Authority are organized on a basis of fund accounting, using a separate set of self balancing accounts as prescribed by HUD. The programs of the Housing Authority are:

- * Low Rent Public Housing
- * Housing Choice Vouchers
- * Component Unit - (Homeless Shelters) - Anderson Housing, Inc.
- * Business Activities
- * Capital Fund Program
- * A.R.R.A. - Formula Capital Fund Stimulus Grant

These programs are all accounted for within the 'Proprietary' (enterprise) fund as described below:

Proprietary Fund Types:

Proprietary funds use the economic resources measurement focus and utilize the accrual basis of accounting. All assets and liabilities associated with a proprietary fund's activities are included on the fund statement. Proprietary fund equity is segregated into Invested in Capital Assets Net of Related Debt, Restricted Net Assets and Unrestricted Net Assets.

Note 1 - Summary of Significant Accounting Policies

(e) Cash and Cash Equivalents -

For purposes of the statement of cash flows, the practice of the Housing Authority is to consider all highly liquid investments to be cash equivalents. The term "highly liquid" refers to investments with a maturity of one (1) month or less when purchased to be cash equivalents.

(f) Accounts Receivable -

The tenants accounts receivable discloses the gross amount due from the tenants at March 31, 2011, and does not take into consideration prepaid amounts. The Housing Authority provides for an allowance for doubtful accounts, based on the estimated collections of current accounts receivables. The Housing Authority periodically writes off uncollectible accounts receivable to the allowance account based on a review of the current status of existing receivables and the determination that the receivable will not be collected.

(g) Inventories and Materials

Inventories and materials are stated at cost which approximates market determined on average cost.

(h) Investments -

Investments are stated at cost which approximates market.

(i) Fixed Assets -

For the purpose of determining, distinguishing and recording materials and non-expendable equipment and personal property purchased or acquired in connection with development, management, and maintenance of public housing developments owned or operated, the Housing Authority follows the following capitalization policy:

If the initial cost of a piece of equipment and/or other personal property is five hundred dollars (\$500) or more and the anticipated life or useful life of said equipment or property is more than one (1) year, the same shall be capitalized and recorded as non-expendable equipment and charged as a capital expenditure.

Note 1 - Summary of Significant Accounting Policies

(i) Fixed Assets - Continued

Land, buildings and equipment contains the following:

- 1) The total development construction costs incurred for each project at the end of the initial operating period,
- 2) nonexpendable equipment, and
- 3) property betterments and additions
- 4) land acquisitions.

These are recorded at cost. Depreciation of property and equipment is provided using the straight line method for financial reporting purposes at rates based on the following estimates:

Buildings	15 - 40 years
Equipment	3 - 15 years

(j) Net Assets -

GASB Statement 34 requires the classification of net assets into three components as defined below:

- 1) Invested in capital assets, net of related debt - this component of net assets consists of capital assets, net of accumulated depreciation, costs to be recovered from future revenues and unamortized debt expense reduced by outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- 2) Restricted - this component of net assets consist of constraints placed on net assets use through external constraints imposed by creditors, contributors or laws and regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- 3) Unrestricted - this component of net assets consists of net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

(k) Income Tax -

The Authority, organized as a non-profit corporation subsidized by the Federal government, is exempt from Federal and State income taxes.

Note 1 - Summary of Significant Accounting Policies

(l) Annual Contributions/Subsidies and Other Grants

Annual contributions and subsidies received from the Department of HUD are recorded as grant revenues.

Other grants (such as CFP grants) are recognized when program expenditures are incurred. Such revenue is subject to review by the Department of Housing and Urban Development and may result in disallowance in subsequent periods.

(m) The Housing Authority adopts a budget annually. The budget is presented to the Board of Commissioners for approval.

(n) The preparation of financial statements in conformity with generally accepted accounting principles require the Housing Authority to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(o) Leasing activities (as lessor) - the Authority is the lessor of dwelling units mainly to low income and/or elderly and disabled residents. The rents under the lease are determined generally by the resident's income as adjusted by eligible deductions regulated by HUD, although the resident may elect for a flat rent option. Leases may be cancelled by the lessee at any time. The Authority may cancel the lease only for cause.

(p) Rental income is recognized as rents become due.

(q) At any time during the year and at year end, there are construction projects in process. These projects include modernizing rental units. The projects are funded by HUD and funds are requested periodically as costs are incurred.

Note 2 - Cash and Investments

Statutes authorize the Housing Authority to invest in certificates of deposit, money market funds, United States government securities and repurchase agreements fully collateralized by United States government securities.

All cash and investments are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC) or other equivalent insurance company of the depository financial institutions. The deposits exceeding the insured or registered limits are public funds covered by the State of Indiana Public Deposit Fund.

Custodial Credit Risk

- a. Deposits - Custodial credit risk is the risk that in the event of a financial institution failure, the Authority's deposits may not be returned to or that the Authority will not be able to recover collateral securities in the possession of an outside party.
- b. Investments - Custodial credit risk is the risk that in the event of the failure of the depository, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of the outside party.

Credit Risk Investments, Concentration of Credit Risk and Interest Rate Risks - Investments

Credit Risk is the risk that an issuer or other counter party to an investment will not fulfill its obligations. The Housing Authority has no investment policy that limits its investment choices other than the limitation of state law and/or the Department of Urban Development regulations.

Concentrations of Credit Risk is the risk of loss attributed to the amount of the investment in a single issuer. The Authority does not have a formal investment policy covering the concentration of credit risk.

Investment Rate Risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Housing Authority has no formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

The cash deposits held at financial institutions can be categorized according to three levels of risk. These three levels of risk are as follows:

- Category 1 - Deposits which are insured or collateralized with securities held by the Housing Authority or by its agent in the Housing Authority's name.
- Category 2 - Deposits which are collateralized with securities held by the pledging financial institution's trust department or agent in the Housing Authority's name.
- Category 3 - Deposits which are not collateralized or insured.

Similar to cash deposits, investments held at financial institutions can be categorized according to three levels of risk. These three levels of risk are:

- Category 1 - Investments that are insured, registered or collateralized with securities held by the Housing Authority or by its agent in the Housing Authority's name.
- Category 2 - Investments which are uninsured and unregistered held by the counter-party's trust department or agent in the Housing Authority's name.
- Category 3 - Uninsured or unregistered investments held by the counter-party, its trust or its agent, but not in the Housing Authority's name.

Based on the three levels of risk, all of the Housing Authority's investments are classified as Category 1.

Sick Time

Full-time employees shall accrue sick time days at a rate of one and one-quarter (1.25) days per month worked commencing with the month following of employment. Part-time employees shall accrued sick time on a pro-rated basis (based on percentage of normal week, which the employees work). Temporary employees shall not accrue sick time.

Earned sick leave time may be accumulated and carried from year to year. An employee may accumulate up to, but not exceed, one hundred and eighty (180) days.

Newly hired employees shall begin accumulating sick leave time commencing with the month following their first full month of employment.

An employee whose sick time exceeds the maximum accumulation may convert the excess sick time to vacation time at a rate of two sick days for one vacation day. To convert sick time, the employee must submit a written request to the Executive Director or designee. Sick time converted to vacation must be used within the next calendar year.

Upon termination of employment, the employee shall be paid for one-half (1/2) of their accumulated sick time not to exceed a maximum of (90) days. Sick leave shall be calculated on the employee's current rate of pay.

An employee "terminated for cause" will not be eligible to received payment of sick leave time accumulated.

Personal Days

Employees shall receive four (4) personal days per year. This is subject to change relative to the Anderson Housing Authority's Board of Commissioners yearly review.

Note 15 - Allocation of Costs

The PHA allocated expenses not attributable to a specific program to all programs under management. The basis for this allocation was the number of units in each program. Management considers this to be an equitable method of allocation.

Note 16 - Contingencies

Federal Grants

In the normal course of operations, the Housing Authority receives grant funds from the Department of Housing and Urban Development. The programs are subject to audit by agents of HUD, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as a result of these audits is not believed to be material.

**Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

Board of Commissioners
Housing Authority of the City of Anderson
Anderson, Indiana

I have audited the financial statements of Housing Authority of the City of Anderson as of and for the year ended March 31, 2011, and have issued my report thereon dated November 4, 2011. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Housing Authority of the City of Anderson's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Anderson's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of Housing Authority of the City of Anderson's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Housing Authority of the City of Anderson's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

I noted certain matters that I reported to management of Housing Authority of the City of Anderson in a separate letter dated November 4, 2011.

This report is intended solely for the information and use of management, Board of Commissioners, others within the entity, and Housing and Urban Development and is not intended to be and should not be used by anyone other than these specified parties.

**Independent Auditor's Report on Compliance With Requirements That Could Have a
Direct and Material Effect on Each Major Program and on Internal Control Over
Compliance in Accordance With OMB Circular A-133**

Board of Commissioners
Housing Authority of the City of Anderson
Anderson, Indiana

Compliance

I have audited Housing Authority of the City of Anderson's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Housing Authority of the City of Anderson's major federal programs for the year ended March 31, 2011. Housing Authority of the City of Anderson's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Housing Authority of the City of Anderson's management. My responsibility is to express an opinion on Housing Authority of the City of Anderson's compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Housing Authority of the City of Anderson's compliance with those requirement and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination of Housing Authority of the City of Anderson's compliance with those requirements.

In my opinion, Housing Authority of the City of Anderson complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2011. The results of my auditing procedures disclosed no instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133.

Internal Control Over Compliance

Management of Housing Authority of the City of Anderson is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing my audit, I considered Housing Authority of the City of Anderson's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Housing Authority of the City of Anderson's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. I did not identify any deficiencies in internal control over compliance that I consider to be *material weaknesses*, as defined above.

This report is intended solely for the information and use of management, Board of Commissioners, others within the entity, Housing and Urban Development, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Board of Commissioners
Housing Authority of the City of Anderson
Anderson, Indiana

In planning and performing my audit of the financial statements of Housing Authority of the City of Anderson as of and for the year ended March 31, 2011, in accordance with auditing standards generally accepted in the United State of America, I considered the Housing Authority's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Anderson's internal control. Accordingly, I do not express an opinion on the effectiveness of Housing Authority of the City of Anderson's internal control.

The administration of the Housing Authority is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgements by the administration are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use of disposition and that transactions are executed in accordance with authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

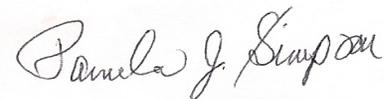

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. However, my study and evaluation disclosed certain conditions in the following areas of which you should be aware in order to improve operating efficiencies and strengthen internal controls:

1. Sound accounting practices require that the Housing Authority adopt a policy regarding the classification of cash and cash equivalents vs. investments. Generally accepted accounting procedures allow investments with a maturity date of six months or less at the time of purchase to be classified as cash equivalents (as opposed to investments) in your financial statements. The housing authority has not adopted a formal policy at this time, therefore, I recommend that the agency adopt a policy that coincides with their current practice.
2. During the preparation of financial statements, the housing authority has designated certain revenues and certain expenditures as 'operating' revenues or 'operating' expenditures and other accounts are designated as 'non operating'. I suggest that the Housing Authority adopt a formal policy that coincides with the current practice.

3. During our review of insurance coverage, it was noted that none of the insurance premiums had been allocated to the Section 8 Housing Choice Voucher Program. The PHA should allocate a portion of applicable insurance expenses to the Section 8 program (for example: worker's compensation or auto coverage).
4. While reviewing the Housing Authority's chart of accounts, it came to my attention that the authority has not expanded their chart of accounts to reflect HUD's suggested Chart of Accounts (per HUD handbook 7510.1 and changes identified in the GAAP Conversion Guide to the Financial Data Schedule Cross Walk Guide). The Financial Data Schedule (FDS) was created to standardize the financial information reported by Public Housing Authorities (PHAs) to the Department of Housing and Urban Development (HUD) Real Estate Assessment Center (REAC). REAC currently requires PHAs to report their accounting information using Generally Accepted Accounting Principles (GAAP). REAC uses the FDS to analyze PHA financial data in conjunction with other performance measurements, to help ensure the success of PHA programs. The most recent Cross Walk Guide, the handbook and the Conversion Guide can be easily accessed on line and will describe a complete definition of each line/account required.
5. During my review, it was noted that PHA needs to start computing and report compensated absence expense on the FDS per FDS Crosswalk guide. PHA also need to make sure computation for compensated absence liabilities are made in accordance with PHA personnel policy and its amendments.
6. It was noted that the Housing Authority does not have a current formal policy for the review and write off of old outstanding checks. The Authority should adopt a policy that should indicate procedure for review, approval and frequency of that review and subsequent write off.
7. HUD regulations require the Housing Authority to obtain a fully executed form HUD 51999. During my review of current depositories, I noted that the housing authority did not have a current executed form from at least one financial institution holding agency funds. I recommend that the Authority execute new depository agreements with all new financial institutions and for any that have undergone ownership or name changes.

This communication is intended solely for the information and used of management, the Board of Commissioners, and others within the housing authority, and is not intended to be and should not be used by anyone other than these specified parties. Please feel free to contact me if you have any questions.
