INDEPENDENT AUDITOR'S REPORT

TO: THE OFFICIALS OF THE CENTRAL NOBLE COMMUNITY  
SCHOOL CORPORATION, NOBLE COUNTY, INDIANA

We have audited the accompanying financial statement of the Central Noble Community School Corporation (School Corporation), for the period of July 1, 2010 to June 30, 2012. This financial statement is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the School Corporation prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material. The basis of accounting noted above is a different basis than that used in the prior period.

In our opinion, because of the matter discussed in the preceding paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position and results of operations of the School Corporation for the period of July 1, 2010 to June 30, 2012.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and results of operations of the School Corporation for the period of July 1, 2010 to June 30, 2012, on the basis of accounting described in Note 1.

INDEPENDENT AUDITOR'S REPORT  
(Continued)

In accordance with Government Auditing Standards, we have also issued a report dated February 13, 2013, on our consideration of the School Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other reports used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances – Regulatory Basis, Schedule of Long-Term Debt, and Schedule of Capital Assets, as listed in the Table of Contents, are presented for additional analysis and are not required parts of the financial statement. They have not been subjected to the auditing procedures applied by us in the audit of the financial statement and, accordingly, we express no opinion on them.

The School Corporation's response to the Audit Results and Comments identified in our audit is described in the accompanying section of the report entitled Official Response. We did not audit the School Corporation's response and, accordingly, we express no opinion on it.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

TO: THE OFFICIALS OF THE CENTRAL NOBLE COMMUNITY  
SCHOOL CORPORATION, NOBLE COUNTY, INDIANA

We have audited the financial statement of the Central Noble Community School Corporation (School Corporation), for the period of July 1, 2010 to June 30, 2012, and have issued our report thereon dated February 13, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the School Corporation is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the School Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS  
(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School Corporation's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

The School Corporation's response to the findings identified in our audit is described in the accompanying Official Response. We did not audit the School Corporation's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the School Corporation's management, School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

CENTRAL NOBLE COMMUNITY SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENT

**Note 1. Summary of Significant Accounting Policies**

*A. Reporting Entity*

School Corporation, as used herein, shall include, but is not limited to, school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The accompanying financial statement presents the financial information for the School Corporation.

*B. Basis of Accounting*

The financial statement is reported on a regulatory basis of accounting prescribed by the State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Receipts are recorded when received and disbursements are recorded when paid.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

*C. Cash and Investments*

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

*D. Receipts*

Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Local sources which include taxes, revenue from local governmental units other than school corporations, transfer tuition, transportation fees, investment income, food services, school corporation activities, revenue from community services activities, and other revenue from local sources.

Intermediate sources which include distributions from the County for fees collected for or on behalf of the School Corporation including educational license plate fees, congressional interest, riverboat distributions, and other similar fees.

State sources include distributions from the State of Indiana and are to be used by the School Corporation for various purposes. Included in state sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

*G. Fund Accounting*

Separate funds are established, maintained, and reported by the School Corporation. Each fund is used to account for money received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the School Corporation. The money accounted for in a specific fund may only be available for use for certain, legally restricted purposes. Additionally, some funds are used to account for assets held by the School Corporation in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units and therefore the funds cannot be used for any expenditures of the unit itself.

**Note 2. Budgets**

The operating budget is initially prepared and approved at the local level. The fiscal officer of the School Corporation submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied or highway use taxes are received is subject to final approval by the Indiana Department of Local Government Finance.

**Note 3. Property Taxes**

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the School Corporation in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

**Note 4. Deposits and Investments**

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana at year end should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the School Corporation to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

**Note 5. Risk Management**

The School Corporation may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

CENTRAL NOBLE COMMUNITY SCHOOL CORPORATION  
NOTES TO FINANCIAL STATEMENT  
(Continued)

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third party. The establishment of a self-insurance fund allows the School Corporation to set aside money for claim settlements. The self-insurance fund would be included in the financial statement. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks.

**Note 6. Pension Plans**

*A. Public Employees' Retirement Fund*

*Plan Description*

The Indiana Public Employees' Retirement Fund (PERF) is a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and give the School Corporation authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

INPRS administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The School Corporation may elect to make the contributions on behalf of the member.

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the TRF plan as a whole and for its participants. That report may be obtained by contacting:

*Funding Policy and Annual Pension Cost*

The School Corporation contributes the employer's share to TRF for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995, is considered to be an obligation of, and is paid by, the State of Indiana.

AUDIT RESULTS AND COMMENTS

**OVERDRAWN FUND BALANCES**

The fund balances of the following funds were overdrawn:

| Fund                   | 2011       | 2012      |
|------------------------|------------|-----------|
| School Bus Replacement | \$ (5,701) | \$ -      |
| Textbook Rental        | (99,271)   | (187,833) |
| Payroll Withholdings   | (5,710)    | -         |

The fund balance of any fund may not be reduced below zero. Routinely overdrawn funds could be an indicator of serious financial problems which should be investigated by the governmental unit. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

**SUPERINTENDENT COMPENSATION**

The Superintendent's signed approved contract was \$88,576.20. His actual salary was paid from an unsigned contract in the amount of \$89,739.46, resulting in the superintendent being overpaid \$1,163.26 for his 2010-2011 board approved contract.

On February 19, 2013, the Central Noble Community School Corporation Board of Trustees approved and retroactively signed the Superintendent's amended contract from August 2, 2010 through June 30, 2011, as amended in October of 2010.

The Superintendent attended a Midwest Regional Meeting of the American Association of School Administrators (AASA) on July 7, 2011. The meeting was held during normal work hours. The ASSA paid a \$300 honorarium for each superintendent that participated. The \$300 check was deposited into the school corporation funds and paid to the superintendent on August 23, 2011.

We recommended the School Corporation request Superintendent, Dr. Christopher Daughtry, to repay the School Corporation the \$300 he received as an honorarium.

All compensation and benefits paid to officials and employees must be included in the labor contract, salary ordinance, resolution, or salary schedule adopted by the governing body unless otherwise authorized by statute. Compensation should be made in a manner that will facilitate compliance with state and federal reporting requirements. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations Chapter 9)

Official Attorney General Opinion 89-5, issued February 24, 1989, provides the following conclusion: "Indiana school corporation are not currently authorized by statute to pay certified and noncertified employees "appreciation stipends," "bonuses," or other compensation, regardless of the nomenclature used, in addition to compensation or benefits agreed to or fixed by contract or salary schedule, except additional salaries to be paid for continuing education pursuant to Indiana Code Chapter 20-6.1-1 and the annual stipend to be paid to mentors by the State pursuant to Indiana Code Chapter 20-6.1-8. However, please see "The School Administrator and Uniform Compliance Guidelines" Volume 184 and IC 20-26-3-1 et seq. concerning School Corporation Home Rule. AUDIT RESULTS AND COMMENTS

***SCHOOL EQUIPMENT***

The Superintendent and IT Director went to state conferences paid for by the School Corporation in November 2010, 2011, and 2012 and each received equipment incentives of an Android Mobile Device, a Lenovo Tablet, and a Kindle Fire. These items were not included on the School Corporation's equipment inventory list.

These items should be included on the School Corporation's equipment inventory list and accounted for properly.

Any compensation, premium, bonus, or product earned as a result of the purchase of goods or services by the governmental unit becomes the property of the governmental unit. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***SERVICE AND TIME RECORDS***

Service and time records were not presented for audit for the school nurse staff.

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***REIMBURSEMENT FOR EMPLOYMENT EXPENSE***

During the audit, there were two School Board members who were reimbursed \$31.75 each for a criminal history check which is a condition of employment. The School Board policy stated that support staff such as substitutes shall pay these costs but the policy did not state whether the professional and administrative staff shall bear the cost. No other employees were reimbursed for these criminal history checks.

The School Board should make this clear in their policy and employees should be treated consistently.

Each governmental unit is responsible for complying with the ordinances, resolutions, and policies it adopts. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

All compensation and benefits paid to officials and employees must be included in the labor contract, salary ordinance, resolution, or salary schedule adopted by the governing body unless otherwise authorized by statute. Compensation should be made in a manner that will facilitate compliance with state and federal reporting requirements. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***DOCUMENTATION OF GIFT CARDS***

The School Corporation paid \$175 for gift cards for student incentive awards out of a private grant fund in school year 2010-2011. Documentation was not provided to determine who received the gift cards.

AUDIT RESULTS AND COMMENTS  
(Continued)

Supporting documentation such as receipts, canceled checks, tickets, invoices, bills, contracts, and other public records must be available for audit to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***RECONCILEMENT OF DETAIL TO CONTROL***

We noted during our review of Supplemental Nutrition Assistance Program (SNAP) Customer List with Account Balances Report, the SNAP report cash balance did not agree with the School Corporation's financial ledger. The SNAP report showed (\$7,724.91) and the Fund Report was \$51,582.45. The differences appear to be the result of computer posting and encoding errors. There was a similar comment in prior year's Report B38373.

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance should agree. If the reconciled bank balance is less than the subsidiary or control ledgers, then the responsible official or employee may be held personally responsible for the amount needed to balance the fund. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

***INDICATION OF PAYMENT COLLECTION DATE (Applies to Albion Elementary and Central Noble High School)***

Textbook rental receipts did not indicate the payment collection date for the fiscal years 2011 and 2012. As a result, deposits could not be review for timeliness. A similar comment was in Report B38373.

Indiana Code 20-41-1-9 states in part: "The receipts shall be deposited without reasonable delay."

Indiana Code 5-13-6-1(c) states in part: "Public funds deposited . . . shall be deposited in the same form in which they were received."

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 7)

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT  
COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON  
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

TO: THE OFFICIALS OF THE CENTRAL NOBLE COMMUNITY  
SCHOOL CORPORATION, NOBLE COUNTY, INDIANA

Compliance

We have audited the Central Noble Community School Corporation's (School Corporation) compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that could have a direct and material effect on each of its major federal programs for the period of July 1, 2010 to June 30, 2012. The School Corporation's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to its major federal programs are the responsibility of the School Corporation's management. Our responsibility is to express an opinion on the School Corporation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the School Corporation's compliance with those requirements.

In our opinion, the School Corporation complied, in all material respects, with the requirements referred to above that could have a direct and material effect on its major federal programs for the period of July 1, 2010 to June 30, 2012.

Internal Control Over Compliance

Management of the School Corporation is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the School Corporation's internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT  
COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON  
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133  
(Continued)

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The School Corporation's response to the findings identified in our audit is described in the accompanying Official Response. We did not audit the School Corporation's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the School Corporation's management, School Board, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

CENTRAL NOBLE COMMUNITY SCHOOL CORPORATION  
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

**Note 1. Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Central Noble Community School Corporation (School Corporation) and is presented in accordance with the cash and investment basis of accounting used in the preparation of the financial statement. Accordingly, the amount of federal awards expended is based on when the disbursement related to the award occurs except when the federal award is received on a reimbursement basis. In these instances the federal awards are considered expended when the reimbursement is received.

Circular A-133 requires an annual audit of nonfederal entities expending a total amount of federal awards equal to or in excess of \$500,000 in any fiscal year unless by constitution or statute a less frequent audit is required. In accordance with Indiana Code (IC 5-11-1 et seq.), audits of school corporations shall be conducted biennially. Such audits shall include both years within the biennial period.

**Note 2. Noncash Assistance**

The School Corporation expended the following amount of noncash assistance for the years ending June 30, 2011 and 2012. This noncash assistance is also included in the federal expenditures presented in the schedule.

CENTRAL NOBLE COMMUNITY SCHOOL CORPORATION  
EXIT CONFERENCE

The contents of this report were discussed on February 13, 2013, with Dr. Christopher Daughtry, Superintendent of Schools; Connie Sprague, Vice President of the School Board; John Fitzpatrick, Secretary of the School Board; Chris Brazel, member of the School Board; Stan Jacob, Business Manager; and Kimberly A. Schlotterback, Treasurer. The Official Response has been made a part of this report and may be found on page 44.

# CENTRAL NOBLE COMMUNITY SCHOOL CORPORATION

Chris Daughtry  
*Superintendent*

Stan Jacob  
*Business Manager*

State Board of Accounts,

This is written in response to the audit results of the audit of the Central Noble Community School Corporation. This response is written to the following exception:

*The Superintendent's signed approved contract was \$88,576.20. His actual salary was paid from an unsigned contract in the amount of \$89,739.46, resulting in the superintendent being overpaid \$1,163.26 for his 2010-2011 board approved contract.*

This error occurred when the Superintendent was hired after the July 1 start date. The number of days left in the contract year had not been calculated correctly on the first contract. A recalculation was done by the Superintendent, Business Manager, and Payroll Secretary to establish the correct number of contract days. That contract was printed and communication was held by the Business Manager with the Board President to approve that corrective action. However, through error of the administrative staff the amended contract was never signed by the school board.

Corrective action was taken by the board on this error. The Central Noble Community School Board took action on February 18, 2012 to correct that error by voting 5 - 0 to retroactively sign the amended contract from Aug. 2, 2010 - June 30, 2011 as amended in October of 2010:

*Superintendent's Amended Contract*  
*Mr. Fitzpatrick moved, seconded by Mrs. Sprague, to approve and retroactively sign the Superintendent's amended contract from August 2, 2010 - June 30, 2011 as amended in October of 2010. The motion passed 5-0.*

Sincerely,

Chris Daughtry
