Independent Auditor's Report

Board of Directors
Housing Authority of the City of Crawfordsville
Crawfordsville, Indiana

I have audited the accompanying financial statements of the Housing Authority of the City of Crawfordsville, as of and for the year ended June 30, 2011, as listed in the table of contents. These financial statements are the responsibility of the Housing Authority of the City of Crawfordsville's management. My responsibility is to express opinions on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Housing Authority of the City of Crawfordsville, as of June 30, 2011 and the respective changes in financial position and cash flows for the year end in conformity with accounting principles generally accepted in the United States of America.

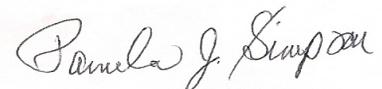

In accordance with *Government Auditing Standards*, I have also issued my report dated January 17, 2012 on my consideration of the Housing Authority of the City of Crawfordsville's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements with other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

Accounting principles generally accepted in the United State of America require that the management's discussion and analysis and budgetary comparison information on pages 3 through 8 and be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures on the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial systems. I do not express an opinion or provide any assurance on the information because the limited procedure do not provide me with sufficient evidence to express an opinion or provide any assurance.

My audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Housing Authority of the City of Crawfordsville's basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the U. S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements of the Housing Authority of the City of Crawfordsville. The accompanying financial data schedule and other additional statements and schedules listed as supplemental data in the table of contents has been subjected to the auditing procedures and certain other additional procedures in accordance with auditing standards generally accepted in the United States of America . In my opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Crawfordsville's basic financial statements. The introductory and statistical sections are presented for the purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and accordingly, I do not express an opinion or provide any assurance on it.

**MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
June 30, 2011**

This section of the Housing Authority of the City of Crawfordsville, Indiana (Authority) annual financial report presents our management's discussion and analysis of the Authority's financial performance during the fiscal year ended on June 30, 2011. This discussion and analysis is designed to assist the reader in focusing on the significant financial issues and activities and to identify any significant changes in financial position. Please read and consider the information presented in conjunction with the financial statements as a whole.

For accounting purposes, the Housing Authority is classified as an enterprise fund. Enterprise funds account for activities similar to those found in the private business sector, where the determination of net income is necessary or useful to sound financial administration. Enterprise funds are reported using the full accrual method of accounting in which all assets and all liabilities associated with the operation of these funds are included on the statement of net assets. The focus of enterprise funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

FINANCIAL HIGHLIGHTS

- The term "net assets" refers to the difference between assets and liabilities. The Authority's total net assets as of June 30, 2011 were \$414,989. The net assets decreased by \$108,181, a decrease of 20.7% from the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Required Financial Statements

The financial statements of the Housing Authority report information of the Authority using accounting methods similar to those used by private sector companies. These statements offer short- and long-term financial information about its activities. The Statement of Net Assets includes all the Authority's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations of the Authority creditors (liabilities). It also provides the basis for evaluating the capital structure of the Authority and assessing the liquidity and financial flexibility of the Authority.

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Fund Net Assets. This statement measures the success of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness.

The final required financial statement is the Statement of Cash Flows. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements and provide more detailed data.

Supplemental Information

This report also contains the Financial Data Schedule (FDS) as referenced in the section of *Supplemental Data*. HUD has established *Uniform Financial Reporting Standards* that require Housing Authority's to submit financial information electronically to HUD using the FDS format. This financial information was electronically transmitted to the Real Estate Assessment Center (REAC) for the year ended June 30, 2011 and is required to be included in the audit reporting package.

The decrease in net assets of \$108,181 was due to the reasons noted below.

**MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
June 30, 2011**

FINANCIAL ANALYSIS (CONTINUED)

- Restricted assets consist of cash and investments and decreased \$106,489 from FY 2010.
- Capital assets decreased \$5,724 because current year depreciation exceeded capital asset additions. Change in capital assets is explained in section titled "Capital Assets" of this analysis.
- Current liabilities increased \$14,420 mainly due to an \$11,580 increase in overpayments due to HUD and a \$1,934 increase in current portion of accrued compensated absences.
- Noncurrent liabilities increased \$854 due to a \$2,951 increase in FSS escrow payable. This increase was partially offset by a \$2,097 decrease in noncurrent portion of accrued compensated absences.

The unrestricted net assets were \$114,494 as of June 30, 2011. This amount may be used to meet the Authority's ongoing obligations. The Authority has sufficient funds to meet requirements for cash outlays for five months. The restricted net assets were \$158,560 as of June 30, 2011. This amount is subject to external restrictions on how they may be used. At the end of the current fiscal year, the Authority is able to report positive balances in all categories of net assets. The same situation held true for the prior fiscal year.

Note 1 - Summary of Significant Accounting Policies

(a) Organization and Reporting Entity -

The Housing Authority of the City of Crawfordsville was established by the City of Crawfordsville pursuant to the laws of the State of Indiana, to transact business and to have powers as defined therein. The Housing Authority was established to provide low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other applicable Federal Agencies.

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) had direct responsibility for administering low-rent housing programs in the United States. Accordingly, HUD has entered into a contract with the Authority for the purpose of assisting in financing the acquisition, construction and leasing of housing units and to make annual contributions (subsidies) to the program for the purpose of maintaining its low-rent character.

In evaluating the Authority as a reporting entity, management has addressed its relationship with the City of Crawfordsville and concluded that the City does not maintain an oversight responsibility for the Authority's operations. An independent Board of Commissioners, appointed by the Mayor, is responsible for the activities of the Authority. The Authority recruits and employs its executive staff and has substantial legal authority to control its affairs without requiring approval of the City government. Debt incurred by the Authority is not an obligation of the City; the City does not review or approve the Authority's budget, is not entitled to any surplus funds generated by the Authority's operations and is not responsible for any deficits incurred by the Authority.

The Authority is governed by a Board of Commissioners appointed by the office of the Mayor, and has governance responsibilities over all activities related to all housing activities within the City. The Board of Commissioners has decision making authority and the power to designate management. The members do not serve at the discretion of the Mayor, i.e. they can only be removed for cause. The Authority's Board elects its own chairperson.

Consequently, in accordance with evaluating the criteria set forth in Section 2100 and 2600 of the Governmental Accounting Standards Board Codification, management has concluded that the Housing Authority of the City of Crawfordsville is a separate reporting entity. All funds and programs of the Housing Authority are included in these statements. The Housing Authority has no component units.

(b) Method of Accounting -

The financial statements of the Housing Authority have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

The Housing Authority applies all relevant Governmental Accounting Standards Board (GASB) pronouncements. The funds apply Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, unless those pronouncements conflict or contradict GASB pronouncements, in which case, GASB prevails.

(CONTINUED)**

Note 1 - Summary of Significant Accounting Policies

(c) Financial Statement Presentation

Although a formal policy has not been adopted, in financial statement preparation the Authority distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the Authority's principal ongoing operations. Principal operating revenues are tenant rents and HUD grants. Operating expenses include administration, maintenance, insurance, depreciation, utilities, housing assistance payments and other general expenses. All revenues and expenses not meeting these definitions are reported as non-operating revenues and expenses.

(d) Funds -

Each of the programs of the Housing Authority are organized on a basis of fund accounting, using a separate set of self balancing accounts as prescribed by HUD. The programs of the Housing Authority are:

- * Housing Choice Vouchers
- * Business Activities
- * Supportive Housing for Persons with Disabilities

These programs are all accounted for within the 'Proprietary' (enterprise) fund as described below:

Proprietary Fund Types:

Proprietary funds use the economic resources measurement focus and utilize the accrual basis of accounting. All assets and liabilities associated with a proprietary fund's activities are included on the fund statement. Proprietary fund equity is segregated into Invested in Capital Assets Net of Related Debt, Restricted Net Assets and Unrestricted Net Assets.

(e) Cash and Cash Equivalents -

Note 12 - Administrative Fee

The PHA receives an "Administrative Fee" as part of the annual contribution from HUD to cover the costs (including overhead) of administering the HAP Program. The fee is variable as determined by HUD based on prior period usage of vouchers.

Note 13 - Allocation of Costs

The PHA allocated expenses not attributable to a specific program to all programs under management. The basis for this allocation was the number of units in each program. Management considers this to be an equitable method of allocation.

Note 14 - Contingencies

Federal Grants

In the normal course of operations, the Housing Authority receives grant funds from the Department of Housing and Urban Development. The programs are subject to audit by agents of HUD, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as a result of these audits is not believed to be material.

Note 15 - Risk Management

The Housing Authority carries commercial insurance coverage to cover exposure and the risk of losses related to torts, thefts, damages, destruction of assets, errors and omissions, injuries, natural disasters and defalcation.

For insured programs there has been no significant reduction in insurance coverage. Settled claims have not exceeded insurance coverage in the current or past three years.

Note 16 - Economic Dependency

The Housing Authority received most of its revenue (99%) from the United State Department of Housing and Urban Development. This funding is subject to federal government appropriations and potential funding reductions.

**Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

Board of Commissioners
Housing Authority of the City of Crawfordsville
Crawfordsville, Indiana

I have audited the financial statements of Housing Authority of the City of Crawfordsville as of and for the year ended June 30, 2011, and have issued my report thereon dated January 17, 2012. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Housing Authority of the City of Crawfordsville's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Crawfordsville's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of Housing Authority of the City of Crawfordsville's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Housing Authority of the City of Crawfordsville's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

I noted certain matters that I reported to management of Housing Authority of the City of Crawfordsville in a separate letter dated January 17, 2012.

This report is intended solely for the information and use of management, Board of Commissioners, others within the entity, and Housing and Urban Development and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report on Compliance With Requirements That Could Have a Direct and Material Effect on Each Major Program and on Internal Control Over Compliance in Accordance With OMB Circular A-133

Board of Commissioners
Housing Authority of the City of Crawfordsville
Crawfordsville, Indiana

Compliance

I have audited Housing Authority of the City of Crawfordsville's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Housing Authority of the City of Crawfordsville's major federal programs for the year ended June 30, 2011. Housing Authority of the City of Crawfordsville's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Housing Authority of the City of Crawfordsville's management. My responsibility is to express an opinion on Housing Authority of the City of Crawfordsville's compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Housing Authority of the City of Crawfordsville's compliance with those requirement and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination of Housing Authority of the City of Crawfordsville's compliance with those requirements.

As described in item (2011-1) in the accompanying schedule of findings and questioned costs, Housing Authority of the City of Crawfordsville did not comply with requirements regarding adequate documentation of liability and calculation of assistance payments that are applicable to its Housing Choice Voucher Program. Compliance with such requirements is necessary, in my opinion, for Housing Authority of the City of Crawfordsville to comply with the requirements applicable to that program.

In my opinion, except for the noncompliance described in the preceding paragraph, Housing Authority of the City of Crawfordsville complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011.

Internal Control Over Compliance

Management of Housing Authority of the City of Crawfordsville is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing my audit, I considered Housing Authority of the City of Crawfordsville's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Housing Authority of the City of Crawfordsville's internal control over compliance.

My consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, I identified certain deficiencies in internal control over compliance that I consider to be material weaknesses and other deficiencies that I consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. I consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as item (2011-1) to be material weaknesses.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. I consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as item (2011-1) to be significant deficiencies.

Housing Authority of the City of Crawfordsville's responses to the findings identified in my audit are described in the accompanying schedule of findings and questioned costs. I did not audit Housing Authority of the City of Crawfordsville's responses and, accordingly, I express no opinion on the responses.

This report is intended solely for the information and use of management, Board of Commissioners, others within the entity, Housing and Urban Development, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

CURRENT FINDINGS AND RECOMMENDATIONS

Section II - Financial Statement Findings

There were no financial statement audit findings discussed with Patricia Perkins, Executive Director during the course of the audit and at an exit conference held January 17, 2012.

Section III - Federal Award Findings

There was one federal award audit findings discussed with Patricia Perkins, Executive Director during the course of the audit and at an exit conference held January 17, 2012.

Finding 2011-1: Incomplete Section 8 Participant Files

Condition and Criteria: HUD regulations require that all participant files contain adequate documentation to support a participant's eligibility and the accurate calculation of Housing Assistance Payments (HAP). During my current year test of participant eligibility (40 files examined) I noted incomplete documentation and incorrect calculations of HAP in fourteen (14) of those files. Additionally it was noted that many files examined did not contain properly completed Section 214 declarations, copies of birth certificates or copies of birth certificates for all household members as required by the Housing Authority's administrative plan.

Effect: It cannot be determined if the Section 8 participants were eligible and their HAP assistance was calculated in accordance with HUD regulations.

Cause: Adequate quality control procedures had not been implemented to assure that only eligible participants were provided Housing Assistance. The procedures in place did not provide adequate assurance that correct data was collected and used in accurate assistance payment calculations for each eligible participant

Auditor's Recommendation: I recommend that quality control procedures be reviewed and revised to ensure that all required documentation is maintained in each file to support eligibility. Procedures should be developed to ensure that all intake staff are familiar with the policies established in the Housing Authority's Section 8 Admin Plan and that they are trained in the proper procedures for applying those policies and HUD regulations.

Grantee Response: The Section 8 Department has undergone a staffing change. The Section 8 administrative plan will be reviewed by all staff. Additionally, it will be requested that the Board of Commissioners approve additional training for the current staff. The Housing Authority will review its current quality control procedures and more quality control checks of files will be completed by individuals not completing the participant intake paper work

Board of Commissioners
Housing Authority of the City of Crawfordsville
Crawfordsville, Indiana

In planning and performing my audit of the financial statements of Housing Authority of the City of Crawfordsville as of and for the year ended June 30, 2011, in accordance with auditing standards generally accepted in the United State of America, I considered the Housing Authorities internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Crawfordsville's internal control. Accordingly, I do not express an opinion on the effectiveness of Housing Authority of the City of Crawfordsville's internal control.

The administration of the Housing Authority is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgements by the administration are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use of disposition and that transactions are executed in accordance with authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

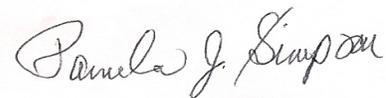

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. However, my study and evaluation disclosed certain conditions in the following areas of which you should be aware in order to improve operating efficiencies and strengthen internal controls:

1. During the review of internal controls, it was noted some sections needed updated: Surety Bond amounts, payroll distribution and journal entry procedures.
2. It was noted that the personnel policy, adopted in 1992, has become outdated and is not always being followed. For example, page 3 discusses the board consisting of 5 member (7 is correct) and the board being paid a fee (Indiana allows a stipend). The policy should be reviewed, revised and updated.

3. In September 2010, the interfund account was cleared off with the net offset being a transfer from the Voucher Program to Business Activities, but the Voucher Program has no Pre 2004 Admin reserves to make the transfer of \$4,061.83. Transfers and expenditures of this nature must be closely monitored for allowability.
4. For the SEMAP submission, the PHA should retain documentation that the sample selected include testing tenants properly pulled from waiting list and filing rent reasonableness forms when completed as part of their Quality Control sample.

This communication is intended solely for the information and used of management, the Board of Commissioners, and others within the housing authority, and is not intended to be and should not be used by anyone other than these specified parties. Please feel free to contact me if you have any questions.
