Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Charlestown Volunteer Fire Department, Inc. as of December 31, 2013 and 2012 and its support, revenue, and expenses for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Charlestown Volunteer Fire Department, Inc.
Notes to the Financial Statements
December 31, 2013 and 2012

Note 1-Nature of Activities and Significant Accounting Policies

Nature of Activities

Charlestown Volunteer Fire Department, Inc. (a non for profit Corporation) operates trained volunteers to fight fires, maintain fire fighting equipment, and otherwise provide fire protection and fire prevention services for Charlestown Township, a part of Oregon Township, and the City of Charlestown.

Basis of Presentation

The Organization maintains its accounts on the modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis, support and revenue are recognized when collected rather than when earned, and expenses are recognized when paid rather than when incurred. Consequently, accounts receivable from supporting agencies, accounts payable to vendors and suppliers, accrued income and expenses are not included in these financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For financial statement purpose, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalent.

Revenue

The Organization has an annual contract with the Charlestown-Oregon Township Fire Protection District of Clark County, Indiana. They are scheduled to receive funds twice a year from the District.

Contributions

Contributions received are recorded on cash basis, they are recorded when received and no allowance for doubtful accounts is used. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted.

Income Taxes

The Organization is a not-for-profit corporation that is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The Organization's forms 990, for the year ending 2011, 2012 and 2013 are subject to examination by the IRS.

Note 2-Cash

Temporary Restricted Cash

Equipment Depreciation fund is an interest bearing checking account held in reserve for emergency repairs or replacement of fire fighting equipment. The fire service contract requires the CVFD to deposit \$5,000 annually into this account. If the account falls below \$10,000 the Fire Department shall not make expenditures from the account without written approval of the District. Balance as of December 31, 2013 and 2012 is \$15,349 and \$17,697 respectively.

Unrestricted Cash

Consists of seven accounts, one main operating account is used for receipts and disbursements. Separate accounts are used for remodeling and building construction, insurance proceeds, EMS receipts and disbursements, clothing allowance, cadets and fund raising activities. The balance of unrestricted cash as of December 31, 2013 and 2012 is \$268,387 and \$249,149 respectively.

Charlestown Volunteer Fire Department, Inc.
Notes to the Financial Statements
December 31, 2013 and 2012

Note 3-Property Plant and Equipment

Property, plant and equipment are stated at cost. Depreciation is computed using the straight-line method for financial reporting purposes. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. Assets with a useful life of over one year are capitalized at cost. It is the Organization's policy to capitalize expenditures for those items in excess of \$500.

Note 5-Donated Services

No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. The lease will expire March 30, 2016. The future minimum lease under this lease is \$1.00 per year for a total of \$3.00 through the end on the lease. The Organization subleases a 2010 Crimson Fire Engine and a 2006 Ferrara Rescue Engine from the Charlestown – Oregon Townships Fire Protection District of Clark County, Indiana for the sum of \$1 per year per vehicle plus the Organization must provide maintenance and insurance for these vehicle. The lease is year to year.

Note 7-Fair Value of Financial Instruments

The fair value of the Organization's long term debt is estimated at \$380,198 and \$426,249 for 2013 and 2012, respectively based on the future cash flows associated with each note discounted using the Organization's current borrowing rate for similar debt.

Note 8-Concentration of Credit Risk and Economic Dependence
