TEXTBOOK RENTAL & SCHOOL LUNCH REIMBURSEMENT

We selected a sample of 15 students for the purpose of verifying the income eligibility for subsidized meals and textbook reimbursement. Within this sample we noted:

- Two applications could not be located.
- None of the applications contained evidence of the person responsible for the eligibility determination, nor was the determination section of the application completed.

Charter schools must provide accurate information to the Indiana Department of Education pertaining to the number of students that received free/reduced textbooks. If a variance occurs between the charter school records and the report provided the IDOE, then written communication must also request a determination if any increases or decreases in funding will result to the charter school because of the variance. (Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools, Part 8)

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed (Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools, Part 10)

ELIGIBILITY VERIFICATION

Eligibility verification was completed; however, the verification was not submitted timely to the Indiana Department of Education.

Charter schools are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings and filing requirements concerning reports and other procedural matters of federal and state agencies, including opinions of the Attorney General of the State of Indiana, and court decisions. Charter schools shall file accurate reports required by federal and state agencies. Noncompliance may require corrective action.
