Independent Auditor's Report

To the Board of Directors of Smith Academy For Excellence, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Smith Academy For Excellence, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Smith Academy For Excellence, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1. Summary of Significant Accounting Policies

Organization

Smith Academy For Excellence, Inc. (the "Academy") is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana. The Academy operates a public charter Academy established under Indiana Code 20-24 and is sponsored by Grace College. The Academy has entered into a service agreement with The Leona Group, LLC, a limited liability company organized in the State of Michigan, to provide educational programming, personnel functions, building operations, and business administration services.

Basis of Accounting

The financial statements of the Academy have been prepared on the accrual basis in accordance with generally accepted accounting principles as applied to nonprofit organizations.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Revenues primarily come from resources provided under the Indiana Charter Academy's Act. Under the Act, the Academy receives an amount per student in relation to the funding received by public Academy's in the same geographic area. Funding from the State of Indiana is based on enrollment, and is paid in equal monthly installments in July through June throughout the Academy year. Revenue is recognized in the year in which the educational services are rendered.

A portion of the Academy's revenue is the product of cost reimbursement grants. Accordingly, the Academy recognizes revenue under these grants in the amount of costs and expenses at the time they are incurred.

Notes to Financial Statements June 30, 2014 (continued)

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Academy considers its cash and cash equivalents to include cash on deposit, cash on hand, money market funds, and all highly liquid investments if purchased with a maturity of three months or less when acquired.

Grants Receivable

Grants receivable relate primarily to activities funded under federal grants and legislation enacted by the State of Indiana. The Academy believes that it is operating in compliance with regulatory requirements and as such no allowance for doubtful accounts is deemed necessary.

Income Taxes

Safe Academy For Excellence, Inc. has received a determination from the U.S. Treasury Department stating that it qualifies under the provisions of Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization; however, the Academy would be subject to tax on income unrelated to its tax-exempt purpose. For the year ended June 30, 2014, no accounting for federal and state income taxes was required to be included in the accompanying financial statements.

Professional standards require the Academy to recognize a tax liability only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax liability that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax liability is recorded. The Academy has examined this issue and has determined that there are no material contingent tax liabilities or questionable tax positions. The tax years ending June 30, 2012 & 2013 are open to audit for both federal and state purposes.

Property and Equipment

Purchases of property and equipment that have an initial individual cost of more than \$1,000, materially increase value, or extend useful lives are capitalized at cost. Routine maintenance and repairs and minor replacement costs are expensed as incurred.

Notes to Financial Statements June 30, 2014 (continued)

Depreciation is provided over the estimated useful lives of the assets using the straight-line method. The estimated useful lives of the assets are generally as follows:

Leasehold Improvements	4 years
Computers	3 years
Equipment & Furniture	6-7 years
School Buses	8 years

Depreciation expense was \$24,471 for the year ended June 30, 2014.

Basis of Presentation

The financial statement presentation follows the Not-for-Profit Entities topics of the Financial Accounting Standards Codification. The Academy is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted net assets, and permanently restricted net assets. For the year ended June 30, 2014, all net assets were unrestricted.

Subsequent Events

The Academy evaluated subsequent events through March 31, 2015, the date these financial statements were available to be issued. Events occurring through that date have been evaluated to determine whether a change in the financial statements or related disclosures would be required. See Note 7 for disclosure of subsequent event.

Note 2. Receivables

Receivables as of June 30, 2014 represent amounts due from the following sources:

Grants Receivable	
Title I	\$ 2,962
Title IIA	2,694
Child Nutrition	524
Charter School	
Grant (CSG)	 28,379
Total	\$ 34,559

Notes to Financial Statements June 30, 2014 (continued)

Note 3. Leases

The Academy leases its Academy facilities. In July 2013, the Academy executed a one-year lease with St. John Evangelical Lutheran Church, an Indiana nonprofit corporation. Under the lease, the Academy is responsible for its share of real estate taxes, maintenance, insurance, and utilities. Lease expense under this lease agreement was \$78,400 for the year ending June 30, 2014.

Note 4. Commitments

The Academy has executed a management agreement with The Leona Group, LLC ("Leona"), whereby Leona provides management, administrative, and educational programming services. This agreement remains in effect so long as the Academy maintains its charter, but may be terminated by either party with appropriate advance notice. Under terms of the agreement, the Academy has agreed to pay an amount equal to 8% of revenues, as defined, for such services. Aggregate payments to Leona under this agreement were \$48,103 for the year ended June 30, 2014.

The Academy operates under a charter granted by Grace College. As the sponsoring organization, Grace College exercises certain oversight responsibilities. Under this charter, the Academy has agreed to pay to Grace College an annual administrative fee equal to 3% of state tuition support. The charter remained in effect until June 30, 2014, and is renewable thereafter by mutual consent. Payments under this charter agreement were \$18,007 for the year ended June 30, 2014.

Note 5. Retirement Plan

The Academy participates in a Section 401(k) retirement plan sponsored by The Leona Group, LLC for the benefit of its employees. Under the plan, the Academy will match 100% of employee contributions not to exceed 6% of compensation for the plan year. Additional contributions may be made to the plan at the discretion of the board of directors. No discretionary contributions were made in 2014. The Academy had no retirement plan expense for the year ended June 30, 2014.

Notes to Financial Statements June 30, 2014 (continued)

Note 6. Risks and Uncertainties

The Academy provides educational instruction services to families residing in Allen and surrounding counties in Indiana, and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana and grants awarded under federal programs. Changes in state or federal legislation could significantly affect the Academy. Additionally, the Academy is subject to monitoring and audit by state and federal agencies. Those examinations may result in additional liability to be imposed on the Academy.

Financial instruments that potentially subject the Academy to concentrations of credit risk consist principally of receivables from the State of Indiana. At June 30, 2014, substantially all of the accounts receivable balance was due from the State of Indiana. In addition, deposits maintained at Charter One Bank did not exceed the FDIC insurance limit any time during the year.

Note 7. Subsequent Event

In July 2014, the Academy executed a one-year lease with St. John Evangelical Lutheran Church, an Indiana nonprofit corporation. Under the lease, the Academy is responsible for its share of real estate taxes, maintenance, insurance, and utilities. The obligation under this lease agreement is projected to be \$64,800 for the year ending June 30, 2015.

Note 8. Functional Expense Reporting

The costs of providing the educational activities have been summarized on a functional basis in the statement of activities. Accordingly, certain expenses have been allocated among the programs and services benefited. Following is a summary of expenses comprising each program and service for the year ended June 30, 2014.
