Board of Commissioners
Linton Housing Authority
1148 N. 1300 West
Linton, IN 47441

We have reviewed the audit report prepared by Pamela J. Simpson, CPA, Independent Public Accountant, for the period January 1, 2013 to December 31, 2013. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountant's opinion, the financial statements included in the report present fairly the financial condition of the Linton Housing Authority, as of December 31, 2013 and the results of its operations for the period then ended, on the basis of accounting described in the report.

We call your attention to the finding in the report on page 31 which outlines a significant deficiency in internal control over financial reporting and reporting and an immaterial instance of noncompliance with requirements that could have a direct and material effect on your major program of Housing Choice Voucher Program. To summarize, the prescribed chart of accounts is not being used for the Housing Choice Voucher Program and the housing authority did not implement the changes required by Government Accounting Standards Board (GASB) Statement 63.

The Independent Public Accountant's report is filed with this letter in our office as a matter of public record.

A handwritten signature in cursive script that reads "Paul D. Joyce".

Independent Auditor's Report

Board of Directors
Linton Housing Authority
Linton, Indiana

I have audited the accompanying financial statements of the Linton Housing Authority, as of and for the year ended December 31, 2013 and the related notes to the financial statements, which collectively comprise the Linton Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Linton Housing Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Linton Housing Authority's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Linton Housing Authority, as of December 31, 2013 and the changes in its net position and its cash flows for the year end in accordance with accounting principles generally accepted in the United States of America.

Report on Required Supplemental Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures on the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Report on Supplemental Information

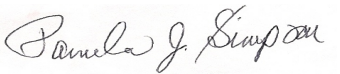

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Linton Housing Authority's financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Office of Management and Budget Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, and is not a required part of the financial statements. Further, the financial data schedules shown on pages 34 to 38 are presented for purposes of additional analysis as required by *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development, and are not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the above described supplemental information is fairly stated in all material respects in relation to the financial statements as a whole.

Report Issued in Accordance with *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated August 21, 2014 on my consideration of the Linton Housing Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. This report is an integral part of a *Government Auditing Standards* and should be considered in assessing the results of my audit.

**HOUSING AUTHORITY OF LINTON
REQUIRED SUPPLEMENTAL INFORMATION**

**MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)
DECEMBER 31, 2013**

The management of the Housing Authority of Linton presents the following discussion and analysis of the Housing Authority's financial activities for the fiscal year ending 12/31/2013. This represents an overview of financial information. Please read this discussion and analysis in conjunction with the Authority's audited financial statements, which follows.

FINANCIAL HIGHLIGHTS

- The Housing Authority's assets exceeded its liabilities by \$1,052,960 at the close of the fiscal year ended 12/31/13.

Of this amount, \$117,847 of unrestricted net position may be used to meet the Housing Authority's ongoing obligations to citizens and creditors. This amount, along with \$47,723 restricted for HAP payments, equals 56% of the total operating expenses for the fiscal year 2013, which means the Authority could operate about 6 months using the unrestricted and restricted assets alone.

The remainder of \$887,390 represents a restriction equal to the net amount invested in land, building, furnishings, leasehold improvements, equipment, and construction in progress.

- The Housing Authority's total net position decreased by \$47,394, a -4% change from the prior fiscal year 2012. This decrease is attributable generally to a decrease in grant funding.
- The Housing Authority continues to operate without the need for debt borrowing.

OVERVIEW OF THE FINANCIAL STATEMENTS

This MD&A is intended to serve as an introduction to the Housing Authority's basic financial statements. The Housing Authority is a special-purpose government engaged in business-type activities. Accordingly, only fund financial statements are presented as the basic financial statements, comprised of two components: (1) fund financial statements and (2) a series of notes to the financial statements. These provide information about the activities of the Housing Authority as a whole and present a longer-term view of the Housing Authority's finances. This report also contains other supplemental information. In addition to the basic financial statements themselves demonstrating how projects funded by HUD have been completed.

**HOUSING AUTHORITY OF LINTON
REQUIRED SUPPLEMENTAL INFORMATION**

**MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)
DECEMBER 31, 2013**

REPORTING ON THE HOUSING AUTHORITY AS A WHOLE

One of the most important questions asked about the Authority's finances is, "is the Housing Authority as a whole better off, or worse off, as a result of the achievements of fiscal year 2013?" The Statement of Fund Net Position and the Statement of Revenues, Expenses, and Changes in Fund Net Position report information about the Housing Authority as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

FUND FINANCIAL STATEMENTS

All of the funds of the Housing Authority are reported as proprietary funds. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Housing Authority, like other enterprises operated by state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. For reporting purposes all housing funds are reported in one housing enterprise fund.

The Housing Authority's financial statements report its net position and changes in them. One can think of the Housing Authority's net position – the difference between assets and liabilities – as one way to measure the Authority's financial health, or financial position. Over time, increases and decreases in the Authority's net other non-financial factors, however, such as the changes in the Authority's occupancy levels or its legal obligations to HUD, to assess the overall health of the Housing Authority.

USING THIS ANNUAL REPORT

The Housing Authority's annual report consists of financial statements that show combined information about the Housing Authority's most significant three funds, the Low Rent Housing Program, the Section 8 Voucher Program and Public Housing Capital Fund Program.

The Housing Authority's auditors provided assurance in their independent auditors' report, located immediately following the MD&A, that the basic financial statements are fairly stated. The auditors provide varying degrees of assurance regarding the other information included in this report. A user of this report should read the independent auditors' report carefully to determine the level of assurance provided for each of the other parts of the report.

**HOUSING AUTHORITY OF LINTON
REQUIRED SUPPLEMENTAL INFORMATION**

**MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)
DECEMBER 31, 2013**

REPORTING THE HOUSING AUTHORITY'S MOST SIGNIFICANT FUNDS

The Housing Authority's financial statements provide detailed information about the most significant funds. Some funds are required to be established by the Department of Housing and Urban Development (HUD). However, the Housing Authority establishes other funds to help it control and manage money for particular purposes, or to show that it is meeting legal responsibilities for using grants and other money.

The Housing Authority's enterprise funds use the following accounting approach or Proprietary funds: All of the Housing Authority's services are reported in enterprise funds. The focus of proprietary funds is on income measurement, which, together with the maintenance of net position, is an important financial indicator.

FINANCIAL ANALYSIS

The Housing Authority's net position was \$1,052,960 as of December 31, 2013. Of this amount, \$887,930 was invested in capital assets, \$47,723 was restricted for HAP payments, and the remaining \$117,847 was unrestricted.

**HOUSING AUTHORITY OF LINTON
REQUIRED SUPPLEMENTAL INFORMATION**

**MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)
DECEMBER 31, 2013**

Compared with the prior fiscal year, total tenant revenues increased \$2,174 or by 1.8%.

Compared with the prior fiscal year, total expenses decreased, by \$106,059 with the most significant cause(s) listed below

- Maintenance costs decreased by \$60,086
- HAP payments decreased by \$40,493.

These changes led to a decrease in total assets by \$44,389 and an increase in liabilities by \$2,296. With these changes, there is still almost \$8.06 of current assets covering each dollar of liability.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The Housing Authority is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by Federal budget than by local economic conditions. The capital budgets for December 2014 fiscal year have already been submitted to HUD for approval and no major changes are expected.

The Capital fund programs are multiple year budgets and have remained relatively stable. Capital Funds are used for the modernization of public housing properties including administrative fees involved in the modernization.

CONTACTING THE HOUSING AUTHORITY'S FINANCIAL MANAGEMENT

Our financial report is designed to provide our citizens, investors, and creditors with a general overview of the Housing Authority's finances, and to show the Housing Authority's accountability or the money it receives. If you have questions about this report, or wish to request additional financial information, contact J Ken Wright, Executive Director, Linton Housing Authority, 1148N 1300W, Linton, IN 47441.

**LINTON HOUSING AUTHORITY
LINTON, INDIANA**

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013**

Note 1 - Summary of Significant Accounting Policies

(a) Organization and Reporting Entity -

The Linton Housing Authority was established by the City pursuant to the laws of the State of Indiana, to transact business and to have powers as defined therein. The Housing Authority was established to provide low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other applicable Federal Agencies.

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) had direct responsibility for administering low-rent housing programs in the United States. Accordingly, HUD has entered into a contract with the Authority for the purpose of assisting in financing the acquisition, construction and leasing of housing units and to make annual contributions (subsidies) to the program for the purpose of maintaining its low-rent character.

In evaluating the Authority as a reporting entity, management has addressed its relationship with the City of Linton and concluded that the City does not maintain an oversight responsibility for the Authority's operations. An independent Board of Commissioners, appointed by the Mayor, is responsible for the activities of the Authority. The Authority recruits and employs its executive staff and has substantial legal authority to control its affairs without requiring approval of the City government. Debt incurred by the Authority is not an obligation of the City; the City does not review or approve the Authority's budget, is not entitled to any surplus funds generated by the Authority's operations and is not responsible for any deficits incurred by the Authority.

The Authority is governed by a Board of Commissioners appointed by the office of the Mayor, and has governance responsibilities over all activities related to all housing activities within the City. The Board of Commissioners has decision making authority and the power to designate management. The members do not serve at the discretion of the Mayor, i.e. they can only be removed for cause. The Authority's Board elects its own chairperson.

Consequently, in accordance with evaluating the criteria set forth in Section 2100 and 2600 of the Governmental Accounting Standards Board Codification, management has concluded that the Linton Housing Authority is a separate reporting entity. All funds and programs of the Housing Authority are included in these statements. The Housing Authority has no component units.

(b) Method of Accounting -

The financial statements of the Housing Authority have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

The Housing Authority applies all relevant Governmental Accounting Standards Board (GASB) pronouncements. The funds apply Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, unless those pronouncements conflict or contradict GASB pronouncements, in which case, GASB prevails.

**LINTON HOUSING AUTHORITY
LINTON, INDIANA**

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 1 - Summary of Significant Accounting Policies

(c) Financial Statement Presentation

Although a formal policy has not been adopted, in financial statement preparation the Authority distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the Authority's principal ongoing operations. Principal operating revenues are tenant rents and HUD grants. Operating expenses include administration, maintenance, insurance, depreciation, utilities, housing assistance payments and other general expenses. All revenues and expenses not meeting these definitions are reported as non-operating revenues and expenses.

(d) Funds -

Each of the programs of the Housing Authority are organized on a basis of fund accounting, using a separate set of self balancing accounts as prescribed by HUD. The programs of the Housing Authority are:

- * Low Rent Public Housing
- * Housing Choice Vouchers
- * Capital Fund Program

These programs are all accounted for within the 'Proprietary' (enterprise) fund as described below:

Proprietary Fund Types:

Proprietary funds use the economic resources measurement focus and utilize the accrual basis of accounting. All assets and liabilities associated with a proprietary fund's activities are included on the fund statement. Proprietary fund equity is segregated into Invested in Capital Assets Net of Related Debt, Restricted Net Assets and Unrestricted Net Assets.

(e) Cash and Cash Equivalents -

For purposes of the statement of cash flows, the practice of the Housing Authority is to consider all highly liquid investments to be cash equivalents. The term "highly liquid" refers to investments with a maturity of one (1) month or less when purchased to be cash equivalents.

(f) Interprogram Receivables and Payables

During the course of operations, numerous transactions occur within individual programs that may result in amounts owed between these programs. These receivables and payables are classified as "due from other programs" or "due to other programs" on the combining statement of net position and have been eliminated in the basic financial statements.

**LINTON HOUSING AUTHORITY
LINTON, INDIANA**

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 1 - Summary of Significant Accounting Policies

(g) Accounts Receivable -

The tenants accounts receivable discloses the gross amount due from the tenants at December 31, 2013, and does not take into consideration prepaid amounts. The Housing Authority provides for an allowance for doubtful accounts, based on the estimated collections of current accounts receivables. The Housing Authority periodically writes off uncollectible accounts receivable to the allowance account based on a review of the current status of existing receivables and the determination that the receivable will not be collected.

(h) Inventories and Materials -

Inventories and materials are stated at cost which approximates market determined on a first-in, first-out basis.

(i) Fixed Assets -

For the purpose of determining, distinguishing and recording materials and non-expendable equipment and personal property purchased or acquired in connection with development, management, and maintenance of public housing developments owned or operated, the Housing Authority follows the following capitalization policy:

If the initial cost of a piece of equipment and/or other personal property is one thousand (\$1,000) or more and the anticipated life or useful life of said equipment or property is more than one (1) year, the same shall be capitalized and recorded as non-expendable equipment and charged as a capital expenditure.

Land, buildings and equipment contains the following:

- 1) The total development construction costs incurred for each project at the end of the initial operating period,
- 2) nonexpendable equipment, and
- 3) property betterments and additions
- 4) land acquisitions.

These are recorded at cost. Depreciation of property and equipment is provided using the straight line method for financial reporting purposes at rates based on the following estimates:

| | | |
|--------------------------|----|-------|
| Buildings | 25 | years |
| Equipment | 3 | years |
| Transportation equipment | 7 | years |
| Furniture and fixtures | 7 | years |
| Leasehold improvements | 10 | years |

TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 1 - Summary of Significant Accounting Policies

(j) Net Position -

GASB Statement 63 requires the classification of net position into three components as defined below:

- 1) Net investment in capital assets - capital assets, net of accumulated depreciation, reduced by the outstanding balances of debt and deferred inflows of resources related to the acquisition, construction or improvement of those assets.
- 2) Restricted - restricted assets reduced by liabilities and deferred inflows of resources related to those assets.
- 3) Unrestricted - amounts not required to be reported in the other components of net position.

(k) Income Tax -

The Authority, organized as a non-profit corporation subsidized by the Federal government, is exempt from Federal and State income taxes.

(l) Annual Contributions/Subsidies and Other Grants

Annual contributions and subsidies received from the Department of HUD are recorded as grant revenues.

Other grants (such as CFP grants) are recognized when program expenditures are incurred. Such revenue is subject to review by the Department of Housing and Urban Development and may result in disallowance in subsequent periods.

(m) The Housing Authority adopts a budget annually. The budget is submitted to the Board of Commissioners for approval. Subsequent budget revisions may also be required to be submitted for approval.

(n) The preparation of financial statements in conformity with generally accepted accounting principles require the Housing Authority to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(o) Leasing activities (as lessor) - the Authority is the lessor of dwelling units mainly to low income and/or elderly and disabled residents. The rents under the lease are determined generally by the resident's income as adjusted by eligible deductions regulated by HUD, although the resident may elect for a flat rent option. Leases may be cancelled by the lessee at any time. The Authority may cancel the lease only for cause.

**LINTON HOUSING AUTHORITY
LINTON, INDIANA**

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 1 - Summary of Significant Accounting Policies

- (p) Rental income is recognized as rents become due.
- (q) At any time during the year and at year end, there are construction projects in process. These projects include modernizing rental units. The projects are funded by HUD and funds are requested periodically as costs are incurred.

Note 2 - Cash

Statutes authorize the Housing Authority to invest in certificates of deposit, money market funds, United States government securities and repurchase agreements fully collateralized by United States government securities.

All cash and investments are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC) or other equivalent insurance company of the depository financial institutions. The deposits exceeding the insured or registered limits are public funds covered by the State of Indiana Public Deposit Fund.

Custodial Credit Risk

- a. Deposits - Custodial credit risk is the risk that in the event of a financial institution failure, the Authority's deposits may not be returned or that the Authority will not be able to recover collateral securities in the possession of an outside party.
- b. Investments - Custodial credit risk is the risk that in the event of the failure of the depository, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of the outside party.

Credit Risk Investments, Concentration of Credit Risk and Interest Rate Risks - Investments

Credit Risk is the risk that an issuer or other counter party to an investment will not fulfill its obligations. The Housing Authority has no investment policy that limits its investment choices other than the limitation of state law and/or the Department of Urban Development regulations.

Concentrations of Credit Risk is the risk of loss attributed to the amount of the investment in a single issuer. The Authority does not have a formal investment policy covering the concentration of credit risk.

Investment Rate Risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Housing Authority has no formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 2 - Cash (Continued)

The cash deposits held at financial institutions can be categorized according to three levels of risk. These three levels of risk are as follows:

Category 1 - Deposits which are insured or collateralized with securities held by the Housing Authority or by its agent in the Housing Authority's name.

Category 2 - Deposits which are collateralized with securities held by the pledging financial institution's trust department or agent in the Housing Authority's name.

Category 3 - Deposits which are not collateralized or insured.

Based on the three levels of risk, all of the Housing Authority's funds are classified as Category 1

| <u>Program</u> | <u>Book Balance</u> | <u>Bank Balance</u> |
|----------------|---------------------|---------------------|
| Low Rent | \$ 90,872 | \$ 90,313 |
| Voucher | <u>90,061</u> | <u>93,456</u> |
| Total | <u>\$ 180,933</u> | <u>\$ 183,769</u> |

Note 3 - Compensated Absences

Vacation Leave

1. Vacation leave with pay shall be earned by all regular full time employees at the following rates:

Upon completion of one (1) year continuous service employees will earn one (1) weeks pay.

Upon completion of two (2) years continuous service employees will earn two (2) weeks pay.

Upon completion of ten (10) years continuous service employees will earn three (3) weeks pay. Continuous service defined as an employee who has worked for the same office or has worked for various county offices for ten continuous years or more.

2. Employees shall not be granted pay in lieu of vacation.
3. All vacation must be taken during the calendar year of eligibility.
4. Employees who terminate without proper notification shall forfeit all right to vacation pay.

**LINTON HOUSING AUTHORITY
LINTON, INDIANA**

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 3 - Compensated Absences

Sick Leave

1. Employees may be paid for leave taken because of illness or accident. An employee must work six (6) consecutive months before the employee becomes eligible for paid sick leave. All eligible employees shall be entitled to six (6) full days with pay for sick leave in any twelve (12) month period, which twelve month period shall be measured from anniversary date of such employee's employment. Any employee may accumulate his or her unused sick leave toward increasing the period of sick leave to which her or she is entitled in any given twelve months period, up to a maximum of twelve (12) days of sick leave in any given twelve (12) month period.
2. Sick leave may be accumulated not to exceed twelve (12) days.
3. In no event shall an employee be paid for sick leave not taken.

Note 4 - Defined Contribution Plan

The PHA participates in PERF (Public Employee Retirement Fund), a defined contribution retirement program. The Housing Authority and the participants are required to contribute a percentage of annual covered payroll. The plan requires the Housing Authority and the employee to contribute 10% and 3% of covered wages, respectively. For the fiscal year ended December 31, 2013, required contributions by the Housing Authority were \$11,197. Total annual payroll expense was \$89,801.

Note 5 - Post-Employment Benefits

The Housing Authority does not provide post employment retirement benefits. As a result there are no disclosures included in these statements as required by GASB 45.

Note 6 - Accounts Receivable

Accounts receivable consists of the following accounts:

| | |
|---|------------------|
| Tenants accounts receivable | \$ 902 |
| Allowance for doubtful accounts - tenants | <u>-229</u> |
| Subtotal | \$ 673 |
| Interfund | <u>14,446</u> |

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 10 - Notes Payable

On August 4, 1987, the U.S. Department of Housing and Urban Development (HUD) issued notice PIH 87-212 to implement the provisions of the Housing and Community Development Reconciliation Amendments of 1985 (PL 99-272, enacted April 7, 1986). This notice states, in part, the following:

Project debt to HUD (HUD-held notes) will be forgiven after a debt forgiveness amendment to the consolidated Annual Contributions Contract has been executed by HUD and the Public Housing Authority and after the Actual Development Cost Certificate has been included in an audit and approved.

As a part of the HUD mandated GAAP conversion and the above referenced notice, all HUD-held notes were recorded as debt forgiveness during a prior fiscal year.

Note 11 - Other Liabilities

Other liabilities consists of the following:

Current Portion:

| | |
|-----------------------------|-----------------|
| Wages/payroll taxes payable | \$ 5,034 |
| Utilities payable | <u>2,460</u> |
| Total | <u>\$ 7,494</u> |

Note 12 - Unearned Revenue

This classification consists of the following accounts:

| | |
|----------------------|---------------|
| Tenants prepaid rent | <u>\$ 843</u> |
|----------------------|---------------|

Note 13 - Administrative Fee

The PHA receives an "Administrative Fee" as part of the annual contribution from HUD to cover the costs (including overhead) of administering the HAP Program. The fee is calculated by HUD on an annual calendar year basis.

Note 14 - Allocation of Costs

The PHA allocated expenses not attributable to a specific program to all programs under management. The basis for this allocation was the number of units in each program. Management considers this to be an equitable method of allocation.

**LINTON HOUSING AUTHORITY
LINTON, INDIANA**

**NOTES TO FINANCIAL STATEMENTS
TWELVE MONTHS ENDED DECEMBER 31, 2013
(CONTINUED)**

Note 15 - Contingencies

Federal Grants

In the normal course of operations, the Housing Authority receives grant funds from the Department of Housing and Urban Development. The programs are subject to audit by agents of HUD, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as a result of these audits is not believed to be material.

Note 16 - Prior Period Adjustments

Prior period adjustments posted directly to net position are detailed below:

| | |
|---|----------------------|
| Prior year proration factor not requested - adjust receivable | \$ <u> -709</u> |
|---|----------------------|

Note 17 - Risk Management

The Housing Authority carries commercial insurance coverage to cover exposure and the risk of losses related to torts, thefts, damages, destruction of assets, errors and omissions, injuries, natural disaster and defalcation.

For insured programs there has been no significant reduction in insurance coverage. Settled claims have not exceeded insurance coverages in the current or past three years.

Note 18 - Economic Dependency

The Housing Authority received most of its revenue (85%) from the United States Department of Housing and Urban Development. This funding is subject to federal government appropriations and potential funding reductions.

Note 19 - Restricted Net Position

Restricted net position is restricted for the following:

| | |
|-----|------------------------|
| HAP | \$ <u> 47,723</u> |
|-----|------------------------|

2. The distribution of costs by project, as shown on the final Statement of Modernization Cost, dated August 25, 2014, accompanying the Actual Modernization Cost Certificate submitted to HUD for approval, is in agreement with the PHA's records.
3. All modernization costs have been paid and all related liabilities have been discharged through payment.

**Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit
of Financial Statements Performed in Accordance with
*Government Auditing Standards***

Board of Commissioners
Linton Housing Authority
Linton, Indiana

I have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Linton Housing Authority, which comprise the statement of net position as of December 31, 2013, and the related statements of changes in net position and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise the Linton Housing Authority's basic financial statements and have issued my report thereon dated August 21, 2014.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Linton Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Linton Housing Authority's internal control. Accordingly, I do not express an opinion on the effectiveness of the Linton Housing Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Linton Housing Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, *significant deficiencies* or *material weaknesses*. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above. However, I identified certain deficiencies in internal control over financial reporting. I considering the following deficiencies to be significant deficiencies:

The Housing Authority did not maintain the books and records of the agency in conformity with *Governmental Accounting Standards* Board Statement 63 or in accordance with the Department of Housing and Urban Development's required reporting format.

Compliance and Other Matters

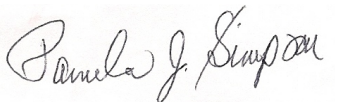

As part of obtaining reasonable assurance about whether the Linton Housing Authority's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

I noted certain matters that I reported to the management of the Linton Housing Authority in a separate letter dated August 21, 2014.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Linton Housing Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Linton Housing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Decatur, Illinois

Certified Public Accountant

**Independent Auditor's Report on Compliance with Requirements
That Could Have a Direct and Material Effect on Each Major HUD-Assisted Program
and on Internal Control over Compliance in Accordance with OMB CIRCULAR A-133**

Board of Commissioners
Linton Housing Authority
Linton, Indiana

Report on Compliance for Each Major Program

I have audited the Linton Housing Authority's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement*, that could have a direct and material effect on each of the Linton Housing Authority's major federal programs for the year ended December 31, 2013. The Linton Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditor's Responsibility

My responsibility is to express an opinion on compliance for each of the Linton Housing Authority's major federal programs based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations (OMB Circular A-133)*. Those standards and *OMB Circular A-133* require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a material effect on the major federal programs occurred. An audit includes examining, on a test basis, evidence about the Linton Housing Authority's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major program. However, my audit does not provide a legal determination of the Linton Housing Authority's compliance.

Opinion on Each Major Program

In my opinion, the Linton Housing Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2013.

Other Matters

The results of my auditing procedures also disclosed immaterial instances of noncompliance which are to be reported in accordance with *OMB Circular A-133*, which are described in the accompanying schedule of findings and questioned costs as item 2013-001. My opinion is not modified with respect to this matter.

The Linton Housing Authority's responses to the noncompliance findings identified in my audit are described in the accompanying schedule of findings and questioned costs. The Linton Housing Authority's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, I express no opinion on the responses.

Report on Internal Control Over Compliance

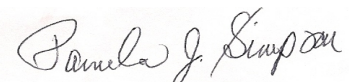

Management of the Linton Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered the Linton Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing my opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with *OMB Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of the Linton Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirements of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a *material weakness* in internal control over compliance, yet important enough to merit the attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, *significant deficiencies* or *material weaknesses* in internal control over compliance. I did not identify any deficiencies in internal control over compliance that I consider to be *material weaknesses*, as defined above. However, I identified certain deficiencies internal control over compliance that I consider to be *significant deficiencies*, as described in the accompanying schedule of findings and questioned costs as finding 2013-001.

The Linton Housing Authority's responses to the findings identified in my audit are described in the accompanying schedule of findings and questioned costs. I did not audit Linton Housing Authority's responses and, accordingly, I express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of my testing based on the requirements of *OMB Circular A-133*. Accordingly, this report is not suitable for any other purpose.

STATUS OF PRIOR AUDIT FINDINGS

The prior audit report for the period ended December 31, 2012 contained two findings.

Finding 2012-001: Financial Statements Lack Required Detail

The Housing Authority was not maintaining the proper detail in their general ledger to properly complete the electronic reporting to REAC/HUD. This finding continues.

Finding 2012-002: Depreciation Schedules Not Reconciled (SAS 12 Lack of Internal Controls)

The Authority is required to have internal controls over their financial statement preparations. Proper procedures had not been developed to determine that all transactions were properly recorded. As a result the fixed asset accounts lacked support or reconciliations.

This finding is considered closed.

CURRENT FINDINGS, RECOMMENDATIONS AND GRANTEE RESPONSE

Section II - Financial Statement Audit Findings

There was one financial statement audit findings discussed with J. Ken Wright, during the course of the audit and at an exit conference held August 21, 2014.

Finding 2013-001: Financial Statements Lack Required Detail

Condition and Criteria: HUD has developed a “Financial Data Schedule and Line Definition Guide” dated FYE 06/30/2008 (Updated most recently in 2013) that provides the prescribed chart of account and FDS Definition Guide to be used in financial statement preparation. The Financial Data Schedule (FDS) was created to standardize the financial information reported by Public Housing Authorities (PHAs) to the Department of Housing and Urban Development (HUD) Real Estate Assessment Center (REAC). REAC currently requires PHAs to report their accounting information using Generally Accepted Accounting Principles (GAAP). REAC uses the FDS to analyze PHA financial data in conjunction with other performance measurements, to help ensure the success of PHA programs. The Housing Authority had updated their chart of account to correspond to HUD’s prescribed chart of accounts for the Low Income Housing Program but not the Housing Choice Voucher Program.

In addition to not using the prescribed chart of accounts, in the prior year, Governmental Accounting Standards Board (GASB) approved Statement No. 63 which changes how governments will organize their statements of financial position. The Housing Authority’s Housing Choice Voucher statements do not reflect these new standards.

Effect: The Housing Authority is not preparing all of its financial statements in the prescribed format . Additionally, the Housing Authority is not maintaining the proper detail in their general ledger to properly complete the electronic reporting to REAC/HUD.

Cause: The Housing Authority engages a fee accountant to assist with general ledgers and financial statement preparation, however, the fee accountant’s software for the Housing Choice Voucher Program has not been updated to comply with GASB No. 63 or HUD’s most recent chart of accounts and reporting requirements.

Auditor’s Recommendation: The Housing Authority must maintain all of their general ledgers and financial statements to comply with GASB and HUD requirements.

Grantee Response: The Executive Director will contact the fee accountant to require that the changes be made immediately.

Section III - Federal Award Audit Findings

There were no federal award audit finding discussed with J. Ken Wright, during the course of the audit and at an exit conference held August 21, 2014.

Board of Commissioners
Linton Housing Authority
Linton, Indiana

In planning and performing my audit of the financial statements of Linton Housing Authority as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, I considered the Housing Authorities internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Linton Housing Authority 's internal control. Accordingly, I do not express an opinion on the effectiveness of Linton Housing Authority 's internal control.

The administration of the Housing Authority is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgements by the administration are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. However, my study and evaluation disclosed certain conditions in the following areas of which you should be aware in order to improve operating efficiencies and strengthen internal controls:

1. While reviewing the Housing Authority's system of internal controls, it came to my attention that not all internal control procedures being followed have been included in the written policy/procedural manual. A procedural manual is essential to any system of internal controls.

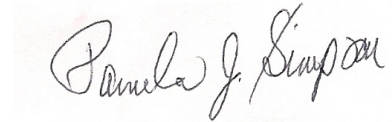

In addition to the current policies/procedures, I suggest that the written manual be expanded to include: (a) approval of journal entries (hard copies initialed or signed) (b) documentation of approval of payroll (payroll registers should be initialed or signed) (c) credit card use (full explanation of the purpose of travel, meals and meetings attached to supporting invoices) (d) personal use of agency assets (such as automobile, cell phone, etc) (e) reconciliation of rent rolls and HAP registers with written documentation of approval and (f) method of maintenance materials physical inventory reconciliation and valuation methods. The written policies should also cover the extent that outside consultants are used to provide internal controls.

A more detailed written manual will aid in the training of new staff, assure management of consistency in policy application as well as accurate financial reporting.

2. While reviewing the agency's SEMAP certification, the Housing Authority could not provide written documentation to substantiate that all of the SEMAP indicators had been properly tested. The Housing Authority should expand and retain its documentation of quality control reviews of the Section 8 HCV files.
3. During our review of insurance coverage, it was noted that none of the insurance premiums had been allocated to the Section 8 Housing Choice Voucher Program. The PHA should allocate a portion of applicable insurance expenses to the Section 8 program (for example: worker's compensation). It was also noted that none of the 2012 audit expense had been allocated to the HCV program. OMB Circular A-122 requires a uniform allocation of all shared expenses.
4. It was noted that the fee accountant's monthly reconciliation of the security deposit reports does not coincide with the PHA's records. The fee accountant should be instructed to confer with the housing personnel on all adjustments required to be posted to the detail. Lack of proper reconciliations can lead to material misstatements of financial reports.
5. The year end financials and the year end financial report submitted to REAC did not properly account for the accrued compensated absence expense. Per the HUD Financial Data Schedule Line Definition Guide, the Housing Authorities should report amounts expensed for vacation and sick leave as a separate line item (FDS line 96100). The Housing Authority should provide the number of hours earned in a year for all employees to the fee accountant so compensated absence expense can be calculated and properly reported.
6. The fee accountant should be instructed to change the format (accounts used) in the Voucher Program's general ledger by switching which accounts represent Net Reserved Position vs. Unrestricted Net Position. Currently, "Unreserved Surplus" tracks the NRP balance and "Operating Reserve" tracks UNP which is incorrect.
7. The Housing Authority should adopt a formal policy relating to the periodic write off of stale dated checks. In my review of the year end bank reconciliations, it was noted that there are outstanding check in the Public Housing program and the Housing Choice Voucher program that are over one year old.
8. HUD regulations require that funds from one program do not supplement the operations of another program. Based on this requirement, there should be only temporary timing differences of the flow of funds from one program to another (interfund payables/receivables). The interfund accounts between the Housing Authority's two programs (LIPH and Housing Choice Voucher) did not show monthly reimbursements to reduce or eliminate the balances. The amounts due from one program to another should be reimbursed no less than monthly.
9. It was noted that the detailed depreciation schedule does currently reconcile to the capital asset accounts in the general ledger, however, the listing does not appear to be accurate or current. For example, two mower upgrade lines items appear on the schedule and an "audit adjustment" line item also is on the schedule. The housing authority currently does not own multiple mowers. A complete physical inventory should be taken of all assets and the physical counts reconciled to both the depreciation schedule and the control account.

10. While reviewing the current personnel policy and testing adherence to the policy, I noted that the written policies do not properly reflect the day to day operations of the housing authority in some instances. The current policy should be reviewed and updated with current policies being followed. Specifically I noted that Housing Authority's work week (hours per week) is not properly defined. Additionally, some employees are currently covered under the PERF retirement plan and others have elected not to participate. Participation should be uniform or exceptions covered in the policy.

This communication is intended solely for the information and used of management, the Board of Commissioners, and others within the housing authority, and is not intended to be and should not be used by anyone other than these specified parties. Please feel free to contact me if you have any questions.

A handwritten signature in black ink that reads "Pamela J. Simpson". The signature is written in a cursive style with a large initial "P" and "S".
