INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Whitewater Community Television, Inc.

We have audited the accompanying financial statements of Whitewater Community Television, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Whitewater Community Television, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Note #1 - Summary of Significant Accounting Policies

Nature of Operations

Whitewater Community Television, Inc. (WCTV) was incorporated as a not-for-profit organization on April 7, 1988, under the laws of the state of Indiana. The organization was created to provide a public, educational and government access television center to the residents of Wayne County, Indiana at no cost to the public. WCTV is primarily supported by franchise fees from the City of Richmond, Indiana and Wayne County.

The financial statements of WCTV have been prepared on the accrual basis. The significant accounting policies followed are described to enhance the usefulness of the financial statements to the reader.

Prior Year Amounts

The amounts shown for June 30, 2014 in the accompanying financial statements are presented to provide a basis for comparison with June 30, 2015.

Net Asset Classifications

The financial statements have been prepared in accordance with the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-For-Profit Organizations*. SFAS No. 117 requires that the financial statements report information regarding its financial position and activities according to three classes of net assets:

1. Unrestricted - expendable funds for current operations.
2. Temporarily restricted - funds temporarily restricted as to program purpose or time restrictions by the donor. WCTV does not have any temporarily restricted net assets.
3. Permanently restricted - funds restricted by the donor that stipulates resources be maintained permanently but permits the organization to use part or all of the income derived from the donated assets. WCTV does not have any permanently restricted net assets.

Support and Revenue

WCTV reports assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When donor restrictions expire, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. If donor-imposed restrictions are met in the same reporting period in which the contribution is received, WCTV reports the contribution as unrestricted support.

Cash and Cash Equivalents

WCTV considers all liquid investments with original maturities of three months or less to be cash equivalents. Cash consists of bank deposits in federally insured accounts and petty cash. WCTV had no cash equivalents at June 30, 2015 and 2014.

Indiana University Reserve

WCTV employee related expenses and other selected expenses are administered by Indiana University and then reimbursed by WCTV. The reserve represents 2/12ths of the WCTV IU budget for salaries, benefits and retirement.

Financial Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimated.

Advertising

WCTV uses advertising to promote its programs among the audiences it serves. The production costs of advertising are expensed as incurred.

NOTES TO FINANCIAL STATEMENTS

Note #1 - Summary of Significant Accounting Policies (continued)

Property and Equipment

WCTV capitalizes all expenditures for equipment in excess of \$500 and a useful life of one year or longer. Equipment is carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the useful lives of the assets, ranging from five to seven years. Routine repairs and maintenance are expensed when incurred.

Upon the sale of equipment, the cost and related accumulated depreciation are eliminated from the respective accounts and the resulting gain or loss is included in current revenues.

Donated Property and Equipment

WCTV reports gifts of equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets must be maintained. WCTV reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service, as instructed by the donor. WCTV reclassifies temporarily restricted net assets to unrestricted net assets at that time.

In-Kind Contributions

In addition to receiving cash contributions, WCTV receives usage of furnished office space from Indiana University East. The value of the office space that is included as in-kind contributions and the corresponding rent expense is \$29,100 and \$29,100 for the years ended June 30, 2015 and 2014. Other in-kind contributions consisted of auditing and accounting services of \$1,100 and \$1,050 for the years ended June 30, 2015 and 2014 and \$600 used camera for the year ending June 30, 2015.

Income Taxes

WCTV is exempt from income taxes under Section 501(c)(3) of the U. S. Internal Revenue Code and is not considered to be a private foundation.

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending June 30, 2013, 2014 and 2015 are subject to examination by the Internal Revenue Service, generally for three years after they are filed.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Receivables and Payables

Receivables and payables are shown in the statement of financial position. All are considered current.

Note #2 - Leases

WCTV leases approximately 2,600 square feet from Indiana University for operational space. The lease is part of an overall contract with Indiana University that also includes certain personnel services being provided. The contract is valid indefinitely, although either party may terminate it in whole or in part with 60 days prior written notice. Indiana University has agreed to waive all lease payments for WCTV. Management estimates the fair market value of the space to be \$29,100 per annum.
